MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding entered into this 22nd day of May, 1974, by and between the State of Indiana through the Indiana State Highway Commission hereinafter referred to as "State" and the City of Fort Wayne by its Board of Public Works hereinafter referred to as "City".

WHEREAS, U. S. Highway #27 from Coliseum Boulevard (also known as U. S. #30 By-Pass) to Interstate Highway #69 is heavily congested and in need of improvement; and

WHEREAS, City and State are desirous of mutually working toward the improvement of said U. S. #27; and

WHEREAS, City has obtained options to purchase necessary rights of way to allow for the completion of said improvement.

NOW THEREFORE, IT IS MUTUALLY AGREED by the parties hereto:

1. State and City will make application to program said highway as an Urban project using Urban "D" funds.
2. City will, at its expense, have prepared engineering plans and specifications necessary for said project.
3. City will convey secured rights of way to State necessary for construction of said project. City agrees to comply with provisions of Public Law 91-646 in acquiring necessary rights of way, and certify said compliance to the State.
4. The project will be funded with Federal Urban "D" funds. The balance not provided by the Federal Government shall be furnished by the State of Indiana.
5. The State agrees that it will abandon U. S. #27 from its intersection with I-69 south to the junction of S. R. #1 and #3 in Fort Wayne, Indiana, upon acceptance of the construction work by the State.
6. The City shall cause a Resolution to be passed at its next regular meeting and attach same to this Memorandum to become a part hereof and said Resolution shall authorize the undertakings by the City herein and compliance therewith as set out in this agreement and shall, furthermore, bind the City to accept the abandonment of U. S. #27 from its intersection with I-69 south to the junction of S. R. #1 and #3 in Fort Wayne, Indiana.

By execution hereof, each party hereto binds itself to the terms and conditions set forth herein. This Memorandum of Understanding shall become effective upon City's delivering necessary rights-of-way grants to the State as agreed to in item three (3) above, supported by title evidence showing merchantable title in the City of Fort Wayne, Indiana.

IN WITNESS WHEREOF, the aforesaid Parties to this agreement have caused this instrument to be executed by the properly authorized persons representing their respective interests, all on this 22nd day of May, 1974.

Indiana State Highway Commission

STATE OF INDIANA, Allen County, ss:

Before me, the undersigned, a Notary Public in and for said County and

State, this 10th day of May, A. D. 1974;

personally appeared the within name Jerry O. Boswell, Ronald

L. Bonar and William G. Williams and

Edna B. Smith Party in the above instrument, and acknowledged the

same to be their voluntary act and deed, for the uses and purposes herein mentioned.

I have hereunto subscribed my name and affixed my official seal.

My Commission expires June 225, 1977 Notary Public.

Janis Louise Parvett

RESOLUTION 60-219-9

WHEREAS, the City of Fort Wayne and the Indiana State Highway Commission recognize the need for improvement of U. S. Highway #27 to Interstate Highway #69 due to heavy congestion, and

WHEREAS, the City and State are desirous of working together toward the improvement of the section between U. S. #30 Bypass (Coliseum Boulevard) and Interstate Highway #69, and

WHEREAS, it shall be necessary for the City and State to make applications for funding through a Federal Project Grant, and

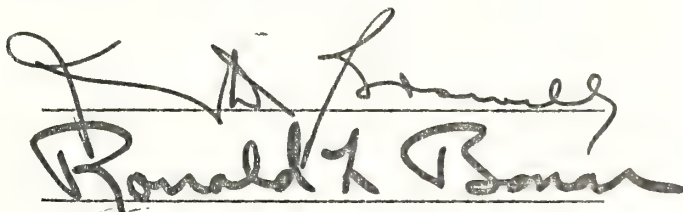

WHEREAS, the City shall be required to provide rights of way, plans and specifications for said improvement project, and

WHEREAS, the State shall require the City to accept the abandonment of U. S. #27 from its intersection with I-69 south to the junction of S. R. #1 and #3 in Fort Wayne, Indiana, and the City shall accept the same,

NOW THEREFORE BE IT RESOLVED that the City of Fort Wayne through the Board of Public Works, agrees to, and hereby does enter into that certain "Memorandum of Understanding" with the Indiana State Highway Commission and this Resolution shall become a part of that Memorandum and, furthermore, the City agrees that upon acceptance by the State of the proposed highway construction work, as described in the said Memorandum, the State will abandon to the City that portion of U. S. #27 as described in the Memorandum and the City will accept the abandonment of U. S. #27 from its intersection with I-69 south to the junction of S. R. #1 and #3 in Fort Wayne, Indiana.

ADOPTED the 2nd day of May, 1974.

STREET LIGHTING RESOLUTION NUMBER 107-1974
CASSELWOOD TERRACE ADDITION

WHEREAS, Casselwood Terrace Addition was developed without street lighting,
and

WHEREAS, over 55% of the property owners in Casselwood Terrace Addition,
in addition to the Casselwood Terrace Civic Association, have requested the Board
of Public Works to install street lighting, and

WHEREAS, on March 29, 1974, the Board of Public Works wrote a letter to
said property owners requesting their preference on the type of lighting to be
installed, and

WHEREAS, response received indicated the majority of the property owners
desired underground wiring and ornamental lighting, and

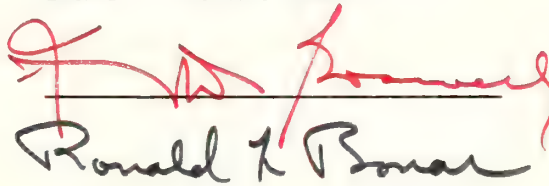

WHEREAS, engineering plans, specifications, estimates and primary assess-
ment figures have been prepared by the Electrical Engineering Department and
filed with the Board of Public Works.

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works of the City
of Fort Wayne, Indiana, that new ornamental street lighting with underground
wiring shall be installed in Casselwood Terrace Addition. A maximum cost of
\$.013 per square foot of lot area shall be apportioned against and paid by the
property owners benefitted, with the City of Fort Wayne, Indiana, paying the
balance of cost of said lighting improvement. All according to the method and
manner provided for in an Act of the General Assembly of the State of Indiana
entitled, "Public Improvements in Platted Additions", Burns 48-3001, etc.

Assessments over \$100.00, if deferred, are to be paid in ten (10) equal
installments, with interest at the rate of six per cent (6%) per annum. A bond
or bonds shall be issued to the contractor in payment of such work, unless the
property owners pay said assessments before said bond or bonds are issued.
Under no circumstances shall the City of Fort Wayne be or be held responsible
for any sum or sums due from said property owner or owners for said work, or
for the collection of the same, or for payment of any bond, bonds, certificate
or certificates, issued to said contractor in payment for such work, except for
such monies as shall have been actually received by the City from the assessments
for such improvement, or such monies as said City is by said above entitled act
required to pay. All proceedings had and work done in the making of said improve-
ments, assessment of property, collection of assessments and issuance of bonds
therefor, shall be as provided for in said above entitled act and all amendments
thereto and supplemental thereof.

ADOPTED this 28 day of May, 1974.

CITY OF FORT WAYNE, INDIANA

THIS AGREEMENT, made in triplicate this *20th* day of *May*, 1974, by and between JOHN GALT, INC., hereinafter referred to as "Developer", HAROLD D. PALMER, hereinafter referred to as "Owner", and the CITY OF FORT WAYNE, INDIANA, an Indiana Municipal Corporation, hereinafter referred to as "City",

WITNESSETH:

WHEREAS, the "Developer" is improving Lot Nos. 1 and 2 of Parker Homestead Addition on St. Joe Center Road, to be known as an amended part of the Market Place of Canterbury; and

WHEREAS, the "Developer" desires to obtain sanitary sewer service for said Market Place of Canterbury; and

WHEREAS, numerous areas other than the "Developer's" area can be served; and

WHEREAS, the "Developer" and "City" have agreed to jointly construct a sewer to serve said Market Place of Canterbury and other areas; said sewer known as "The Market Place of Canterbury Sanitary Sewer Lateral "A", hereinafter referred to as "Sewer", and is described as follows:

THE MARKET PLACE OF CANTERBURY SANITARY SEWER LATERAL "A":

Commencing at the existing Manhole No. 19 at Station 54 + 20, St. Joe Interceptor Sewer - Division II, Resolution No. 219, and 222 ± feet South of the centerline of St. Joe Center Road on the West property line of Lot No. 1 in Parker Homestead Addition, Section 19, Township 31 North, Range 13 East, Allen County; thence, South in and along a 20 foot easement, recorded under Instrument 74-00661, 30 ± feet; thence, Easterly in and along said easement a distance of 640 ± feet terminating at a proposed manhole. Said sewer to be 18 inches in diameter.

Said "Sewer" to be constructed in accordance with the plans, specifications and profiles as prepared by Gerald E. Roche of Harold Palmer, and on file at this time in the office of the Board of Public Works commonly known as "The Market Place of Canterbury Sanitary Sewer Lateral "A". Said plans, specifications and profiles are by reference incorporated herein and made a part hereof; and

WHEREAS, the cost of construction of said "Sewer" is represented to be \$22,807.28, which is composed of \$20,370.25 construction cost, plus \$2,037.03 for engineering and inspection costs, and \$400.00 for agreement services.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements hereinafter set forth, the parties hereto agree as follows:

8.50
C

7.

1. CONSTRUCTION OF SEWER

The "Developer" shall cause said "Sewer" to be constructed and located in accordance with said plans, specifications, and profiles, all approved by the Water Pollution Control Engineering Department under private contract after requisite "City" approval. All work and materials shall be subject to inspection by "City" and the right of "City" to halt construction if there shall be non-compliance therewith. Said "Sewer" shall not be deemed permanently connected into the sanitary sewer system of the "City" until final acceptance by "City". Upon completion, said "Sewer" shall become the property of "City", and "City" shall accept sewage therefrom, subject to such sewage service charges as may now or hereafter be regularly established by "City", and all further maintenance thereafter shall be borne by "City".

2. COST OF CONSTRUCTION

The "Developer" and "City" hereby agree to share the entire cost and expense of construction of said "Sewer", including engineering, inspection, and agreement costs on a 41% - 59% basis respectively.

Bids for the construction cost of said "Sewer" were received and opened at the office of the Board of Public Works at 9:00 A.M. on April 16, 1974.

The "Developer" will award the contract and supervise construction of said "Sewer", and "City" shall pay to "Developer" 59% of the cost set forth herein after completion and acceptance not to exceed \$13,456.30.

3. AREA OF DEVELOPER AND OWNER

Said "Sewer", when accepted by the "City", will serve the following described real estate: A part of the Northeast quarter of Section 19, Township 31 North, Range 13 East, Allen County, Indiana, more fully described as follows:

Lot Nos. 1 and 2 of Parker Homestead Addition

4. CHARGE AGAINST EXCESS AREA

Said "Sewer" when constructed, will serve additional or excess area in Northwest $\frac{1}{4}$, Section 20, Township 31 North, Range 12 East, as shown on attached EXHIBIT "A".

In the event any present or future owner within the aforescribed said excess area shall at any time, within fifteen (15) years after the date of this contract desire to use said "Sewer" or any extension thereof, whether by direct tap or through the

10.
extension or connection of lateral or local lines to service such land; "City", through its duly constituted authorities, before permitting such use, shall require by contract or assessment, as may be appropriate, that such owner or owners of said excess area pay to "City" in addition to the cost of standard tap-in inspection fees and service charges the sum of \$13,456.30 for connection and use of said "Sewer" or a prorata share of the cost of the extension of "City" sewer to said excess area not to exceed \$500.00 per acre. The excess area subject to charge for construction and use of "Sewer" as of this date is attached.

The amount so collected by the "City" shall be retained by "City" and deposited with Fort Wayne Sewer Utility.

Also, an area connection charge of \$400.00 per acre must be paid to "City" at the time of any connection into said "Sewer". This area connection charge is in addition to the area charge as set forth above, and represents the oversizing cost expended by "City" for sewer line pertaining to St. Joe Interceptor, Division IV, Resolution No. 219, all as recorded in Instrument No. 72-04014 on February 29, 1972.

5. BOND

This contract is subject to "Developer" furnishing a satisfactory Guaranty Bond for 25% of the value of said "Sewer", which shall guarantee said "Sewer" against defects for a period of one (1) year from the date of final acceptance of said "Sewer" by the "City".

6. LIMITATION ON USE

Said "Sewer" shall be constructed for disposal of sanitary sewage only and neither the parties hereto, their successors, or assigns, or any future owner of any land serviced by said "Sewer", shall at any time discharge or permit to be discharged or to flow into said "Sewer", any water runoff caused by natural precipitation or anything other than sanitary sewage or contaminated waste.

7. COUNCILMANIC APPROVAL

It is understood and agreed that this contract is in all respects subject to approval by the Common Council of "City", by duly adopted Ordinance, and if such Ordinance is not adopted within a period of ninety (90) days after execution thereof, this contract shall be null and void and of no further force and effect.

7

8. WAIVER OF RIGHT TO REMONSTRATE AGAINST ANNEXATION

The "Owner", for himself, his successors in title and assigns, waives and releases any and all rights which it may now or hereafter have to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by "City" of any territory now or hereafter owned by him, as described in Article 3 herein, or hereafter served by said sewer or any extension thereof.

In further consideration and to induce "City" to execute and ratify this contract, said "Owner", for himself, his successors and assigns, agrees by this contract to vest in "City" the permanent right at its discretion to annex to the City of Fort Wayne at any future time by duly authorized ordinance the said real estate described in Article 3 herein.

"Owner" further agrees that any deeds, contracts, or other instruments of conveyance made by the "Owner", its successors or assigns transferring or conveying any interest or title in and to any of the real estate described in Article 3 herein, shall contain the waiver and release provisions contained in this article, which provisions shall run with the land and the acceptance of the delivery of any such instrument from the "Owner", his successors and assigns by any grantee, vendee, or contract purchaser, shall be made subject to the terms of this Agreement and shall constitute an acceptance of the foregoing provisions by said grantee, vendee, or contract purchaser and their successors in title.

The "Owner" further agrees to record an executed copy of this contract in the Allen County Recorder's Office within ten (10) days of its adoption and approval by the Common Council of "City" as hereinafter provided.

Any owner or owners of land which is now, or hereafter located outside the corporate limits of "City", who connect into the "Sewer" constructed hereunder, shall be deemed to thereby waive his, her, their or its right to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by "City" of such land or of the territory in which it is located or of the area served by said "Sewer".

6.

IN WITNESS WHEREOF, the parties have subscribed to this agreement the day and
year first above written.

THE AMERICAN INSTITUTE OF ARCHITECTS

AIA Document B141

**Standard Form of Agreement Between
Owner and Architect**

THIS DOCUMENT HAS IMPORTANT LEGAL CONSEQUENCES; CONSULTATION WITH
AN ATTORNEY IS ENCOURAGED WITH RESPECT TO ITS COMPLETION OR MODIFICATION

AGREEMENT

made this 20th day of May in the year of Nineteen
Hundred and Seventy Four

BETWEEN the Owner: The City of Fort Wayne, Indiana

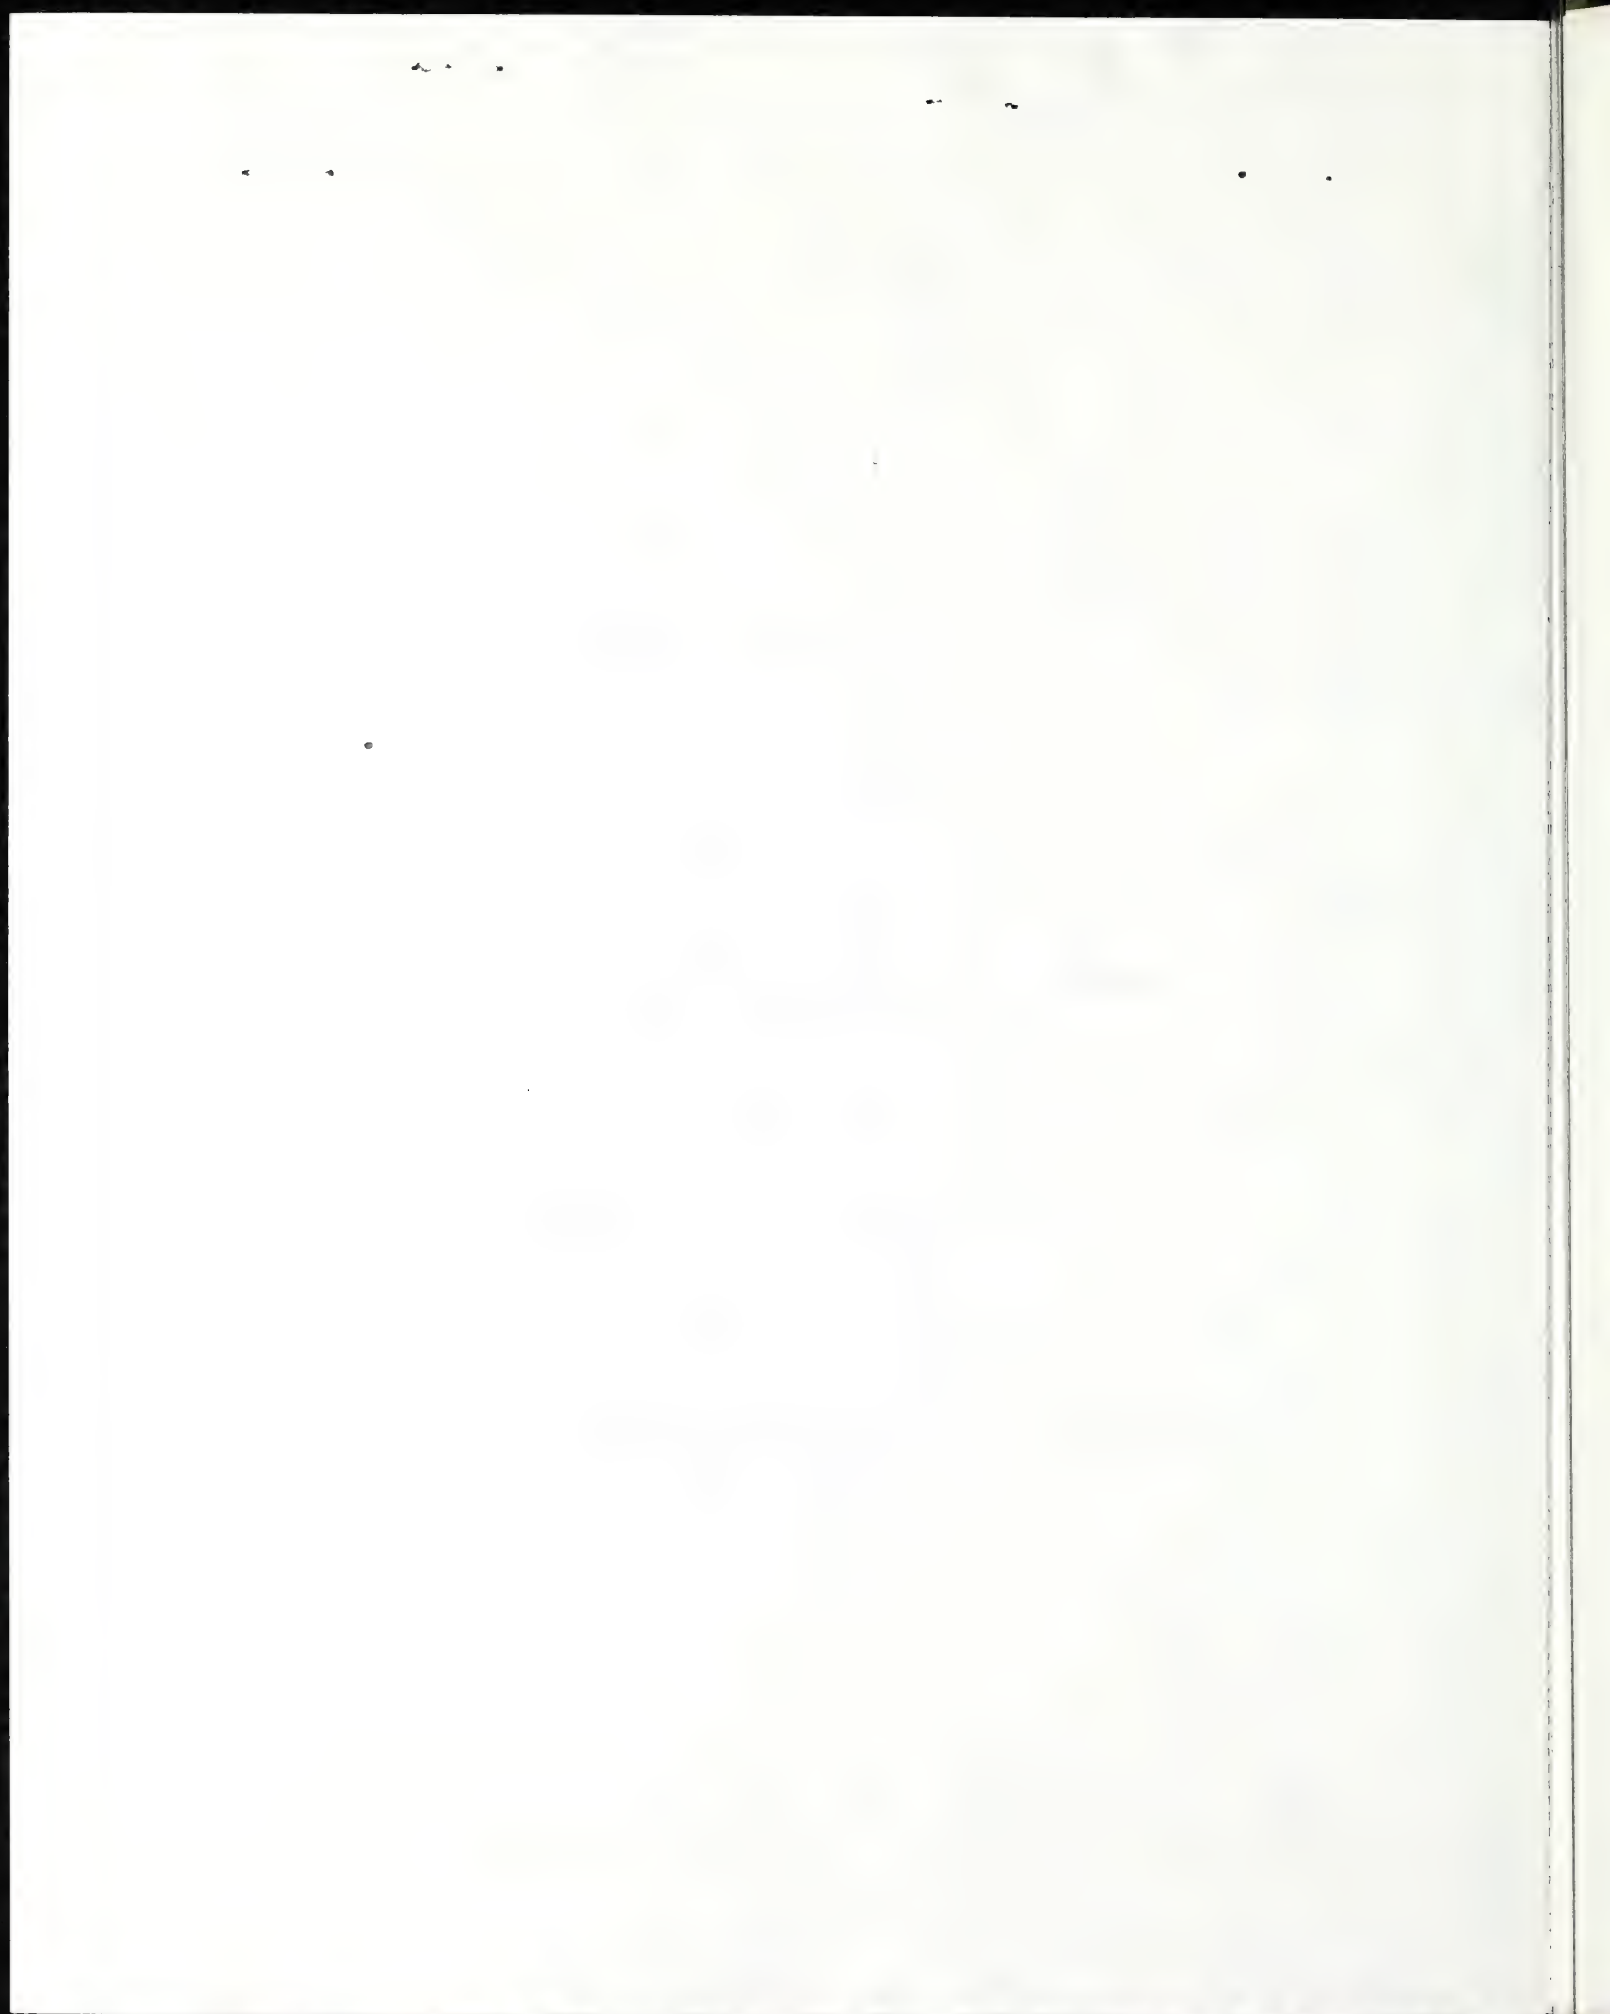

and the Architect: The Office of Jankowski Associates, Architects

For the following Project:

(Include detailed description of Project location and scope)

A two-story police department vehicle service and parking garage,
located at Lafayette and Superior Streets, Fort Wayne, Indiana.

The Owner and the Architect agree as set forth below.

PERCENTAGE OF CONSTRUCTION COST

I. THE ARCHITECT shall provide professional services for the Project in accordance with the Terms and Conditions of this Agreement.

II. THE OWNER shall compensate the Architect, in accordance with the Terms and Conditions of this Agreement.

A. *FOR BASIC SERVICES*, as described in Paragraph 1.1, Basic Compensation shall be computed on the basis of one of the following PERCENTAGES OF CONSTRUCTION COST, as defined in Article 3, for portions of the Project to be awarded under

A Single Stipulated Sum Construction Contract
percent (%)

Separate Stipulated Sum Construction Contracts
Seven percent (7 %)

A Single Cost Plus Fee Construction Contract
percent (%)

Separate Cost Plus Fee Construction Contracts
percent (%)

B. *FOR ADDITIONAL SERVICES*, as described in Paragraph 1.3, compensation computed as follows:

1. Principals' time at the fixed rate of twenty five dollars (\$ 25) per hour.
For the purpose of this Agreement, the Principals are:

Conrad C. Jankowski

2. Employees' time (other than Principals) at a multiple of
(2.75) times the employees' Direct Personnel Expense as defined in Article 4.

3. Services of Professional consultants at a multiple of
(1.3) times the amount billed to the Architect for such services.

C. *AN INITIAL PAYMENT* of
dollars (\$ XXXXXXXXXXXX)
shall be made upon the execution of this Agreement and credited to the Owner's account.

D. *FOR REIMBURSABLE EXPENSES*, amounts expended as defined in Article 5.

III. THE OWNER AND ARCHITECT agree in accordance with the Terms and Conditions of this Agreement that:

A. *IF SCOPE* of the Project is changed materially, compensation shall be subject to renegotiation.

B. *IF THE SERVICES* covered by this Agreement have not been completed within
twelve (12) months of the date hereof, the amounts of
compensation, rates and multiples set forth in Paragraph II shall be subject to renegotiation.

TERMS AND CONDITIONS OF AGREEMENT BETWEEN OWNER AND ARCHITECT

ARTICLE 1

ARCHITECT'S SERVICES

1.1 BASIC SERVICES

The Architect's Basic Services consist of the five phases described below and include normal structural, mechanical and electrical engineering services and any other services included in Article 14 as Basic Services.

SCHEMATIC DESIGN PHASE

1.1.1 The Architect shall review the program furnished by the Owner to ascertain the requirements of the Project and shall confirm such requirements to the Owner.

1.1.2 Based on the mutually agreed upon program, the Architect shall prepare Schematic Design Studies consisting of drawings and other documents illustrating the scale and relationship of Project components for approval by the Owner.

1.1.3 The Architect shall submit to the Owner a Statement of Probable Construction Cost based on current area, volume or other unit costs.

DESIGN DEVELOPMENT PHASE

1.1.4 The Architect shall prepare from the approved Schematic Design Studies, for approval by the Owner, the Design Development Documents consisting of drawings and other documents to fix and describe the size and character of the entire Project as to structural, mechanical and electrical systems, materials and such other essentials as may be appropriate.

1.1.5 The Architect shall submit to the Owner a further Statement of Probable Construction Cost.

CONSTRUCTION DOCUMENTS PHASE

1.1.6 The Architect shall prepare from the approved Design Development Documents, for approval by the Owner, Drawings and Specifications setting forth in detail the requirements for the construction of the entire Project including the necessary bidding information, and shall assist in the preparation of bidding forms, the Conditions of the Contract, and the form of Agreement between the Owner and the Contractor.

1.1.7 The Architect shall advise the Owner of any adjustments to previous Statements of Probable Construction Cost indicated by changes in requirements or general market conditions.

1.1.8 The Architect shall assist the Owner in filing the required documents for the approval of governmental authorities having jurisdiction over the Project.

BIDDING OR NEGOTIATION PHASE

1.1.9 The Architect, following the Owner's approval of the Construction Documents and of the latest Statement

of Probable Construction Cost, shall assist the Owner in obtaining bids or negotiated proposals, and in awarding and preparing construction contracts.

CONSTRUCTION PHASE — ADMINISTRATION OF THE CONSTRUCTION CONTRACT

1.1.10 The Construction Phase will commence with the award of the Construction Contract and will terminate when the final Certificate for Payment is issued to the Owner.

1.1.11 The Architect shall provide Administration of the Construction Contract as set forth in AIA Document A201, General Conditions of the Contract for Construction, and the extent of his duties and responsibilities and the limitations of his authority as assigned thereunder shall not be modified without his written consent.

1.1.12 The Architect, as the representative of the Owner during the Construction Phase, shall advise and consult with the Owner and all of the Owner's instructions to the Contractor shall be issued through the Architect. The Architect shall have authority to act on behalf of the Owner to the extent provided in the General Conditions unless otherwise modified in writing.

1.1.13 The Architect shall at all times have access to the Work wherever it is in preparation or progress.

1.1.14 The Architect shall make periodic visits to the site to familiarize himself generally with the progress and quality of the Work and to determine in general if the Work is proceeding in accordance with the Contract Documents. On the basis of his on-site observations as an architect, he shall endeavor to guard the Owner against defects and deficiencies in the Work of the Contractor. The Architect shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. The Architect shall not be responsible for construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work, and he shall not be responsible for the Contractor's failure to carry out the Work in accordance with the Contract Documents.

1.1.15 Based on such observations at the site and on the Contractor's Applications for Payment, the Architect shall determine the amount owing to the Contractor and shall issue Certificates for Payment in such amounts. The issuance of a Certificate for Payment shall constitute a representation by the Architect to the Owner, based on the Architect's observations at the site as provided in Subparagraph 1.1.14 and the data comprising the Application for Payment, that the Work has progressed to the point indicated; that to the best of the Architect's knowledge, information and belief, the quality of the Work is in accordance with the Contract Documents (subject to an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, to the results of any subsequent tests required by the Contract

Documents, to minor deviations from the Contract Documents correctable prior to completion, and to any specific qualifications stated in the Certificate for Payment); and that the Contractor is entitled to payment in the amount certified. By issuing a Certificate for Payment, the Architect shall not be deemed to represent that he has made any examination to ascertain how and for what purpose the Contractor has used the moneys paid on account of the Contract Sum.

1.1.16 The Architect shall be, in the first instance, the interpreter of the requirements of the Contract Documents and the impartial judge of the performance thereunder by both the Owner and Contractor. The Architect shall make decisions on all claims of the Owner or Contractor relating to the execution and progress of the Work and on all other matters or questions related thereto. The Architect's decisions in matters relating to artistic effect shall be final if consistent with the intent of the Contract Documents.

1.1.17 The Architect shall have authority to reject Work which does not conform to the Contract Documents. Whenever, in his reasonable opinion, he considers it necessary or advisable to insure the proper implementation of the intent of the Contract Documents, he will have authority to require special inspection or testing of any Work in accordance with the provisions of the Contract Documents whether or not such Work be then fabricated, installed or completed.

1.1.18 The Architect shall review and approve shop drawings, samples, and other submissions of the Contractor only for conformance with the design concept of the Project and for compliance with the information given in the Contract Documents.

1.1.19 The Architect shall prepare Change Orders.

1.1.20 The Architect shall conduct inspections to determine the Dates of Substantial Completion and final completion, shall receive and review written guarantees and related documents assembled by the Contractor, and shall issue a final Certificate for Payment.

1.1.21 The Architect shall not be responsible for the acts or omissions of the Contractor, or any Subcontractors, or any of the Contractor's or Subcontractors' agents or employees, or any other persons performing any of the Work.

1.2 PROJECT REPRESENTATION BEYOND BASIC SERVICES

1.2.1 If more extensive representation at the site than is described under Subparagraphs 1.1.10 through 1.1.21 inclusive is required, and if the Owner and Architect agree, the Architect shall provide one or more Full-Time Project Representatives to assist the Architect.

1.2.2 Such Full-Time Project Representatives shall be selected, employed and directed by the Architect, and the Architect shall be compensated therefor as mutually agreed between the Owner and the Architect as set forth in an exhibit appended to this Agreement.

1.2.3 The duties, responsibilities and limitations of authority of such Full-Time Project Representatives shall be set forth in an exhibit appended to this Agreement.

1.2.4 Through the on-site observations by Full-Time Project Representatives of the Work in progress, the Architect shall endeavor to provide further protection for the Owner against defects in the Work, but the furnishing of such project representation shall not make the Architect responsible for construction means, methods, techniques, sequences or procedures, or for safety precautions and programs, or for the Contractor's failure to perform the Work in accordance with the Contract Documents.

1.3 ADDITIONAL SERVICES

The following Services shall be provided when authorized in writing by the Owner, and they shall be paid for by the Owner as hereinbefore provided.

1.3.1 Providing analyses of the Owner's needs, and programming the requirements of the Project.

1.3.2 Providing financial feasibility or other special studies.

1.3.3 Providing planning surveys, site evaluations, environmental studies or comparative studies of prospective sites.

1.3.4 Providing design services relative to future facilities, systems and equipment which are not intended to be constructed as part of the Project.

1.3.5 Providing services to investigate existing conditions or facilities or to make measured drawings thereof, or to verify the accuracy of drawings or other information furnished by the Owner.

1.3.6 Preparing documents for alternate bids or out-of-sequence services requested by the Owner.

1.3.7 Providing Detailed Estimates of Construction Cost or detailed quantity surveys or inventories of material, equipment and labor.

1.3.8 Providing interior design and other services required for or in connection with the selection of furniture and furnishings.

1.3.9 Providing services for planning tenant or rental spaces.

1.3.10 Making revisions in Drawings, Specifications or other documents when such revisions are inconsistent with written approvals or instructions previously given and are due to causes beyond the control of the Architect.

1.3.11 Preparing supporting data and other services in connection with Change Orders if the change in the Basic Compensation resulting from the adjusted Contract Sum is not commensurate with the services required of the Architect.

1.3.12 Making investigations involving detailed appraisals and valuations of existing facilities, and surveys or inventories required in connection with construction performed by the Owner.

1.3.13 Providing consultation concerning replacement of any Work damaged by fire or other cause during construction, and furnishing professional services of the type

set forth in Paragraph 1.1 as may be required in connection with the replacement of such Work.

1.3.14 Providing professional services made necessary by the default of the Contractor or by major defects in the Work of the Contractor in the performance of the Construction Contract.

1.3.15 Preparing a set of reproducible record prints of drawings showing significant changes in the Work made during the construction process, based on marked-up prints, drawings and other data furnished by the Contractor to the Architect.

1.3.16 Providing extensive assistance in the utilization of any equipment or system such as initial start-up or testing, adjusting and balancing, preparation of operation and maintenance manuals, training personnel for operation and maintenance, and consultation during operation.

1.3.17 Providing services after issuance to the Owner of the final Certificate for Payment.

1.3.18 Preparing to serve or serving as an expert witness in connection with any public hearing, arbitration proceeding or legal proceeding.

1.3.19 Providing services of professional consultants for other than the normal structural, mechanical and electrical engineering services for the Project.

1.3.20 Providing any other services not otherwise included in this Agreement or not customarily furnished in accordance with generally accepted architectural practice.

ARTICLE 2

THE OWNER'S RESPONSIBILITIES

2.1 The Owner shall provide full information, including a complete program, regarding his requirements for the Project.

2.2 The Owner shall designate, when necessary, a representative authorized to act in his behalf with respect to the Project. The Owner shall examine documents submitted by the Architect and shall render decisions pertaining thereto promptly, to avoid unreasonable delay in the progress of the Architect's services.

2.3 The Owner shall furnish a certified land survey of the site giving, as applicable, grades and lines of streets, alleys, pavements and adjoining property; rights-of-way, restrictions, easements, encroachments, zoning, deed restrictions, boundaries and contours of the site; locations, dimensions and complete data pertaining to existing buildings, other improvements and trees; and full information concerning available service and utility lines both public and private, above and below grade, including inverts and depths.

2.4 The Owner shall furnish the services of a soils engineer or other consultant when such services are deemed necessary by the Architect, including reports, test borings, test pits, soil bearing values, percolation tests, air and water pollution tests, ground corrosion and resistivity tests and other necessary operations for determining subsoil, air and water conditions, with appropriate professional recommendations.

2.5 The Owner shall furnish structural, mechanical, chemical and other laboratory tests, inspections and reports as required by law or the Contract Documents.

2.6 The Owner shall furnish such legal, accounting, and insurance counseling services as may be necessary for the Project, and such auditing services as he may require to ascertain how or for what purposes the Contractor has used the moneys paid to him under the Construction Contract.

2.7 The services, information, surveys and reports required by Paragraphs 2.3 through 2.6 inclusive shall be furnished at the Owner's expense, and the Architect shall be entitled to rely upon the accuracy and completeness thereof.

2.8 If the Owner becomes aware of any fault or defect in the Project or non-conformance with the Contract Documents, he shall give prompt written notice thereof to the Architect.

2.9 The Owner shall furnish information required of him as expeditiously as necessary for the orderly progress of the Work.

ARTICLE 3

CONSTRUCTION COST

3.1 If the Construction Cost is to be used as the basis for determining the Architect's Compensation for Basic Services, it shall be the total cost or estimated cost to the Owner of all Work designed or specified by the Architect. The Construction Cost shall be determined as follows, with precedence in the order listed:

3.1.1 For completed construction, the cost of all such Work, including costs of managing construction;

3.1.2 For Work not constructed, (1) the lowest bona fide bid received from a qualified bidder for any or all of such Work, or (2) if the Work is not bid, the bona fide negotiated proposal submitted for any or all of such Work; or

3.1.3 For Work for which no such bid or proposal is received, (1) the latest Detailed Estimate of Construction Cost if one is available, or (2) the latest Statement of Probable Construction Cost.

3.2 Construction Cost does not include the compensation of the Architect and his consultants, the cost of the land, rights-of-way, or other costs which are the responsibility of the Owner as provided in Paragraphs 2.3 through 2.6 inclusive.

3.3 The cost of labor, materials and equipment furnished by the Owner for the Project shall be included in the Construction Cost at current market rates including a reasonable allowance for overhead and profit.

3.4 Statements of Probable Construction Cost and Detailed Cost Estimates prepared by the Architect represent his best judgment as a design professional familiar with the construction industry. It is recognized, however, that neither the Architect nor the Owner has any control over the cost of labor, materials or equipment, over the contractors' methods of determining bid prices, or over competitive bidding or market conditions. Accordingly, the

Architect cannot and does not guarantee that bids will not vary from any Statement of Probable Construction Cost or other cost estimate prepared by him.

3.5 When a fixed limit of Construction Cost is established as a condition of this Agreement, it shall be in writing signed by the parties and shall include a bidding contingency of ten percent unless another amount is agreed upon in writing. When such a fixed limit is established, the Architect shall be permitted to determine what materials, equipment, component systems and types of construction are to be included in the Contract Documents, and to make reasonable adjustments in the scope of the Project to bring it within the fixed limit. The architect may also include in the Contract Documents alternate bids to adjust the Construction Cost to the fixed limit.

3.5.1 If the Bidding or Negotiating Phase has not commenced within six months after the Architect submits the Construction Documents to the Owner, any fixed limit of Construction Cost established as a condition of this Agreement shall be adjusted to reflect any change in the general level of prices which may have occurred in the construction industry for the area in which the Project is located. The adjustment shall reflect changes between the date of submission of the Construction Documents to the Owner and the date on which proposals are sought.

3.5.2 When a fixed limit of Construction Cost, including the Bidding contingency (adjusted as provided in Subparagraph 3.5.1, if applicable), is established as a condition of this Agreement and is exceeded by the lowest bona fide bid or negotiated proposal, the Detailed Estimate of Construction Cost or the Statement of Probable Construction cost, the Owner shall (1) give written approval of an increase in such fixed limit, (2) authorize rebidding the Project within a reasonable time, or (3) cooperate in revising the Project scope and quality as required to reduce the Probable Construction Cost. In the case of (3) the Architect, without additional charge, shall modify the Drawings and Specifications as necessary to bring the Construction Cost within the fixed limit. The providing of such service shall be the limit of the Architect's responsibility in this regard, and having done so, the Architect shall be entitled to compensation in accordance with this Agreement.

ARTICLE 4

DIRECT PERSONNEL EXPENSE

Direct Personnel Expense is defined as the salaries of professional, technical and clerical employees engaged on the Project by the Architect, and the cost of their mandatory and customary benefits such as statutory employee benefits, insurance, sick leave, holidays, vacations, pensions and similar benefits.

ARTICLE 5

REIMBURSABLE EXPENSES

5.1 Reimbursable Expenses are in addition to the Compensation for Basic and Additional Services and include actual expenditures made by the Architect, his employ-

ees, or his professional consultants in the interest of the Project for the expenses listed in the following Subparagraphs:

5.1.1 Expense of transportation and living when traveling in connection with the Project; long distance calls and telegrams; and fees paid for securing approval of authorities having jurisdiction over the Project.

5.1.2 Expense of reproductions, postage and handling of Drawings and Specifications excluding duplicate sets at the completion of each Phase for the Owner's review and approval.

5.1.3 If authorized in advance by the Owner, expense of overtime work requiring higher than regular rates and expense of renderings or models for the Owner's use.

5.1.4 Expense of computer time for professional services when included in Paragraph II.

5.1.5 Expense of computer time when used in connection with Additional Services.

ARTICLE 6

PAYMENTS TO THE ARCHITECT

6.1 Payments on account of the Architect's Basic Services shall be made as follows:

6.1.1 An initial payment as set forth in Paragraph II is the minimum payment under this Agreement.

6.1.2 Subsequent payments for Basic Services shall be made monthly in proportion to services performed so that the compensation at the completion of each Phase, except when the compensation is on the basis of a Multiple of Direct Personnel Expense, shall equal the following percentages of the total Basic Compensation:

Schematic Design Phase	15%
Design Development Phase	35%
Construction Documents Phase ...	75%
Bidding or Negotiation Phase	80%
Construction Phase	100%

6.1.3 If the Contract Time initially established in the Construction Contract is exceeded by more than thirty days through no fault of the Architect, compensation for Basic Services performed by Principals, employees and professional consultants required to complete the Administration of the Construction Contract beyond the thirtieth day shall be computed as set forth in Paragraph II for Additional Services.

6.2 Payments for Additional Services of the Architect as defined in Paragraph 1.3, and for Reimbursable Expenses as defined in Article 5, shall be made monthly upon presentation of the Architect's statement of services rendered.

6.3 No deductions shall be made from the Architect's compensation on account of penalty, liquidated damages, or other sums withheld from payments to contractors.

6.4 If the Project is suspended for more than three months or abandoned in whole or in part, the Architect

shall be paid his compensation for services performed prior to receipt of written notice from the Owner of such suspension or abandonment, together with Reimbursable Expenses then due and all termination expenses as defined in Paragraph 8.3 resulting from such suspension or abandonment. If the Project is resumed after being suspended for more than three months, the Architect's compensation shall be subject to renegotiation.

6.5 Payments due the Architect under this Agreement shall bear interest at the legal rate commencing sixty days after the date of billing.

ARTICLE 7

ARCHITECT'S ACCOUNTING RECORDS

Records of Reimbursable Expenses and expenses pertaining to Additional Services on the Project and for services performed on the basis of a Multiple of Direct Personnel Expense shall be kept on a generally recognized accounting basis and shall be available to the Owner or his authorized representative at mutually convenient times.

ARTICLE 8

TERMINATION OF AGREEMENT

8.1 This Agreement may be terminated by either party upon seven days' written notice should the other party fail substantially to perform in accordance with its terms through no fault of the party initiating the termination.

8.2 In the event of termination due to the fault of parties other than the Architect, the Architect shall be paid his compensation for services performed to termination date, including Reimbursable Expenses then due and all termination expenses.

8.3 Termination Expenses are defined as Reimbursable Expenses directly attributable to termination, plus an amount computed as a percentage of the total compensation earned to the time of termination, as follows:

- 20 percent if termination occurs during the Schematic Design Phase; or
- 10 percent if termination occurs during the Design Development Phase; or
- 5 percent if termination occurs during any subsequent phase.

ARTICLE 9

OWNERSHIP OF DOCUMENTS

Drawings and Specifications as instruments of service are and shall remain the property of the Architect whether the Project for which they are made is executed or not. They are not to be used by the Owner on other projects or extensions to this Project except by agreement in writing and with appropriate compensation to the Architect.

ARTICLE 10

SUCCESSORS AND ASSIGNS

The Owner and the Architect each binds himself, his partners, successors, assigns and legal representatives to

the other party to this Agreement and to the partners, successors, assigns and legal representatives of such other party with respect to all covenants of this Agreement. Neither the Owner nor the Architect shall assign, sublet or transfer his interest in this Agreement without the written consent of the other.

ARTICLE 11

ARBITRATION

11.1 All claims, disputes and other matters in question between the parties to this Agreement, arising out of, or relating to this Agreement or the breach thereof, shall be decided by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association then obtaining unless the parties mutually agree otherwise. No arbitration, arising out of, or relating to this Agreement, shall include, by consolidation, joinder or in any other manner, any additional party not a party to this Agreement except by written consent containing a specific reference to this Agreement and signed by all the parties hereto. Any consent to arbitration involving an additional party or parties shall not constitute consent to arbitration of any dispute not described therein or with any party not named or described therein. This Agreement to arbitrate and any agreement to arbitrate with an additional party or parties duly consented to by the parties hereto shall be specifically enforceable under the prevailing arbitration law.

11.2 Notice of the demand for arbitration shall be filed in writing with the other party to this Agreement and with the American Arbitration Association. The demand shall be made within a reasonable time after the claim, dispute or other matter in question has arisen. In no event shall the demand for arbitration be made after the date when institution of legal or equitable proceedings based on such claim, dispute or other matter in question would be barred by the applicable statute of limitations.

11.3 The award rendered by the arbitrators shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.

ARTICLE 12

EXTENT OF AGREEMENT

This Agreement represents the entire and integrated agreement between the Owner and the Architect and supersedes all prior negotiations, representations or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both Owner and Architect.

ARTICLE 13

GOVERNING LAW

Unless otherwise specified, this Agreement shall be governed by the law of the principal place of business of the Architect.

ARTICLE 14
OTHER CONDITIONS OR SERVICES

This Agreement executed the day and year first written above.

WATER MAIN IMPROVEMENT RESOLUTION

NO. 1008, 1974

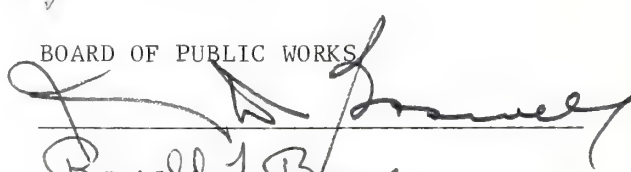

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, STATE OF INDIANA, that the construction of a system of water mains, intended and adopted for use by the property holders in the tract to be improved and also the requirements of other real estate to be served with extensions, be and the same is hereby ordered in and along the north side of Brentwood Avenue from the east property line of Eastrowe Street to the west property line of lot 116 in Rolling Green Addition, Blk. E., and the west property line of lot 108 in Rolling Green Addition, Blk. F., and also on the west side of Eastrowe Street from nine feet south of the north property line of Grayston Avenue to the new water main on Brentwood Avenue, and said water mains with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said City.

The cost of said improvement shall be apportioned against and paid by the property holders benefited, and upon the City of Fort Wayne, Indiana, if the City is benefited by said improvement, all according to the method and manner provided for in an Act of the General Assembly of the State of Indiana entitled, "An Act concerning improvements in or for the benefit of recorded plotted additions to and/or within Cities and Towns". In force May 16, 1927 and the provisions of all Acts amendatory thereto and supplemental thereof:

Assessments, if deferred, are to be paid in ten equal annual installments, with interest at the rate of six per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the City from the assessments for such improvement, or such moneys as said City is by said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessments of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments and supplements thereto.

Adopted, this 26 day of May, 1974.

AGREEMENT FOR SANITARY SEWER

THIS AGREEMENT by and between Indiana Villa Capri, a Michigan Co-Partnership, herein referred to as "Developer", and City of Fort Wayne, an Indiana municipal corporation, herein referred to as "City",

WITNESSETH:

WHEREAS, Developer desires to construct a sanitary sewer described as follows;

A 8 inch sanitary sewer beginning at an existing sanitary manhole 5+ lineal feet west of and 5+ lineal feet south of the southwest corner of Lot 12 of South Dellwood Park; thence easterly 710+ lineal feet, terminating at a proposed manhole located 5+ lineal feet east of and 5+ lineal feet south of the southeast corner of Lot 20 of said South Dellwood Park.

in accordance with plans, specifications and profiles hereto fore submitted to the City date July 3, 1973, and approved November 28, 1973 and now on file in the Water Pollution Control Engineering Department, City Utilities, of the City of Fort Wayne, which plans, specifications and profiles are by reference incorporated herein and made a part hereof, which sewer will service, not only the land in which the Developer has an interest, but also adjoining land areas.

WHEREAS, the total cost of construction of said sewer will be the sum of \$8,800.00, pursuant to firm bids submitted and approved, which cost is composed of \$8,000.00 for construction costs, \$400.00 for engineering services and \$400.00 for legal fees and for City Inspection fees and costs.

WHEREAS, said sewer, when completed, will service Phase II of Indiana Villa Capri owned by Developer, and will also service parts of South Dellwood Park Addition, Lots 13, 14, 15, 16, 17, 18, 19, 20, and 21, owned by others, said areas comprise a total area of 239,449 square feet, and said cost when apportioned to said total area, amounts to \$0.03675 per square foot.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements hereinafter set forth, the parties hereto agree as follows;

1. CONSTRUCTION ON SEWER

The Developer shall cause said sewer to be constructed and located in accordance with said plans, specifications and profiles, all approved by the City, under private contract to be let subject to City approval. All work and materials shall be subject to inspection by City and the right of City to halt construction if there shall be noncompliance therewith. Said

John E. P. Lee

9.50

sewer shall not be deemed permanently connected into the sewer system of City until final acceptance by City. Upon completion, said sewer shall become the property of City and City shall accept sewage therefrom, subject to such sewage service charges as may now or hereafter be regularly established by City, and all further maintenance thereafter shall be borne by City.

2. COST OF CONSTRUCTION

The Developer agrees to pay the entire cost and expense of construction of said sewer, in cash, including City Engineering and inspection fees, and to hold the City harmless from any liability for claims connected therewith.

3. AREA OF DEVELOPER

Said sewer when accepted by the City, will initially serve the following described real estate of the Developer:

The North 975 feet of Phase II of Indiana Villa Capri as shown on attached plot plan, said tract being located in Adams Township, Allen County, Indiana, and described as follows;

Commencing at the Southwest corner of Section 31, Township 30 North, Range 13 East, Allen County, Indiana; thence N 1° 37' W along the West line of Section 31, a distance of 2378.70 feet to the North R/W line of Fox Point Trail also the Point of Beginning.

Beginning at the above described point; thence N 1° 37' W along the West line of Section 31, Township 30 North, Range 13 East, a distance of 295.50 feet to the South line of "South Dellwood Park" as platted in Plat Book 25, Page 90-91 of the Allen County Recorders Office; thence N 87° 49' E along the said South line of "South Dellwood Park" a distance of 750.00 feet; thence S 46° 12' E. to the South Corner of Lot #21 of said addition, a distance of 95.00 feet thence N 41° 44' E. a distance of 130.00 feet, to the East corner of Lot #21 of said addition also being the West R/W line of Chinchilla Drive; thence S 22° 24' E a distance of 248.25 feet; thence S 31° 48' W a distance of 209.85 feet to a point on the North R/W line of Fox Point Trail; thence on a curve to the Left having a radius of 228.32 feet a distance of 204.03 feet along the said North R/W line (chord bearing N 66° 31' W, chord length 197.31 feet); thence S 87° 53' W along the North R/W line of Fox Point Trail a distance of 700.00 feet to the West line of Section 31, also the point of beginning, containing 6.59 acres more or less, and subject to a Roadway Easement over the West 40.00 feet and also subject to a 14.0 foot sewer Easement as shown.

As the Developer will pay for the cost of construction of said sewer as it pertains to the above described area, no charge or assessment is made by this agreement against the above described real estate for the construction of said sewer, or the use thereof, by the present or future owners of said real estate, except only as to such standard tap-in and inspection fees and monthly sewage charges, as set forth in paragraph 5 herein, as are customarily charged by the City for connection to City sewer mains.

4. EXCESS BENEFITED AREA

Said sewer, when constructed, will also serve the following described additional or excess area, as shown on Exhibit "A", lots 13 thru 21 inclusive of South Dellwood Park Addition as recorded in Plat Book 25, Pages 90 and 91.

In the event any present or future owner of said described excess area shall at any time within fifteen (15) years after the date of this contract desire to use said sewer or any extension thereof, whether by direct tap or through the extension or connection of lateral or local lines to service such land, City, through its duly constituted authorities, before permitting such use, shall require by contract or assessment, as may be appropriate, that such owner or owners of said excess area pay to City, in addition to the cost of standard tap-in and inspection fees, the sum of \$0.03675 per square foot for the area served by each such connection and use.

All monies so collected by the City for the Developer shall be paid by the city to the Developer or his Assigness within Sixty (60) days of the receipt thereof.

5. AREA CONNECTION CHARGE

Any party connecting to the sanitary sewer described herein shall also pay an area connection charge of Five Hundred (\$500.00) Dollars per acre served at the time of such connection. This charge is in addition to the local charge set forth in Article 4 herein, and represents the oversizing cost expended by the City in construction of the South Anthony Interceptor Sewer (Resolution #181), the Southtown Mall Lift Station (Resolution #176), and the Southtown Mall Sewer Extension (Resolution #192) which service the sewer described herein.

6. WAIVER OF RIGHT TO REMONSTRATE

The Developers, for themselves, their successors in title and assigns, waive and release any and all rights which they may now or hereafter have to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by City of any territory now or hereafter owned by them, as described in Article 3 herein, or hereafter served by said sewer or any extension thereof.

In further consideration and to induce City to execute and ratify this contract, said Developers, for themselves, their successors and assigns, agree by this contract to vest in City the permanent right at its descretion to annex to the City of Fort Wayne at any future time by duly authorized ordinance the said real estate described in Article 3 herein.

Developers further agree that any deeds, contracts, or other instruments of conveyance made by the Developers, their successors or assigns transferring or conveying any interest or title in and to any of the real estate described in Article 3 herein, shall contain the waiver and release provisions contained in this article, which provisions shall run with the land and the acceptance of the delivery of any such instrument from the Developers, their successors and assigns by any grantee, vendee, or contract purchaser, shall be made subject to the terms of this agreement and shall constitute an acceptance of the foregoing provisions by said grantee, vendee, or contract purchaser and their successors in title.

The Developers further agree to record an executed copy of this contract in the Allen County Recorder's office within ten (10) days of its adoption and approval by the Common Council of City as hereinafter provided.

Any owner or owners of land which is now, or hereafter located outside the corporate limits of City who connect into the sewer constructed hereunder shall be deemed to thereby waive his, her, their or its right to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by City of such land or of the territory in which it is located or of the area served by said sewer.

7. GOVERNING STATUTE

It is the intention of the parties hereto to utilize and take advantage of and apply to this Agreement the provisions of Chapter 182 of the Acts of the State of Indiana (Burns Indiana Anno. Statute 190 suppl., Section 3938), the provisions of which Statute shall govern with respect to any matters not specifically outline herein.

8. COUNCILMANIC APPROVAL

It is understood and agreed that this contract is in all respects subject to approval by the Common Council of City, by duly adopted Ordinance, and if such Ordinance is not adopted within a period of one hundred twenty (120) days after execution thereof, this contract shall be null and void and of no further force and effect.

9. BOND

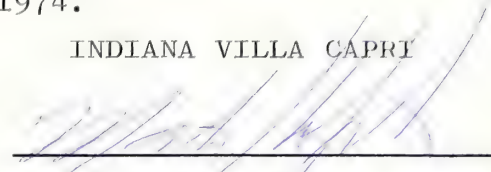

This contract is subject to Developer furnishing a bond guaranteeing said sewer against defects for a period of one (1) year from time of City of Fort Wayne acceptance.

10. LIMITATION ON USE

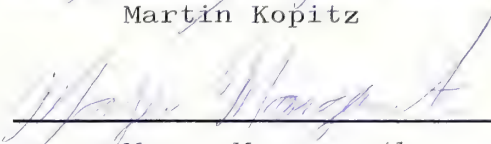

Said sewer shall be constructed for disposal of sanitary sewage only and neither the parties hereto, their successors, or assigns, nor any future owner of any land serviced by said sewer, shall at any time discharge or permit to be discharged or to flow into said sanitary sewer any water run-off caused by natural precipitation or anything other than sanitary sewage or contaminated waste.

IN WITNESS WHEREOF, the parties have subscribed to this Agreement this 5th day of February, 1974.

AGREEMENT FOR SANITARY SEWER

THIS AGREEMENT, made this 2nd day of May, 1974, by and between RED ROOF II, COMPANY, hereinafter referred to as Developer; and the CITY OF FORT WAYNE, an Indiana Municipal Corporation, hereinafter referred to as City,

WITNESSETH:

WHEREAS, the Developer desires to construct a sanitary sewer described as follows:

Part of the Northeast Quarter of Section 28, Township 31 North, Range 12 East in Allen County, Indiana, more particularly described as follows:

Beginning at an existing sanitary sewer manhole located 38' East of and 5' South of the centerline intersection of Goshen Road and Burma Road; thence Northwesterly 38' East of and parallel to the centerline of Goshen Road 1200+ L.F. to a proposed manhole; thence Northeast 160+ L.F. to a proposed manhole; thence due East, terminating at a proposed manhole located 327' Northeasterly of the centerline of Goshen Road and 315' South of the centerline of U.S. 30 By-Pass (Coliseum Boulevard West). Said sewer shall be 8" and 10" in diameter.

All in accordance with plans, specifications and profiles heretofore submitted to the City and now on file in the office of the Chief Engineer of the Sewer Utilities of the City, under B.O. 272-1973, which plans, specifications, and profiles are by reference incorporated herein and made a part hereof, which sewer shall not only serve land in which the Developer has an interest, but also adjoining land areas.

WHEREAS, the cost of construction of said sewer is represented to be \$18,596.00 composed of \$16,300.00 for construction costs and \$2,296.00 for engineering, and legal services.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements hereinafter set forth, the parties hereto agree as follows:

1. Construction of Sewer. The Developer shall cause said sewer to be constructed and located in accordance with said plans, specifications and profiles, all approved by the City, under private contract to be let within sixty (60) days after requisite City approval. All work and materials shall be subject to inspection

Bd. Works Bay

by City and the right of City to halt construction if there shall be non-compliance herewith. Said sewer shall not be deemed permanently connected into the sewer system of City until final acceptance by City. Upon completion, said sewer shall become the property of City and City shall accept sewage therefrom, subject to such sewage service charges as may now or hereafter be regularly established by City, and all further maintenance thereafter shall be borne by the City.

2. Cost of Construction. The Developer agrees to pay the entire cost and expense of construction of said sewer, in cash, including engineering and inspection fees, and to hold the City harmless from any liability for claims connected therewith.

3. Area of Developer. Said sewer when accepted by the City will initially serve the following described real estate of the Developer:

A part of the Northwest Quarter of the Northeast Quarter of Section 28, Township 31 North, Range 12 East, Allen County, Indiana, described as follows:

Beginning at a point on the east line of the Northwest Quarter of the Northeast Quarter of Section 28, Township 31 North, Range 12 East, Allen County, Indiana, said point being 107.56 feet south of the northeast corner of the NW 1/4 of the NE 1/4 of Sec. 28, T31N, R12E; thence south 82 degr. 41 min. 54 sec. west a distance of 281.78 feet; thence south 88 degr. 47 min. 00 sec. west a distance of 275.00 feet; thence south 27 degr. 30 min. 09 sec. west a distance of 58.04 feet; thence south 31 degr. 43 min. 43 sec. east a distance of 68.30 feet; thence north 88 degr. 47 min. 00 sec. east a distance of 548.39 feet to a point on the east line of the NW 1/4 of the NE 1/4 of Sec. 28-31-12; thence north 01 degr. 13 min. 25 sec. west along the east line of the NW 1/4 of the NE 1/4 of Sec. 28-31-12 a distance of 136.44 feet to the point of beginning, containing 1.52 acres of land, more or less.

A part of the Northwest Quarter of the Northeast Quarter of Section 28, Township 31 North, Range 12 East, Allen County, Indiana, described as follows:

Beginning at a point on the east line of the Northwest Quarter of the Northeast Quarter of Section 28, Township 31 North, Range 12 East, Allen County, Indiana, said point being 244.0 feet south of the northeast corner of the NW 1/4 of the NE 1/4 of Sec. 28, T31N, R12E; thence south 88 degr. 47 min. 00 sec. west a distance of 548.39 feet to a point on the northeast right of way line of Goshen Road; thence south 31 degr. 43 min. 43 sec. east along the northeast right of way of the Goshen Road a distance of 75.75 feet; thence north 88 degr. 47 min. 00 sec. east and parallel to the

south right of way line of U.S. #30 By-Pass a distance of 334.97 feet; thence south 01 degr. 13 min. 25 sec. east a distance of 100 feet; thence north 88 degr. 47 min. 00 sec. east a distance of 175 feet to a point on the east line of the NW 1/4 of the NE 1/4 of Sec. 28-31-12; thence north 01 degr. 13 min. 25 sec. west and along the said east line a distance of 168.43 feet to the point of beginning, containing 1.20 acres, together with an easement for utilities and non-exclusive ingress and egress, more particularly described as follows:

Beginning at a point located south 01 degr. 13 min. 25 sec. a distance of 312.43 feet and south 88 degr. 47 min. 00 sec. west a distance of 509.97 feet from the northeast corner of the Northwest Quarter of the Northeast Quarter of Sec. 28, T31N, R12E in Allen County, Indiana, said point also being on the northeast right of way line of U.S. Highway #33 (Goshen Road) and being the southwest corner of the above described real estate; thence south 31 degr. 43 min. 43 sec. east and along the northeast right of way line of U.S. #33 (Goshen Road) a distance of 142 feet; thence north 27 degr. 48 min. 58 sec. a distance of 139.92 feet to a point on the south line of the above described real estate; thence south 88 degr. 47 min. 00 sec. west along the said south line a distance of 140 feet to the point of beginning, containing 0.197 acres.

As the Developer will pay for the cost of construction of said sewer as it pertains to the above described area, no charge or assessment is made by this Agreement against the above described real estate for the construction of said sewer, by the present or future owners of said real estate, except only as such standard tap-in, inspection fees, and monthly sewage treatment charges, as are customarily charged by the City for connections to City sewer mains and treatment of sewage therefrom.

4. Charge Against Excess Area. Said sewer when constructed will also serve the area included in Exhibit "A".

In the event any present or future owner of said described excess area shall at any time within fifteen (15) years after the date of this contract desire to use said sewer or any extension thereof, whether by direct tap or through the extension or connection of lateral or local lines to service such land, City, through its duly constituted authorities, before permitting such use, shall require by contract or assessment, as may be appropriate, that such owner or owners of said excess area pay to City in addition to the cost of standard tap-in and inspection fees, the sum of \$.0397849 per sq. foot for the area served by each such connection and use, which represents the pro rata share of the cost of the extension of the City sewer to said excess area.

The amount so collected by the City shall be paid by City within sixty (60) days of the receipt thereof by City to Developer.

An area connection charge of \$300.00 per acre must be paid to City. This area connection charge is in addition to the local charge as set forth in this agreement, and represents the oversizing cost expended by City for Spy Run Interceptor.

5. Bond. This contract is subject to Developer furnishing a satisfactory performance and guaranty bond, guaranteeing said sewer against defects for a period of one (1) year from the date of final acceptance of said sewer by the City.

6. LIMITATION ON USE. Said sewer shall be constructed for disposal of sanitary sewage only and neither the parties hereto, their successors or assigns, or any future owner of any land serviced by said sewer, shall at any time discharge or permit to be discharged or to flow into said sanitary sewer any water run-off caused by natural precipitation or anything other than sanitary sewage or contaminated waste.

ALLEN COUNTY RECORDER

June E. L. L. L.

CONTRACT FOR RENDERING OF SEWAGE
DISPOSAL AND TREATMENT SERVICES

This agreement made by and between the CITY OF FORT WAYNE, INDIANA (hereinafter referred to as Utility) and RONALD ANKENBRUCK (hereinafter referred to as Owner), W I T N E S S E T H :

WHEREAS, Owner is the owner or contract purchaser of certain real estate in Allen County, State of Indiana, more particularly described in Exhibit A attached hereto and made a part hereof (hereafter called the Real Estate), which said real estate consists of approximately twelve (12) acres; and,

WHEREAS, Owner is presently utilizing a portion of the Real Estate as a mobile home court and may hereafter develop all the Real Estate for this purpose; and,

WHEREAS, Owner desires to have sanitary sewage disposal and treatment facilities made available to the Real Estate; and,

WHEREAS, Utility is now operating the sewage collection system formerly owned and operated by Indiana Suburban Sewers under a certificate of Territorial Authority from the Public Service Commission of Indiana, authorizing it to render sanitary sewage collection and treatment service to the area within which the Real Estate is located; and said Utility is presently in the business of providing sanitary sewage collection and treatment services to other property within the general vicinity of the Real Estate.

NOW, THEREFORE, in consideration of the faithful performance of the covenants, conditions and promises contained herein and the timely payment of any monies to be paid in the manner hereinafter provided, the parties agree as follows:

1) Utility has, at its own expense, purchased at a mortgage foreclosure sale such mains and other facilities in the utility easement adjacent to the Real Estate as necessary to connect the Real Estate to the present area collection facilities of Utility. All such mains and facilities as purchased by Utility are and shall at all times be

Board of Works Corp

50
5C

and remain the sole property of Utility. In the event any lines, mains, laterals and facilities proposed for construction by Owner become useful for extending service to persons beyond the boundaries of Owner's property (as determined by Utility), Owner shall convey, at no cost, to Utility those lines, mains, laterals and facilities along with adequate easements which are useful for such purpose. Owner shall be solely responsible for making the connection of its facilities to those of the Utility within the utility easement.

2) Owner, his successors or assigns, shall, at his sole expense, construct all internal lines, mains, laterals and other facilities as may be necessary and required throughout the Real Estate in order to connect any structures of any type or nature located upon the Real Estate to the sewage collection and treatment system of Utility. All such lines, mains, laterals and other facilities constructed by Owner shall be constructed and installed in accordance with any applicable laws, ordinance, rules or regulations of any governmental body and in accordance with the specifications and requirements of Utility.

3) All lines, mains, laterals and facilities constructed by Owner within the Real Estate shall be and remain the sole property of Owner, and Owner shall be solely responsible for the maintenance thereof at all times or until such time as the lines, mains, and facilities are transferred to Utility as contemplated in paragraph 1) above. Owner agrees to save and hold harmless Utility from any claims, damages, actions, suits and proceedings of any kind or nature arising out of Owner's failure to maintain such lines, mains, laterals and other facilities at all times.

4) As consideration for rendering sewage collection and treatment services to the Real Estate, Owner agrees to pay as his pro rata share of the cost of constructing said sewage disposal system the sum of fifteen thousand dollars (\$15,000), which sum shall be paid as follows: \$5,000 upon issuance of permit authorizing the connection of the Real Estate to Utility's sewage collection and treatment system; \$5,000 to be paid one year thereafter; and the remaining balance of \$5,000 to

be paid two years from date of the first payment provided for above.

5) Utility is presently involved in litigation with Indiana Suburban Sewers over the ownership of the sewage collection system to be utilized by Owner, and Indiana Suburban Sewers has expressed a right to the proceeds provided for hereunder. Therefore, Utility agrees that the payments made by Owner under paragraph 4) above shall be deposited in an escrow account at the Indiana Bank and Trust Company of Fort Wayne, Indiana. Such amounts will be delivered to such parties as may ultimately be determined to be the owner of the sewage collection system serving the Real Estate. In addition, Utility agrees to save and hold Owner harmless from any claims, actions, suits or proceedings by Indiana Suburban Sewers for the purpose of collecting service fees or sewer connection fees as the result of Owner entering into this contract with Utility and connecting to the system as contemplated by this contract.

6) Owner hereby agrees to pay such monthly service charges to Utility as applicable and as may be in force and effect and approved from time to time by the City Council or by the Public Service Commission of the State of Indiana. It is noted Owner is proposing to connect existing sewers to Utility's system. If said existing sewers are found to have infiltration/inflow in excess of maximum allowable Indiana State Board of Health standards, Owner shall, after notice, make corrections at his expense to bring infiltration/inflow within allowable standards, or Utility may require Owner to provide, at his expense, necessary volumetric metering devices to Utility's satisfaction to measure flows discharged into Utility's system.

7) Any notices, requests, approvals, payments of monies, or demands which must or may be given or made by the parties hereto shall be effective if only in writing delivered or mailed by United States Mail, postage prepaid, addressed to the respective party as follows: Utility: Board of Works, City of Fort Wayne, City-County Building, Fort Wayne, Indiana 46802; Owner: Ronald Ankenbruck, 5430 Old Maumee Road, Fort Wayne, Indiana, 46803; or to such other places each party may designate in writing to the other.

IN WITNESS WHEREOF, the parties have executed this contract,
this 2 day of May, 1974.

CONTRACT FOR PAYMENT OF RENDERED
SEWAGE DISPOSAL AND TREATMENT SERVICES

THIS AGREEMENT made by and between the CITY OF FORT WAYNE, INDIANA (hereinafter referred to as Utility) and RONALD ANKENBRUCK (hereinafter referred to as Owner), WITNESSETH:

WHEREAS, Owner is the owner or contract purchaser of certain real estate in Allen County, State of Indiana, more particularly described in Exhibit "A" attached hereto and made a part hereof (hereafter called the Real Estate), which said real estate consists of approximately twelve (12) acres; and,

WHEREAS, Owner is presently utilizing a portion of the Real Estate as a mobile home court and may hereafter develop all the Real Estate for this purpose; and,

WHEREAS, Owner desires to have sanitary sewage disposal and treatment facilities made available to the Real Estate; and,

WHEREAS, Utility is now operating the sewage collection system formerly owned and operated by Indiana Suburban Sewers under a certificate of Territorial Authority from the Public Service Commission of Indiana, authorizing it to render sanitary sewage collection and treatment service to the area within which the Real Estate is located; and said Utility is presently in the business of providing sanitary sewage collection and treatment services to other property within the general vicinity of the Real Estate; and,

WHEREAS, Owner and Utility have entered into a contract for rendering of sewage disposal and treatment services, executed the second day of May, 1974, and recorded by the Allen County Recorder the sixth day of May, 1974 as recording No. 74-09611.

NOW, THEREFORE, in consideration of the faithful performance of the covenants, conditions and promises contained herein and the timely payment of monies to be paid in the manner hereinafter provided, the parties agree as follows:

1) Owner and Utility are bound to all covenants, conditions and promises of the referenced contract entered into on the second day of May, 1974, and recorded by the Allen County Recorder the sixth day of May, 1974 as recording No. 74-09611 with the exception of provision No. 4 of said contract regarding payment by Owner to Utility of sanitary sewage collection and treatment services.

2) As consideration for rendering sewage collection and treatment services to the Real Estate, Owner agrees to pay his pro rata share of the cost of constructing said sewage disposal system the sum of Fifteen Thousand Dollars (\$15,000), of which Ten Thousand Dollars (\$10,000) have been paid in accordance to the referenced contract. Owner agrees to pay the remaining balance of Five Thousand Dollars (\$5,000) by monthly payments for the following two (2) years at an eight percent (8%) interest rate. Said payments shall commence the first day of December, 1976, and shall continue on the first day of each succeeding month according to the schedule in Exhibit "B" attached hereto and made a part hereof.

3) Any notices, requests, approvals, payments of monies, or demands which must or may be given or made by the parties hereto shall be effective if only in writing delivered or mailed by United States Mail, postage prepaid, addressed to the respective party as follows:

Utility: Board of Public Works, City of Fort Wayne, City-County
Building, Fort Wayne, Indiana 46802;

Owner: Ronald Ankenbruck, 5430 Old Maumee Road, Fort Wayne,
Indiana, 46803;

or to such other places each party may designate in writing to the other.

IN WITNESS WHEREOF, the parties have executed this contract this 25th
day of October, 1976.

ALLEN COUNTY RECORDER

COVENANT AGREEMENT

This Agreement made this 2 day of May, 1974 by and between Indi-Kid, Inc., an Indiana Corporation, hereinafter referred to as "Developer" and the City of Fort Wayne, Indiana, an Indiana Municipal Corporation, hereinafter referred to as "City",

Witnesseth, Whereas the Developer is the owner of the following described premises:

Lot #31 and Lot #32 in Allison's Suburban Addition as recorded in Plat Book #18, page 9 in the Office of the Recorder of Allen County, Indiana

Except part of said Lot #32 in Allison's Suburban Addition, more particularly described as follows:

Beginning at the northwest corner of said Lot #32; thence east along the north line of said Lot #32 a distance of 218.5 feet to the northeast corner of said Lot #32; thence by deflection right of 158 degr. 39 min. a distance of 175.0 feet; thence by deflection right of 70 degr. 17 min. a distance of 84.5 feet to the point of beginning.

Whereas, Developer is desirous of constructing a day nursery on the above described premises, and

Whereas, the Developer is required by the City to construct a storm water retention pond on the above described premises, and

Whereas, the Developer has agreed to construct said storm water retention pond and to provide perpetual maintenance for the said storm water retention pond.

Now, Therefore, in consideration of the foregoing and the mutual covenants and agreements set forth, the parties hereto agree as follows:

1. The Developer will construct or cause to be constructed the storm water retention pond in accordance with the plans prepared by John R. Donovan, P.E. dated 4/11/74 and approved by the City. Construction of the storm water retention pond shall be upon the west end of the above described premises, said area being described in Exhibit "A" which is attached hereto and made a part hereof.
2. In as much as a retention pond is an unusual element of a storm drainage system, Developer agrees that they will provide perpetual maintenance of said pond at their cost.
3. The Developer assumes all responsibility for the maintenance and operation of said retention pond and hereby guarantees said maintenance of said pond at their cost and agrees to save the City harmless from any liability therefrom.
4. The City agrees that at such time as the pond is no longer necessary for the retention of storm water, that this agreement shall automatically terminate and that the City will execute a recordable document evidencing such termination at the request of the Developer.

This agreement is accepted as a covenant which shall run with the above described premises and all rights hereto shall be binding upon the parties hereto their successors and assigns.

In Witness Whereof, the parties have subscribed this agreement this 24th Day of April, 1974.

AGREEMENT

74- 12628

FOR

SEWER EXTENSION

THIS AGREEMENT, made in triplicate, this 2 day of May 1974, by and between Alfred J. and Hannah F. Zacher, husband and wife, hereinafter referred to as "Developer", and Ind-Kid, Inc., an Indiana Corporation, hereinafter referred to as "Owner", and the CITY OF FORT WAYNE, INDIANA, an Indiana Municipal Corporation, hereinafter referred to as "City",

W I T N E S S E T H:

WHEREAS, the Developer desires to construct a sanitary sewer:

Commencing at an existing manhole in Kinnerk Road 4 feet West of the East right of way line and 225± feet North of the Northwest property corner of lot #32 in Allison's Sub. Add. thence, Southerly along the East right of way of Kinnerk Road, a distance of 310± feet, terminating at a proposed manhole.

Said sewer to be 10" in diameter,

in accordance with plans, specifications and profiles heretofore submitted to the City and now on file in the office of the Chief Engineer of the Sewer Utilities of the City, and known as sanitary sewers to serve Kinnerk Road - South of Lower Huntington Road - Lot #32 in Allison's Sub. Add. which plans, specifications, profiles are by reference incorporated herein and made a part hereof, which sewer will serve only the land in which the Developer has an interest.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements hereinafter set forth, the parties hereto agree as follows:

1. CONSTRUCTION OF SEWER

The Developer shall cause said sewer to be constructed and located in accordance with said plans, specifications, and profiles, all approved by the City, under private contract after requisite City approval.

All work and materials shall be subject to inspection by City and the right of City to halt construction if there shall be non-compliance therewith. Said sewer shall not be deemed permanently connected into the sewer system of City until final acceptance by City. Upon completion, said sewer shall become the property of City and City shall accept sewage therefrom, subject to such sewage service charges as may now or hereafter be regularly established by City, and all further maintenance thereafter shall be borne by City.

2. COST OF CONSTRUCTION

The Developer agrees to pay the entire cost and expense of construction of said sewer, in cash, including City engineering and inspection fees, and to hold the City harmless from any liability for claims connected therewith.

3. AREA OF DEVELOPER AND OWNER

Said sewer, when accepted by the City, will serve the following described real estate: A part of the Northwest Quarter of Section 35, Township 30 North, Range 12 East, Allen County, Indiana, more fully described as follows:

Lot #31 and Lot #32 in Allison's Suburban Addition as recorded in Plat Book #18, page 9 in the Office of the Recorder of Allen County, Indiana,

EXCEPT part of said Lot #32 in Allison's Suburban Addition, more particularly described as follows:

Beginning at the northwest corner of said Lot #32; thence East along the North line of said Lot #32 a distance of 218.5 feet to the Northeast corner of said Lot #32; thence by deflection right of 158 degr. 39 min. a distance of 175.0 feet; thence by deflection right of 70 degr. 17 min. a distance of 84.5 feet to the point of beginning.

As the Developer will pay for the cost of construction of said sewer as it pertains to the above described area, no charge or assessment is made by this Agreement against the above described real estate for the construction of said sewer by the present or future owners of said real estate except only as to such standard tap-in, inspection fees and monthly sewage treatment charges as are customarily charged by the City for connections to City sewer mains and treatment of sewage therefrom.

An area connection charge of \$442.73 per acre must be paid to City at the time of connection. This area connection charge is in addition to the local charge as set forth above, and represents the oversizing cost expended by City for sewer line pertaining to St. Mary's Interceptor Resolution No. 214 , all as recorded in Instrument No. 71-05984.

4. BOND

This contract is subject to Developer furnishing a satisfactory Guaranty Bond for the value of the sewer, which shall guarantee said sewer against defects for a period of one (1) year from the date of final acceptance of said sewer by the City.

5. LIMITATION ON USE

Said sewer shall be constructed for disposal of sanitary sewage only and neither the parties hereto, their successors, or assigns, or any future owner of any land serviced by said sewer, shall at any time discharge or permit to be discharged or to flow into said sanitary sewer, any water runoff caused by natural precipitation or anything other than sanitary sewage or contaminated waste.

6. COUNCILMANIC APPROVAL

It is understood and agreed that this contract is in all respects subject to approval by the Common Council of City, by duly adopted Ordinance, and if such Ordinance is not adopted within a period of ninety (90) days after execution thereof, this contract shall be null and void and of no further force and effect.

7. WAIVER OF RIGHT TO REMONSTRATE AGAINST ANNEXATION

The Owner, for himself, his successors in title and assigns, waives and releases any and all rights which it may now or hereafter have to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by City of any territory now or hereafter owned by him, as described in Article 3 herein, or hereafter served by said sewer or any extension thereof.

In further consideration and to induce City to execute and ratify this contract, said Owner, for himself, his successors and assigns, agrees by this contract to vest in City the permanent right at its discretion to annex to the City of Fort Wayne at any future time by duly authorized ordinance the said real estate described in Article 3 herein.

Owner further agrees that any deeds, contracts, or other instruments of conveyance made by the Owner, its successors or assigns transferring or conveying any interest or title in and to any of the real estate described in Article 3 herein, shall contain the waiver and release provisions contained in this article, which provisions shall run with the land and the acceptance of the delivery of any such instrument from the Owner, his successors and assigns by any grantee, vendee, or contract purchaser, shall be made subject to the terms of this Agreement and shall constitute an acceptance of the foregoing provisions by said grantee, vendee, or contract purchaser and their successors in title.

The Owner further agrees to record an executed copy of this contract in the Allen County Recorder's Office within ten (10) days of its adoption and approval by the Common Council of City as hereinafter provided.

Any owner or owners of land which is now, or hereafter located outside the corporate limits of City who connect into the sewer constructed hereunder, shall be deemed to thereby waive his, her, their or its right to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by City of such land or of the territory in which it is located or of the area served by said sewer.

IN WITNESS WHEREOF, the parties have subscribed to this agreement the day and year first above written.

cause to be constructed a sewer to become part of the City's sewer system
known as Lower Huntington Rd. & Kennerk Rd. area, sanitary sewer which said
sewer is to be built and constructed according to plans and specifications
approved by the City; and

WHEREAS, the grant of authority be City to so construct such sewer
provides:

1. That said sewer shall be completed according to said
plans and specifications, and there shall be filed with
the City, within thirty (30) days after completion,
a completion affidavit.
2. Said Principal is required to agree to make such
adjustments, modifications and repairs as required
by the City within thirty (30) days after notice;
and
3. To agree to maintain said sewer for a period of one
(1) year following written acceptance by the City
of said sewer.

NOW THEREFORE, if the Principal shall perform all of the terms and
conditions required of it by the consent to cause said sewer to become
a part of the City sewer systems, and shall for one (1) year after
acceptance of said sewer by the City maintain said sewer and shall indemnify
the City for all loss that City may sustain be reasons of the Principals
failure to comply with any of the terms of the authorization, then this
obligation shall be void, otherwise it shall remain in full force and effect.

Signed and Sealed this 2 day of April, 19 74.

BY: [Signature]

THE AETNA CASUALTY AND SURETY COMPANY
Hartford, Connecticut 06115

POWER OF ATTORNEY AND CERTIFICATE OF AUTHORITY OF ATTORNEY(S)-IN-FACT

KNOW ALL MEN BY THESE PRESENTS, THAT THE AETNA CASUALTY AND SURETY COMPANY, a corporation duly organized under the laws of the State of Connecticut, and having its principal office in the City of Hartford, County of Hartford, State of Connecticut, hath made, constituted and appointed, and does by these presents make, constitute and appoint **Arthur C. Frericks, Donald T. Belbutowski, Leonard Shirley, Gerald A. Dahle or Josephine Stackhouse - -**

of **Fort Wayne, Indiana**, its true and lawful Attorneys-in-Fact, with full power and authority hereby conferred to sign, execute and acknowledge, at any place within the United States, or, if the following line be filled in, within the area there designated, the following instrument (s):
by his sole signature and act, any and all bonds, recognizances, contracts of indemnity, and other writings obligatory in the nature of a bond, recognizance, or conditional undertaking, and any and all consents incident thereto **not exceeding the sum of TWO HUNDRED THOUSAND (\$200,000.00) DOLLARS -**

and to bind THE AETNA CASUALTY AND SURETY COMPANY, thereby as fully and to the same extent as if the same were signed by the duly authorized officers of THE AETNA CASUALTY AND SURETY COMPANY, and all the acts of said Attorneys-in-Fact, pursuant to the authority herein given, are hereby ratified and confirmed.

This appointment is made under and by authority of the following provisions of the By-Laws of the Company which provisions are now in full force and effect and are the only applicable provisions of said By-Laws:

ARTICLE IV—Section 8. The President, any Vice President, or any Secretary may from time to time appoint Resident Vice Presidents, Resident Assistant Secretaries, Attorneys-in-Fact, and Agents to act for and on behalf of the Company and may give any such appointee such authority as his certificate of authority may prescribe to sign with the Company's name and seal with the Company's seal bonds, recognizances, contracts of indemnity, and other writings obligatory in the nature of a bond, recognizance, or conditional undertaking, and any of said officers or the Board of Directors may at any time remove any such appointee and revoke the power and authority given him.

ARTICLE IV—Section 10. Any bond, recognizance, contract of indemnity, or writing obligatory in the nature of a bond, recognizance, or conditional undertaking shall be valid and binding upon the Company when (a) signed by the President or a Vice President or by a Resident Vice President, pursuant to the power prescribed in the certificate of authority of such Resident Vice President, and duly attested and sealed with the Company's seal by a Secretary or Assistant Secretary or by a Resident Assistant Secretary, pursuant to the power prescribed in the certificate of authority of such Resident Assistant Secretary; or (b) duly executed (under seal, if required) by one or more Attorneys-in-Fact pursuant to the power prescribed in his or their certificate or certificates of authority.

This Power of Attorney and Certificate of Authority is signed and sealed by facsimile under and by authority of the following Resolution voted by the Board of Directors of THE AETNA CASUALTY AND SURETY COMPANY at a meeting duly called and held on the 22nd day of November, 1968.

VOTED: That the signature of William O. Bailey, Senior Vice President, or of Andrew H. Anderson, Vice President, or of D. N. Gage, Assistant Vice President, or of Neil H. Pfanstiel, Secretary, or of Benjamin I. Radding, Secretary, or of Curtis K. Shaw, Secretary, and the seal of the Company may be affixed by facsimile to any power of attorney or to any certificate relating thereto appointing Resident Vice Presidents, Resident Assistant Secretaries or Attorneys-in-Fact for purposes only of executing and attesting bonds and undertakings and other writings obligatory in the nature thereof, and any such power of attorney or certificate bearing such facsimile signature or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by such facsimile signature and facsimile seal shall be valid and binding upon the Company in the future with respect to any bond or undertaking to which it is attached.

IN WITNESS WHEREOF, THE AETNA CASUALTY AND SURETY COMPANY has caused this instrument to be signed by its **Secretary**, and its corporate seal to be hereto affixed this **29th** day of **June**, 19 **71**

For the ~~Vacation - Opening~~ - Condemnation of right of way for ^{street} ~~utility~~ purposes the north 15 feet of Lots 4, 5, 6 & 7 of Boggs Orchard Terrace for the widening of Lower Huntington Road.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to condemn the north 15 feet of Lots 4, 5, 6, 7 of Boggs Orchard Terrace for the widening of Lower Huntington Road.

All as shown by a plan of such proposed ~~Vacation - Opening~~ - Condemnation of right of way for ^{street} ~~utility~~ purposes as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana. The condemnation of right-of-way is to be made by condemning and appropriating for street purposes the property described above.

The cost of said ~~Vacation - Opening~~ - Condemnation of right of way for ^{street} ~~utility~~ purposes shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such ~~Vacation - Opening~~ - Condemnation of right of way for ^{street} ~~utility~~ purposes is described as follows: Lots 4, 5, 6 & 7 Boggs Orchard Terrace. Said Addition is contiguous to the City of Fort Wayne, Indiana

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5) % per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

~~The vacation of the above described _____ shall be subject to an easement for the use of the City of Fort Wayne, Indiana, and other public utilities for the construction and maintenance of sewers, water mains, gas mains, electric pole lines and conduits, telephone and telegraph pole lines and conduits.~~

All Streets, lots and lands affected by the above described condemnation are situated in Township 30 north, Range 12 east, and is continuous to the City of Fort Wayne, Indiana.

ADOPTED THIS' 25 DAY OF April 19 74
Attest: Elena L. Smith Secretary Board of Public Works. Ronald L. Boman

CONTRACT FOR ENGINEERING SERVICES

FOR

IMPROVEMENTS TO HOBSON ROAD WHICH INCLUDES
STREET WIDENING, SIGNALING, LIGHTING AND SIDEWALKS
FROM THE VICINITY OF
LAKE STREET
TO THE VICINITY OF
STATE STREET
IN THE CITY OF FT. WAYNE, INDIANA

BY AND BETWEEN THE

CITY OF FORT WAYNE, INDIANA

AND

RSH ASSOCIATES, INC.
PROFESSIONAL ENGINEERS
INDIANAPOLIS, INDIANA

A STANDARD FORM OF AGREEMENT BETWEEN

OWNER AND ENGINEER

Fee is Per Cent of Construction Cost

THIS AGREEMENT made this 26th day of April, 1974, by and between the City of Fort Wayne, acting by and through its Board of Public Works of the City of Fort Wayne, Indiana, hereinafter called the OWNER, and RSH Associates, Inc., hereinafter called the ENGINEER, WITNESSETH, THAT whereas the Owner intends to construct improvements to Hobson Road which include street widening, signaling, lighting, and sidewalk improvements from Lake to State Streets in the City of Fort Wayne, Indiana, hereinafter called the PROJECT.

NOW THEREFORE, the Owner and Engineer for the considerations hereinafter set forth, agree as follows:

ARTICLE 1. THE ENGINEER AGREES to perform the following engineering services for the project:

A. Phase I - Preliminary Engineering Design and Right of Way Plans
After receiving from the Owner written notice to proceed with the Preliminary Engineering Design, the Engineer agrees to:

1. Make the Design Survey, including all required survey data necessary for the preparation of Contract Plans. The Engineer may obtain survey data by photogrammetric methods. Such Design Survey shall be in accordance with the accepted standards of practice as used by the Indiana State Highway Commission. As part of Survey, Engineer shall establish survey base line and/or center line of street, and reference points at street intersections and benchmarks.
2. Prepare Preliminary Plans, Itemized Preliminary Construction Cost Estimates in sufficient detail and accuracy as required to prepare Final Contract Plans and Specifications. Such Preliminary Plans and Cost Estimates shall be in accordance with accepted standards of practice as used by the Indiana State Highway Commission. Plans to include roadway design,

signing, tree planting, and signalization of major intersections.

3. Where additional Right of Way is required, either permanent or temporary, it will be indicated on the plan sheets. Should Plats and Instruments required for acquisition of Right of Way be needed, they will be furnished under Article 4B, in accordance with "Right of Way Engineering Procedures Manual", dated 1972, by the Indiana State Highway Commission.
 4. Engineer shall locate and identify all utilities (underground and aerial) accurately and if necessary request excavations to determine exact horizontal and vertical locations. Owner shall provide or cause to be provided labor and materials for required excavations, and Engineer shall provide survey crew to measure locations.
 5. Environmental Statement - The Engineer shall furnish the Owner with data but the Engineer shall not prepare the statement under this Contract.
- B. Phase II - Final Engineering Design Upon approval of the Preliminary Engineering Design by the Owner and after receiving from the Owner written notice to proceed with Final Engineering Design, the Engineer agrees to:
1. Prepare Final Contract Plans and Specifications for the following including Special Provisions, Proposal Forms, Notice to Bidders, and Itemized Final Estimates of cost of construction, in accordance with accepted standards of practice as used by the Indiana State Highway Commission.
 - a. Roadway construction
 - b. Signing installation
 - c. Signalization of major intersections - this to include wiring diagrams, except for computer circuits which shall be furnished by the Owner.
 - d. Show street right of way line and adjacent property owner with street address. Owner to furnish property ownership list to Engineer.
 - e. Tree planting in right of way.
 2. Furnish Reproductions The Engineer shall furnish the Owner with one set of reproducible sepia or mylar of the final approved Contract Plans and Cross Sections, and four (4) sets of reproductions of the final approved Contract Specifications. The final Estimate of cost shall be presented to the Owner in its original prescribed form for safekeeping, and no other distribution of said Estimate of Construction Cost shall be made.

3. Governmental Agencies The Engineer shall obtain written approvals of Engineering Design from all affected governmental agencies; railroads and utilities where required.
 4. Design Reports The Engineer shall submit to the Owner monthly Preliminary and Final Engineering Design Status Reports showing progress and percent complete.
- C. Phase III - Construction Phase If requested in writing by the Owner and after the Contractor's written order to proceed, the Engineer shall proceed with the general engineering inspection of the construction and shall:
1. Provide general engineering administration of the construction contract including, at the Owner's request, the giving of technical engineering information to legal counsel as an aid to the interpretation and clarification of the Contract Documents.
 2. Check and approve Contractor's requests for payment, samples, catalogue data, schedules, shop drawings, laboratory, shop and mill tests of equipment and other data which the Contractor is required to submit, only for conformance with the design concept of the Project and compliance with the information given by the Contract Documents; and shall collect all guarantees required of Contractors or suppliers but shall not prepare any required guarantees without approval of legal counsel.
 3. Submit monthly progress reports of work completed.
 4. Engineer shall provide or cause to be provided for the Owner with one (1) set of reproducible "As Built" drawings following completion of construction reflecting actual conditions as found and constructed. Owner will provide Engineer with necessary information in the event the Engineer does not perform Phases IV and V.
- D. Phase IV - Resident Engineer and Inspectors Upon written request by the Owner the Engineer shall provide a qualified resident engineer and necessary inspector(s) during active installation and construction of the Project to perform project engineering and inspection services required by City, State and Federal Highway officials. This service shall be comprehensive to include all reports, approval of contractor's materials, testing, approval of contractor's invoices, etc., which will be necessary for full completion and acceptance of the Project by the City, State and Federal Highway representatives.
- E. Phase V - Construction Engineering If requested by the Owner in writing, the Engineer agrees to:

1. Furnish all materials and labor to set layout and grade stakes for the construction of this Project.
 - a. One (1) week notice will be required in advance of staking needed.
 - b. Stakes will be set only one (1) time. Should the Contractor inadvertently knock out stakes, reimbursement for replacing shall be required on an actual time and overhead and expense basis.
 2. The Engineer will not furnish a full-time crew under this Contract unless the Owner requests and negotiates additional compensation to cover full-time residents.
- F. Attend Conferences For all phases authorized by the Owner, the Engineer shall attend such conferences with the officials of the Owner and other interested agencies and governmental units as may be required in connection with the work. Compensation for this service shall be included in the fee for the respective phase.

ARTICLE 2. COMPLETION SCHEDULE After receiving from the Owner written notice to proceed, the Preliminary Plans, Right of Way Plans (Phase I) and Final Contract Plans (Phase II) shall be completed by the Engineer and submitted to the Owner for its approval in accordance with the following schedule:

Design Schedule:

Preliminary Plans (Phase I) completed
(after receipt of Aerial Photogrammetrics
and Survey) within
Sixty (60) Calendar Days
after written authorization to proceed with
Preliminary Engineering Design.

Right of Way Plans (Phase I) submitted within
Seventy-Five (75) Calendar Days
after written authorization to proceed with
Preliminary Engineering Design

Final Contract Plans (Phase II) completed within
Sixty (60) Calendar Days
after written authorization to proceed with
Final Engineering Design.

The above timetable shall be subject to documented delays due to required approvals by interested Governmental Agencies.

ARTICLE 3. INFORMATION AND SERVICES TO BE FURNISHED OR CAUSED TO BE FURNISHED BY OWNER

The Owner shall furnish the Engineer with the following:

- A. Criteria for design and detail such as project limits, pavement and median widths, grades, curves, sight distances, clearances, design loadings, etc.
- B. Any necessary soil borings or assist in subsurface investigations that may be required for the engineering design.
- C. Reproducible Roadway and/or Bridge Standards required for construction of the project including the Owner's Standard Title Sheet and Construction Identification Sign to be incorporated into the Contract plans.
- D. Guaranty of Title, requirements for Land Plat preparation, the Owner's Standard Instrument necessary for Right of Way Acquisition upon which Legal Description is to be placed.
- E. Prepare or cause to be prepared all advertisements for bids and cause same to be properly advertised.
- F. Furnish the necessary reproductions of the Contract Plans and Contract Documents necessary for construction of the Project for distribution to the Contractors, sub-contractors, Utilities, and Suppliers prior to the date for receipt of construction bids.
- G. Prepare and submit the Environmental Statement from data furnished by the Engineer.
- H. Street lighting design indicating pole spacing, size and type of luminaire, etc.
- I. Number, location and species of all new tree plantings in right of

ARTICLE 4. THE ENGINEER'S COMPENSATION FOR SERVICES

- A. The Owner for and in consideration of the renderings of the Engineer's Basic Services, Phases I, II, and III, herein described, agrees to pay to the Engineer, a fee of ten and six-tenths percent (10.6%) of the construction cost of plans designed, in accordance with the attached Exhibit "A". The total fee for design shall not exceed \$27,000 however; upon the completion of Phase I the total project cost and total fee for design will be re-evaluated and adjusted if necessary based upon mutual consent of both parties. This fee to be paid in the following manner:

Phase I

- 1. Upon the Engineer's completion of the Design Survey, Three percent (3.0%) of the construction cost, based upon the Engineer's Preliminary estimate.

2. Upon the completion of other items in Phase I and the Engineer's submission and approval of Preliminary Right of Way Plans to the Owner and other interested governmental agencies, Four Percent (4%) of the construction cost, based upon the Engineer's Preliminary Estimate.

Phase II - Final Engineering Design

1. Upon the completion of this phase and the Engineer's submission and approval of Final Plans to the Owner and other interested governmental agencies, Two Percent (2%) of the construction cost based upon the Engineer's Final Estimate.
2. Upon receipt of an acceptable bid, Six Tenths of One Percent (.6%) of the construction cost, based on Actual Bid Price, less previous payments. If Bid Proposals from Contractors have not been received on this project within one (1) year after completion of Final Plans, Specifications and Estimates this remaining Six Tenths of One Percent (.6%) Fee shall be paid in full and computed from the Engineer's Final Estimate and providing a total fee of Nine and Six Tenths Per Cent (9.6%) of the Construction Cost Final Estimate for Phase I and II.

Phase III - Construction Phase

Upon completion of the Construction Phase provided for in Phase III hereof, the Engineer shall receive compensation of One Percent (1%) of the construction cost providing a total basic percentage fee for Phase I, II and III in the amount of Ten and Six Tenths

B. Optional Basic Services

Phase IV - Resident Engineer and Inspectors

For the Resident Engineer and Inspectors services provided for in Phase IV hereof, the Engineer shall be entitled to receive a fee (in addition to all other phases) in a sum equal to actual hourly rate of personnel involved, times a multiplier of 2.8.

This fee to be paid monthly upon submission of a claim to the Owner.

Phase V - Construction Engineering

For the Construction Engineering provided for in Phase V hereof, the Engineer shall be entitled to receive a fee (in addition to all other phases) in a sum equal to actual hourly rate of personnel involved, times a multiplier of 2.8.

The above fees to be paid following completion of each Phase or Sub-Phase and submission of an itemized claim in proportion to services performed as presented in the Monthly Engineering Design Status Reports.

C. Right of Way Documents

The Owner, for and in consideration of the renderings of Engineering Services for the preparation of Legal Description and Land Plats if requested in writing by the Owner, agrees to pay to the Engineer as follows:

1. For each description requiring a plat, a fee of One Hundred Dollars (\$100.00) per description.
2. For each description which does not require a Land Plat, a fee of Fifty Dollars (\$50.00) per description.

D. Change of Scope

In the event there is a major change in scope and character of the work after survey or plan work has progressed as directed by the Owner, adjustments in the fee payable to the Engineer as outlined in Article 4A and in the completion schedule as outlined in Article 2 shall be determined through arbitration between the parties to the Agreement.

E. Engineer's Maximum Compensation

The Engineer's Estimated Construction Cost and maximum amount for which the Engineer's Compensation shall be computed for Phases I, II and III is Two Hundred and Fifty Thousand Dollars (\$250,000.00).

F. Additional Services

In the event that the Engineer is directed by the Owner to cause to be made borings and detailed estimates of right of way cost, or other additional services not covered in Phase I through V, the Engineer shall be reimbursed by the Owner for the actual cost of such services at payroll times a multiplier of 2.8.

ARTICLE 5. WORKMEN'S COMPENSATION AND LIABILITY INSURANCE

- A. The Engineer agrees to purchase and maintain at his expense the following kinds and amounts of Insurance:
- B. A policy covering the obligation of the Engineer in accordance with the provisions of the WORKMEN'S COMPENSATION LAW of the State of Indiana.
- C. Policies of Bodily Injury Liability and Property Damage Liability Insurance with limits of liability of not less than One Hundred Thousand Dollars (\$100,000.00) for each damage claim arising out of bodily injury, and not less than Three Hundred Thousand Dollars (\$300,000.00) for all damages arising out of bodily injury, including death at any time resulting therefrom, sustained by two or more persons in any one accident; and not less than Fifty Thousand Dollars (\$50,000.00) for all damages arising out of injury or destruction of property in any accident, nor less than One Hundred Thousand Dollars (\$100,000.00) for all damages arising out of injury to or destruction of property suffered by two or more persons for any one accident.

ARTICLE 6. ABANDONMENT AND TERMINATION

- A. Abandonment. If the Owner shall abandon the services described, herein, the Engineer shall delivery to the Owner all survey notes, drawings, specifications and estimates completed or partially completed, and these shall become the property of the Owner. The earned value of the work performed shall be based upon an estimate of the portions of the total services as have been rendered by the Engineer to the date of abandonment, as reported under Article I, and which may be mutually agreed upon by the Owner and the Engineer. The payment as made to the Engineer shall be paid as a final payment infull settlement of his services hereunder.
- B. Termination. This Agreement may be terminated by either party by severn (7) days written notice by mutual agreements; or in the event of substantial failure to perform in accordance with the terms hereof by the other party through no fault of the terminating party. If this Agreement is terminated, the Engineer shall be paid for the extent of services performed by him to the termination notice date.

ARTICLE 7. OWNERSHIP OF DOCUMENTS

- A. All documents, including tracings of Contract Plans and Drawings, Cost Estimates, Specifications, Design Survey, Right of Way Documents, Field Notes, Information from Investigations and Studies, Computations, Written Approvals from Governmental Agencies, etc., as instruments of service, are to be the property of the Owner. During the performance of the Engineering Services, herein provided for, the Engineer shall be responsible for any loss or damage of the Documents, herein enumerated, while they are in his possession, and any such loss or damage shall be restored at his expense. Full access to the work during the preparation of the Contract Plans shall be available to the Owner and at the discretion of the Owner to other Governmental Agencies interested in this work.
- B. Upon completion and final approval of the work by the Owner, the Engineer shall delivery to the Owner all design documents.

ARTICLE 8. NON-DISCRIMINATION

- A. The Engineer shall not discriminate against any employee or applicant for employment to be employed in the performance of this Agreement, with respect to his hire, tenure, terms, conditions or privileges of employment because of his race, color, religion, national origin or ancestry. Breach of this covenant may be regarded as a material breach of the Agreement.

ARTICLE 9. SUCCESSORS AND ASSIGNS

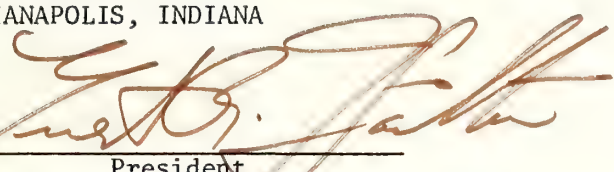

- A. Except as otherwise herein provided, the rights and obligations created by this Agreement shall run to the benefit of and shall be binding upon the heirs, executors, administrators, assigns, and successors in interest of the parties hereto.

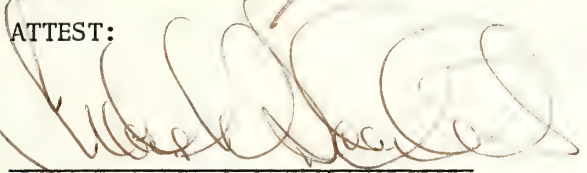

7#

ARTICLE 10. SPECIAL PROVISIONS

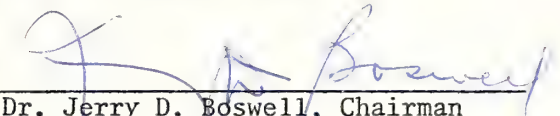

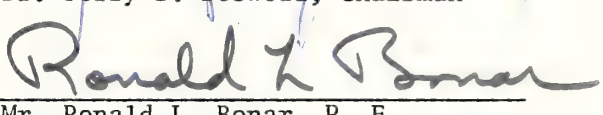

A. The Engineer hereby designates Mr. Ernest R. Hamilton, P. E., as project engineer for the proposed Project and shall not change project engineers without written approval from the Owner.

For the ~~Vacation - Opening~~ - Condemnation of right of way for ^{street} ~~utility~~ purposes for the widening of Lower Huntington Road west of Winchester Road.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to condemn right of way for street purposes for the widening of Lower Huntington Road west of Winchester Road more particularly described as follows:

(See Attached Description No. 1)

All as shown by a plan of such proposed ~~Vacation - Opening~~ - Condemnation of right of way for ^{street} ~~utility~~ purposes as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana. The condemnation of right of way is to be made by condemning and appropriating for street purposes the property described above.

The cost of said ~~Vacation - Opening~~ - Condemnation of right of way for ^{street} ~~utility~~ purposes shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such ~~Vacation - Opening~~ - Condemnation of right of way for ^{street} ~~utility~~ purposes is described as follows:

(See Attached Description No. 2)

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5) % per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

The vacation of the above described _____ shall be subject to an easement for the use of the City of Fort Wayne, Indiana, and other public utilities for the construction and maintenance of sewers, water mains, gas mains, electric pole lines and conduits, telephone and telegraph pole lines and conduits.

All Streets, lots and lands affected by the above described condemnation are situated in Township 30 north, Range 12 east and lie wholly within the corporate limits of the City of Fort Wayne, Indiana.

DESCRIPTION NO. 1

Commencing at the southeast corner of Lot #7, Godfrey Partition; thence north 76 degrees 44 minutes west along the centerline of the original Lower Huntington Road, a distance of 480.8 feet; thence north 13 degrees 16 minutes east on a line which is at right angles with said centerline of the original Lower Huntington Road, a distance of 35.5 feet for the point of beginning of the tract herein described; thence continuing north 13 degrees 16 minutes east a distance of 4.5 feet; thence south 76 degrees 44 minutes east and parallel with said centerline of the original Lower Huntington Road a distance of 127.67 feet to the point of intersection with the north right of way line of the Lower Huntington Road; thence wouthwesterly following the north right of way line of a 10 degree curve, a distance of 71.7 feet to the point of tangency of said curve; thence north 76 degrees 44 minutes west and parallel with said centerline of original Lower Huntington Road, a distance of 56 feet to the point of beginning.

DESCRIPTION NO. 2

Part of Lot #7 in Godfrey's Partition of Out Lots according to the Plat thereof recorded in Plat Book 1, page 2, partitioned by W. H. Goshorn and J. S. Goshorn, commissioners of Allen Circuit Court, as shown in Order Book #22 page 112, 142 of said court; being a subdivision of Lots #3, 4, 7 and 14.25 acres of land off the northeasterly side of Lot #2 of the subdivison of Richardville Reserve, west of the St. Mary's River in Township 30 north, Range 12 east, made by Lewis Newberger, Commissioner, as recorded in Order Book "T", page 263 in Allen Circuit Court. Said property is inclusive to the City of Fort Wayne, Indiana.

60-303-8 HT

For the ~~Vacation - Opening~~ - Condemnation of right of way for ~~utility~~ ^{street} purposes for the widening of Lower Huntington Road east of Penmoken Drive.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to condemn right of way for street purposes for the widening of Lower Huntington Road east of Penmoken Drive more particularly described as follows:

(See attached)

All as shown by a plan of such proposed ~~Vacation - Opening~~ - Condemnation of right of way for ~~utility~~ ^{street} purposes as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana. The condemnation of right of way is to be made by condemning and appropriating for street purposes the property described above.

The cost of said ~~Vacation - Opening~~ - Condemnation of right of way for ~~utility~~ ^{street} purposes shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such ~~Vacation - Opening~~ - Condemnation of right of way for ~~utility~~ ^{street} purposes is described as follows: Part of the east 150 feet of the west 837.92 feet of the south 200 feet of 270 acres, Richardville Reserve north of Lower Huntington Road lying in Section 27, Township 30 north, Range 12, east. Said property is inclusive to the City of Fort Wayne, Indiana.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5)% per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

The vacation of the above described _____ shall be subject to an easement for the use of the City of Fort Wayne, Indiana, and other public utilities for the construction and maintenance of sewers, water mains, gas mains, electric pole lines and conduits, telephone and telegraph pole lines and conduits.

All Streets, lots and lands affected by the above described condemnation are situated in Township 30, north, Range 12 east and lie wholly within the corporate limits of the City of Fort Wayne, Indiana.

ADOPTED THIS' 25 DAY OF April 19 74

Attest: [Signature]
Secretary Board of Public Works.

[Signature]
Board of Public Works.

Commencing at the intersection of the centerline of said Lower Huntington Road and the east property line of Penmoken Drive thence easterly along the centerline of Lower Huntington Road 230 feet to the point of beginning, thence northeasterly perpendicular to the centerline 40 feet, thence southeasterly parallel to centerline of Lower Huntington Road 150 feet, thence southwesterly 40 feet to centerline of aforementioned road, thence 150 feet westerly along centerline of Lower Huntington Road to the point of beginning.

DECLARATORY RESOLUTION No. 1859 1974

For the ~~Vacation - Opening~~ - ^{street}Condemnation of right of way for ~~utility~~ purposes for the widening of Lower Huntington Road east of Penmoken Drive.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to condemn right of way for street purposes for the widening of Lower Huntington Road east of Penmoken Drive more particularly described as follows: Beginning at the intersection of the centerline of said Lower Huntington Road and the east property line of Penmoken Drive, thence north 40 feet, thence east parallel to aforementioned Road 110 feet, thence south 40 feet to the centerline of Lower Huntington Road, thence west 110 feet to the point of beginning.

All as shown by a plan of such proposed ~~Vacation - Opening~~ - ^{street}Condemnation of right of way for ~~utility~~ purposes as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana. The condemnation of right of way is to be made by condemning and appropriating for street purposes the property described above.

The cost of said ~~Vacation - Opening~~ - ^{street}Condemnation of right of way for ~~utility~~ purposes shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such ~~Vacation - Opening~~ - ^{street}Condemnation of right of way for ~~utility~~ purposes is described as follows: Part of the east 110 feet of the west 567.92 feet of the south 200 feet of 270 acres, Richardville Reserve north of Lower Huntington Road, lying in Township 30 north, Range 12 east, said property is inclusive to the City of Fort Wayne, Indiana.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5)% per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

~~The vacation of the above described~~ shall be subject to an easement for the use of the City of Fort Wayne, Indiana, and other public utilities for the construction and maintenance of sewers, water mains, gas mains, electric pole lines and conduits, telephone and telegraph pole lines and conduits.

All Streets, lots and lands affected by the above described condemnation are situated in Township 30 north, Range 12 east and lie wholly within the corporate limits of the City of Fort Wayne, Indiana.

DAY OF

April 1974

Attest:

Secretary Board of Public Works.

Board of Public Works.

19

AGREEMENT

THIS AGREEMENT made as of the 22nd day of APRIL in the year 1974 by and between the City of Fort Wayne, Indiana (hereinafter called the Owner), acting by and through the Board of Public Works, and Philip L. Schnelker, Inc., Consulting Engineers (hereinafter called the Engineer), Fort Wayne, Indiana.

WITNESSETH, that whereas the Owner intends to construct certain or cause to have constructed roadway improvements at the intersection of Freeman Street and U.S. Highway #24 West (hereinafter called the Project).

That whereas the Owner desires certain direct assistance in the preparation of the Construction Drawings and Specifications in order to expedite construction of the Project.

That whereas time is of extreme essence in the completion and submission of said construction drawings and specifications to other governmental agencies.

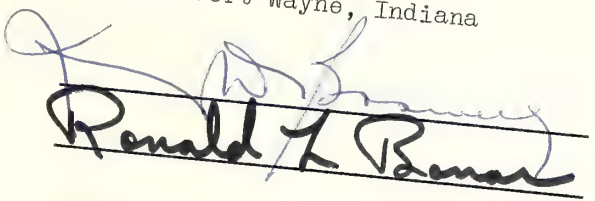

NOW THEREFORE, the Owner and Engineer in consideration of the mutual covenants hereinafter set forth, agree as follows:

1. Said Engineer will diligently serve as the Owner's professional engineering representative and will give consultation and advice to the Owner during the performance of his services.
2. Said Engineer will prepare Construction Drawings of the Project, including: topographic surveys, cross sections, plans, profiles, signal light details, and miscellaneous details as may be required in order for the Owner to construct, or cause to have constructed, the Project.
3. Said Engineer will incorporate by reference the Owner's applicable standard specifications and such special specifications or notations as required on the Construction Drawings.
4. Said Engineer will diligently and timely pursue said work in such a manner that the working drawings and specifications can be submitted to the Owner on or before May 1, 1974, except as may be provided for hereafter.
5. Said Owner will diligently provide consultation and advice as to the design requirements and limitations as may be applicable to this project, in particular those that may directly pertain to the source of project funding.
6. Said Owner will review the initial submission of the working drawings and specifications in a timely manner and cause to have any other governmental agencies so interested likewise review same.
7. Said Owner will advise the Engineer of any corrections, revisions, or additions that may be required pursuant to review of same, and the Engineer will henceforth make such alterations to the working drawings as may be required.

8. Said Owner will provide all services required to advertise the Project for bids, construction staking and inspection, and during the course of said actions the Owner shall promptly notify the Engineer of any discrepancies, errors, or omissions in the Construction Drawings prepared by the Engineer in order that any such unforeseen problems can be mutually solved by all those so concerned.
9. The Owner will pay and the Engineer agrees to accept as payment a fee for the Engineering Services hereinbefore described in the calculated amount of eight percent (8%) of the construction costs of the project, with the provision that the minimum fee payable is to be \$8,000 and the maximum fee payable is to be \$12,000.

IN WITNESS WHEREOF, the parties hereto have made and executed this Agreement the day and year first above written.

JOHN FLECK, ASSOCIATE CITY ATTORNEY

RESOLUTION NO. 5662-1974
WAYNE DALE AREA NEIGHBORHOOD PACKAGE IMPROVEMENT - PHASE I

60-298-1

4/22/74

WHEREAS, the street pavements, sidewalks, storm drainage and street lighting on the streets herein described in the Waynedale Area are non-existent and in need of improvement, and

WHEREAS, over 50% of the resident property owners on the herein described streets have petitioned the Board of Public Works of the City of Fort Wayne, Indiana, requesting installation of street pavements, sidewalks, storm sewers and street lighting, and

WHEREAS, the Board of Public Works of said City has ordered engineering plans, specifications, cost estimates and property ownership list necessary for the accomplishment of said improvement, and

WHEREAS, the City Council appropriated Revenue Sharing monies for the specific purpose of this improvement commonly referred to as Waynedale Neighborhood Package Improvement - Phase I.

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works that it is deemed necessary to improve the Waynedale Area, Phase I, more specifically the following described streets:

Prairie Grove Drive from the West Property Line of Bradbury Avenue to the West Property Line of Old Trail Road.

Orchard Lane from the North Property Line of Fair Oak Drive to the North Property Line of Broad Ripple Drive.

Waynedale Boulevard from the West Property Line of Orchard Lane to the West Property Line of Old Trail Road.

Fair Oak Drive from the West Property Line of Orchard Lane to the West Property Line of Old Trail Road.

Liberty Drive from the East Property Line of Old Trail Road to the West Property Line of Bluffton Road.

Gardenview Drive from the North Property Line of Fair Oak Drive to the South Property Line of Liberty Drive.

Fair Oak Drive from the East Property Line of Old Trail Road to the West Property Line of Bluffton Road.

Waynewood Drive from the East Property Line of Old Trail Road to the West Property Line of Bluffton Road.

Old Trail Road from the South Property Line of McArthur Drive to the North Property Line of Liberty Drive.

Church Street from the East Property Line of Old Trail Road to the West Property Line of Bluffton Road.

McArthur Drive from the West Property Line of Elzey Street to the West Property Line of Old Trail Road.

Elzey Street from the North Property Line of McArthur Drive to the South Property Line of Lower Huntington Road.

Improvements proposed for the above streets include:

1. Draining, curbing, grading and paving the streets to a uniform width of 27 feet, with 6-inch plain concrete, and/or equivalent asphaltic concrete.
2. Concrete sidewalks, 5 feet wide, on both sides of the streets described, except where they presently exist.

3. A storm sewer system adequate to provide drainage to said streets and abutting properties.
4. Street lighting with underground wiring.

Improvements shall be in accordance with the plans, profiles, detailed drawings and specifications now on file in the office of the Board of Public Works of said City and such improvements are hereby ordered.

This improvement resolution is ordered pursuant to enabling legislation as follows:

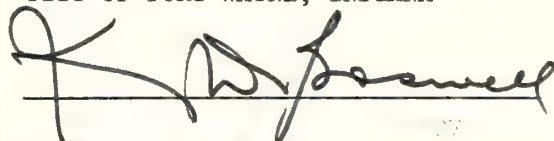

1. Street Pavements - Burns Statute 48-2717 et. seq.
2. Sidewalks - Burns Statute 48-2703 et. seq.
3. Storm Sewers - Burns Statute 48-3950 et. seq.
4. Street Lighting - Burns Statute 48-3301 et. seq.

Preliminary determination for benefits of this improvement pursuant to the above statutes is based upon assessment to property owners for 40% of project cost and 60% to be assessed upon the City of Fort Wayne and paid from Revenue Sharing and/or other appropriated funds. Maximum assessments for residential corner lots of \$3,000.00 and commercial corner lots of \$4,000.00 is hereby established.

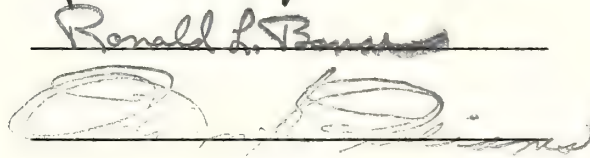

Assessments, if deferred, are to be paid in ten (10) equal installments, with interest at the rate of six per cent (6%) per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums from said property owners for said work, or for the collection of same, or for the payment of any bond, bonds, certificate or certificates issued to said contractor in payment for such work, except for such monies as shall have been actually received by the City from the assessments for such improvement, or such monies as said City is by said above entitled act required to pay. All proceedings had and any work done in said improvement, assessment of property, collection of assessments and issuance of bonds therefore, shall be as provided for in said above entitled acts and amendments thereto and supplemental thereof.

ADOPTED this 22nd day of April, 1974, by the Board of Public Works.

BOARD OF PUBLIC WORKS
CITY OF FORT WAYNE, INDIANA

Ronald L. Barnes

ATTEST:

Clerk

STREET LIGHTING RESOLUTION NO. 106-1974
CONTINENTAL PARK ADDITION

WHEREAS, Continental Park Addition was developed without street lighting, and

WHEREAS, over 55% of the property owners in Continental Park Addition have petitioned the Board of Public Works for the installation of street lighting, and

WHEREAS, on February 18, 1974, the Board of Works wrote a letter to said property owners requesting their preference on the type of lighting to be installed, and

WHEREAS, response received indicated the majority of the property owners desired underground wiring and ornamental lighting, and

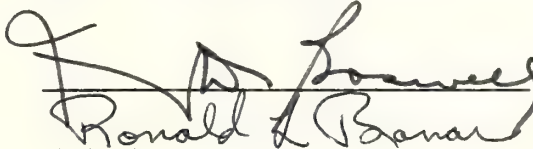

WHEREAS, engineering plans, specifications, estimates and primary assessment figures have been prepared by the Electrical Engineering Department and filed with the Board of Public Works,

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works of the City of Fort Wayne, Indiana, that new ornamental street lighting with underground wiring shall be installed in Continental Park Addition. A maximum cost of \$.0085 per square foot of lot area shall be apportioned against and paid by the property owners benefitted, with the City of Fort Wayne, Indiana, paying the balance of cost of said lighting improvement. All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana entitled, "Public Improvements in Platted Additions", Burns 48-3001, etc.

Assessments over \$100.00, if deferred, are to be paid in ten (10) equal installments, with interest at the rate of six per cent (6%) per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such monies as shall have been actually received by the City from the assessments for such improvement, or such monies as said City is by said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplemental thereof.

AGREEMENT FOR SEWER EXTENSION

9th day of April,

THIS AGREEMENT, made in triplicate, this

~~XXXXXX~~

1974, by and between ENGLE RIDGE CORPORATION, hereinafter referred to as "DEVELOPER", and the CITY OF FORT WAYNE, INDIANA, an Indiana municipal corporation, hereinafter referred to as "CITY", WITNESSETH:

WHEREAS, the Developer has constructed a sanitary sewer system, consisting of a line, force main and pumping station, hereinafter referred to as "Sanitary Sewer", and described as follows:

15-Inch Sanitary Sewer Line

Beginning at an existing pumping station located 30[±] lineal feet South of and 70[±] lineal feet East of the centerline intersection of Engle Road and Clubview Drive; thence, West 40[±] lineal feet to a proposed manhole located 30[±] lineal feet South of and 30[±] lineal feet East of the centerline intersection of Clubview Drive and Engle Road; thence, South 1,400[±] lineal feet along the East right of way line of said Clubview Drive to a proposed manhole located 30[±] lineal feet East of the centerline extension of Clubview Drive and 1,430[±] lineal feet South of the centerline of Engle Road; thence due East 400[±] lineal feet terminating at a proposed manhole;

Pumping Station and Force Main

Beginning at a point that will be the location of a pumping station located 30[±] lineal feet South of and 70[±] lineal feet East of the centerline intersection of Clubview Drive and Engle Road; thence, Easterly along and parallel to the South right of way line of Engle Road 3,550[±] lineal feet terminating at an existing sanitary manhole. Said sewer shall be 8-inch force main and 15-inch gravity sewer;

all in accordance with plans, specifications and profiles heretofore submitted to the City and now on file in the office of the Chief Engineer of the Water Pollution Control Engineering Department, and known as Engle Ridge Sewer Plan, which plans, specifications and profiles are by reference incorporated herein and made a part hereof, and which sewer will serve not only land in which the Developer has an interest, but also adjoining land areas.

1974 MAY 22 PM 2:11
ALLEN COUNTY RECORDER

James E. Schmitt

11.50
cash

WHEREAS:

1. The total oversizing cost of construction of the sewer is represented to be \$34,534.53; composed of \$29,606.00 for construction costs, \$4,428.53 for engineering services, and \$500.00 for legal fees; and,
2. The City of Fort Wayne will finance the oversizing cost for the 15-inch sanitary sewer line portion of the Sewer, represented to be \$18,376.14; composed of \$17,406.00 which will be paid to the Developer for construction cost, and \$970.14 for City engineering services, which will be absorbed by City upon acceptance by City and payment of all inspection charges; and,
3. The Developer did finance the oversizing cost of the aforementioned pumping station and force main portion of the Sewer, represented to be \$16,158.39; composed of \$12,200.00 for construction cost, \$3,458.39 for private engineering costs, and \$500.00 for legal fees.

NOW, THEREFORE, in consideration of the foregoing and mutual covenants and agreements hereinafter set forth, the parties hereto agree as follows:

1. CONSTRUCTION OF SEWER

The Developer shall cause said Sewer to be constructed and located in accordance with said plans, specifications and profiles, all approved by the City, under private contract to be let within sixty (60) days after requisite City approval. All work and materials shall be subject to inspection by City, and the right of City to halt construction if there shall be noncompliance therewith. Said Sewer shall not be deemed permanently connected into the sewer system of City until final acceptance by City. Upon completion, said Sewer shall become the property of City, and City shall

accept sewage therefrom, subject to such sewage service charges as may now or hereafter be regularly established by City, and all further maintenance thereafter shall be borne by City.

2. COST OF CONSTRUCTION

The Developer agrees to pay the entire cost and expense of construction of said Sewer, in cash, including City inspection fees, and to hold the City harmless from any liability for claims connected therewith.

3. AREA OF DEVELOPER

Said Sewer, when accepted by the City, will serve the following area of the Developer:

That part of the West half of the Northeast Quarter of Section 20, Township 30 North, Range 12 East, Allen County, Indiana, lying North of the North right of way line of the Norfolk & Western Railroad, along with that part of the West half of the Northeast Quarter of said Section, Township and Range lying South of the South right of way of said Norfolk & Western Railroad;

The South half of the Southeast Quarter of Section 17, Township 30 North, Range 12 East, Allen County, Indiana, excepting a northwesterly triangular tract containing fourteen (14) acres of land; and also excepting the East 498 feet of the said South half of the Southeast Quarter of Section 17, Township 30 North, Range 12 East, Allen County, Indiana;

ALSO EXCEPTING the following described tract of land, to-wit: Beginning at a point on the South line of the South half of the Southeast Quarter of Section 17, Township 30 North, Range 12 East, in Allen County, State of Indiana, said point being situated 498.0 feet West of the Southeast corner of said South half of the Southeast quarter of Section 17, Township 30 North, Range 12 East; thence, North 382.0 feet on a line parallel to the East line of the said South half of the Southeast quarter of Section 17, Township 30 North, Range 12

East; thence, West 180.0 feet parallel to the South line of said quarter Section; thence, South 382.0 feet on a line parallel to the East line of said quarter section to the South line thereof, said line being also the centerline of the Engle Road in said Section, Township and Range; thence, East 180.0 feet along the last described lines to the place of beginning, containing 1.58 acres of land, more or less.

As the Developer will pay for the cost of construction of said Sewer as it pertains to the above described area, no charge or assessment is made by this Agreement against the above described real estate, except that Real Estate owned by the Developer South of the N&W R. R. as shown on the attached EXHIBIT "A" for the construction of said sewer by the present or future owners of said real estate except only as to such standard tap-in, inspection fees and monthly sewage treatment charges as are customarily charged by the City for connection to City sewer mains and treatment of sewage therefrom.

4. CHARGE AGAINST EXCESS AREA

Said Sewer, when constructed, will also serve additional or excess areas identified as Zone 1 and Zone 2, as shown on attached EXHIBIT "A". In the event any present or future owners of said exhibited excess area noted as Zone 1 and Zone 2 shall, at any time, within fifteen (15) years, after the date of this agreement, desire to use said sewer or any extension thereof, whether by direct tap or through the extension or connection of lateral lines to service such land, City, through its duly constituted authorities, before permitting such use, shall require, by contract or assessment, as may be appropriate, that such owner or owners of said excess area pay to City, in addition to the cost of the standard tap-in and

inspection fees, an area connection charge of \$86.66 per acre, or \$0.0019894 per square foot, which represents the prorata share of the oversizing cost for the pumping station and force main portion of the sewer by Developer, for all the areas within Zone 1 and 2, as shown in the attached EXHIBIT "A". All monies so collected by the City for the Developer shall be paid by City to Developer within sixty (60) days of the receipt thereof by City. An additional area connection charge of \$123.79 per acre for all areas within Zone 1, as shown on EXHIBIT "A", shall be paid to City at the time of any connection. This area connection charge represents the oversizing cost expended by the City for the 15-inch sanitary sewer line portion of the sewer.

5. BOND

This contract is subject to Developer furnishing a satisfactory Performance and Guaranty Bond for the value of the Sewer, which shall guarantee said 15-inch Sanitary Sewer line portion of the Sewer against defects for a period of three (3) years from the date of final acceptance and shall guarantee said pumping station and force main portion of the Sewer against defects for a period of one (1) year from the date of final acceptance of said Sewer by the City.

6. LIMITATION ON USE

Said Sewer shall be constructed for disposal of sanitary sewage only and neither the parties hereto, their successors or assigns, or any future owner of any land serviced by said Sewer shall at any time discharge or permit to be discharged or to flow into said Sewer, any water runoff caused by natural precipitation or anything other than sanitary sewage or contaminated waste.

7. WAIVER OF RIGHT TO REMONSTRATE AGAINST
ANNEXATION

The Developer, for itself, its successors in title, and assigns, waives and releases any and all rights which it may now or hereafter have to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by City of any territory now or hereafter owned by it, as described in Article 3 herein, or hereafter served by said Sewer or any extension thereof.

In further consideration and to induce City to execute and ratify this contract, said Developer, for itself, its successors and assigns, agrees by this contract to vest in City the permanent right, at its discretion, to annex to the City of Fort Wayne at any future time by duly authorized ordinance, the said real estate described in Article 3 herein.

Developer further agrees that any deeds, contracts, or other instruments of conveyance made by the Developer, its successors or assigns transferring or conveying any interest or title in and to any of the real estate described in Article 3 herein, shall contain the waiver and release provisions contained in this article, which provisions shall run with the land and the acceptance of the delivery of any such instrument from the Developer, its successors and assigns by any grantee, vendee, or contract purchaser, shall be made subject to the terms of this Agreement and shall constitute an acceptance of the foregoing provisions by said grantee, vendee, or contract purchaser and their successors in title.

The Developer further agrees to record an executed copy of this contract in the Allen County Recorder's Office within ten (10) days of its adoption and approval by the Common Council of the City as hereinafter provided.

Any owner or owners of land which is now, or hereafter, located outside the corporate limits of City who connect into the Sewer constructed hereunder, shall be deemed to thereby waive his, her, their or its right to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by City of such land or of the territory in which it is located or of the area served by said Sewer.

8. GOVERNING STATUTE

It is the intention of the parties hereto to utilize and take advantage of and apply to this Agreement the provisions of Sections 16, 17 and 18 of Chapter 128 of the Acts of 1967 of the State of Indiana (Burns Indiana Statutes Anno., 1968 Suppl., Sections 48-3963, 3964 and 3965), the provisions of which Sections shall govern with respect to any matters not specifically outlined herein.

9. COUNCILMANIC APPROVAL

It is understood and agreed that this contract is in all respects subject to approval by the Common Council of City, by duly adopted Ordinance, and if such Ordinance is not adopted within a period of ninety (90) days after execution thereof, this contract shall be null and void and of no further force and effect.

74- 06335

THIS AGREEMENT, made and entered into as of FEB 1 1974, by and between the CITY OF FORT WAYNE, Allen County, Indiana, hereinafter referred to as the "CITY" and George P. Baker, Richard C. Bond and Jervis Langdon, Jr., Trustees of the Property of PENN CENTRAL TRANSPORTATION COMPANY, DEBTOR, in reorganization under Section 77 of the Bankruptcy Act and THE FORT WAYNE AND JACKSON RAILROAD COMPANY, hereinafter collectively referred to as the "COMPANY", respectively, WITNESSETH:

THAT WHEREAS, the CITY proposes to construct a public roadway to be an extension of LEY ROAD (from a point where existing Ley Road terminates west of Speedway Drive, westwardly to an intersection with Lima Road). Along said alignment the proposed roadway will cross over and on the right of way, property and tracks of the COMPANY.

WHEREAS, in the interest of public convenience, the CITY desires to be constructed, a highway - railroad crossing at grade including the installation of appropriate crossbuck signs therewith, at the location and alignment shown on Exhibit "A".

WHEREAS, no public access exists at the point of intersection of said proposed roadway and the right of way and tracks of the COMPANY, the CITY has petitioned the Public Service Commission of Indiana for the authority to construct a highway - railroad crossing at grade and subsequently received the authority and approval of the said Public Service Commission in Docket No. 32906 dated July 28, 1972,

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements as hereinafter contained, the parties hereto agree as follows:

Board of Works Box

4. Modify drainage by installation of new drainage structure under industrial spur.

5. Perform incidental work necessary to complete the items herein above specified.

B. WORK BY THE CITY

1. Provide for grading and drainage structures to accomodate roadway at the approaches to the crossing at grade.

2. Provide for roadway paving up to the outside end of ties at two tracks.

3. Install advance warning signs in both directions from the crossing at grade.

V. The work to be accomplished by the COMPANY will be done substantially in accord with Exhibit "B", but the COMPANY will bill the CITY on the basis of actual cost and expense of work performed. The COMPANY reserves the right to present for payment progress statement at the end of each month. All progress statements will be paid in full on receipt. Upon the completion of work, a final bill will be presented less the amount of any progress statement paid. The CITY shall have the right to audit the accounts of the COMPANY relating to this project. The CITY shall promptly reimburse the COMPANY for such items of work and expense, in such amounts as are proper and eligible for payment as determined by final audit to be made by the CITY within thirty (30) days following receipt of final bill. Billing by the COMPANY shall clearly show whether they are partial or final. The COMPANY shall not be obligated to commence any work to be undertaken by it hereunder until notified in writing by the CITY to proceed and shall have received assurance from the CITY that the

project is funded and has been approved by all necessary authorities. The COMPANY shall commence its work as herein provided within sixty (60) days of such notification. Buying and assembling of materials shall be construed as complying with the foregoing sixty day provision.

VI. Upon completion of the improvement herein contemplated, the Railroad shall maintain its facilities limited to tracks and railroad roadbed within the limits of the grade crossing at its sole cost and expense. The CITY shall maintain the roadway up to the outside ends of ties at the two tracks and all roadway appurtenances at its sole cost and expense. The maintenance and repair of grade crossing paving shall be performed by the RAILROAD at the cost and expense of the CITY. It shall be the responsibility of the CITY to notify the RAILROAD as to the nature and extent of such maintenance and repairs the CITY CONSIDERS to be necessary. The CITY agrees to pay the RAILROAD promptly on receipt of bills for all materials, labor and work equipment used in performing maintenance and repairs at the CITY'S request, inclusive of material and labor additives prescribed by the Federal Highway Administration Policy and Procedure Memorandum 30-3.

VII. The CITY if performing their work by contract, will specify to their contractors that he (they) shall take out and maintain in effect until all work is complete, before any work is performed on or about railroad operating right of way, insurance in the name of the COMPANY, in an insurance company authorized to do business in the State of Indiana, to protect the COMPANY against loss or damage to property, demands, expenses, suits or judgments arising because of, or resulting from the operations of the contractors, the subcontractors, agents or employees, such policy of insurance to provide for payment not to exceed the

amount of \$500,000 for injury or death of one person and \$1,000,000 for any one accident and \$500,000 for property damage for any one accident, with a total or aggregate property damage limit of \$1,000,000.

VIII. All work herein provided to be done within the right of way of the COMPANY shall be done in a manner as to cause the least possible interference with the COMPANY'S trains, traffic and operations and in a manner satisfactory to the COMPANY. Any work to be performed by the City or its contractors on or adjacent to the COMPANY'S track and right of way which might interfere with COMPANY operations shall be performed on 48 hours notice to the COMPANY'S Division Engineer, Fort Wayne Division, Fort Wayne, Indiana.

IX. The CITY shall require its contractors to assume and bear the cost of all protective measures which the company may deem necessary to safeguard their employees, tracks, trains, and other property or facilities.

X. If at any future time it shall be determined and be so ordered by any public agency of the State of Indiana that a more advanced type of grade crossing protection be required for the safety and convenience of the public at the grade crossing to be constructed for Ley Road, the CITY agrees to pay all costs and expense for the installation of the required said advanced type of grade crossing protection.

THIS AGREEMENT shall be binding upon the successors or of the respective parties hereto.

IN WITNESS WHEREOF, the parties have caused these presents to be executed by their proper officers thereunto duly authorized.

Re: Ley Road

Dear Mr. Traylor:

Reference is made to your telephone conversation with our Assistant Division Engineer, S. T. Clark, relative to maintenance of the rail, and more particularly the rail joints.

It appears to us that paragraph VI of the agreement dated February 1, 1974 adequately covers the maintenance without a Supplementing letter or agreement.

Very truly yours,

G. J. Kerbs
Division Engineer

IMPROVEMENT RESOLUTION NO. 5653 1974
LINCOLN LIFE REHABILITATION AREA

WHEREAS, the City of Fort Wayne, through the Redevelopment Commission is working with Lincoln National Life Insurance Company in an effort to rehabilitate homes in an area bounded by Anthony Boulevard, Lewis Street, Ohio Street and Maumee Avenue, and

WHEREAS, as part of this overall neighborhood improvement effort, the City of Fort Wayne through the Redevelopment Commission has agreed to improve existing curbs, sidewalks, street pavements, street lighting, alleys and drainage structures, and

WHEREAS, the Redevelopment Commission has requested the Board of Public Works to proceed with said improvements with the understanding the cost shall be paid from Revenue Sharing funds allocated to the Redevelopment Commission for this project, and

WHEREAS, the Board of Public Works has ordered engineering plans, specifications, cost estimates and necessary details for the accomplishment of said improvements,

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works that it is deemed necessary to improve the Lincoln Life Rehabilitation Area bounded by Anthony Boulevard, Lewis Street, Ohio Street and Maumee Avenue with the following improvements:

1. All curbs and sidewalks be rehabilitated with replacement of deteriorated sections.
2. Alley Improvements:
 - A. Alley between Maumee Avenue and Summit Street from Ohio Street to Cedar Street - resurfaced with asphalt.
 - B. Alley between Maumee Avenue and Summit Street from Cedar Street to McCulloch Street - 10 foot wide concrete.
 - C. Alley between Summit Street and Lewis Street from Ohio Street to Lillie Street - 10 foot wide concrete.
 - D. Alley between Maumee Avenue and Lewis Street from Anthony Boulevard to Lillie Street - resurfaced with asphalt.
 - E. First alley east of McCulloch Street from the south property line of Summit Street to the north property line of the alley south of Summit Street - 10 foot wide concrete.
 - F. First alley west of Anthony Boulevard from the north property line of Lewis Street to the south property line of the alley north of Lewis Street - 10 foot wide concrete.
3. Street Closings:
 - A. McCulloch Street from the north property line of the first alley north of Summit Street to the southerly property line of Maumee Avenue.
 - B. Lillie Street from the southerly property line of Maumee Avenue to a point ninety (90) feet, more or less, south thereof.

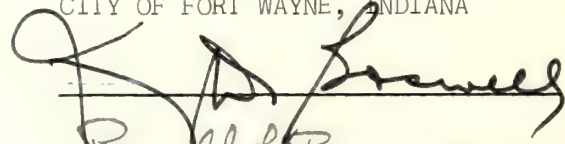

The above mentioned street closings are subject to approval of area residents, District Councilman and required City procedures. If approval is not granted the closings will be deleted from this improvement resolution.

Improvements shall be in accordance with the plans, profiles, detailed drawings and specifications now on file in the office of the Department of Public Works of said City, and such improvement is hereby ordered.

The cost of this improvement shall be paid by the City of Fort Wayne from Revenue Sharing Funds allocated to the Redevelopment Commission for this project.

ADOPTED this 9 day of April 1974, by the Board of Public Works.

BOARD OF PUBLIC WORKS
CITY OF FORT WAYNE, INDIANA

Ronald L. Brown

ATTEST:

 Clerk

IMPROVEMENT RESOLUTION

NO. 5661 1974

For improving Sherman Boulevard from St. Mary's River to Goshen Road with drainage, curbs, sidewalks and street resurfacing.

WHEREAS, Sherman Boulevard from the St. Mary's River to Goshen Road has deteriorated pavement surface, curbings, sidewalks and drainage structures, and

WHEREAS, the Indiana State Highway Commission and the City of Fort Wayne have entered into an agreement providing for the improvement of said street for resurfacing, new curbs, and drainage structures, and

WHEREAS, some sidewalks in this area are badly deteriorated and require repair, and

WHEREAS, the Board of Public Works adopted a program requiring property owners to repair sidewalks in specified areas as provided in Burns Statutes 48-2709, and

WHEREAS, the City and Indiana State Highway Commission shall at their expense repair curbing as necessary, replace defective drainage structures, and resurface the street, and

WHEREAS, this represents the continuing effort of the Board of Public Works to increase property value by maintaining basic improvements and reducing safety hazards to pedestrians, and

WHEREAS, representatives of the Board of Public Works made detailed inspections of walks and curbs in the following geographic area:

Both sides of Sherman Boulevard from the St. Mary's River to the Goshen Road.

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works of the City of Fort Wayne, Indiana, that arrangements for repair of all defective sidewalks within the aforesaid area must be made by the property owner privately within ninety (90) days from the date of confirmation of this Resolution or by the City of Fort Wayne through this Resolution, all in accordance with the details, drawings and specifications on file in this office of the Board of Public Works of said City, and such improvements are now ordered.

The cost of said improvement, if done by the City, shall be assessed upon the affected real estate abutting on streets within the above described area and upon the City of Fort Wayne, Indiana, for curbings, wingwalks, and alley intersections needing repair, all according to the method and manner provided for in the Acts of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof. The assessment for sidewalk repair shall be \$0.50 per square foot, with a maximum of \$200.00 per single family residential unit.

Assessments, if deferred, are to be paid in ten (10) equal installments, with interest at the rate of six (6%) per cent per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such monies as shall have been actually received by the City from the assessments for such improvement, or such monies as said City is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collections of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplemental thereof.

LOCAL SEWER IMPROVEMENT RESOLUTION

No. 864, 1974

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, STATE
That the construction of a local sewer, intended and adopted only for local use by the property holders whos. thereon, and not intended or adapted for receiving sewage from collateral drains, be and the same is hereby along:

Beginning at an existing sanitary manhole located 5± L.F. North of and 1± L.F. East of the centerline intersection of Palatine Drive and Reckeweg Road; thence North 880± L.F. to a proposed manhole located 13± L.F. East of and 10± L.F. South of the centerline intersection of Reckeweg Road and Ridgelane Drive; thence 10± L.F. South of and parallel to the centerline of Ridgelane Drive, a distance of 900± L.F. terminating at a proposed cleanout.

LATERAL "A"

Beginning at a proposed manhole located 13± L.F. East of and 10± L.F. South of the centerline intersection of Reckeweg Road and Ridgelane Drive; thence due South 10± L.F. terminating at a proposed manhole.

LATERAL "B"

Beginning at a proposed manhole located 13± L.F. East of and 11± L.F. North of the centerline intersection of Reckeweg Road and Northfield Drive; thence due South 10± L.F. terminating at a proposed bulkhead.

Said sewer shall be 8, 10 and 12 inches in diameter.

A maximum assessment to benefitted property owners is set at \$0.09 per square foot.

Modified by the Board of Public Works on July 11, 1974 to include an interim sewer system. This interim storm sewer system consists of installing a storm sewer 12, 15 and 18 inches in diameter with inlets and manholes. The installation of this interim storm sewer will be approximately 200 ± feet North and 210 ± feet West of the intersection of Reckeweg Road and Ridgelane Drive.

in diameter, and said sewer, with all its appurtenances, shall be constructed in accordance with the profile and specifications now on file in the office of the Department of Public Works of said city.

The cost of said improvement shall be apportioned against and paid by the property holders whose property abuts on, and upon the City of Fort Wayne, Indiana, if the city is benefitted by said improvement, all according to the method manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten equal annual installments, with interest at the rate of six per cent per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond or bonds, certificate or certificates, issued to said contractor in payment for such work, except for such amount as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and amendments and supplements thereto.

SIDEWALK IMPROVEMENT RESOLUTION NO. 5663, 1974

TILLMAN ROAD - ANTHONY BOULEVARD INTERSECTION
TOPICS PROJECT - T6002 (5)

RESOLVED by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to construct sidewalks along both sides of Tillman Road from the east right of way line of U.S. #27 to a point 85± feet east of the east right of way line of Anthony Boulevard on the north and 350± feet east of the east right of way line of Anthony Boulevard on the south; also,

Sidewalks along both sides of Anthony Boulevard from the north right of way line of Old Decatur Road to the north right of way line of Seddlemeyer Avenue; also,

Sidewalks along both sides of Woodside Avenue from the west right of way line of Anthony Boulevard to a point 180± feet west thereof on the north and to a point 170± feet west thereof on the south; also,

Sidewalks along both sides of Woodside Avenue from the east right of way line of Old Decatur Road to a point 125± feet east thereof on the north and to a point 75± feet east thereof on the south; also,

Sidewalks along both sides of Seddlemeyer Avenue from a point 225± feet west of the west right of way line of Anthony Boulevard to a point 300± feet east of the east right of way line of Anthony Boulevard; also,

Sidewalks along both sides of Old Decatur Road from the north right of way line of Tillman Road to a point 505± feet north thereof. All in accordance with the profile, detailed drawings, and specifications on file in the office of the Department of Public Works of said City, and such improvement is now ordered.

WHEREAS, the Board of Public Works in cooperation with the Federal Highway Administration is planning major improvements on the above described Tillman Road - Anthony Boulevard Intersection, including new pavements, curbs, storm drainage and street lighting, landscaping and tree planting, and,

WHEREAS, the cost of said improvements will be shared with the federal government and,

WHEREAS, the Board of Public Works has received a petition requesting that sidewalks be included in said major improvement of Tillman Road-Anthony Boulevard Intersection, with the understanding the abutting property owners will be assessed at a rate not greater than \$2.50 per foot, and,

WHEREAS, the Board of Public Works has caused to be included in said project sidewalks as set forth above which will be eligible for federal participation.

NOW, THEREFORE, BE IT RESOLVED that the Board of Public Works will contract with the Indiana State Highway Commission and the Federal Highway Administration for the construction of sidewalks as part of this major improvement known as Tillman Road - Anthony Boulevard Intersection - T6002 (5), and that part of the cost thereof, not to exceed \$2.50 per front foot shall be assessed by this Resolution to the abutting property owners, all according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations", approved March 6, 1905, and the provisions of all acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten equal installments, with interest at the rate of six per cent per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from

(Continued on Sheet 2)

said property owner or owners for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such improvement, or such monies as said City is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collection of assessments and issuance of bonds thereof, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

1074 FEB 22 AM 9:11 AGREEMENT
ALLEN COUNTY RECORDER

Barth E. Raver
AUDITOR OF ALLEN COUNTY

James G. Schubert
WHEREAS, Essex International, Inc., a Michigan Corporation,
(hereinafter referred to as "Essex") desires to have the Board of
Public Works of the City of Fort Wayne, to vacate portions of cer-
tain streets in the City of Fort Wayne, the same being more parti-
cularly described in Declaratory Resolution Number 1328-72 of the
Board of Public Works of the City of Fort Wayne, which resolution
is by this reference incorporated herein as a part of this agree-
ment; and

WHEREAS, the Board of Public Works has indicated a willingness
to approve, ratify and confirm said Declaratory Resolution above
referenced on the condition that "Essex", subsequent to the passage
of said Declaratory Resolution, shall undertake certain actions;

THEREFORE, upon the approval, ratification and confirmation
of Declaratory Resolution Number 1328-72 of the Board of Public
Works of the City of Fort Wayne by the Board of Public Works of the
City of Fort Wayne, "Essex" agrees to do the following:

1. "Essex" will not construct fencing on the portion
of limited easement area described in Exhibit "A"
attached hereto and by this reference incorporated
herein, which would interfere with or obstruct in-
gress and egress from the alley, which alley is
located between Wall Street (prior to its vacation
in 1973) and Swinney Street, to the limited ease-
ment area described on Exhibit "A".
2. "Essex" agrees that if it should build a fence
along the south line of its real estate, said real
estate being more particularly described as fol-
lows:

Lots Numbered 142 through 150
inclusive in Swinney's Addition
to the City of Fort Wayne,

Instrument G 112-11

Board of works

*50
AC*

it will build portions of such fence a sufficient distance to the north of the south lot lines of the real estate above described so as not to interfere with normal automobile ingress and egress to and from the existing garages on the lots to the south of the alley, which is contiguous to the above described real estate. This agreement is specifically limited to existing garages on said lots south of the alley and shall not apply or be of any force and effect as to any new or replacement garages which may be built on said lots. When all of the garages on said lots south of the alley shall be torn down or destroyed by casualty, this agreement on the part of "Essex" shall no longer be of any force and effect. "Essex" by making this agreement does not create or intend to create any rights in the owners of the real estate to the south of said alley in the real estate described which is owned by "Essex" and the use by said owners of said lots south of the alley of portions of the real estate above described for automobile ingress and egress to and from their garages on the south side of the alley shall be deemed an agreement by said owners not to claim by reason of such use, any interest in and to the real estate described above which is owned by "Essex".

3. "Essex" agrees that within six (6) months of the approval, ratification and confirmation of Declaratory Resolution 1328-72, it will, at its own expense, pave the area described attached hereto as Exhibit "B", as well as Phenie Street from the

North line of Taylor Street north to the south line of the real estate described in Exhibit "B", for a width of not greater than thirty (30) feet and a depth of eight (8) inches with concrete or its equivalent in asphalt material, provided, that the City of Fort Wayne, acting by and through the Board of Public Works, shall furnish Engineering Supervision and required inspections for the paving south of the south line of the real estate described in Exhibit "B" at no cost to "Essex". The paving shall conform to specifications of the City of Fort Wayne and once said paving south of the south line of the real estate described in Exhibit "B" has been accepted by the City of Fort Wayne, said paved area shall be maintained solely at the expense of the City of Fort Wayne.

Dated this 15th day of February, 1973.

ALLEN COUNTY RECORDER
THIS INDENTURE WITNESSETH THAT: ESSEX INTERNATIONAL, INC.,
James E. Smith
a Michigan Corporation with its principal place of business in
Fort Wayne, Indiana, of Allen County, State of Indiana, herein-
after referred to as "GRANTOR", for and in consideration of One
Dollar(\$1.00), receipt of which is hereby acknowledged, does
hereby grant, quit-claim, and convey to the CITY OF FORT WAYNE,
hereinafter referred to as "GRANTEE", a limited easement and
right-of-way for truck, automobile and bicycle traffic purposes
over and across the real estate in Exhibit "A" attached hereto and
by this reference incorporated herein.

The limited easement herein granted shall only be in effect
and exist during the hours between 7:30 A.M. and 5:30 P.M. on
Monday through Friday of each calendar week. During the periods
of time described in this paragraph, the Grantor shall have the
right to exclude from the above described real estate any persons
who, Grantor or its agents may reasonably believe, are only enter-
ing upon or crossing said real estate to engage in conduct which
may be injurious to the Grantor, its agents, employees or property.

Said limited easement and right-of-way herein granted shall
not exist nor be of any force and effect during the times
of any civil disorder or labor dispute involving the Grantor and
its employees.

Said limited easement and right-of-way herein granted shall
not exist nor be of any force and effect during any national emer-
gency nor on any legal holiday as defined by the Congress of the
United States of America or on a holiday as defined by any labor
agreement between Grantor and its employees.

The Grantor reserves the right to control, secure and main-
tain the above described real estate as the owner thereof at all
times.

Grantor agrees that the Grantee, its authorized agents or
employees, may enter upon the above described real estate at all
times to perform construction, repair or maintenance activities on

Ord of work

Instrument G 11615

The Grantor and the Grantee recognize that the circumstances surrounding this "grant of limited easement" may hereafter change. If the Grantor and the Grantee (acting through a majority of the members of the Board of Public Works) so find, they shall execute an instrument terminating this grant of limited easement, which instrument shall be recorded in the office of the Recorder of Allen County, State of Indiana and when said instrument has been so recorded, this grant of limited easement shall be terminated and no longer of any force and effect.

SIDEWALK IMPROVEMENT RESOLUTION NO. 5650, 1974

South Anthony Boulevard - Paulding Road to Seddlemeyer Avenue

RESOLVED by the Board of Public Works of the City of Fort Wayne, Indiana, that it is deemed necessary to construct sidewalk on both sides of South Anthony Boulevard; on the west side from the north line of Seddlemeyer Avenue to a point 628± feet north of the north line of Paulding Road and on the east side of South Anthony Boulevard from the north line of Seddlemeyer Avenue to a point 500± feet north of the north line of Paulding Road except where sidewalk is now in place, to a width of five feet. All in accordance with the profile, detailed drawings, and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

WHEREAS, the Board of Public Works in cooperation with the Federal Highway Administration is planning major improvements on the above described section of South Anthony Boulevard, including new pavements, curbing, storm drainage and street lights, and,

WHEREAS, the cost of said improvements will be shared with the federal government and,

WHEREAS, the Board of Public Works has received a petition requesting that sidewalks be included in said major improvement of South Anthony Boulevard, with the understanding the abutting property owners will be assessed at a rate not greater than \$2.50 per foot, and,

WHEREAS, the Board of Public Works has caused to be included in said project sidewalks as set forth above which will be eligible for federal participation.

NOW, THEREFORE, BE IT RESOLVED that the Board of Public Works will contract with the Indiana State Highway Commission and the Federal Highway Administration for the construction of sidewalks as part of this major improvement known as South Anthony Boulevard - U-7224, and that part of the cost thereof, not to exceed \$2.50 per front foot shall be assessed by this Resolution to the abutting property owners, all according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations", approved March 6, 1905, and the provisions of all acts amendatory thereto and supplemental thereof,

Assessments, if deferred, are to be paid in ten equal installments, with interest at the rate of six per cent per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such monies as shall have been actually received by the City from the assessments for such improvement, or such monies as said City is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

ADOPTED THIS 14th day of March, 1974

BOARD OF PUBLIC WORKS
CITY OF FORT WAYNE, INDIANA

Ronald L. Bonar

ATTEST:

Clerk

For the Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ of the first alley west of Wabash Avenue from the north property line of Wayne Trace to the south property line of the Norfolk & Western Railway Co. (Wabash Division) right of way.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the first alley west of Wabash Avenue from the north property line of Wayne Trace to the south property line of the Norfolk & Western Railway (Wabash Division) right of way.

All as shown by a plan of such proposed Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana

The cost of said Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ is described as follows: Lots 185 to 196 inclusive in Fletcher's Addition and Lots 1 to 18, 40 and 41, all in Winch's 1st, 2nd and 3rd Amended Additio. Said additions are inclusive to the City of Fort Wayne, Indiana.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5) % per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

The vacation of the above described alley shall be subject to an easement for the use of the City of Fort Wayne, Indiana, and other public utilities for the construction and maintenance of sewers, ~~water mains, gas mains, electric pole lines and conduits, telephone and telegraph pole lines and conduits.~~

All Streets, lots and lands affected by the above described vacation are situated in the Northwest quarter of Section Seven, Township 30 north, Range 13 east and lie wholly within the corporate limits of the City of Fort Wayne, Indiana.

GRANT OF EASEMENT

THIS INDENTURE WITNESSES THAT: TOKHEIM CORPORATION, an Indiana Corporation, of Allen County, State of Indiana, hereinafter referred to as "GRANTOR", for and in consideration of One Dollar, receipt of which is hereby acknowledged, does hereby subject to conditions herein grant, convey and warrant to the CITY OF FORT WAYNE, hereinafter referred to as "GRANTEE", a permanent easement and right of way to construct, operate, control, maintain, reconstruct, and remove, a sewer line, along and across the following described real property, located in Allen County, State of Indiana, to-wit:

B74 FEB 13 AM 1:47

ALLEN COUNTY RECORDER

Six (6) feet on either side (for a total of twelve (12) feet) from the center line of the vacated six (6) foot alley-way running North and South from the Wabash Railroad right-of-way on the North to Wayne Trace on the South between lots 185 thru 196 inclusive in Fletcher's Addition on the West and lots 41, 1 thru 15 inclusive, lot 40 and lots 16 and 17 of Winch's Addition First, Second and Third Amended on the East.

DULY ENTERED FOR TAXATION

FEB 13 1974

Dorothy E. Rauer
AUDITOR OF ALLEN COUNTY

Grantor certifies under oath that no Indiana Gross Income Tax is due or payable in respect to the transfer made by this grant.

Grantor further grants to Grantee the right to open the space above said sewer in the immediate area where repair or replacement of sewer tile section(s) is necessary to the functioning of the sewer.

Where said opening is under a permanent improvement, replacement and repair of the improvement shall be at Grantor's expense. No opening of the sewer shall occur without adequate notice under prevailing conditions having been first given to the Grantor or its successor in interest establishing the necessity of excavating to the sewer and the method and procedure to be followed by the Grantee. The size of the excavation and resultant damage to the subject property shall be minimized and all work carefully supervised by Grantee's designated officials and authorized competent employees.

Instrument G 11345

Grantor agrees at its expense to clear the ^{surface} ground/area in the easement subject to excavation.

The foregoing shall constitute a covenant running with the land binding the Grantors and their assigns and legal successors in interest.

EXECUTED THIS 23rd day of January, 1974.

Improvement Resolution

FOR STREET OR ALLEY

No. **5660** -1974

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA,

That it is deemed necessary to improve the alley between Glenwood Avenue and Kenwood Avenuefrom the west property line of Lots #531 and 550, Grasmere Heights Additionto the west property line of Beacon Street

By draining, curbing, grading and paving the roadway to a uniform width of ten (10) feet with Sheet Asphalt, Asphaltic Concrete upon a six (6) inch Concrete foundation, Six (6) inch Plain Concrete or with 8" Macadam, 2" Binder and 1" Asphalt Top.

all in accordance with the profile, detail-drawing and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

A maximum cost of \$5.00 per front foot

~~The total cost of said improvement, excepting the cost of street and alley intersections,~~ shall be assessed

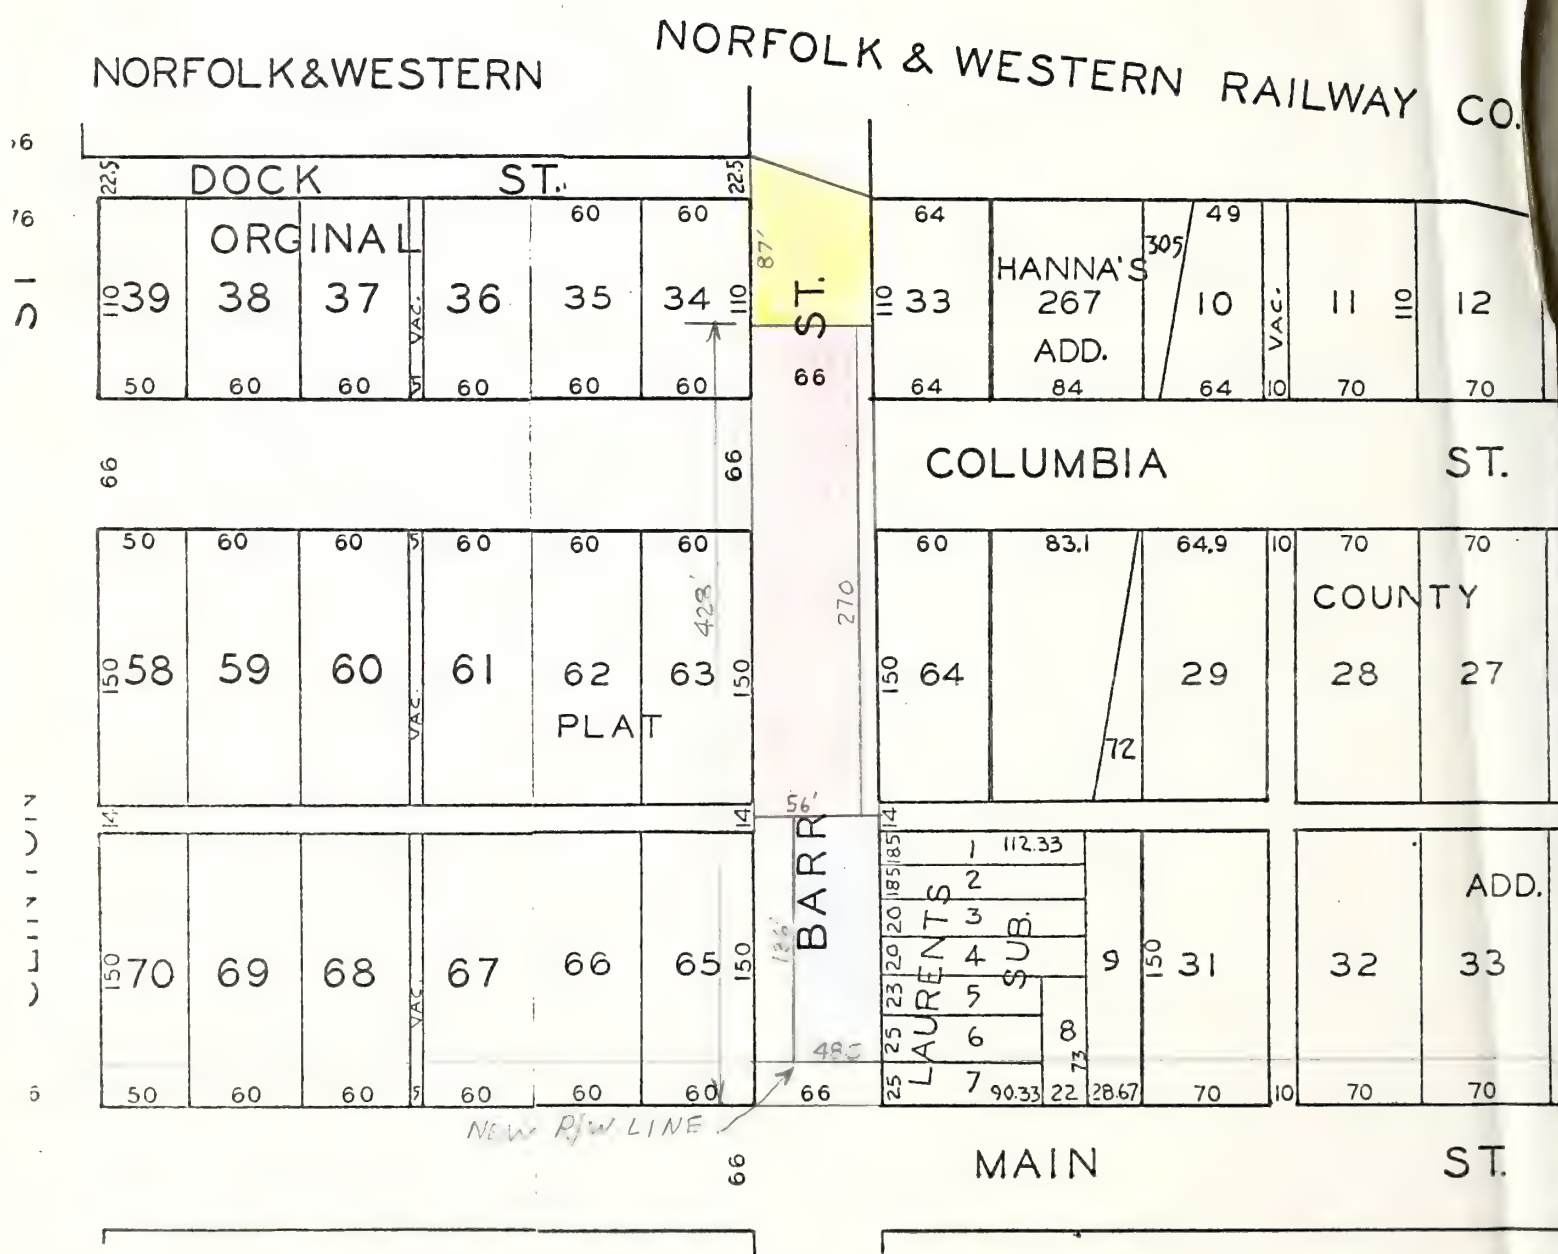

upon the real estate abutting on said alley as above described and on the balance of the total cost property within 150 feet of the line of the alley to be improved, and upon the City of Fort Wayne, Indiana, to the extent of the street and alley intersections. All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporation," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments if deferred, are to be paid in ten equal installments, with interest at the rate of ^{six (6)} ~~five (5)~~ per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

HARVESTER DRAIN STORM RELIEF SEWER

RESOLUTION NO. 283 -1974

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that the construction of a storm relief sewer system which from its size and character is not only intended and adapted for use by property holders whose property abuts along the line of said sewer, but is also intended and adapted for receiving drainage from collateral drains already constructed, or which hereafter may be constructed, be and the same is hereby ordered.

Description of Main

Beginning at an existing 84" lowhead located 169 feet South of and 15 feet West of the centerline intersection of Schele Avenue and Holly Avenue; thence, Easterly along the existing centerline of the legal drain right of way known as the Harvester Ditch, 1,700 ± lineal feet to a proposed structure; thence, Northerly generally along said centerline of legal drain 700 ± lineal feet, terminating the proposed closed conduit and beginning at open ditch; thence, continuing Northerly generally following the ditch line 3,000 ± lineal feet to Maumee River.

Lateral No. 1

Beginning at the existing 60" outfall located 50' South of the Southwest corner of Lot No. 347 of Eastwood Addition; thence, Northerly 524 ± lineal feet, terminating at a proposed structure located 15 ± lineal feet West of the North corner of Lot No. 252 of Eastwood Addition.

Lateral No. 2

Beginning at an existing manhole located 85 ± lineal feet North of and 130 ± lineal feet West of the centerline intersection of Raymond Avenue and Redwood Avenue; thence, Southwesterly 532 ± lineal feet to a proposed manhole located in the Northeast corner of the intersection of Raymond Avenue and Holly Avenue; thence, Northerly along the East right of way line of Holly Avenue 335 ± lineal feet, terminating at a proposed manhole over an existing storm line.

Lateral No. 3

Beginning at an existing storm manhole located in the Southeast corner of the centerline intersection of Rogers Avenue and Fleetwood Avenue; thence, Southerly within the right of way of Fleetwood Avenue 1,050 ± lineal feet terminating at a proposed manhole located in the Southwest corner of the intersection of Fleetwood Avenue and Raymond Avenue.

Lateral No. 4

Beginning at an existing storm manhole located in the Southeast corner of the intersection of Fleetwood Avenue and Rogers Avenue; thence, Northwesterly within the right of way of Fleetwood Avenue 275 ± lineal feet to a proposed manhole located in the Northwest corner of the intersection of Fleetwood Avenue and Schele Avenue.

Lateral No. 5

Beginning at a proposed structure located 150 ± lineal feet South of and 15 ± lineal feet West of the centerline intersection of Schele Avenue and Redwood Avenue; thence, Northerly along the West right of way line of Redwood Avenue 660 ± lineal feet terminating at a proposed manhole over an existing storm line.

Lateral No. 6

Beginning at a proposed manhole located 320 ± lineal feet North of and 345 ± lineal feet East of the centerline intersection of New Haven Avenue

and Coliseum Boulevard South; thence, Westerly 2,450 ± lineal feet, terminating at a proposed manhole located 25 ± lineal feet West of and 25 ± lineal feet South of the centerline intersection of Fleetwood Avenue and Chestnut Street.

Lateral No. 7

Beginning at a proposed manhole located near the Southwest corner of the centerline intersection of Harvester Avenue and Fleetwood Avenue; thence, Westerly along the South right of way line of Harvester Avenue 800 ± lineal feet terminating at a proposed manhole located in the Southwest corner of the intersection of Harvester Avenue and Birchwood Avenue.

Lateral No. 8

Beginning at a proposed structure located 20 ± lineal feet West of and 20 ± lineal feet North of the centerline intersection of Shadybrook Drive and Schele Avenue; thence, due South 130 ± lineal feet terminating at a proposed manhole over an existing 18" storm.

Lateral No. 9

Beginning at a proposed manhole located 20 ± lineal feet South of and 15 ± lineal feet East of the centerline intersection of Chestnut Street and Redwood Avenue; thence, due North 450 ± lineal feet terminating at a proposed manhole located 15 ± lineal feet East of and 10 ± lineal feet North of the centerline intersection of Redwood Avenue and Reynolds Street.

Lateral No. 10

Beginning at a proposed manhole located 10 ± lineal feet South of and 20 ± lineal feet East of the centerline intersection of Chestnut Street and Holly Avenue; thence, due North 345 ± lineal feet to a proposed manhole located 30 ± lineal feet South of and 15 ± lineal feet East of the centerline intersection of Reynolds Street and Holly Avenue; thence, Northwesterly 280 ± lineal feet to a proposed manhole located 15 ± lineal feet South of and 265 ± lineal feet West of the centerline intersection of Reynolds Street and Holly Avenue; thence, due North 50 ± lineal feet terminating at a proposed manhole located 30 ± lineal feet North of and 265 ± lineal feet West of the centerline intersection of Reynolds Street and Holly Avenue.

Lateral No. 11

Beginning at an existing manhole located 150 ± lineal feet East of and 70 ± lineal feet South of the centerline intersection of Birchwood Avenue and New Haven Avenue; thence, Northwesterly 170 ± lineal feet to a proposed manhole located 5 ± lineal feet West of and 15 ± lineal feet South of the centerline intersection of Birchwood Avenue and New Haven Avenue; thence, Northerly 720 ± lineal feet terminating at a proposed manhole located 10 ± lineal feet East of and 5 ± lineal feet North of the centerline intersection of Birchwood Avenue and Reynolds Street.

Said sewers shall be 12, 15, 18, 21, 24, 27, 36, 42, 48, 72, 102 and 120 inches in diameter.

Said sewers with all appurtenances to be constructed in accordance with the plans, profiles and specifications now on file in the office of the Board of Public Works of said City and shall be used for storm purposes.

All work done in the making of the aforementioned public improvement shall be in accordance with the terms and conditions of the resolution aforementioned and the plans, profiles, special details, and specifications now on file in the office of the Board of Public Works of said City.

It is hereby found by said Board of Public Works that all benefits accruing hereunder will be to the general public of the City of Fort Wayne, and that no special benefits will accrue to any property owner adjoining said improvement or otherwise assessable under said improvement. The cost of said improvement shall be paid by the City of Fort Wayne, Indiana out of monies currently appropriated for the Sewer Relief Fund, Allen County, Indiana, and H.U.D.

Adopted this 4th day of March, 19 74.

ALLEN COUNTY RECORDER

HARVESTER DITCH

SEWER EASEMENT RESOLUTION NO. 130-1974

74- 09563

(PERMANENT AND TEMPORARY)

For the condemnation of a temporary and permanent sewer easement for the purposes to construct, operate, control and maintain a sewer line along and across a portion of Section 8, Township 30 North, Range 13 East; bounded on the North by the Norfolk and Western Railroad; bounded on the East by a line 559 ± lineal feet East of and parallel to the centerline of Section 8, Township 30 North, Range 13 East; bounded on the South by McCormick Avenue; bounded on the West by Holly Avenue.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to condemn rights of way for permanent and temporary sewer easement for the purposes to construct, operate, control and maintain a sewer line along and across a portion of Section 8, Township 30 North, Range 13 East; bounded on the North by the Norfolk and Western Railroad; bounded on the East by a line 559 ± lineal feet East of and parallel to the centerline of Section 8, Township 30 North, Range 13 East; bounded on the South by McCormick Avenue; bounded on the West by Holly Avenue, more particularly described as follows:

PERMANENT EASEMENT

1. The South 20 feet of Lot #68 of Shadybrook Park Addition, as recorded in Plat Book 8, Page 18.
2. The East 20 feet of Lot #252 of Eastwood Addition, as recorded in Plat Book 5, Pages 48 and 49.
3. The East 25 feet of Lot #325 and Lot #348 of Eastwood Addition, as recorded in Plat Book 5, Pages 48 and 49.
4. The South 15 feet of Lot #239 of Eastwood Addition, as recorded in Plat Book 5, Pages 48 and 49.
5. The South 20 feet of Lot #240 of Eastwood Addition, as recorded in Plat Book 5, Pages 48 and 49.
6. A 30 foot permanent easement lying 15 feet either side of the following described centerline affecting space now or formerly owned by Magnavox Company as described in Deed Book 449, Page 301.

Beginning at a point located on the West line of and 244 ± feet South of the Northwest corner; thence, from said West boundary line turning an angle of 63° 57' East and projecting a distance of 191.3 ± feet to a point; thence, by deflection left of 28° 11' from aforedescribed centerline and projecting a distance of 132.0 ± to a point; thence, by deflection left of 36° 00' from aforedescribed centerline and projecting Northerly to a point on the North property line located 250 ± feet East of the Northwest corner of said space.

AUDITOR OF ALLEN COUNTY

7. A 15 foot permanent easement being the most Easterly 15 feet of space now or formerly owned by Inland Oils, Inc., as recorded in Deed Book 367, Page 185, Instrument No. 4990.
8. A 15 foot permanent easement being the most Westerly 15 feet of space now or formerly owned by Inland Oils, Inc., as recorded in Deed Book 367, Page 185, Instrument No. 4991.
9. A 30 foot permanent easement lying 15 feet either side of the following described centerline affecting space now or formerly owned by Irene L. Trier on its North side, as recorded in Deed Book 377, Page 73, and space now or formerly owned by Carol Ann Bell and Kenneth W. Heckman, on its South side, as recorded in Miscellaneous Book 332, Pages 478-86.

Beginning at a point on the North and South centerline of Section 8, Township 30 North, Range 13 East, said point

Instrument H 2004

City Utilities

10.50 c

being located 325.0 ± feet North of the centerline of said Section 8, Township 30 North, Range 13 East; thence, North 78° 26' East a distance of 319.3 ± feet; thence, East on a line parallel with the South line of the aforesaid Northeast ¼ of Section 8, Township 30 North, Range 13 East, a distance of 242 ± feet terminating at the West right of way line of the Fort Wayne Union Railroad Company.

10. A 40 foot permanent easement lying 20 feet either side of the following described centerline affecting space now or formerly owned by Pure Oil Company, as recorded in Deed Book 644, Page 428-29; space now or formerly owned by Irene Trier, as recorded in Deed Book 377, Page 73; and space now or formerly owned by Carol Ann Bell and Kenneth W. Heckman, as recorded in Miscellaneous Book 332, Page 478-86.

Beginning at the Southwest corner of said space now or formerly owned by Pure Oil Company, said Southwest corner being contiguous with the Southeast corner of said space owned by Carol Ann Bell and Kenneth W. Heckman; thence, North along the common property line 178 ± feet; thence, by a deflection angle right of 15° 00' and projecting a distance of 117 ± feet to the beginning of a curve concaved Northwesterly having a radius of 326.7 feet; thence, Northerly and Northeasterly along said curve through a central angle of 35° 00' an arc distance of 202 ± feet to a point of tangent, said point of tangent being more particularly described as being located 120 ± feet West of and 58 ± feet North of the Southeast corner of said space now or formerly owned by Irene Trier; thence, continuing Northeasterly 160 ± feet to a point located on the East property line and being 159 ± feet North of the Southeast corner of said space now or formerly owned by Irene Trier.

11. A 45 foot permanent easement being the East 45 feet of the North 400 feet of the space now or formerly owned by Irene Trier as recorded in Deed Book 377, Page 73.
12. A 20 foot permanent easement being the South 20 feet of the space now or formerly owned by City of Fort Wayne as described in Deed Book 453, Page 318.
13. A 40 foot permanent easement lying 20 feet either side of the following described centerline:

Beginning at a point located 13.0 feet North of the Southeast corner of Lot #240 of Eastwood Addition, as recorded in Plat Book 5, Pages 48 and 49; thence, by a deflection angle right of 65° 00' from the East property line of said Lot #240 and projecting a distance of 387.0 feet to a point; thence, by a deflection angle left of 10° 00' and projecting a distance of 244.0 feet and terminating at a point on the West right of way line of Coliseum Boulevard South.

14. The North 10 feet of Lot #1 and Lot #2 of Eastwood Addition, as recorded in Plat Book 5, Pages 48 and 49.
15. The North 18 feet of Lot #3 of Eastwood Addition, as recorded in Plat Book 5, Pages 48 and 49.

TEMPORARY EASEMENT

1. All of Lot #241 thru #252 inclusive and #325 of Eastwood Addition, as recorded in Plat Book 5, Pages 48 and 49.
2. The West 10 feet of Lot #326 of Eastwood Addition, as recorded in Plat Book 5, Pages 48 and 49.
3. The West 5 feet of Lot #347 of Eastwood Addition, as recorded in Plat Book 5, Pages 48 and 49.
4. The following described temporary easement on Lot #348 of Eastwood Addition, as recorded in Plat Book 5, Pages 48 and 49:

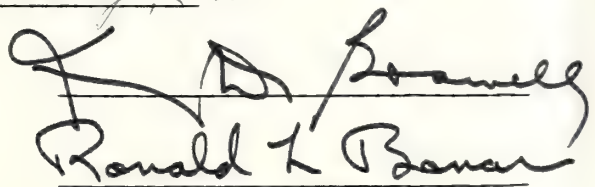

- (a) The West 15 feet of the North 50 feet.
- (b) The East 7 feet of the West 15 feet of the South 85 feet.
5. The North 25 feet of Lots #253, #254, #255, #256, #257 inclusive of Eastwood Addition, as recorded in Plat Book 5, Pages 48 and 49.
6. The South 15 feet of Lots #224 thru #237 inclusive of Eastwood Addition as recorded in Plat Book 5, Pages 48 and 49.
7. The following described temporary easement affecting Lot #238.
- (a) The South 15 feet of said lot.
- (b) A triangular shaped easement beginning at a point on the West line of said Lot #238, 15 feet North of the Southwest corner of said lot; thence, Northeast to a point on the East property line of said lot, 80 feet North of the Southeast Corner of said Lot; thence, South 65 feet along the East property line to a point 15 feet North of the Southeast corner of said lot; thence, due West to the point of beginning.
8. The South 80 feet of Lot #239 and #240 of Eastwood Addition, as recorded in Plat Book 5, Pages 48 and 49.
9. A 25 foot temporary easement lying each side and adjacent to aforescribed permanent easement in paragraph #6.
10. The West 25 feet of the East 40 feet of space now or formerly owned by Inland Oils, Inc., as recorded in Deed Book 367, Page 185, Instrument No. 4990.
11. The East 25 feet of the space now or formerly owned by Inland Oils, Inc. as recorded in Deed Book 367, Page 185, Instrument No. 4991.
12. A 25 foot temporary easement lying immediately South of and adjacent to the aforescribed permanent easement in paragraph #9.
13. An easement lying 15 feet on each side and adjacent to aforescribed permanent easement in Paragraph #10.
14. The East 200 feet of the North 505 feet of space now or formerly owned by Irene L. Trier, as recorded in Deed Book 377, Page 73.
15. The North 15 feet of Lots #13, #14, #15, #16 inclusive of Woodland Heights Addition, as recorded in Plat Book 6, Page 85.

All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

All land affected lies within Section 8, Township 30 North, Range 13 East.

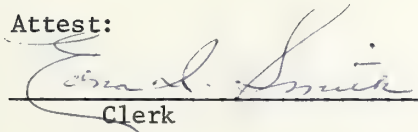

The temporary sewer easements shall expire one year from the date of adoption.

Adopted this 27th day of February 1974.

Re: Proposal for Engineering Services in Connection
with a Location and Improvement Study of Ardmore
Avenue from Lower Huntington Road to Hillegas
Road, approximately 5.25 miles

Gentlemen:

Pursuant to your request, we are pleased to submit, herewith, our proposal relative to the above subject.

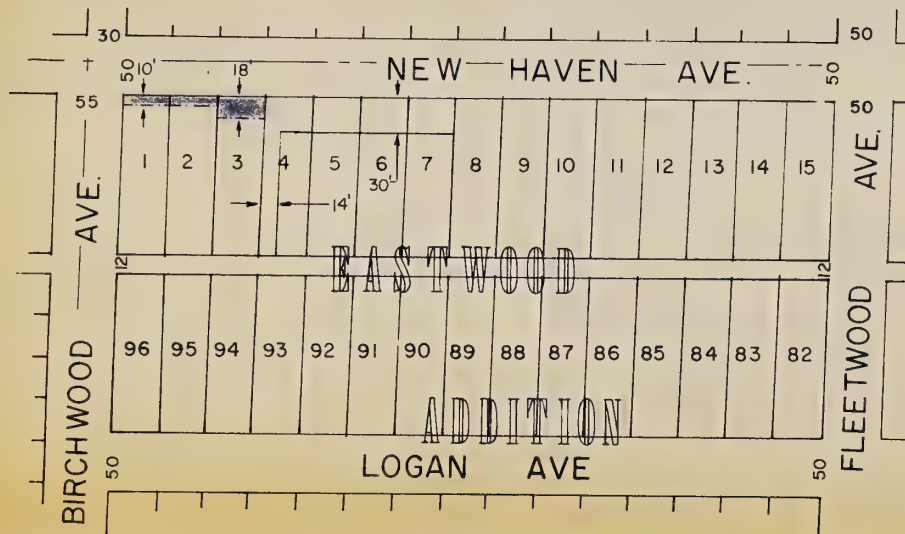

This is our proposal:

- A. We propose to conduct a reconnaissance of the existing improved sections of Ardmore Avenue.
- B. We propose to investigate the areas in which improvements can be made to make Ardmore Avenue a continuous route consistent with the recommendations, previously made, of the Fort Wayne Area Transportation Study.
- C. We further propose to make recommendations relative to the improvement, location, relocation, connecting segments, construction and/or reconstruction of the subject route.
- D. We also propose to make recommendations as to right of way requirements and drainage needs.
- E. We propose to prepare estimates of cost relative to the recommended improvements.

- F. We further propose to consult with the designated representatives of the City relative to the Study. We also agree to attend such meetings, as may be required, with Local, State and Federal officials having jurisdiction over the recommended improvements which may be made.
- G. All of the pertinent data shall be prepared in report form and 25 copies shall be delivered to the City.
- H. We further agree to provide the above described services in accordance with the following hourly schedule:

Principals	\$20.00 per hour
Engineers	\$18.00 per hour
Assistants	\$14.00 per hour
Rodmen/Inspectors	\$12.00 per hour
Clerical	\$ 8.00 per hour

The above hourly rates include travel, taxes, supplies, overhead, profit and other regular expenses incidental to the work. Payment shall be made by the Owner to the Engineer each month as the work progresses.

We also agree that the total maximum charge for all services described, herein shall not exceed \$10,000.00.

This concludes our proposal.

Ronald L. Bonar

Date: February 22, 1974

Warranty Deed

THIS INDENTURE WITNESSETH, That Walter Imler and Irene H. Imler, his wife, each over the age of twenty-one years,

of Whitley County, in the State of Indiana Convey and Warrant to City of Fort Wayne

of Allen County, in the State of Indiana , for and in consideration of the sum of One dollar and other valuable consideration,

the receipt whereof is hereby acknowledged, the following described Real Estate in Allen County, in the State of Indiana, to-wit:

The East 30 feet of North 7.83 feet of Lot number 34, and East 30 feet of South 7 feet of Lot 37, and the East 30 feet of Lots 35 and 36, in the City of Fort Wayne, being known as 415 East Rudisill Boulevard. (AVONDALE ADDITION)

AGREEMENT FOR CONSULTING SERVICES

FOR

FACILITIES PLAN

BY AND BETWEEN THE

THREE RIVERS COORDINATING COUNCIL
ALLEN COUNTY, INDIANA

AND

HENRY B. STROG & ASSOCIATES
A DIVISION OF HOWARD NEEDLES TAMMEN & BERGENDOFF
ENGINEERS
INDIANAPOLIS, INDIANA

MILL CREEK FALLS
ONION CREEK

AGREEMENT

THIS AGREEMENT, by and between the THREE RIVERS COORDINATING COUNCIL, Allen County, Indiana, hereinafter referred to as the OWNER, and HUCKY S. STENG AND ASSOCIATES, A DIVISION OF HOWARD NEEDLES TAMMEN & BERGENDOFF, Consulting Engineers, Indianapolis, Indiana, a partnership, hereinafter referred to as the CONSULTANT, WITNESSETH That:

WHEREAS, pursuant to certain articles of the Federal Water Pollution Control Act as amended, and further pursuant to certain Executive Orders related to Environmental Quality, the United States Environmental Protection Agency and the State of Indiana is requiring that grant applicants for Federal and State assisted sewerage construction projects develop Facilities plans, and

WHEREAS, the Fort Wayne Board of Public Works is herewith authorizing The Three Rivers Coordinating Council to act as the Board's agent in assisting to meet facilities type planning requirements associated with the City's wastewater treatment plant improvement program, and

WHEREAS, The Three Rivers Coordinating Council is desirous of obtaining professional engineering services to assist in preparing a Facilities Plan, as detailed in Exhibit I - Subpart F. Facilities Planning - Federal Pollution Act Amendments of 1972, Section 35.1102(b) i, ii, and iv, and

WHEREAS, The CONSULTANT agrees to perform engineering services for the aforesaid project as hereinafter set forth, and

MILLER'S ATTORNEY
ONION SWIN

WHEREAS, the OWNER agrees to employ and does hereby employ the CONSULTANT for professional services as hereinafter set forth, and agrees to pay the CONSULTANT for such services, the fee set forth in Article III of this Agreement.

NOW THEREFORE, in consideration of the premises and of each act done, the parties hereto mutually agree as follows:

ARTICLE I. THE CONSULTANT'S SERVICES

The CONSULTANT shall make necessary studies, and furnish labor and materials, except where specifically stated otherwise, to provide the OWNER with the following:

- A. Facilities Plan - Facilities planning for the Fort Wayne wastewater treatment plant expansion project.

ARTICLE II. DUTIES OF THE OWNER

The OWNER shall furnish the CONSULTANT with such maps, records and other data as may be in his possession and which may be useful in connection with the preparation of the Facilities Plan.

The OWNER shall examine all study phases, reports, estimates and other documents presented by the CONSULTANT and shall render in writing decisions pertaining thereto so as not to delay the work of the CONSULTANT.

The OWNER shall designate in writing a person(s) to act as OWNER'S representative with respect to the work to be performed under this Agreement; and such person(s) shall have authority to transmit instructions, receive information, interpret and define OWNER'S policies and decisions with respect to materials, equipment elements and systems pertinent to the work covered by the Agreement.

The OWNER shall provide assistance to the CONSULTANT in obtaining information from various local, State and Federal agencies.

ARTICLE III. PAYMENT TO THE CONSULTANT

Payment to the CONSULTANT on account of his fee shall be made by the OWNER as follows:

A. Facilities Plan - For the preparation of a Facilities Plan, authorized in writing by the OWNER, and endorsed by the Fort Wayne Board of Public Works, as described in Article I-A, the CONSULTANT shall be reimbursed on a per diem basis according to the CONSULTANT'S Schedule of Rates and Charges for Services Performed on a Per Diem Basis current at the time services are performed.

The amount of the fee for the Facilities Plan is estimated to be between Three Thousand and No/100 Dollars to Five Thousand and No/100 Dollars (\$3,000 to \$5,000), but shall not exceed Five Thousand and No/100 Dollars (\$5,000) without written authorization.

The amount of the fee for a Facilities Plan shall be paid from funds made available to the Council, as detailed in Exhibit II.

ARTICLE IV. SUCCESSORS AND ASSIGNMENTS

The OWNER and the CONSULTANTS each binds himself, his partners, successors, executors, administrators and assigns to the other party to this AGREEMENT, and to the partners, successors, executors, administrators and assigns of such party in respect to all covenants of this AGREEMENT.

Except as above, neither the OWNER nor the CONSULTANT shall assign, sublet or transfer his interest in this AGREEMENT without the written consent of the other.

ARTICLE V. EQUAL EMPLOYMENT OPPORTUNITY

There shall be no discrimination against any employee who is employed in the work covered by this Contract, or against any applicant for such employment, because of race, color, religion, sex or national origin. This provision shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor shall insert a similar provision in all subcontracts for services covered by this Contract.

ARTICLE VI. EXECUTION

The OWNER and the CONSULTANT hereby agree to the full performance of the covenants contained herein.

IN WITNESS WHEREOF the parties hereto have executed this AGREEMENT in triplicate the 15th day of November, 1973.

THREE RIVERS COORDINATING COUNCIL
ALLEN COUNTY, INDIANA

FORT WAYNE BOARD OF PUBLIC WORKS

By J. A. Browell
Chairman

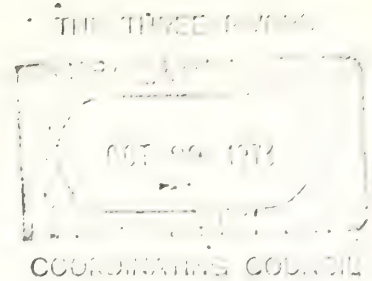

EXHIBIT I

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 35, Subpart F

FACILITIES PLANNING

Notice of Interim Regulations

Notice is hereby given that these regulations are set forth as interim regulations by the Environmental Protection Agency. The regulations supplement Subpart E of this Part and set forth the facilities planning requirements which are prerequisite for the award of grants to build waste treatment works or to prepare construction drawings and specifications for such works.

The regulations also set forth the requirements for acceptance of facilities plans by implementing entities and States, for plan submission and for review and approval by EPA.

In accordance with the applicable limitations and conditions of Subpart E of this Part and these regulations, Federal financial assistance, either through an advance grant (Step 1 as described in Subpart E) for planning or through reimbursement where the planning has been completed, will be provided for facilities planning.

The States will have overall program control for such planning to assure conformance with the State management plans prepared under Section 303(e) of the Act, the State priorities for construction of municipal treatment works and the permit program.

These regulations shall become effective on September , 1973.

It is necessary that these regulations take effect prior to a 30-day period after publication because municipalities applying for Federal assistance for financing of waste treatment works must meet the requirements for facilities planning as set forth in this regulation. For the same reason notice of proposed rulemaking and public comment thereon, prior to the effective date of these regulations, is impracticable and contrary to the public interest.

Prior to the adoption of final regulations, consideration will be given to comments, suggestions or objections which may be submitted in writing to Chief, Planning and Standards Branch, Office of Air and Water Programs, Room 811, East Tower, Environmental Protection Agency, Washington, D.C. 20460. All such written views received on or before November 1, 1973, will be considered.

AUTHORITY: Sections 201 through 204, 207, 211, 212, and 501, 86 Stat. 816;
33 U.S.C. 1151 (1972).

§35.1100 Purpose and Scope

These regulations set forth the facilities planning required as an element of the construction of publicly owned wastewater treatment works and supplement Subpart E of this Part.

§35.1101 Definitions

The definitions presented in Subpart E of this Part apply also to this Subpart.

§35.1102 Facilities Planning Requirements

(a) Facilities planning is the planning related to the building of publicly owned treatment works. It will demonstrate the need for the proposed facilities and by a systematic evaluation of feasible alternatives, also demonstrate that the proposed measures represent the most cost-effective means of meeting established water quality goals, recognizing environmental and social considerations.

(b) A facilities plan shall develop alternatives and provide for their evaluation and plan selection. It shall contain:

(i) A description of the treatment works for which construction drawings and specifications are to be prepared. This description shall include cost estimates for design and construction of the treatment works, and a schedule for completion of design and construction.

(ii) A description of the selected waste treatment system(s), of which the treatment works is a part. The description shall include all component elements of the system, beginning with the service area and collection sewers through treatment, to ultimate discharge of the treated wastewaters and sludge.

(iii) An Infiltration and Inflow Analysis for the waste treatment system, of which the treatment works is a part, and if such analysis demonstrates excessive infiltration/inflow, the findings of a sewer system evaluation survey in accordance with §35.927.

(iv) A cost-effectiveness analysis of alternatives for the treatment works, pursuant to §35.1108 and for the waste treatment system(s) of which the treatment works is a part. The analysis is to provide sufficient justification for the system(s) selection and the treatment works choice which is to serve as the basis for the preparation of construction drawings and specifications, and is to include but not be limited to:

(1) An analysis of the relationship of each alternative to the needs to be served, including adequate reserve capacity.

(2) An evaluation of alternative flow reduction and waste reduction measures pursuant to §35.1109.

(3) An evaluation concerning the capability of each alternative for meeting applicable effluent limitations and applicable water quality standards and attaining not less than secondary treatment as defined by the Administrator pursuant to Section 301(b)(1)(B) and 304 (D)(1) of the Act.

(4) An identification of and provision for applying the best practicable waste treatment technology (BPWTT) as defined by the Administrator, based upon evaluation, including cost comparisons, of technologies included under each of the following waste treatment management techniques and Part 137 of this Chapter defining criteria for the techniques:

(A) biological or physical-chemical treatment and discharge to receiving waters;

(B) treatment and reuse; and

(C) spray irrigation or other land disposal.

This provision will serve as the basis for all Step 2, Step 3 or combination Step 2-3 grants for publicly owned treatment works construction from funds authorized for FY 1975 and later subject to the provisions of Part 137 of this Chapter. Where application of BPWTT would not meet water quality standards including consideration of treating combined sewer overflows.

(5) An analysis of the alternative means by which ultimate disposal can be accomplished for treated wastewater and for sludge materials resulting from the treatment process, and a determination of the means chosen.

(6) An assessment of the expected environmental impact of each alternative pursuant to §35.1110. This assessment is to be revised and re-evaluated, as necessary, to include additional information developed during subsequent project steps.

(v) A copy of a permit as required by the National Pollution Discharge Elimination System, or an identification of permit discharge conditions.

(vi) Required comments or approvals of relevant State and local agencies, including compliance with requirements of OMB Circular A-95. In Section 208 planning areas, the designated 208 planning agency shall review and comment on the compatibility of the plan with the 208 planning process.

(vii) A brief summary of any public meeting or hearing held to consider the plan, including a summary of the views expressed at the meeting.

(viii) A brief statement demonstrating that the authorities which will be implementing the plan have the necessary legal, financial, institutional, and managerial resources available to insure the construction, operation, and maintenance of the proposed treatment works.

§35.1103 State Responsibilities

The State shall:

a. Establish the priorities and scheduling for Step 1 grants for facilities planning in accordance with the project priority lists submitted under Section 106 of the Act.

b. Identify all complex planning areas pursuant to §35.1106 and specifically delineate the boundaries of each complex area on a State map with a minimum scale of 1:500,000. The initial identification shall cover the complex areas programmed for Step 1, Step 2, Step 3, and Step 2-3 grants in Fiscal Year 1975 and shall be submitted with the FY 1975 project priority lists furnished by the States in accordance with Part 35, Subpart B of this Chapter. The complete identification shall be submitted by March 1, 1974, as part of the State Continuing Planning Process. Such maps shall be updated annually and included in the annual revision to the State Continuing Planning Process as provided in §130.21 and 130.54 of Part 130 of this Chapter.

c. Assure that each facilities plan includes that area deemed necessary to assure that the most cost-effective means of achieving the established water quality goals can be planned for and implemented. Local officials shall be consulted in determination of the planning areas.

If the area to be covered by the facilities plan includes more than one political jurisdiction, the Step 1 grant shall be made to joint applicants representing such jurisdictions or to one applicant who has obtained the necessary legal agreements from the other jurisdictions to carry out the contemplated treatment works.

§35.1104 Grants for Facilities Planning

a. An approved facilities plan shall be a prerequisite for the award of grants for design or for building of treatment works as set forth in §35.920(b) and (c). A single facilities plan may suffice for a number of related treatment works.

b. An application for a Step 1 grant covering facilities planning shall include:

1. A certification statement of State priority.
2. Required comments or approvals of relevant State, local and Federal agencies (including "clearinghouse" requirements of OMB Circular A-95). In 208 planning areas, the 208 planning agency shall review and comment on the compatibility of the application with the 208 planning process.
3. Proposed subagreements, or an explanation of the intended method of awarding subagreements, for performance of any substantial portion of the planning project work.
4. A plan of study delineating the planning area, describing the nature and scope of the proposed planning and presenting an itemized breakdown of estimated planning costs.

c. Facilities planning directly related to the treatment works is an allowable project cost. The grantee shall be paid for the Federal share of such cost in accordance with §35.945.

d. An applicant which is eligible to receive a grant for subsequent phases of construction (Step 2 and 3) and which has the legal authority to subsequently construct and manage the facilities may apply for a Step 1 grant. Alternatively, a grantee may be reimbursed for facilities planning and other study or element costs. Reimbursement for facilities planning costs shall be restricted to those costs which are reasonable and necessary and directly related to the needed treatment works as determined by the Regional Administrator.

e. Reimbursement for facilities planning will not be allowed in 208 planning areas or in complex planning areas identified by the State pursuant to 535.1103 after June 30, 1975. In these areas all facilities planning, for which Federal financial assistance is requested, shall be conducted through a Step 1 grant.

f. Where a Step 1 grant has been awarded for the preparation of a facilities plan, payment will be made upon completion of the project unless the grant agreement provides for payment for costs incurred upon completion of specified tasks within the scope of the project.

g. Where a grant has been awarded for facilities planning, the completion of which is expected to require more than one year, the grantee must submit a brief (less than five pages) written progress report to the Regional Administrator at three-month intervals. The progress report must show in chart or in a narrative format the progress achieved on each task in relation to the approved schedule and project milestones. Special problems and delays should be explained. The plan submitted at the conclusion of the project period shall constitute the

final report. In addition, no later than 90 days following the end of each budget period, the grantee must submit to the Regional Administrator a report of project expenditures.

§35.1105 Relationship with Plans Previously Required Under §35.150-1 and 2 of this Chapter

Existing basin plans and metropolitan or regional plans previously required under §35.150-1 and 2 of this Chapter shall be used to the maximum practicable extent.

§35.1106 Levels of Planning

a. Facilities planning will be conducted only to the extent required to make the sound decisions needed to insure that grants will be awarded for facilities that will be cost-effective, environmentally harmonious and socially acceptable. To vary the scope of planning with the magnitude of the problem, facilities planning areas shall be grouped in two categories - complex and non-complex.

b. Non-complex planning areas shall meet all of the criteria listed below. Other areas shall be classified as complex areas.

1. Population concentration - based upon 1970 census, less than 50,000 persons in core city and less than 25,000 persons in contiguous places ~~(having a population density of at least 1,000 persons per square mile.)~~

2. Number of wastewater treatment systems affected - a single municipal waste treatment system. Also, area should be isolated sufficiently from others to preclude cost savings or other management advantages from system interconnection or collective management of a group of systems.

3. Estimated new investment required for municipal wastewater facilities - less than \$5 million over a 5-year period beyond start of plan implementation.

\$35.1107 Planning Scope and Detail

A strict delineation of the differences in the scope and detail of the planning required between a complex and non-complex area is difficult. In general each plan shall be developed to the degree of detail required to assure that all reasonable alternatives have been considered and that the plan proposed is the best. The detail in a plan shall differ in respect to the type and extent of the treatment works which may be proposed. A plan which may provide for limited facilities construction such as a short interceptor or a pumping station should require much less detail than a plan in which construction of a complete treatment system is proposed.

A brief description of the differences in the scope and detail of facilities planning follows:

a. Evaluation of alternative flow and waste reduction techniques--
For non-complex areas, consideration shall focus primarily on water use conservation measures and rehabilitation of interceptors and collection system. Planning for complex areas shall include evaluation of the feasibility of the entire range of flow and waste reduction techniques pursuant to \$35.1109.

b. Evaluation of alternative waste treatment technologies--
For non-complex areas, the analysis normally includes the comparison of 2 or 3 feasible alternative waste treatment technologies including biological treatment, spray irrigation and possibly another. Generally, one technology would be adopted. For complex areas, analysis of a

full range or combination of waste treatment technologies, each best adapted to a particular portion of planning area, may be required to develop the best overall plan. Preliminary screening of the range of options will result in identification of a limited series of feasible alternatives and only these shall be studied in detail.

c. Cost-effectiveness analysis--For non-complex areas, the analysis shall include a detailed evaluation of the cost and reliability aspects of at least two, but normally not more than three, alternative overall plans for waste treatment systems. For complex areas, a larger range of options and potential solutions will usually exist. Preliminary screening of the full range of such options will result in identification of a limited series of feasible alternatives and only these shall be examined in the needed detail.

d. Environmental Assessment--The impacts of the adopted plan and alternatives shall be assessed in qualitative and, to the extent practicable, quantitative terms. Such impacts for a non-complex area would usually be localized while construction of major facilities for a complex area may have impacts reaching beyond the area serviced by the facilities.

e. Factors Affecting Community Development--For complex and non-complex areas, analysis of these factors is usually limited to the direct effect that plant location or construction of other facilities may have on the people or businesses displaced by these facilities or located near these facilities. A more detailed analysis of the effect on displaced persons, employment changes and community dislocation may be necessary for projects with large scale community impacts such

as cases for which land disposal is considered a feasible alternative.

\$35.1108 Cost-Effectiveness Analysis

For facilities planning, cost-effectiveness analysis involves systematic comparison of alternatives to identify the solution which will minimize total costs to society over time to reliably meet applicable effluent limitations, water quality standards and other adopted water management goals. Total costs include resources costs plus environmental and social costs. Resources costs are the values of goods and services representing primary project inputs and include capital costs (construction, land, interest during construction and other labor and service) plus operation, maintenance and replacement costs. Environmental and social costs are adverse effects on environmental factors and human well-being and are usually not identifiable in monetary terms. Analysis of costs, reliability, and flexibility shall be made for all alternatives. These analyses include, but are not limited to:

a. Analyses of the projected demographic factors which will generate a demand for the facilities. Consideration shall be given to the validity of the analysis upon which the projections are based. Economic and demographic projections utilized in other programs, especially as they relate to applicable air-implementation plans of States, and other jurisdictions, shall be taken into account.

b. Evaluation of existing and projected wastewater flows and wasteloads within the system and means of reducing such flows and waste loads before they enter the treatment plant.

c. Analysis of combined sewer pollution problems and corrective measures.

d. Evaluation of sludge disposal alternatives.

e. Analysis of alternative wastewater treatment technologies pursuant to §35.1102(b)(iv)(4) to identify the best practicable waste treatment technology.

f. Analysis of alternative system configurations including treatment plant and interceptor locations, and

g. Study for phasing the development of facilities over the planning period.

Cost-effectiveness regulations published by EPA under Section 212 (2)(C) provide additional information on factors to be considered.

§35.1109 Flow and Waste Reduction Measures

In development of the required facilities plans, measures for preventing, abating, reducing, storing, and disposing of municipal wastes, including stormwater and industrial wastes, other than conventional structural facilities, shall be considered. These flow and waste reduction techniques include but are not limited to:

a. Water use conservation, including use of water meters, wastewater reuse and recycling, and adoption of water and wastewater charges that would encourage water conservation.

b. Repair and rehabilitation of existing interceptors and collection systems and improved construction of new systems to minimize or eliminate excessive sewer infiltration and inflow from such sources as roof and foundation drains.

c. Development of surface runoff and in-system water control or storage measures that have natural or existing characteristics for retarding or reducing runoff, including those measures that would also serve other environmental purposes such as recreation, open space, shoreline protection, and wildlife enhancement.

S35.1110 Environmental Assessment

a. The purpose of the assessment is to provide for an appropriate and careful evaluation of all environmental effects, including community development aspects, of the proposed facilities plan and the alternatives. As noted in S35.1108, the detail of an assessment will vary with the complexity of the plan.

b. The environmental effects of feasible alternative plans shall be assessed as part of the alternative development and evaluation process to insure that the plan ultimately adopted will be environmentally sound. Thus, the assessment will be an integral and inseparable component of the facilities planning report. The environmental effects (both short and long term and primary and secondary effects) of all plan components must be discussed including both the structural (construction of treatment works) and non-structural (regulatory) components of the plan. Within the structural component, the environmental effects of effluent disposal, treatment, sewers, and sludge disposal subsystems must be analyzed. For all these subsystems, the environmental effects (especially the land use implications) of alternative locations must be examined. For the treatment plant and sewers, the environmental effects of alternatives for design capacity,

design period, and phasing of construction must be examined. The environmental conditions with and without the proposed alternative should be determined as part of the analysis of environmental effects. Such analysis would include, but not be limited to, impacts on:

- (1) air, land, and water resources;
- (2) biological resources including the eco-systems of the local area and region;
- (3) aesthetics;
- (4) human welfare, including dislocation and employment effects and effects on health, odor and noise; and
- (5) land use and development.

c. Applicable NEPA requirements shall be met (Part 6 of this Chapter).

§35.1111 Public Participation

a. Public participation in the facilities planning process shall comply with Part 105 of this Chapter. The grantee is encouraged to hold one or more public hearings or meetings within the area to obtain public advice at the beginning of the planning process. All units of State and local government wishing to express their views and the public shall be invited to participate.

b. A public hearing shall be held prior to the adoption of the facilities plan by the implementing governmental units. This provision shall apply to all facilities plans approved for all Step 2, Step 2-3, and Step 3 projects for which grants are awarded after June 30, 1974. Prior to this date, the requirements of §105.5(c) of this Chapter shall be met. The public hearing for the facilities plan satisfies the

hearing requirement of Part 6 of this Chapter. The Regional Administrator may require additional public hearings, if needed, to more fully discuss the plan and alternatives or to afford all interests adequate opportunity to express their views. The Regional Administrator shall inform an applicant in writing if he determines that an additional hearing is needed.

c. The time and place of the public hearing shall be conspicuously announced at least 30 days in advance. In addition, a description of the water quality problems and the salient elements of the proposed plan and each alternative shall be displayed at a convenient local site at least 30 days prior to the hearing.

d. Appropriate local and State agencies, State and regional clearinghouses, interested environmental groups and appropriate local public officials shall receive written notice of the public hearing.

e. Waiver of hearing on plan. A request to waive the hearing on a facilities plan may be submitted in writing prior to submission of the plan. Any such request will be acted upon within 30 days by the Regional Administrator. Each request must include a description of the plan, the estimated cost of the works discussed in the plan, the area that will be serviced, and the reasons the grantee feels a public hearing would not serve the public interest.

§35.1112 Acceptance by Implementing Governmental Units

A facilities plan submitted for EPA approval shall include adopted resolutions or, where applicable, executed agreements of the

implementing governmental units or management agencies providing for acceptance of the plan, assurances that it will be carried out, and statements of legal authority for plan implementation.

§35.1113 State Certification and Submission to Regional Administrator

Each facilities plan submitted to the Regional Administrator for his review must include certification by the State that (1) the plan conforms with the requirements set forth in this subpart, (2) conforms with existing basin plans developed under Section 303(e) of the Act and (3) will serve as the basis for subsequent applications for Step 2 and 3 grants for construction publicly owned treatment works. Approval of the facilities plan will not, however, constitute an obligation of the United States for such Step 2 and Step 3 grants.

§35.1114 EPA Review and Decision

Review of the facilities plan shall be performed by the Regional Administrator. For facilities plans developed under a Step 1 grant, the Regional Administrator shall have 45 days from date of receipt of such plan to render a decision of approval or disapproval. The Regional Administrator shall notify the State of approval. In cases where the plan is not acceptable to EPA, the Regional Administrator shall notify the State in writing of disapproval and enclose the list of specific plan deficiencies with any conditions which, if met, will allow plan approval.

§35.1115 Facilities Plan Revision

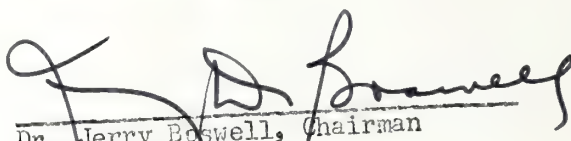

A facilities plan which has served as the basis for the award of a Step 2 or Step 3 grant shall be reviewed by the State prior to application for any subsequent Step 2 or Step 3 grant to determine

if changes have occurred which warrant revision or amendment of the plan. The plan shall be revised or amended as necessary and submitted for review in the same manner specified in Section 35.1113 and 35.1114.

EXHIBIT II

The members of the Board of Public Works of the City of Fort Wayne, hereby approve the attached contract and exhibits and authorize its execution.

The City of Fort Wayne, through its Board of Public Works hereby guarantees payment not to exceed \$5,000 of all fees payable under said contract to the Consultant and will indemnify The Three Rivers Coordinating Council for payment of such amount.

Dr. Jerry Boswell, Chairman
Board of Works

Ron Bonar
Member of Board of Works

1 44

18-234-7
1/21

SIDEWALK IMPROVEMENT RESOLUTION NO. 5649, 1974
SIXTH COUNCILMANIC DISTRICT

WHEREAS, the Board of Public Works has adopted a program requiring property owners to repair sidewalks in specified areas, as provided in Burns Statutes 48-2709, and

WHEREAS, the City shall, at its expense, repair curbing as necessary and slurry seal pavement where needed, and

WHEREAS, this represents the continuing effort of the Board of Public Works to increase property values by maintaining basic improvements and reducing safety hazards to pedestrians, and

WHEREAS, representatives of the Board of Public Works have made detailed inspection of walks and curbs within the following geographic area:

Bounded by Colerick Street on the north,
Oliver Street on the east, Oxford Street
on the south and Hanna Street on the west,
except where sidewalk acceptable to the
Board of Public Works is now in place.

NOW THEREFORE, BE IT RESOLVED by the Board of Public Works of the City of Fort Wayne, Indiana, that arrangements for the repair of all defective sidewalks within the aforesaid area must be made by the property owner privately within ninety (90) days from date of confirmation of this resolution or by the City of Fort Wayne through this resolution, all in accordance with details, drawings and specifications on file in the office of the Board of Public Works of said City and such improvements are now ordered.

The cost of said improvement, if done by the City, shall be assessed upon the affected real estate abutting on streets within the above described area and upon the City of Fort Wayne, Indiana, for curbings, wingwalks and alley inter-sections needing repair, all according to the method and manner provided for in the Acts of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten (10) equal installments, with interest at the rate of six (6) per cent per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such monies as shall have been actually received by the City from the assessments for such improvement, or such monies as said City is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collections of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplemental thereof.

SIDEWALK IMPROVEMENT RESOLUTION NO. 5648, 1974
FIRST AND FIFTH COUNCILMANIC DISTRICTS

WHEREAS, the Board of Public Works has adopted a program requiring property owners to repair sidewalks in specified areas, as provided in Burns Statutes 48-2709, and

WHEREAS, the City shall, at its expense, repair curbing as necessary and slurry seal pavement where needed, and

WHEREAS, this represents the continuing effort of the Board of Public Works to increase property values by maintaining basic improvements and reducing safety hazards to pedestrians, and

WHEREAS, representatives of the Board of Public Works have made detailed inspection of walks and curbs within the following geographic areas:

Harrison Street from the south property line of Brackenridge Street to the south property line of Darrow Avenue,

Calhoun Street from the south property line of Brackenridge Street to the south property line of Darrow Avenue,

Creighton Avenue from the east property line of Harrison Street to the west property line of Hanna Street,

Also, that area bounded by Woodland Avenue on the north, Lafayette Street on the east, Wiebke Street and Darrow Avenue on the south and Calhoun Street on the west, except where sidewalk acceptable to the Board of Public Works is now in place.

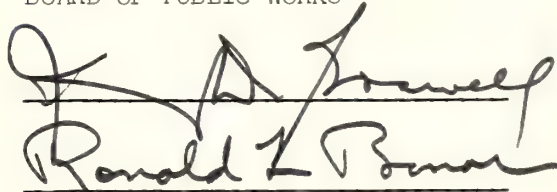

NOW THEREFORE, BE IT RESOLVED by the Board of Public Works of the City of Fort Wayne, Indiana, that arrangements for the repair of all defective sidewalks within the aforesaid area must be made by the property owner privately within ninety (90) days from date of confirmation of this resolution or by the City of Fort Wayne through this resolution, all in accordance with details, and specifications on file in the office of the Board of Public Works of said City and such improvements are now ordered.

The cost said improvement, if done by the City, shall be assessed upon the affected real estate abutting on streets within the above described area and upon the City of Fort Wayne, Indiana, for curbings, wingwalks and alley intersections needing repair, all according to the method and manner provided for in the Acts of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten (10) equal installments, with interest at the rate of six (6) per cent per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners shall pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such monies as shall have been actually received by the City from the assessments for such improvement, or such monies as said City is by said entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collections of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto.

Improvement Resolution

FOR STREET OR ALLEY

No. 5656 -1974

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA,
That it is deemed necessary to improve the 1st alley south of Taylor Street

from the east property line of of Thompson Avenue

to the east property line of the 1st alley east of Thompson Avenue

By draining, ~~cutting~~, grading and paving the roadway to a uniform width of ten (10) feet
with ~~Sheet Asphalt, Asphaltic Concrete upon a six (6) inch Concrete foundation, Six (6) inch Plain Concrete~~
~~or with 8" Macadam, 2" Binder and 1" Asphalt Top.~~

with 7" Plain Concrete

all in accordance with the profile, detail-drawing and specifications on file in the office of the Department of
Public Works of said City; and such improvement is now ordered.

A maximum of \$5.00 per front foot

~~The total cost of said improvement, excepting the cost of street and alley intersections,~~ shall be assessed
upon the real estate abutting on said alley as above described and on
property within 150 feet of the line of the alley to be improved, and ^{the balance of the total co} upon the City of Fort Wayne,
Indiana, ~~to the extent of the street and alley intersections.~~ All according to the method and manner provided
for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal
Corporation," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental
thereof.

Assessments if deferred, are to be paid in ten equal installments, with interest at the rate of ^{six (6)} ~~five (5)~~ per
cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the
property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall
the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or own-
ers for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or
certificates, issued to said contractor in payment for such work, except for such moneys as shall have been
actually received by the city from the assessments for such improvement, or such moneys as said city is by
said above entitled act required to pay. All proceedings had and work done in the making of said improve-
ment, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided
for in said above entitled act and all amendments ~~thereto~~ and supplements thereof.

IMPROVEMENT RESOLUTION

NO. 5658 1974

For Street Paving, Sidewalks and Street Lighting on Lower Huntington Road

RESOLVED by the BOARD OF PUBLIC WORKS of the City of Fort Wayne, Indiana, that it is deemed necessary to improve Lower Huntington Road from the east property line of Premier Drive to the west property line of Winchester Road with the following improvements:

1. Draining, curbing, grading and paving the roadway with 2" plain concrete to a width of fifty (50) feet including straight curb.
2. Five (5) foot wide, five (5) inch thick, plain concrete walks on each side of the street, except where sidewalk is now in place.
3. Street lighting with underground wiring.

All in accordance with the profile, detail drawing and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

A maximum cost of \$2.50 per front foot for the sidewalks shall be assessed upon the real estate abutting upon said Lower Huntington Road as above described. All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations", approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments if deferred, are to be paid in ten equal installments, with interest at the rate of six (6) per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the City from the assessments for such improvement or such moneys as said City is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

AGREEMENT FOR ENGINEERING SERVICES

THIS AGREEMENT entered into this 11th day of February, 1974, by and between Z. K. Tazian Associates, Inc., 1108 Rivermet Avenue, Fort Wayne, Indiana, hereinafter referred to as "Engineer"; and The Board of Public Works of the City of Fort Wayne, City-County Building, Fort Wayne, Indiana, hereinafter referred to as "City", for engineering services (field survey and drafting) for the Waynedale Package Improvement Program - Phase I.

WHEREAS, Engineer is in the business of providing consulting engineering services including field survey and drafting, and

WHEREAS, City is desirous of having completed at the earliest possible date field survey and drafting for the Waynedale Package Improvement Program - Phase I, and

WHEREAS, Engineer has submitted a proposal dated February 1, 1974, pursuant to City's request for proposals dated January 24, 1974, which are incorporated herein as Exhibits A and B respectively, and

WHEREAS, City is desirous of having Engineer perform said work, and Engineer is desirous of performing said work,

NOW, THEREFORE, it is mutually agreed:

1. Engineer agrees to perform work as described in Exhibit B.
2. Engineer agrees to complete said work on the following schedule:

25 Per Cent Completion in 12 Workable Days
50 Per Cent Completion in 20 Workable Days
100 Per Cent Completion in 30 Workable Days

For the purpose of this Agreement, a workable day is defined as a day, Monday through Friday, in which weather conditions do not create a wind chill factor of -10° , as measured at 12:00 noon. Heavy precipitation for more than

four hours shall constitute a non-workable day. Engineer will notify City on Monday of any non-workable days for the week immediately preceeding. Engineer's determination of non-workable day must be approved by the Street Engineer.

3. Engineer agrees to provide work as set forth in ink for a lump sum figure of \$10,500.00.

In the event work is not completed within thirty (30) workable days as defined above, a penalty of \$100.00 per day overrun shall be deducted by City from Engineer's fee.

Engineer agrees to work closely with the Street Engineer in performing this work and developing plans to insure optimum coordination and project specification compliance.

EXECUTED this 11th day of February, 1974.

SUBJECT: Proposal for Waynedale Package
Improvement Programs - Phase I
Field Survey and Drafting

Attention: Ronald L. Bonar

Dear Sir:

Please consider this as a proposal to provide surveying and drafting services for the above subject project according to the requirements as outlined in your letter and attached sheets dated January 24, 1974.

We will provide the services required on the basis of 30 working days after notice to proceed, with the following schedule:

25% completion in 12 days
50% completion in 20 days
100% within 30 days

We prefer to perform these services per diem basis with the following rates:

FIELD WORK

3 man crew at \$32.00/hr.

2 man crew at \$23.00/hr.

Travel at 15¢/mile

Material: Cost + 25%

OFFICE

Drafting at \$13.00/hr.

Engineering (when necessary) \$20.00/hr. or a

lump sum amount of \$10,500.00 for the total project.

We appreciate you giving us the opportunity to submit a quotation.

Sincerely,

Exhibit B

THE CITY OF FORT WAYNE
board of public works

January 24, 1974

To: Consultants

Subject: Waynedale Package Improvement Programs - Phase I
Field Survey and Drafting

Gentlemen:

The Board of Public Works is requesting proposals for engineering services for surveying and drafting of certain streets in Waynedale. A complete description of work required and areas affected are attached.

If you are interested in being considered for this work, please submit a written proposal by February 1 covering all labor and materials necessary to provide field surveys, drafting and checking needed to comply with the attached requirements.

This project is being considered for 1974 construction. Therefore, time of completion of this work is very critical. Each proposal should clearly indicate dates when 25%, 50%, 75% and 100% of the completed work will be provided the City. These dates will weigh heavily in the final selection of the consultant.

If you have any questions regarding this proposal, please feel free to contact Ken Traylor, Street Engineer, or the undersigned.

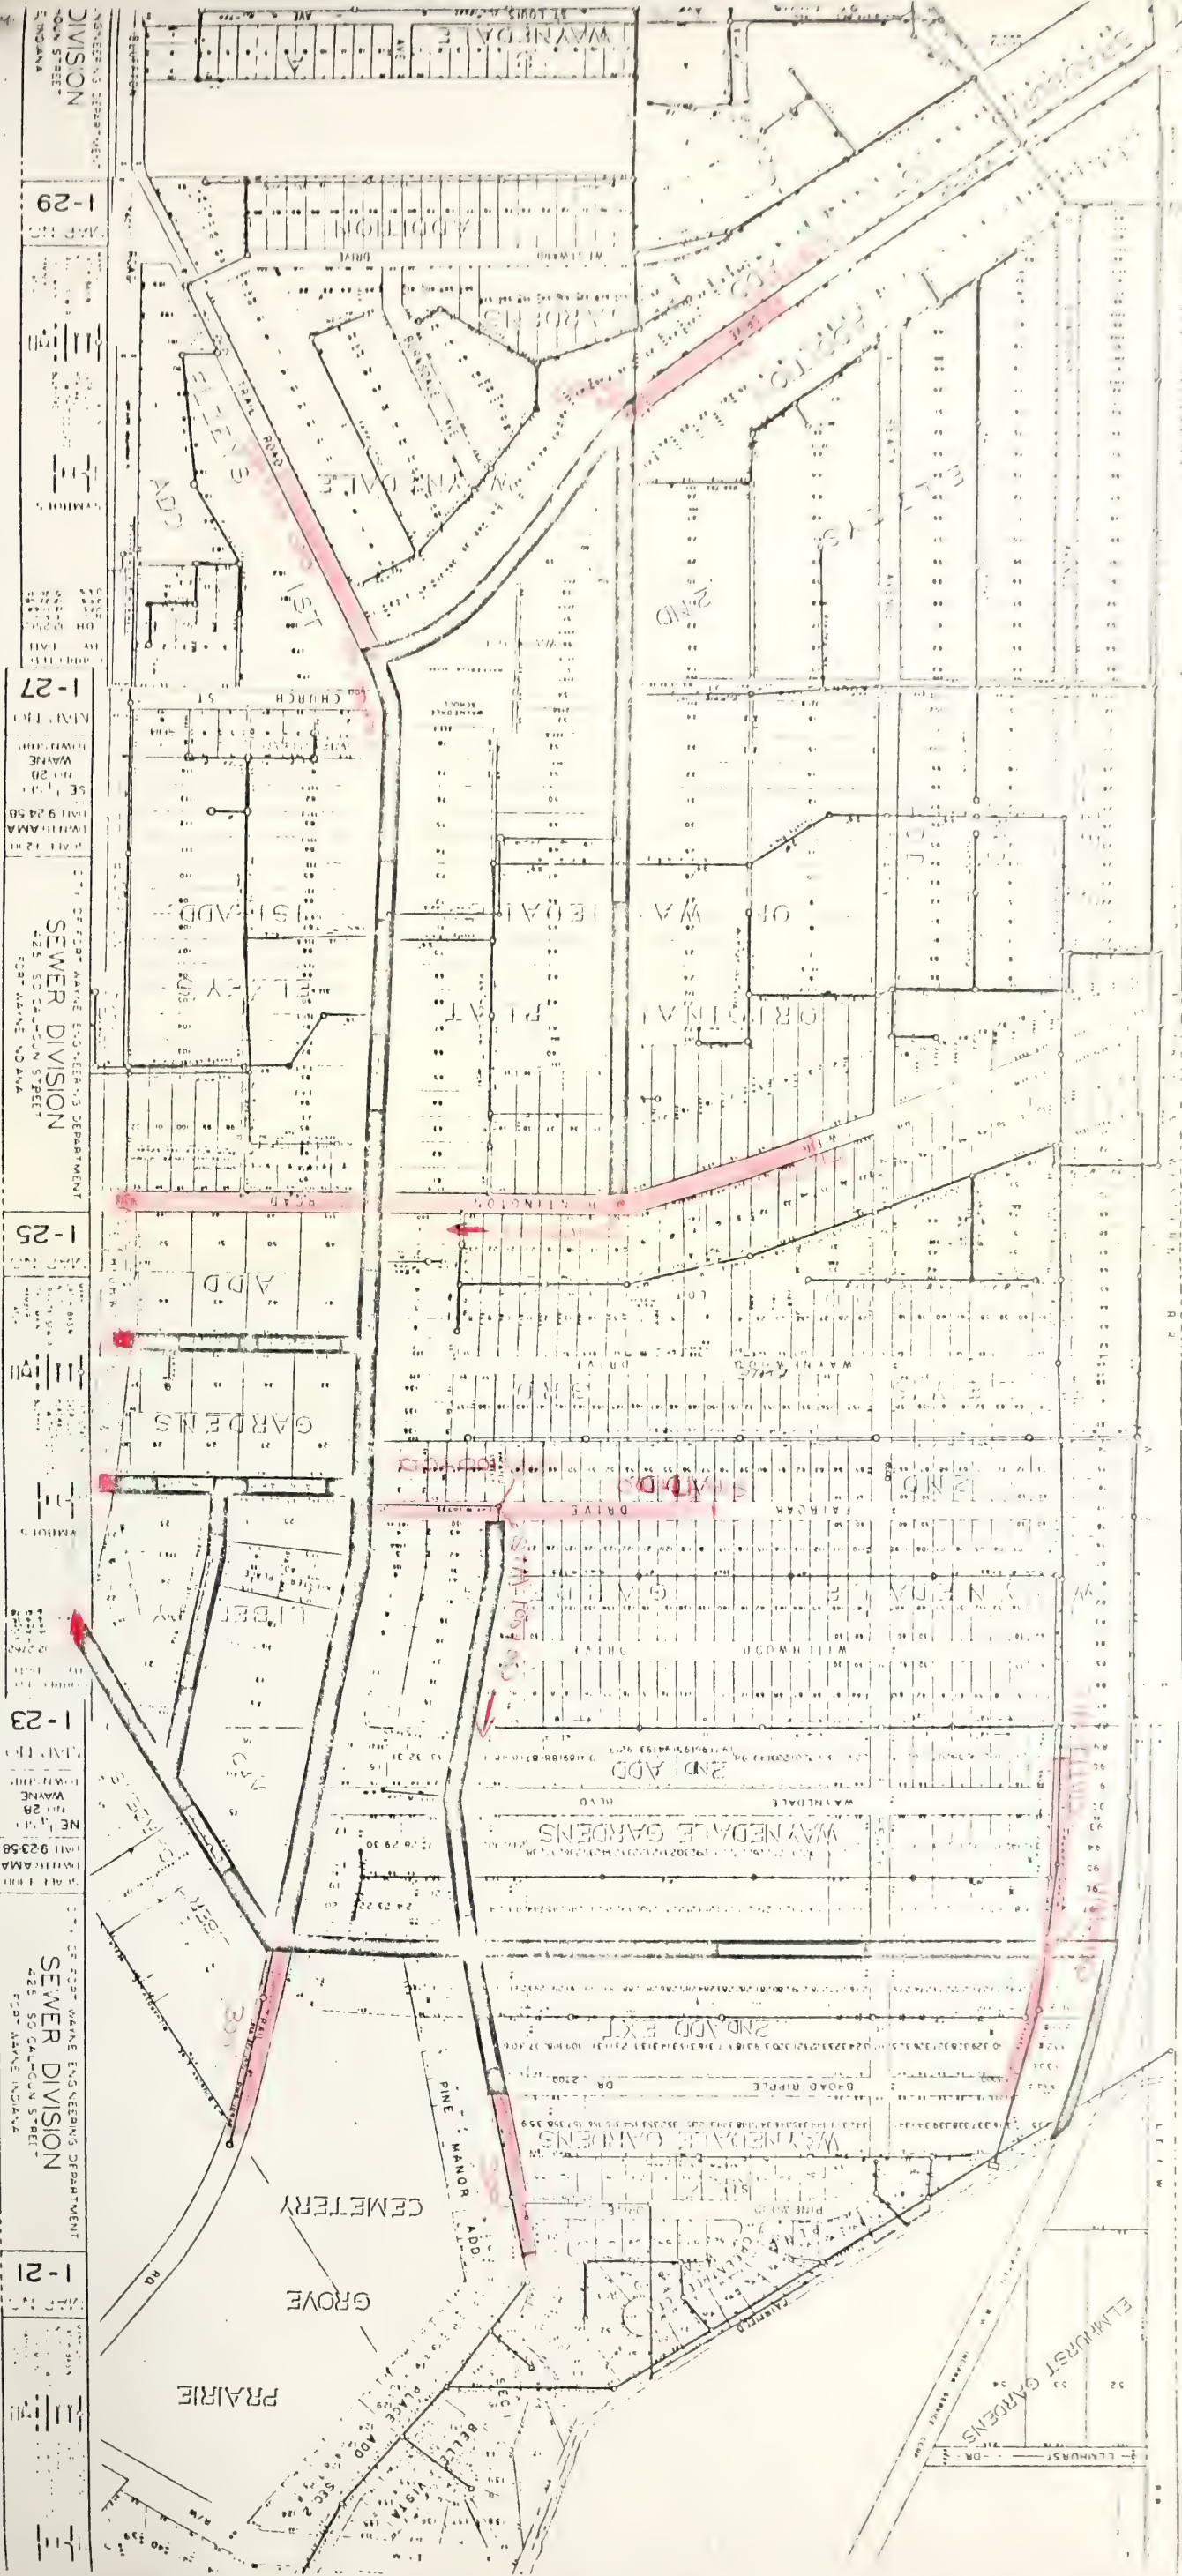

Yours truly,

Ronald L. Bonar

ARTICLES OF ASSOCIATION OF

THE DOWNTOWN FORT WAYNE IMPROVEMENT ASSOCIATION

The undersigned being not less than fifteen (15) persons, who are the owners of fifteen (15) separate parcels of real estate to be affected by proposed improvements by this Association, desiring to form an association (hereinafter referred to as the "Association") pursuant to the provisions of The Improvement Districts in Cities and Towns Act of the State of Indiana, (hereinafter referred to as the "Act"), execute the following Articles of Association.

ARTICLE I
Name

The name of the Association is "The Downtown Fort Wayne Improvement Association".

ARTICLE II
Purposes

The purposes for which the Association is formed are:

To fulfill the needs of the downtown area of the City of Fort Wayne, Indiana, for improvements and new facilities which would be of general public utility and benefit and of special benefit to the owners of property in the vicinity of such improvements and new facilities; and to afford an additional and alternative method by which such improvements could be made, in whole or in part, through the assessment of benefits and damages upon the properties in the area most directly affected and specifically benefited.

To have the capacity to act possessed by natural persons, but to have authority to perform only such acts as are necessary, convenient, or expedient to accomplish the purposes for which it is organized, and such as are to repugnant to law.

To have the capacity to act as a not-for-profit body corporate and in its name to contract, hold, convey and transfer property, real, personal and mixed, to sue and be sued.

To have and exercise all the general rights, privileges and powers specified in or permitted under the Improvement Districts in Cities and Towns Act of Indiana.

ARTICLE III

Initial Members

Names and Post-Office Addresses. The names and post-office addresses of the initial members of the Association are as follows:

<u>NAME</u>	<u>NO. & STREET</u>	<u>CITY</u>	<u>STATE</u>	<u>ZIP CODE</u>
Helen Keenan Centlivre	1006 S. Harrison	Ft. Wayne	IND.	46802
Nickolas Litchin	1515 Dividend Rd.	Ft. Wayne	IND.	46808

John E. Walley	1423 E. California Rd	Ft. Wayne	IND.	46805
Harry F. Bleeke	201 E. Wayne St.	Ft. Wayne	IND.	46802

ARTICLE IV

Principal Office and Agent

The post-office address of the principal office of the association is 9th floor, City-County Bldg. Main St., Ft. Wayne, IN 46802, and the name of its agent for communications and service of process is E. Owen Donnelly, 9th floor City-County Bldg., Ft. Wayne, IN 46802.

ARTICLE V

Term of Existence

The period during which the Association shall continue is perpetual.

ARTICLE VI

Directors

Section 1. Number. The number of directors may from time to time be fixed by the by-laws of the Association at any number not less than three (3), nor more than eleven (11). In the absence of a by-law fixing the number of directors, the number shall be eleven (11).

Section 2. Qualifications. Directors must be owners of real estate, as defined in the Act, in the area affected by the Association and they must be members of the Association.

ARTICLE VII

Membership Fee and Annual Dues

The membership fee is ten dollars (\$10).
The annual dues for each member shall be fixed by the Board of Directors.

ARTICLE VIII

Area Affected

The area affected by the proposed improvements within the objects of the Association is described as follows:

An area bounded generally on the north by the St. Mary's River, on the east by Clay Street, on the south by the Penn Central Railroad, and on the west by Fairfield Avenue, described in detail as follows:

Beginning at a point located on the east right-of-way line of Fairfield Avenue, with its intersection of south bank of the St. Mary's River, said point being immediately north of the intersection of Superior Street and Fairfield Avenue. Thence southerly along the east right-of-way line of Fairfield Avenue, jogging at Jefferson Street and Brackenridge Street to a point on the north line of the Penn Central Railroad right-of-way. (Said point being on the south side of the alley immediately south of Baker Street.) Thence easterly following the north line of the Penn Central Railroad right-of-way to the east line of Clay Street. (Said point being approximately 131 feet south of the intersection of Hayden and Clay Streets.) Thence northerly along the east right-of-way line of Clay Street, jogging at Lewis Street and continuing northerly on the east line of Clay Street, to its intersection of the Norfolk and Western Railroad (just north of Main Street); thence northeasterly along the south right-of-way line of Columbia Street to the west bank of the Maumee River. Thence northerly following the meanderings of the west bank of the Maumee River to its intersection with the St. Mary's River. Thence westerly following the meanderings of the south bank of the St. Mary's River crossing Spy Run, Clinton, Harrison and Wells to the east side of Fairfield Avenue representing the point of beginning. Containing therein 374 acres of land, more or less.

ARTICLE IX

Provisions for Regulation of Business and Conduct of Affairs of Association

The Board of Directors of the Association shall have power, without the assent or vote of the members of the Association, to make, alter, amend, or repeal the Code of By-Laws of the Association, but the affirmative vote of a majority of the Board of Directors, for the time being, shall be necessary to make such Code or to effect any alteration, amendment or repeal thereof. All provisions for the regulation of the business and management of the affairs of the Association shall be stated in the By-Laws.

IN WITNESS WHEREOF, the undersigned, being the initial members or all of the members designated in Article III, execute these Articles of Association and certify to the truth of the facts herein stated, this 29th day of January, 1974.

AGREEMENT

(Amendment to an Agreement Dated July 10, 1973)

THIS AGREEMENT made as of the 5th day of February 1974 by and between the City of Fort Wayne, Indiana (hereinafter called the Owner), acting by and through the Board of Public Works, and Philip L. Schnelker, Inc. Consulting Engineers (hereinafter called the Engineer).

WITNESSETH, that whereas the Owner and Engineer have previously entered into an Agreement dated July 10, 1973, for certain Engineering Services required for the eventual construction of certain improvements to the Lower Huntington Road;

That whereas said agreement encompassed a project for various improvements to the Lower Huntington Road from the Baer Field Thruway to the Winchester Road only;

That whereas the Owner has deemed it desirable or necessary to modify the design requirements and criteria from time to time, including but not limited to: the intersection of Lower Huntington Road and the Baer Field Thruway, the open drainage structures, the extent of the storm sewer system, and the time for completion of the Engineer's work.

That whereas said agreement indicated that the payment to the Engineer for services rendered was to be calculated as a certain percentage of the project construction costs with a maximum sum not to be exceeded.

NOW THEREFORE, the Owner and Engineer in consideration of the mutual covenants hereinafter set forth agree as follows:

- A. That the Agreement dated July 10, 1973, shall be modified in part to include or exclude the following:
- (1) The Engineer shall revise the drawings bearing an original date of 8/3/73 and subsequent revision dates of 8/17/73 and 10/26/73, and submit same again to the Owner for comments and/or approval.
 - (2) Upon receipt of any comments from the Owner involving further changes in the drawings as indicated in (1), the Engineer shall promptly make all such changes and resubmit said drawings complete and ready for advertising for bids as per the original agreement.
 - (3) Paragraph 6 of the original Agreement shall be deleted entirely.
 - (4) Included as part of this project is the improvement of Lower Huntington Road from the Baer Field Thruway to Premier Drive, the re-construction of a 36 inch diameter culvert pipe, and a storm water runoff drainage system in accordance with the Owner's requirements.
 - (5) Paragraph 9 of the original Agreement shall be modified to read:

"The Owner will pay and the Engineer agrees to accept a fee for services performed, of 5% of the low bidder's base bid price."

(Meaning--the maximum fee restriction is deleted and the base bid price is to include all improvements shown on the drawings, whether finally constructed or not.)

IN WITNESS WHEREOF, the parties hereto have made and executed this amended Agreement the day and year first above written.

SEWER EASEMENT RESOLUTION NO. 131-1974

1 AM 9:10

(TEMPORARY AND PERMANENT)

For the condemnation of a temporary and permanent sewer easement to construct, operate, control, maintain, reconstruct, and remove a sewer line under, along and across a portion of lots numbered 8 and 55 in Hoevelwood Court Addition; and a space in the Southwest $\frac{1}{4}$ of the Southeast $\frac{1}{4}$ of Section 19, Township 30 North, Range 13 East.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to condemn rights of way for permanent and temporary sewer easement purposes across, through and under a portion of lots numbered 8 and 55 in Hoevelwood Court Addition; and a space in the Southwest $\frac{1}{4}$ of the Southeast $\frac{1}{4}$ of Section 19, Township 30 North, Range 13 East, more particularly described as follows:

PERMANENT EASEMENT

The West 14 feet of the East 22 feet of lot numbered 8.

Also, the East 14 feet of the space - South 225 feet of the West 180 feet South and adjacent to Hoevelwood Court Addition - as recorded in Deed Book 555, page 163, in the Allen County Recorder's Office.

TEMPORARY EASEMENT

The West 20 feet of the East 42 feet of lot numbered 8.

Also, the East 20 feet of the West 27 feet of the South 62.4 feet of lot numbered 55.

Also, the West 20 feet of the East 34 feet of the space - South 225 feet of the West 180 feet South and adjacent to Hoevelwood Court Addition - as recorded in Deed Book 555, page 163, in the Allen County Recorder's Office.

All as set forth on the attached drawing.

All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporation", as approved March 6, 1905, and the provisions of all acts amendatory thereto and supplemental thereof.

All streets, lots and land affected by the above described condemnation are situated in the Southeast $\frac{1}{4}$, Section 19, Township 30 North, Range 13 East and lie fully within the corporate limits of the City of Fort Wayne, Indiana.

This temporary easement shall expire one year from the date of adoption.

Adopted this 24th day of January, 1974.

L E A S E

THIS AGREEMENT of lease made this 3rd day of January, 1973, by and between INDIANA BANK AND TRUST COMPANY OF FORT WAYNE (herein called "Lessor"), and THE CITY OF FORT WAYNE, INDIANA (herein called "Lessee").

WITNESSETH:

1. Leased Property:

Lessor agrees to lease to Lessee two 1973 Mack Fire Engines bearing serial numbers CF 685F-1464 and CF 685F-1465, hereafter referred to as Motor Vehicles, (including extra equipment, if any), the lease of each Motor Vehicle to become effective, upon the terms hereinafter set forth, at the time of delivery thereof to Lessee.

2. Term and Commencement of Lease:

The lease term for each Motor Vehicle shall be for a period of nine (9) years. The lease term shall commence upon delivery to Lessee's representative of the Motor Vehicle.

3. Rents, Charges and Payments:

Lessee agrees to pay on account of each Motor Vehicle leased hereunder:

- (a) To Lessor, as rental, on the last day of the year in which the Motor Vehicle is delivered to Lessee's representative and on the last day of each and every year thereafter to and including the last day of the year in which such Motor Vehicle is redelivered to Lessor, the amount of monthly rental set forth in Schedule A attached hereto and made a part hereof for each Motor Vehicle leased hereunder.
- (b) To Lessor immediately upon notice any additional amounts required to be paid by reason of paragraph 5 of this lease.
- (c) Directly to Lessor all fees, costs and expenses incurred by Lessor in connection with the titling, registration and licensing of the Motor Vehicle.

- (d) Directly, all sales, use, excise, personal property and other ad valorem taxes (including any tax on rentals which is in substitution for, or relieves the Lessee from, any ad valorem tax which Lessee would otherwise be obligated to pay), assessments and other governmental charges by whomsoever payable on account of the Motor Vehicle or its use, ownership, possession, rental, transportation, delivery or operation; provided that if any such taxes, assessments, and charges are not permissive of direct payment by Lessee, Lessee shall pay to Lessor sums sufficient for the payment thereof; and provided further that the provisions of this subparagraph shall not apply to federal or state income, franchise and like taxes directly imposed upon Lessor by reason of or measured by rentals payable hereunder or net income therefrom.
- (e) Directly, all costs and expenses of use and operation of the Motor Vehicle, including but not limited to, gasoline, oil, grease, repairs, maintenance, tires, tubes, batteries, storage parking, tools, and fines, towing and servicing; also all costs and expenses of keeping the Motor Vehicle in good working order, condition and repair, including but not limited to repair, replacement or substitution of damaged, lost or stolen parts and equipment.

All rentals due and payable under subparagraph (a) of this paragraph for all Motor Vehicles leased hereunder shall be paid in a single payment. Liability of Lessee for rentals under said subparagraph (a), on account of any Motor Vehicle leased hereunder shall cease from and after the last payment date therein specified. All rentals and other charges payable to Lessor hereunder shall be paid at the office of the Lessor or such other place as Lessor may designate in writing.

4. Redelivery:

At the expiration of the lease term, Lessee shall redeliver Motor Vehicle to Lessor at the place original delivery was made to Lessee, or such other reasonable place as Lessor may designate, in like condition as when delivered to Lessee except for ordinary wear and tear. Lessee agrees to bear all risks of damage, loss,

or destruction, partial or complete, of the Motor Vehicles from whatsoever source arising; and all replacements, repairs or substitutions of equipment of the Motor Vehicles, or any of them shall be at the cost and expense of Lessee.

5. Loss, Theft, Damage, Destruction or Redelivery:

In the event, for any cause, of the loss, theft, or destruction of the Motor Vehicle or Vehicles or damage thereof beyond repair, or in the event that its condition becomes such that the Lessee deems continued repair and maintenance thereof to be unwise, or if the Lessee, for any other reason, decides after the expiration of nine (9) years from the date this lease becomes effective with respect to a specific Motor Vehicle to redeliver such Motor Vehicle to the Lessor, the Lessee shall immediately notify the Lessor thereof and hold the Motor Vehicle or wreckage available for disposal. As soon as practicable thereafter the Lessor shall take possession of such Motor Vehicle or wreckage and cause the same to be sold. If the sum of the net proceeds of sale (which is hereby defined to be the net amount received after deducting all costs and expenses incurred and liens imposed upon the Motor Vehicle or its sale from the date of surrender to completing of the sale) plus the amount of rentals actually paid hereunder is less than the aggregate amount of rental provided for hereunder for the entire expressed term of the lease, Lessee shall pay to Lessor the amount of the deficiency at the time and in the manner provided in paragraph 3(b). All sales hereunder shall be only for cash in full payable simultaneously with the delivery of the Motor Vehicle and the delivery to the purchaser of title papers in respect thereof. Lessor agrees to execute all transfers of

title necessary in connection with such sales and disposition of motor vehicles, and to cause all certificates of title, transfers or other pertinent documents to be made available to the purchaser at the time and place required under the terms of such sale or other disposition for delivery to the purchaser against purchase payment of the price as aforesaid.

6. Covenants of Lessee:

Lessee covenants and warrants to Lessor that --

- (a) it will use or permit the use of Motor Vehicles only within the territorial limits of Allen County, Indiana, and that they will be used and operated only for lawful purposes in compliance with the laws of the jurisdiction in which it may be operating and in compliance with all lawful acts, rules, regulations and orders of any commissions, boards or other legislative, executive or judicial bodies of officers; and that it will at no time be used for transportation for hire of goods or passengers;
- (b) it will not assign, transfer or sublet its rights under this lease, and will not pledge, mortgage or otherwise encumber or subject to claims of others any right or interest of Lessee hereunder or permit any of the foregoing to exist upon the same;
- (c) without limiting any of the other terms hereof, the Lessee agrees at its own cost and expense to keep each of the Motor Vehicles leased hereunder insured against liability for bodily injury, death and property damage arising out of the condition, maintenance, use or operation of such Motor Vehicle with limits of \$ 100,000.⁰⁰ in respect of bodily injury or death to any one person, \$ 300,000.⁰⁰ in respect to any one accident and \$ 100,000.⁰⁰ in respect of damage to property, and to maintain any other insurance on the Motor Vehicles and/or in respect of damages arising from the use or operation thereof, and to post such as may be required by applicable law or regulations as a condition to the use or operation of the Motor Vehicles under this Lease in the jurisdiction where operated. Lessee also agrees at its own cost and expense to carry comprehensive (including fire and theft) and collision insurance on each of the Motor Vehicles leased hereunder, the deductible amount under such collision insurance not to be in excess of \$ 1,000.⁰⁰. All insurance shall cover the period from delivery of the Motor Vehicle to the Lessee to the date of redelivery to Lessee under paragraph 4 or of the sale and delivery thereof pursuant to paragraph 5, as the case may be,

shall provide for a ten-day prior written notice to Lessor of cancellation or reduction in coverage, shall cover the interests of both Lessor and the Lessee in the Motor Vehicle or as the case may be, shall protect both Lessor and the Lessee in respect of risks arising out of the condition, maintenance, use or operation of the Motor Vehicle. The Lessee shall furnish Lessor with a certificate or other satisfactory evidence of the maintenance of any insurance required hereunder.

The proceeds of any insurance received by Lessor on account of or for any loss or casualty which has been made good by the Lessee shall be released to the Lessee upon satisfactory proof that such loss or casualty has been made good, unless the Lessee is at the time in default in the payment of and other liability hereunder.

- (d) it will at all times at its own expense keep the Motor Vehicle in good and efficient working order, condition and repair, reasonable wear and tear excepted;
- (e) it will at all times indemnify, protect, save and keep harmless the Lessor, its agents and servants and any assignee of the Lessor from and against any and all losses, damages, injuries, claims, demands and expenses, including legal expenses, of whatsoever kind and nature, arising on account of the use, condition (including without limitation latent and other defects whether or not discoverable by the Lessor) or operation of the Motor Vehicle, and by whomsoever used or operated, during the lease term. The indemnities and assumptions of liability herein contained shall continue in full force and effect notwithstanding the termination of this lease or the term hereof, whether by expiration of time, by operation of law or otherwise. It is understood and agreed however, that Lessor shall give Lessee prompt notice of any claim or liability hereby indemnified against, and that Lessee shall be entitled to control the defense thereof.

7. Ownership:

The Motor Vehicle shall be owned by and titled and registered in the United States and in the State of Indiana in the name of Lessor. Lessee acknowledges and agrees that it has not, and by the execution hereof it does not have or obtain, and by payments and performance hereunder it does not and will not have or obtain any title to the Motor Vehicle or equipment therein and thereon (whether such equipment was delivered with the Motor Vehicle or added thereafter), nor any property right or interest, legal or

equitable, therein, except solely as Lessee hereunder and subject to all terms hereof.

8. Delivery of Motor Vehicles:

Lessor shall not be liable to the Lessee for any failure or delay in obtaining such motor vehicles or making delivery thereof.

9. Defaults:

In the event that:

- (a) The Lessee shall make default in the payment of any installment of rent or any other sum payable by the Lessee to or for the account of the Lessor, and such default shall continue for more than 10 days after a statement or invoice therefor shall have been mailed to the Lessee, or
- (b) The Lessee shall make or suffer any unauthorized assignment or transfer of its right hereunder or in the Motor Vehicle or shall cause or permit the Motor Vehicle or Motor Vehicles to be pledged or held for any debt or obligation owing by Lessee or any other person; or
- (c) The Lessee shall for more than 15 days after the Lessor shall have demanded in writing performance thereof fail or refuse to comply with any other of the terms and covenants herein on its part to be kept and performed, or to make provision satisfactory to the Lessor for such compliance; or
- (d) The Lessee shall become the voluntary or involuntary subject of any arrangement or other proceedings for relief under any bankruptcy or similar law or laws for the relief of debtors (whether such laws be state or federal and whether now existing or hereafter enacted) or any voluntary or involuntary assignment or transfer of Lessee's interest hereunder (in a manner or to a person not permitted by the terms hereof) or of all or substantially all of its property shall occur; or
- (e) The Lessee shall change its municipal form in any manner which the Lessor, in its sole opinion and at its sole option, believes to adversely effect its rights hereunder;

then and in any such event (herein sometimes called "events of default") the Lessor at its option may, by notice in writing to Lessee, declare this lease in default; and thereupon the Motor Vehicles subject to this lease and all the rights of the Lessee

therein shall be surrendered to the Lessor, and the Lessor may by its agent take possession of the leased property wherever the same may be found, and for that purpose may enter upon any premises of the Lessee hereunder. Lessor shall retain all rents and additional sums paid by the Lessee hereunder in respect of all Motor Vehicles, as well as all refunds and other sums, if any, in its possession which, had this lease not been declared in default, would otherwise be payable to the Lessee hereunder. In addition thereto the Lessor shall be entitled to recover from the Lessee all unpaid fixed rents for the period up to the last day of the calendar month in which such Motor Vehicle shall have been so surrendered and repossessed for each of the Motor Vehicles, respectively, together with all other sums payable by the Lessee and all costs and expenses, including court costs and attorneys' fees, incurred by the Lessor in the enforcement of its rights and remedies hereunder. The Lessor shall sell all Motor Vehicles so repossessed or surrendered, at public or private sale, for cash or on credit, at which sale the Lessor may be the purchaser. If the sum of the net proceeds of sale (which is hereby defined to be the net amount recieved after deducting all costs and expenses incurred and liens imposed upon the Motor Vehicle or its sale from the date of surrender to completing of the sale) plus the amount of rentals actually paid hereunder is less than the aggregate amount of rental provided for hereunder for the entire expressed term of the lease, Lessee shall pay to Lessor the amount of the deficiency at the time and in the manner provided in paragraph 3(b). In addition to the foregoing the Lessor shall be entitled to recover from the Lessee any and all damages which the Lessor shall have sustained by reason of the

breach by the Lessee of any of the covenants or terms of this lease. The foregoing provisions in respect of sale, and any act by the Lessor pursuant thereto, shall not be deemed to modify or affect the right of the Lessor to recover from the Lessee all rentals, damages, and other sums hereinabove in this section provided to be recoverable by the Lessor from the Lessee; and notwithstanding any such sale and the retention of proceeds thereof by the Lessor, the Lessor shall be entitled to recover from the Lessee all such rents and other sums.

10. Assignment by Lessor:

The Lessor may at any time assign to any bank or other financial institution all of its right, title and interest in, under and to this lease and all (but not less than all) of the rents and other sums at any time due or to become due or at any time owing or payable by the Lessee under any of the provisions of this lease. Upon any such assignment the Lessor shall give written notice to the Lessee stating the name and post office address of the assignee, and the Lessee acknowledges and agrees that thereupon all sums thereafter payable by the Lessee hereunder shall be paid to such assignee. No such assignee shall be obligated to perform any duty, covenant or condition required to be observed or performed by the Lessor under this lease, and no such assignee shall be bound by or obligated to perform or see to the performance of any warranty express or implied, made by the Lessor herein, but on the contrary the Lessee by its execution hereof expressly acknowledges and agrees that notwithstanding any such assignment each and all of such covenants and agreements of the Lessor provided for in this lease and all

representations and warranties shall survive any such assignment of this lease and shall be and remain the sole liability of the Lessor (or the successor to its business). Without limiting the foregoing the Lessee further acknowledges and agrees that in the event of any such assignment the rights of any such assignee in and to the sums payable by the Lessee under any of the provisions of this lease shall not be subject to any abatement whatsoever, and shall not be subject to any defense, setoff, counterclaim or recoupment whatsoever, by reason of any damage to or loss or destruction of the motor vehicles, or any of them, or the equipment or any part thereof, therein or thereon, or by reason of any interruption from whatsoever cause (other than from the wrongful act of such assignee) in the use, operation or possession of said motor vehicles, or any of them, of of the equipment, or any part thereof, therein or thereon, or by reason of any other indebtedness or liability, howsoever and whenever arising to the Lessee.

Subject to the foregoing provisions, whenever the term "Lessor" is used herein, said term shall after such assignment mean and include any such assignee.

11. Lessor Gives No Warranties:

The Lessee agrees that it has had ample opportunity to inspect the motor vehicles leased hereunder and has so inspected said motor vehicles and is satisfied with the condition of said motor vehicles in all respects, and Lessee acknowledges that no warranties have been made to it, either express or implied, with respect to said motor vehicles, and Lessee hereby expressly waives its rights to rely upon any such warranties, express or implied,

including warranties as to merchantability and fitness for purpose and specifically accepts each said Motor Vehicle as is.

12. Agreement to Cooperation with Lessor in Complying with Governmental Laws and Regulations:

The Lessee understands and acknowledges that the Lessor is a financial institution and as such is governed in its activities by certain laws and regulations, and the Lessee agrees to cooperate with the Lessor in complying with said laws and regulations in every respect including the execution of any document or documents which may be necessary.

13. Option to Purchase:

The Lessee shall have the option to purchase the Motor Vehicles leased hereunder at any time prior to a default upon payment of the remaining lease payments due hereunder together with the additional sum of \$ 1.00. Said option shall expire 30 days after final payment hereunder.

14. Execution:

This lease shall be executed in two (2) counterparts, each counterpart constituting an original but all together one and the same instrument and contract. Lessor and Lessee agree to execute, acknowledge and deliver such further counterparts hereof as may be reasonably required at any time in order to comply with the provisions of any applicable law or laws at any time in force requiring the recording or filing of this instrument or a copy hereof in any public office of the United States or of any state or of any political or governmental subdivision of any state; and Lessee agrees to pay the fees or charges imposed by law for any such mandatory recording or filing and the necessary out-of-pocket

expenses of the Lessor in effecting such filing or recording. The Lessee also agrees to pay the amount of any stamps or documentary taxes, state or federal, levied or assessed on this lease.

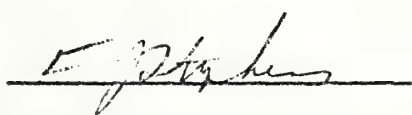

15. Indiana Law Governs:

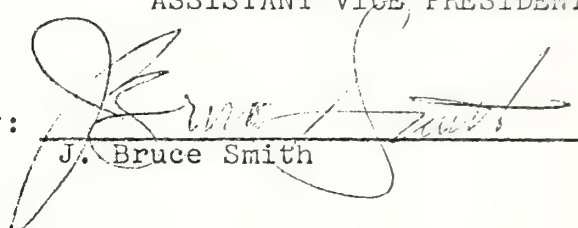

This lease and the rights and obligations of the parties shall be construed, interpreted and determined by the laws of the State of Indiana.

IN WITNESS WHEREOF the Lessor and the Lessee have caused this instrument to be executed by their respective officers thereunto duly authorized and their respective corporate seals to be affixed and attested, all as of the day and year first above written.

IMPROVEMENT RESOLUTION NO. 5654 -1974.
FARMER'S MARKET AREA CURB & SIDEWALK REHABILITATION

WHEREAS, Farmer's Market, Inc. and the Board of Public Works of the City of Fort Wayne, Indiana entered into an agreement for improvement of curbs, sidewalks, driveway approaches and steps which was executed on November 19, 1973, a copy of which is hereby attached, and

WHEREAS, the Board of Public Works has ordered engineering plans, specifications and cost estimates necessary for the accomplishment of said improvements,

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works that it is deemed necessary to improve the area along Farmer's Market being the east side of Warsaw Street from Dalman Avenue south approximately 419 feet and said improvements shall include curb, sidewalks, steps, stoop, driveway reconstruction and construction of bus stand.

Improvement shall be in accordance with the plans, profiles, detailed drawings and specifications now on file in the office of the Department of Public Works of said City and such improvement is hereby ordered.

Said improvement shall be paid by the City of Fort Wayne from funds appropriated for such purposes and pursuant to the agreement between the City of Fort Wayne and Farmer's Market dated November 19, 1973.

ADOPTED this 17th day of January, 1974, by the Board of Public Works.

BOARD OF PUBLIC WORKS
CITY OF FORT WAYNE, INDIANA

STREET, SIDEWALK, SEWER, LIGHTING IMPROVEMENT RESOLUTION NO. 5655 1974

HOEVELWOOD ADDITIONS AND GENERAL AREAS NEIGHBORHOOD PACKAGE IMPROVEMENT

WHEREAS, the street pavements, sidewalks, storm drainage and street lighting in Hoevelwood Addition, Sections A, B, C, D and E and Hoevelwood Court Addition, Sections A and B and general area are non-existent or in need of improvement, and

WHEREAS, over 55% of the resident property owners in said additions and general area have petitioned the Board of Public Works of the City of Fort Wayne, Indiana, requesting installation of street pavements, sidewalks, storm sewers and street lighting, and

WHEREAS, the Board of Public Works of said City has ordered engineering plans, specifications, cost estimates and property ownership list necessary for the accomplishment of said improvement,

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works that it is deemed necessary to improve Hoevelwood Addition, Sections A, B, C, D and Hoevelwood Court Addition, Sections A and B and general area, with the following improvements:

1. Draining, curbing, grading and paving the streets described as follows to a uniform width of 27 feet, with 6 inch plain concrete:

Hoevelwood Drive from the east property line of Werling Drive to the west pavement line of St. Henry's Lane,

Shady Oak Drive from the east property line of Radcliffe Court to the east property line of Churchill Drive,

Radcliffe Court from the north property line of Hoevelwood Drive to a point eleven (11) feet north of the north property line of Shady Oak Drive,

Fruehauf Drive from the north line of Paulding Road to a point approximately 157 feet north of the north property line of Shady Oak Drive,

Churchill Drive from the north property line of Paulding Road to the south property line of Shady Oak Drive.

2. Draining, curbing and resurfacing the street to a uniform width of 27 feet:

St. Henry's Lane from Paulding Road to the north property line of Hoevelwood Drive.

3. Concrete sidewalks, 5 feet wide, on both sides of the streets described in #1 above and where they presently do not exist in #2 above and on the following streets:

Fairfax Avenue from Werling Drive to Fruehauf Drive,

Fruehauf Drive from a point 157 feet south of the south property line of Palisade Drive to the north property line of Fairfax Avenue,

Cascade Drive from Palisade Drive to Fairfax Avenue,

Palisade Drive from Radcliffe Court to Salem Lane,

Shady Oak Drive from Churchill Drive to St. Henry's Lane,

St. Henry's Lane from Hoevelwood Drive to Shady Oak Drive,

Salem Lane from Shady Oak Drive to Ashcroft Drive,

South of Paulding Road from the east curb line of Abbott Street to the west curb line of Arlene Avenue,

North side of Paulding Road from Werling Drive to St. Henry's Lane.

4. A storm sewer system adequate to provide drainage to said streets and abutting properties.
5. Ornamental street lighting with underground wiring.

6. Tree planting by City of Fort Wayne Park Department.

Improvements shall be in accordance with the plans, profiles, detailed drawings and specifications now on file in the office of the Board of Public Works of said City and such improvements are hereby ordered.

This improvement resolution is ordered pursuant to enabling legislation as follows:

1. Street Pavements - Burns Statute 48-2717 et. seq.
2. Sidewalks - Burns Statute 48-2703 et. seq.
3. Storm Sewers - Burns Statute 48-3950 et. seq.
4. Street Lighting - Burns Statute 48-3301 et. seq.

Preliminary determination for benefits of this improvement pursuant to the above statutes has been determined and is established pursuant to attached Exhibit A.

The balance of the project cost shall be assessed upon the City of Fort Wayne, Indiana, and paid from Revenue Sharing and/or other appropriate funds.

Assessments, if deferred, are to be paid in ten (10) equal installments, with interest at the rate of six per cent (6%) per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums from said property owners for said work, or for the collection of same, or for the payment of any bond, bonds, certificate or certificates issued to said contractor in payment for such work, except for such monies as shall have been actually received by the City from the assessments for such improvement, or such monies as said City is by said above entitled act required to pay. All proceedings had and any work done in said improvement, assessment of property, collection of assessments and issuance of bonds therefore, shall be as provided for in said above entitled acts and amendments thereto and supplemental thereof.

ADOPTED THIS 24 day of January, 1974, by the Board of Public Works.

ENGINEERING DEPARTMENT
CITY COUNTY BLDG.
ONE MAIN STREET, FORT WAYNE, INDIANA 46802

(TEMPORARY)

71-06726

For the condemnation of a temporary sewer easement for purposes to construct, operate, control and maintain a sewer line along and across a portion of land situated in Eastland Gardens Addition, Section A, Stinson's First Subdivision, bounded on the East by Hessen Cassel Road, bounded on the South by Tillman Road, bounded on the North by Oakwood Drive, and bounded on the West by a line 240± lineal feet West of and parallel to Hessen Cassel Road.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana that it is desired and deemed necessary to condemn additional rights-of-way for temporary sewer easement, in addition to Sewer Easement Res. 118-1973, for purposes to construct, operate, control and maintain a sewer line along and across a portion of land situated in Eastland Gardens Addition, Section A, Stinson's First Subdivision, bounded on the East by Hessen Cassel Road, bounded on the South by Tillman Road, bounded on the North by Oakwood Drive, and bounded on the West by a line 240± lineal feet West of and parallel to Hessen Cassel Road, more particularly described as follows:

- (A) The following described temporary easement being the East 15 feet of the West 22 feet across Lots 25, 26, 49, 50, 51, 74, 75 and 76 of Eastland Gardens Addition, Section A, as recorded in Plat Book 22, Page 124-125.
- (B) The following described temporary easement being the East 10 feet of the West 24 feet of Lots 1, 2, 3, 4, 5 and 6 of Stinson's First Subdivision, as recorded in Plat Book 21, Page 98.

All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments, if deferred, are to be paid in ten equal installments, with interest at the rate of six (6) percent per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said above entitled act and all amendments thereto and supplemental thereof.

All land affected lies within the recorded plat of Eastland Gardens Addition, Section A, Stinson's First Subdivision, and lies wholly within the corporate limits of Fort Wayne, Indiana.

The temporary sewer easements shall expire one year from the date of adoption.

Adopted this 2 day of January, 1974.

STREET, SEWER, LIGHTING IMPROVEMENT RESOLUTION NO. **5652** - 1974
COLONIAL PARK ADDITION, SECTIONS A AND B, AND ABUTTING AREAS

WHEREAS, the street pavements, storm drainage and street lighting in Colonial Park, Sections A and B, are non-existent or in need of improvement, and

WHEREAS, over 55% of the resident property owners in said addition abutting on the interior streets have petitioned the Board of Works requesting installation of street pavements, storm sewers and street lighting, and

WHEREAS, the Board of Works has ordered engineering plans, specifications, cost estimates and property ownership list necessary for the accomplishment of said improvement,

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works that it is deemed necessary to improve Colonial Park Addition, Sections A and B and abutting areas, with the following improvements:

1. Draining, curbing, grading and paving the streets as herein described to a uniform width of 27 feet, with 6-inch plain concrete.
2. A storm sewer system adequate to provide drainage to said streets and abutting properties.
3. Ornamental street lighting with underground wiring.

Streets included in said improvement are:

Wendmere Lane and Colony Drive from Clinton Street to Campus Court

Concordia Drive and Campus Court from St. Joe Center Road to Wendmere Lane

Improvements shall be in accordance with the plans, profiles, detailed drawings and specifications now on file in the office of the Department of Public Works of said City and such improvement is hereby ordered.

This improvement resolution is ordered pursuant to the enabling legislation as follows:

1. Street Pavements - Burns Statute 48-2717 et seq.
2. Storm Sewers - Burns Statute 48-3950 et seq.
3. Street Lighting - Burns Statute 48-3301 et seq.

A maximum cost of \$14.00 per front foot shall be assessed upon the real estate abutting Wendmere Lane and Colony Drive, as above described and where applicable within the prevailing State Statutes controlling this Board on properties within 150 feet of the line of the street to be improved.

A maximum cost of \$6.00 per front foot shall be assessed for those properties abutting Concordia Drive and the west side of Campus Court. The east side of Campus Court shall be assessed at the rate of \$14.00 per front foot.

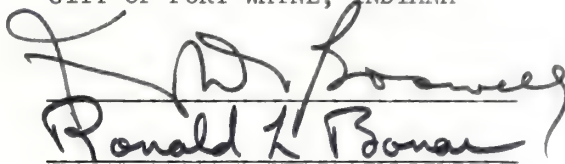

The balance of the project cost shall be assessed upon the City of Fort Wayne, Indiana, and paid from Revenue Sharing and/or other appropriated funds.

Assessments, if deferred, are to be paid in ten (10) equal installments, with interest at the rate of Six Per Cent (6%) per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners

pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or certificates issued to said contractor in payment for such work, except for such monies as shall have been actually received by the City from the assessments for such improvement, or such monies as said City is by said above entitled act required to pay. All proceedings had and any work done in said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled acts and all amendments thereto and supplemental thereof.

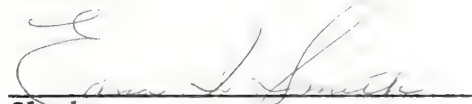

ADOPTED this 8th day of January, 1974, by the Board of Public Works.

DECLARATORY RESOLUTION No. 1357 19 73

For the Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ of Sidney Str
from the north property line of Jefferds Avenue to the southerly property line
of Washington Boulevard.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed
necessary to vacate Sidney Street from the north property line of Jefferds Avenue
to the southerly property line of Washington Boulevard.

All as shown by a plan of such proposed Vacation - ~~Opening - Condemnation of right of way for utility
purposes~~ as above described, now on file in the Office of the Department of Public Works of the City of
Fort Wayne, Indiana

The cost of said Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ shall be as-
sessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Vacation - Opening - Condem-
nation of right of way for utility purposes is described as follows: Lots 180 to 188 inclusive, all
in Lincoln Highway Park Addition. Said addition is inclusive to the City of
Fort Wayne, Indiana.

All according to the method and manner provided for in an act of the General Assembly of the State of
Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provi-
sions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as
in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5)%
per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for
any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds,
except for such moneys as shall have been actually received by the City from the assessments for such
property damages as said City is by said above entitled act required to pay. All proceedings had in the making
of said improvement, assessment of property, collection of assessments and issuance of bonds therefor,
shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

The vacation of the above described street shall be subject to an easement for the use of the
City of Fort Wayne, Indiana, and other public utilities for the construction and maintenance of sewers,
water mains, gas mains, electric pole lines and conduits, telephone and telegraph pole lines and conduits.

All Streets, lots and lands affected by the above described vacation are situated in the
southeast Quarter Section Six, Township 30 North, Range 13 East and lie wholly
within the corporate limits of the City of Fort Wayne, Indiana.

STREET LIGHTING RESOLUTION NO. 105-1973

McKinnieville Addition - Fleming Avenue & Maple Grove Avenue

WHEREAS, Fleming Avenue and Maple Grove Avenue, from Fairfield Avenue to Calhoun Street, in McKinnieville Addition, were developed without street lighting, and

WHEREAS, over 55% of the property owners in said McKinnieville Addition have petitioned the Board of Public Works for the installation of street lighting with underground wiring, and

WHEREAS, on August 16, 1973, the Board of Works wrote a letter to said property owners requesting their preference on the type of lighting to be installed, and

WHEREAS, response received indicated the majority of the property owners desired underground wiring and ornamental lighting, and

WHEREAS, engineering plans, specifications, estimates and primary assessment figures have been prepared by the Electrical Engineering Department and filed with the Board of Public Works,

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works of the City of Fort Wayne, Indiana, that new ornamental street lighting with underground wiring shall be installed in McKinnieville Addition, on Fleming and Maple Grove Avenues, from Fairfield Avenue to Calhoun Street. A maximum cost of \$.008 per square foot of lot area shall be apportioned against and paid by the property owners benefitted up to a maximum of \$62.00 per lot with the City of Fort Wayne, Indiana, paying the balance of cost of said lighting improvement. All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana entitled, "Public Improvements in Platted Additions", Burns 48-3001, etc.

Assessments over \$100, if deferred, are to be paid in ten (10) equal installments, with interest at the rate of six per cent (6%) per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such monies as shall have been actually received by the City from the assessments for such improvement, or such monies as said City is by said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplemental thereof.

LEASE AGREEMENT

THIS AGREEMENT, made and entered into by and between CITY OF FORT WAYNE (hereinafter called Lessor) and FORT WAYNE RAILROAD HISTORICAL SOCIETY, INC. (hereinafter called Lessee).

WITNESSETH:

Lessor, in consideration of the rents and covenants herein contained, does hereby lease to Lessee the following described real estate in the City of Fort Wayne, County of Allen, State of Indiana, to-wit:

A certain plot of land on the southeast corner of Clinton and Fourth Streets and the N.P.R.R. steam locomotive and tender #767 located thereon, to have and to hold unto said Lessee for a term of twenty-five (25) years from the 1st day of December, 1973, and ending on the 30th day of November, 1998, and in consideration therefor Lessee does agree to pay rental in the amount of One (\$1.00) Dollar per year.

COVENANTS

1. Lessee agrees to keep the aforesaid locomotive and tender normally in Allen County except for restoration and maintenance purposes. If said steam locomotive and tender is totally restored, Lessee is hereby granted permission to take same on excursions out of Allen County upon written notification to the Lessor that such excursion is in keeping with the public interest. If a future site for said locomotive and tender is located, Lessee and Lessor shall mutually agree upon the new site prior to moving the locomotive and tender.

2. Lessee hereby agrees to hold the City of Fort Wayne harmless for any damages, claims or demands of any person, persons, or corporation arising from any acts covered by the subject matter of this lease, or acts of the society or its members in conjunction with its use of the locomotive and tender.

1 64

3. No later than forty-eight (48) months after the date of this lease, Lessee agrees to move the locomotive and tender from its present location at Fourth and Clinton Streets to a location to be selected in the manner set forth in clause 1, and to continue payment of the aforementioned rental for use of the locomotive and tender exclusive thereafter of any use of the property at Fourth and Clinton Streets.

4. Maintenance of the locomotive and tender shall be the responsibility of the Lessee, subject to the approval of the Lessor.

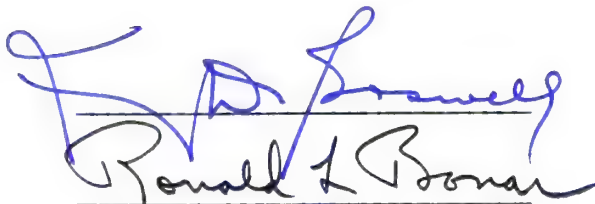

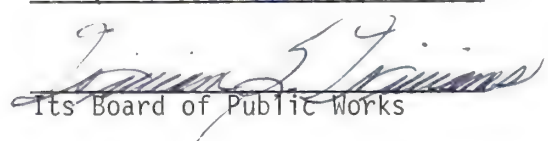

5. Lessor hereby agrees to allow Lessee to restore the locomotive and tender as the Lessee sees fit.

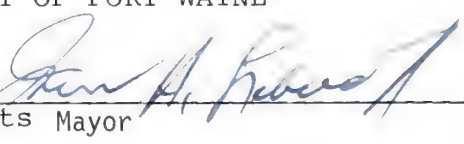

6. Lessor further agrees, so far as is practicable, to lend its support, publicity and promotion to the efforts of Lessee to restore the aforesaid steam locomotive and tender to its original condition, and/or in general to support the efforts of Lessee in the display and/or promotion of other historical railroad artifacts as may be found in the City of Fort Wayne, County of Allen, State of Indiana.

7. Lessee agrees that upon breach of any of the covenants set forth above or failure to use the locomotive and tender for a public purpose Lessor shall cause termination of this lease agreement and the leasehold interest shall revert to the Lessor.

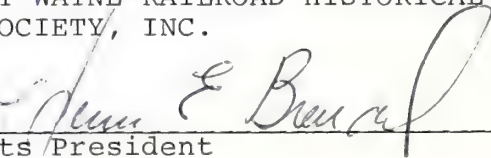

IN WITNESS WHEREOF, the said parties hereunto set their hands and seals this 27th day of November, 1973.

"WATER MAIN AND WATER SERVICE MATERIALS STANDARDS"

ENGINEERING DEPARTMENT

CITY OF FORT WAYNE, INDIANA

WATER DIVISION

In order to be consistent and to maintain a minimum amount of repair parts, the Water Division of the Engineering Department of the City of Fort Wayne, Indiana has adopted the following materials standards which shall be strictly adhered to in the construction of all water mains and water services, between the main and curb stop, connected to and becoming a part of the Fort Wayne Water Works System.

These Standards shall supersede and replace all previous Water Main Materials Standards, including those approved by the Board of Public Works on June 6, 1963, and any supplements or modifications thereto.

SECTION A - PIPE MATERIALS (MAINS)

Pipe materials for water mains may be one of three types; gray cast iron pipe, ductile cast iron pipe, or prestressed concrete cylinder pipe, however, ductile iron pipe shall be used in preference to gray cast iron pipe unless otherwise approved in writing by the Water Engineering Department.

The following design criteria shall be used in the design of all pipe used in the construction of water mains:

SIZE	INTERNAL PRESS.(psi)*	SIZE	INTERNAL PRESS.(psi)*
4"-10"	205	24"	170
12"	195	30"	165
16"	185	36"	160
20"	175	42"-60"	155

*includes 85 psi working pressure plus allowance for surge from Table 1-10 of ANSI A-21.1.

Safety Factor	2.5 (min.)
External Loading (Laying Condition "B")	Earth load plus AASHO H-20 Truck load (incl. impact)
Trench Width	Pipe O.D + 2.0 ft. (max.)
Depth of cover	Min. required on basis of diameter unless otherwise shown on plans.

Sec. A-1 - Gray Cast Iron Pipe

All gray cast iron pipe shall be centrifugally cast according to the latest revisions of ANSI Specifications # A21.6 (AWWA C106), in lengths not less than eighteen (18') feet long, and cement-mortar lined according to the latest revisions of ANSI Specifications # A21.4 (AWWA C104).

All gray cast iron pipe 20" and smaller shall be thickness Class # 22, and 24" and larger shall be thickness Class # 23, or as determined in accordance with ANSI Specification # A21.1 (AWWA H-1), unless otherwise designated on the appropriate drawings for a particular installation. In case there is any question as to the class pipe to be used in connection with a particular installation, it shall be the duty of the party or firm supplying the pipe to obtain written verification from the Water Engineering Department of the classification of pipe in question.

The bell end of all cast iron pipe shall be cast for either a mechanical joint or for an approved slip joint with rubber gasket.

Sec. A-2 - Ductile Cast Iron Pipe

All ductile cast iron pipe shall be centrifugally cast according to the latest revisions of ANSI Specifications A21.51 (AWWA C151), in lengths not less than eighteen (18') feet long, and cement-mortar lined according to the latest revisions of ANSI Specifications # A21.4 (AWWA C104).

Wall thickness shall be determined by the pipe manufacturer in accordance with ANSI Specifications # A21.50 (AWWA H-3) using loads imposed by the respective depths of cover at the various locations of the project. In case there is any question as to the class pipe to be used in connection with a particular installation, it shall be the duty of the party or firm supplying ductile iron pipe to obtain written verification from the Water Engineering Department of the classification of pipe in question.

The bell end of all ductile iron pipe shall be cast for either a mechanical joint or for an approved slip joint with rubber gasket.

Sec. A-3 - Prestressed Concrete Cylinder Pipe

All prestressed concrete cylinder pipe shall be manufactured to conform in all respects to the latest revisions of the American Water Works Association Standards, designation C-301, for prestressed concrete cylinder pipe and furnished in lengths not less than sixteen (16') feet long (except special and closure pieces) and shall be equipped with plain rubber gaskets.

Closure pieces, with rubber gasket joints, shall be furnished as necessary

for the proper construction of the water main. Measurements for lengths of closure pieces shall be made in the field after adjacent pipe sections are in place in the trench.

Sec. A-4a - Mechanical Joints for Gray and Ductile Cast Iron Pipe

Cast iron pipe with mechanical joints, for normal water main installations, shall be complete with accessories, including corrosion resistant bolts and nuts and lead-tipped rubber gaskets, in accordance with the latest revisions of ANSI Specifications # A21.11 (AWWA C111). The bolts and nuts used with this type joint shall be made in accordance with the above specifications except the material from which they are made shall be Cor-Ten, Usalloy, Acipcoloy, or approved equal, corrosion-resistant steel.

All flexible joints used on river-crossing pipe shall be of "Usiflex" type or approved equal, and shall be equipped with plain rubber gaskets.

Sec. A-4b - Slip joints for Gray and Ductile Cast Iron Pipe

Cast iron pipe with slip joints shall be complete with appropriate rubber gasket in accordance with the latest revisions of ANSI Specifications # A21.11 (AWWA C111).

Pipe with this type joint shall be furnished and installed with at least two (2) serrated brass wedges in each joint, or the rubber gasket shall be made with three or more contact strips molded into it (or other approved method) to effect conductivity of electricity across the joint for thawing purposes. The wedges or strips shall be of sufficient size and number to carry a minimum of four hundred (400) amperes of direct current and voltage drop not to exceed one-tenth (1/10) of one (1) volt per joint, and there shall be no perceptible temperature rise and no evidence of smoking, arcing or fuming.

SECTION B - FITTINGS (MAINS)

Fittings shall be of a type corresponding to the type of pipe materials used in the particular main extension.

Sec. B-1 Fittings used with Gray Cast Iron Pipe

If a water main is constructed of gray cast iron pipe, all fittings shall be mechanical joint or slip joint gray cast iron, made in accordance with the latest rev. of Specifications # A21.10 and A21.11 (AWWA C110 and C111), and equipped with mechanical joints or slip-joints in accordance with Section A-4a or A-4b of these Standards, and cement-lined according to the latest revisions of ANSI Specification # A21.4 (AWWA C104).

Sec. B-2 - Fittings used with Ductile Cast Iron Pipe

If a water main is constructed of ductile cast iron pipe, all fittings shall be mechanical joint or slip-joint ductile iron, made in accordance with the latest revisions of ANSI Specifications # A21.10 and # A21.11 (AWWA C110) and C111), and equipped with mechanical or slip joints in accordance with Section A-4a or A-4b of these standards, and cement-lined according to the latest revisions of ANSI Specifications A21.4 (AWWA C104).

SECTION C - VALVES (MAINS)

Valves used in the construction of water mains shall be one of two types, depending on their size. Those valves twelve (12") inches and smaller in size shall be vertical gate valves and those valves sixteen (16") inches and larger shall be butterfly type.

Each valve shall be equipped with a standard valve box.

Sec. C-1 - Gate Valves

All gate valves shall be cast iron body made in accordance with the latest revisions of American Water Works Association Standards, designated C-500; complete with mechanical joints and accessories in accordance with Section A-4a of these Standards; coated inside and outside with standard bitumastic coating for water mains; shall open by turning right (clockwise); shall be equipped with O-ring packing, double-gates with parallel seats, and a two (2") inch operating nut; and the Stems, Stem Nuts, Seat Rings, Gate Rings, Wedges, and Hooks shall be made of bronze.

The following valves, or approved equals, are the only valves which will be accepted for use in connection with the installation of water mains.

<u>Brand Name</u>	<u>Catalog No.</u>
Eddy-Iowa	Clow No. F-5065
American Darling	No. 55
Kennedy	No. 571 X

Sec. C-2 - Butterfly Valves

Butterfly Valves shall be manufactured to conform in all respects to the latest revisions of the American Water Works Association Standards, designation C-504, and coated inside and outside with standard bitumastic coating for water mains. The body, disc, shaft, seats, bearings and operators shall be designed based on Class 150B and shall be of the short or long body type. The Seat-ring shall be made of rubber, located in the body or on the valve disc, and shall be adjustable and field replaceable in sizes 30" and larger. The shaft may be of the through type or stub type and shall be marked on the end to indicate the position of the valve disc with respect to the shaft.

The valve disc shall be of the corrosion-resistant alloy cast iron. The valves shall be equipped with a stainless steel stop in the body to prevent the disc from rotating through the closed position. The shaft seals shall be of the "split-V" or "Chevron" type. The operator shall be permanently lubricated and sealed for buried service and shall be equipped with a two (2") inch square operating nut. The operator shall be constructed such that the valve will open when the nut is turned to the right or in a clock-wise direction. Operators for valves sixteen (16") inches and twenty (20") inches in size may be of the traveling-nut or worm gear type. Operators for twenty-four (24") inch and larger shall be of the worm gear type. A "Positive Additive Stop" may be included if required by the owner as an alternate and mounted on top of the gear reducer, prior to any mechanical advantage produced by the gear reducer, limiting the input to the gear reducer to 1,500 foot-pounds.

In addition to the above, those butterfly valves used in connection with gray cast iron or ductile cast iron pipe shall be equipped with flanged ends and those used with prestressed concrete pipe shall be equipped with "Victaulic" ends unless specified differently in plans and/or detailed specifications. Installation shall be in accordance with the latest revisions of the Utility's Construction Standards.

The following brands of butterfly valves have been accepted for use in connection with the installation of water mains:

Brand Name

Clow

American-Darling

Pratt

SECTION D - FIRE HYDRANTS (MAINS)

Fire hydrants used in the construction of water mains shall be of the traffic type and shall be made in accordance with the latest revisions of the American Water Works Association Standards, designation C502; shall have a six (6") inch mechanical joint bell inlet at the base and all jointing accessories in accordance with Section A-4a of these Standards; shall open by turning left (counter clockwise); shall have a minimum valve opening of five (5") inches; shall be equipped with O-ring packing, one and one-half (1-1/2) inch pentagon operating nut, one four and one-half (4-1/2) inch pumper and two (2) two and one-half (2-1/2) inch hose connections, all on the same plane, and having National Standard Fire Hose threads of four (4) threads and seven and one-half (7-1/2) threads per inch,

respectively; and a ground line flange and shall be painted Federal Yellow.

The fire hydrant barrels shall be of sufficient length so as to connect with the hydrant leg, attached to the water main, and so the ground line flange is not less than two (2) inches or more than six (6) inches above the finished grade of the adjacent area.

Each fire hydrant shall be installed with a six (6) inch mechanical joint valve between it and the main to which it is connected. There shall be a twenty four (24) inch nipple of six (6) inch pipe between the valve and the hydrant. The following fire hydrants, or approved equals, are the only fire hydrants which will be accepted for use in connection with water main installations:

<u>Brand Name</u>	<u>Catalog No.</u>
Kennedy	K-11 (Break flange type)
American - Darling	B-62B
Traverse City	H-1-M
Waterous	WB-67

SECTION E - PERMANENT BLOW-OFFS (MAINS)

All permanent blow-offs shall include a Clow # F-4717 street washer, or approved equal, for five (5) foot bury with two (2) inch iron pipe threaded inlet, and the necessary two (2) inch type "K" copper pipe and brass fittings to connect it to the water main, with a two (2) inch curb stop and standard Buffalo type curb box between the main and the street washer.

SECTION F - WATER SERVICE MATERIALS - GENERAL

Materials for water services four (4) inches and larger in size shall be gray cast iron or ductile cast iron and shall conform to the standards for water main materials under Sections A-1, A-2, A-4a, A-4b, B-1, B-2, and/or C-1, listed above.

The remaining standards shall be applicable to services three-quarter (3/4) inches thru two (2) inches in size, which shall be constructed by using copper pipe and fittings and brass stops and valves.

SECTION G - COPPER PIPE (SERVICES)

All copper water services shall be constructed by using copper water tube, Type "K", made in accordance with the latest revisions of ASTM Specifications B88-47 or Federal Specifications WW-T-799, and shall have the type designations and the manufacturers name and/or symbol stamped into the outer surface.

SECTION H - FITTINGS USED WITH COPPER PIPE

The fittings used in connection with copper services, such as tees, elbows, and adapters to connect the copper pipe to threaded joints, shall be of the solder-joint type, made of wrought-copper in accordance with the latest revisions of ANSI Specifications B16.22.

SECTION J - VALVES AND STOPS (SERVICES)

Sec. J-1 - Curb Stops

All curb stops, three-quarter (3/4) inch thru two (2) inch in size, shall be Class 200 plug or ball type valves of extra heavy, all brass construction with inlets and outlets machined and threaded for use with flared type "K" copper service tube, and furnished with two (2) coupling nuts, all in accordance with the latest revisions of the American Water Works Association Standards designation C-800, shall have a tee-head operator, a 90° rotation of the plug or ball, each stop shall be equipped with a standard Buffalo type curb box. In addition to the above, the plugs or balls shall be teflon-coated. Ball valves shall have hard or synthetic rubber seat-rings to effect seal. Plug type valves shall have O-rings within the body or plug to effect seal. The following curb stops, or approved equals, are the only curb stops which will be accepted for use in connection with water service installations:

<u>Brand Name</u>	<u>Catalog No.</u>
Mueller	H-15201
Ford	B-22
Jones	J-1902
McDonald	6100

Sec. J-2 - Corporation Stops

All corporation stops, three-quarter (3/4) inch thru two (2) inches in size, shall be class 200 plug type valves of extra-heavy, all brass construction, shall have a flat, thick operating head, a washer and adjusting nut on the bottom of the plug, and a 360 degree rotation of the plug, all in accordance with the latest revisions of American Water Works Association Standard designation C-800. The inlet shall be machined and threaded with standard AWWA corporation stop (Mueller) threads, the outlet shall be machined and threaded for use with flared, type "K" copper service tube, and furnished with one (1) coupling nut. The following corporation stops, or approved equals, are the only corporation stops which will be accepted for use in connection with water service installations:

<u>Brand Name</u>	<u>Catalog No.</u>
Mueller	H-15000
Ford	F-600
Jones	J-1500
Farnan	W-100
McDonald	4701

SECTION K - VALVE AND CURB BOXES

All valve boxes and curb boxes, referred to in these standards, shall be cast iron, Buffalo, screw type boxes with the word WATER imprinted on the lid.

The valve boxes shall be five and one-quarter (5-1/4) inch shaft size and three-piece type, with a round base.

The curb boxes shall be three (3) inch shaft size, two piece type, and the lid shall be held in place by a standard brass pentagon head screw.

SECTION L - APPROVED EQUALS

The term "approved equals" used in these standards, shall be defined as a written approval of a material not listed herein, as recommended by the Water Engineering Department, and signed by the Board of Public Works of the City of Fort Wayne, Indiana.

No such approval will be granted for the acceptance of any such materials unless and until the manufacturer or supplier shall have first furnished a reasonable quantity of such materials to be tested in the Water Works System of the City of Fort Wayne and found by the Water Engineering Department, and the Board of Public Works to be acceptable, or until the Engineering Department has obtained satisfactory evidence that the materials have been used successfully elsewhere under similar conditions.

SECTION M - EFFECTIVE DATE

These Standards for Water Mains and Water Service Materials will become effective upon approval and adoption by the Board of Public Works of the City of Fort Wayne, Indiana, and may be modified or superseded without notice by appropriate action by the said Board pursuant to recommendations of the Water Engineering Department.

REAL ESTATE LEASE

THIS LEASE, entered into this 28th day of November 1973, by and between, City Utilities, The City of Fort Wayne, Lessor, and Allen County, State of Indiana, Lessee,

W I T N E S S E T H :

Lessor, does hereby lease unto Lessee and Lessee does hereby hire and take as Lessee upon and subject to the covenants, terms, and conditions herein set out, each of which the respective parties agree to keep and perform, the following premises situated in the City of Fort Wayne, County of Allen, State of Indiana:

Lot Number 66, County Addition,
Commonly known as 308 East Berry Street

Said premises shall be used for the purposes of housing the City-County Building Department and Minimum Housing Department and for no other purpose without the written consent of Lessor.

TERM

The term of this lease shall commence on the 2nd day of January, 1974, and extend through the 31st day of December, 1974.

RENTAL

Lessee shall pay as rent therefor One Dollar (\$1.00) for the year 1974 and said rent shall be due and payable in advance on the 1st day of December, 1973.

ASSIGNMENT OR SUBLETTING

This lease shall not be assigned nor shall said premises or any part thereof be let or sublet or used or permitted

to be used for any purpose other than as above provided without the written consent of Lessor.

PARKING

Parking space immediately adjacent to and along the east side of the structure only shall be provided by the Lessor at no additional cost to Lessee. This provision does not include the enclosed parking (garage) facilities, parking on the west side, and on nearby lots.

DECORATIONS, ALTERATIONS AND ADDITIONS

All decorations, alterations, and additions deemed necessary by Lessee shall be made by Lessee at Lessee's expense, but only with the written permission of Lessor.

All repairs to the building, equipment, plumbing, electrical system, and other facilities are the expense of the Lessee. The Lessee also agrees to provide all necessary and reasonable janitorial and maintenance services.

DAMAGE TO TENANT'S PROPERTY

Lessor shall not be liable to Lessee or any other person or corporation, including employees, for any damage to his person or property caused by water, rain, snow, frost, fire, storm or accident, or by breakage, stoppage, or leakage of water, gas, heating and sewer pipes or plumbing, upon, about or adjacent to said premises.

HOLD HARMLESS PROVISION

The Lessee agrees to provide insurance or otherwise reimburse Lessor for all damage, excluding normal wear and tear, to Lessor's property covered by this lease. Furthermore,

Lessee agrees to assume all liability relating to the use and occupancy of these premises.

DAMAGE TO OR DESTRUCTION OF BUILDINGS

If during the term of this lease any principal building on the demised premises is totally destroyed from any cause this lease shall become void.

UTILITIES

All charges for utilities, including but not limited to electricity, gas, water, fuel oil, sewerage, and telephone will be charged to and be the expense of Lessee.

OPTION TO RENEW LEASE

A. Lessee is hereby given and granted the option to renew this lease for an additional term of one year, commencing on the first day of January, 1975 and continuing through the last day of December, 1975, at the same rental and for the same terms as herein set forth, provided a notice in writing is given to the Lessor of Lessee's intention to renew One Hundred Twenty (120) days in advance of the expiration of this lease. This option is void and of no force and effect if Lessor has need of the demised premises for any City project.

B. Upon written notice by either party delivered to the other party at least one hundred twenty (120) days prior to the expiration of option period of this lease, negotiations may be entered into for the lease of subject property subsequent

11-26-73

CH

RME

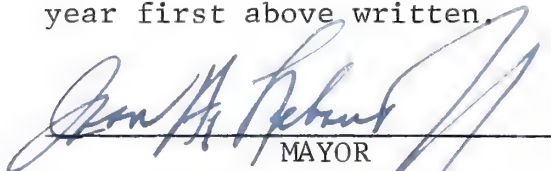

CHW (11-26-73)

to the term of this lease. If no notice is delivered hereunder, said lease shall be extended for a similar period under the same terms.

NOTICES

Any notice or demand provided for herein may be given to the party to be served by personal service, or by registered or certified mail addressed to Lessor at his last known address, or to Lessee at the premises herein leased.

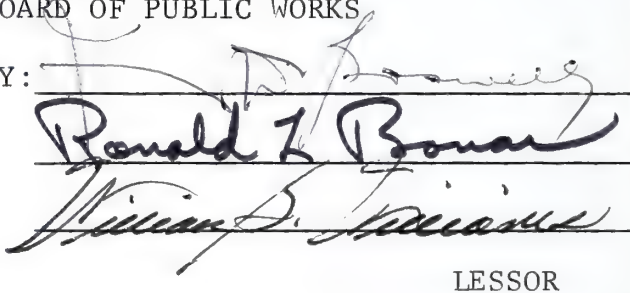

IN WITNESS WHEREOF, the parties hereto have duly executed the foregoing instrument in duplicate the day and year first above written.

SEWER EASEMENT RESOLUTION

NO. 128 - 1973

TEMPORARY

For the condemnation of a temporary right of way for sewer easement purposes across, through and under a space bounded on the north by the north line of the southwest quarter of Section 27, on the east by the Spy Run Creek, on the south by the Neuhaus Ditch, and on the west by the west line of the southwest quarter of Section 27; all located in the southwest quarter of Section 27, Township 31 north, Range 12 east in Washington Township.

The Board of Public Works of the City of Fort Wayne, Indiana confirmed Sewer Easement Resolution No. 101 - 1972 Amended, as described in Instrument No. 72-17572, for the condemnation of a permanent and temporary right of way for sewer easement purposes needed for sewer improvement Resolution No. 853. The temporary sewer easements described in Sewer Easement Resolution No. 101 - 1972 Amended have expired and need to be renewed.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana that it is desired and deemed necessary to condemn right of way for sewer easement purposes across, through and under a portion of land bounded on the north by the north line of the southwest quarter of Section 27, on the east by the Spy Run Creek, on the south by the Neuhaus Ditch, and on the west by the west line of the southwest quarter of Section 27, all located in the southwest quarter of Section 27, Township 31 north, Range 12 east in Washington Township, more particularly described as follows:

TEMPORARY EASEMENT

1. An easement 60' in uniform width being the south 60' of the north 205' of a space now or formerly owned by Thomas G. Ember and Selma Ember as described in Deed Record Book 385, Page 508.
2. An easement 37' in uniform width being the west 37' of the south 355' of the north 560' of a space now or formerly owned by Thomas G. Ember and Selma Ember, as described in Deed Record Book 385, Page 508.
3. An easement 37' in uniform width lying immediately east of adjacent to and parallel to the west line of the 2± acre space now or formerly owned by Thomas G. Ember and Selma Ember, as described in Deed Record Book 621, Page 575-6.
4. An easement 54' in uniform width lying 27' either side of the following described centerline: Beginning at a point 27' north of the southwest corner of Lot #1 in Crestwood Addition Amended as recorded in Plat Book 17, Page 74; thence turning an angle clockwise of 50 degrees 37 minutes± from the west property line and projecting a distance of 360.2± feet to a point on the east property line of said Lot #1 being 50' south of the northeast corner of said Lot #1.
5. An easement 44' in uniform width being the west 44' of the south 50' of Lot #1 as recorded in Plat Book 17, Page 74.
6. An easement 34' in uniform width being the south 34' of a space now or formerly owned by Don R. Rhodes and Rose Rhodes as described in Instrument No. 70-755.
7. An easement 44' in uniform width lying immediately west of, adjacent to and parallel to the east line of a space now or formerly owned by Carl Coleman and Lois Coleman as described in Instrument No. 72-25203.

All according to the method and manner provided for in an Act of General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporation," as approved March 6, 1905, and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments, if deferred, are to be paid in 10 equal installments with interest at the rate of six percent (6%) per annum. Under no circumstances shall the City of Fort Wayne, Indiana, be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such monies as shall have been actually received by the City from assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bond therefore, shall be provided for in said above entitled act and all amendments thereto and supplemental thereof.

All land affected lies within part of the Southwest quarter Section 27, Township 31 North, Range 12 East in Washington Township.

The temporary sewer construction easement shall expire one year from the date of adoption.

ADOPTED THIS 19 DAY OF November, 1973.

1973

60-137-9

11/17/22

For the Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ of the first alley north of Burgess Street from the west property line of Oakland Street to the east property line of the first alley west of Oakland Street.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the first alley north of Burgess Street from the west property line of Oakland Street to the east property line of the first alley west of Oakland Street.

All as shown by a plan of such proposed Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana

The cost of said Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Vacation - Opening - Condemnation of right of way for utility purposes is described as follows: Lot #75, Pape's 3rd Addition and part of Lot 19, Ewings Out Lots. Both additions are inclusive to the City of Fort Wayne, Indiana.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5)% per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

The vacation of the above described alley shall be subject to an easement for the use of the City of Fort Wayne, Indiana, and other public utilities for the construction and maintenance of sewers, water mains, gas mains, electric pole lines and conduits, telephone and telegraph pole lines and conduits.

All Streets, lots and lands affected by the above described vacation are situated in the northwest quarter Section Six, Township 30 north, Range 12 east and lie wholly within the corporate limits of the City of Fort Wayne, Indiana

DECLARATORY RESOLUTION No. 1853 10 73

For the Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ of Jeffers Avenue from the west property line of Fairview Avenue to the northwest property line of Washington Boulevard.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate Jeffers Avenue from the west property line of Fairview Avenue to the northwest property line of Washington Boulevard.

All as shown by a plan of such proposed Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana

The cost of said Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ is described as follows: Lots 66 to 69 inclusive and Lots 132 and 155 and vacated alley all in Lincoln Highway Park Addition. Said addition is inclusive to the City of Fort Wayne, Indiana.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5) % per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

The vacation of the above described street shall be subject to an easement for the use of the City of Fort Wayne, Indiana, and other public utilities for the construction and maintenance of sewers, water mains, gas mains, electric pole lines and conduits, telephone and telegraph pole lines and conduits.

All Streets, lots and lands affected by the above described vacation are situated in the southeast quarter Section Six, Township 30 north, Range 13 east and lie wholly within the corporate limits of the City of Fort Wayne, Indiana.

STREET LIGHTING RESOLUTION NO. 104-73
TOWER HEIGHTS ADDITION, SECTIONS C, D AND E

WHEREAS, Tower Heights Addition, Sections C, D and E, was developed without the benefit of street lighting, and

WHEREAS, over 55% of the property owners in Tower Heights, Sections C, D and E have petitioned the Board of Public Works for the installation of street lights with underground wiring, and

WHEREAS, engineering plans, specifications, estimates and primary assessment figures have been prepared by the Electrical Engineering Department and filed with the Board of Public Works,

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works of the City of Fort Wayne, that new street lighting with underground wiring shall be installed in Tower Heights Addition, Sections C, D and E.

A maximum cost of \$.01 per square foot of lot area shall be apportioned against and paid by the property owners benefited, (up to a maximum of \$150.00 per lot), with the City of Fort Wayne, Indiana, paying the balance of cost of said lighting improvement, all according to the method and manner provided for in an Act of the General Assembly of the State of Indiana entitled, "Public Improvements in Platted Additions," Burns 48-3001, etc.

Assessments, if deferred, are to be paid in ten (10) equal installments, with interest at the rate of six (6) per cent per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such monies as shall have been actually received by the City from the assessments for such improvement, or such monies as said City is by said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplemental thereof.

RESOLUTION OF AGREEMENT ACCEPTING BAER FIELD EXPRESSWAY

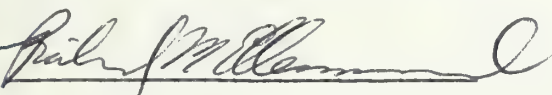

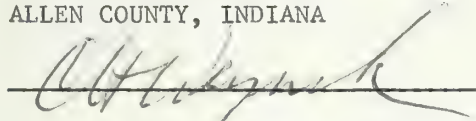

WHEREAS, the Indiana State Highway Commission is in the process of abandoning the Baer Field Expressway (formerly State Route #3) between State Road #1 and the Western Terminus of the Baer Field Expressway; and,

WHEREAS, certain portions of the Baer Field Expressway are in the City of Fort Wayne and certain portions are in Allen County outside the city limits;

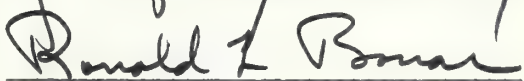

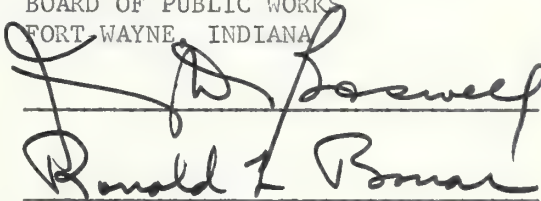

NOW THEREFORE be it resolved that in order to eliminate confusion as to the location of the jurisdictional line by maintenance forces, the City of Fort Wayne will maintain all of the above described highway lying east of the west right-of-way line of the Norfolk and Western Railroad and Allen County will maintain that portion lying west of the west right-of-way line of the Norfolk and Western Railroad.

BE IT FURTHER RESOLVED that this Resolution of Agreement shall be in effect until such time as any of the highway involved is either annexed or dis-annexed by the City of Fort Wayne or until an amending Resolution of Agreement is adopted by both the City of Fort Wayne, Board of Works and the Allen County Commissioners.

BOARD OF COMMISSIONERS

BOARD OF PUBLIC WORKS
FORT WAYNE, INDIANA

This agreement dated November 13, 1973

MEMORANDUM OF AGREEMENT

It is hereby agreed by the undersigned that the physical plant and maintenance expenses associated with the operation of the City-County Building shall be shared as follows for 1973 and henceforth until such time changes are negotiated by the parties hereto:

Civil City of Fort Wayne	48.8%
City Utilities of Fort Wayne	16.2%
Allen County	35.0%
	<u>100.0%</u>

It is further agreed that Civil City of Fort Wayne and the County of Allen shall share equally in the net operating profit realized by the City-County Building Cafeteria to include those of fiscal year 1972 and henceforth until such time changes are negotiated by the parties hereto.

It is further agreed that the Commissioners of Allen County, the Board of Public Works and representatives of City Utilities shall meet each December or as otherwise needed to negotiate any changes that may by appropriate/required applicable to space utilization by respective parties or other matters pertinent to the provisions of this agreement.

This agreement entered into this 1st day of November 1973.

7. WAIVER OF RIGHT TO REMONSTRATE AGAINST ANNEXATION

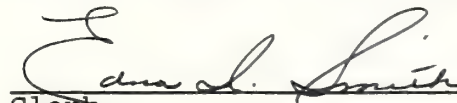

The Developer, for itself, its successors in title and assigns, waives and releases any and all rights which it may now or hereafter have to remonstrate against or otherwise object to, interfere with or oppose any pending or future annexation by City of any territory now or hereafter owned by it, as described in Article 3 herein, or hereafter served by said sewer or any extension thereof.

In further consideration and to induce City to execute and ratify this contract, said Developer, for itself, its successors and assigns, agrees by this contract to vest in City the permanent right at its discretion to annex to the City of Fort Wayne at any future time by duly authorized ordinance the said real estate described in Article 3 herein.

8. COUNCILMANIC APPROVAL

It is understood and agreed that this contract is in all respects subject to approval by the Common Council of City, by duly adopted Ordinance, and if such Ordinance is not adopted within a period of Ninety (90) days after execution thereof, this Contract shall be null and void and of no further force and effect.

AGREEMENT

FOR

73-28244

S-117-73

NOV 15 PM 4:08 SANITARY SEWER EXTENSION

ALLEN COUNTY RECORDER

THIS AGREEMENT, made in triplicate this 16th day of October, 1973 by and between JUSTUS CONTRACTING CO., INC., hereinafter referred to as "DEVELOPER", and the CITY OF FORT WAYNE, INDIANA, an Indiana Municipal Corporation, hereinafter referred to as "CITY",

WHEREAS, the DEVELOPER desired to construct a sanitary sewer over that tract of ground described in an easement recorded in the office of the Recorder of Allen County, Indiana, as Document No. 72-07206, in accordance with plans, specification and profiles heretofore submitted to the CITY and now on file in the office of the Chief Engineer of the Water Pollution Control Engineering Department of the CITY, and known as South Towne Square Sanitary Sewer, which plans, specifications, profiles are by reference incorporated herein and made a part hereof, which sewer will serve not only land in which the DEVELOPER has an interest, but also adjoining land areas.

WHEREAS, the cost of the construction of said sewer is represented to be \$8,347.00 composed of \$7952.00 for construction costs; \$395.00 for engineering services.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and agreements hereinafter set forth, the parties agree as follows:

1. CONSTRUCTION OF SEWER

The DEVELOPER shall cause said sewer to be constructed and located in accordance with said plans, specifications and profiles, all approved by the CITY, under private contract with CITY approval. All work and materials shall be inspected by the CITY and conform with all CITY standards and specifications. Upon completion, said sewer shall become the property of CITY and all further maintenance thereafter shall be borne by the CITY.

Ed. J. Works Corp

10.50

2. COST OF CONSTRUCTION

The DEVELOPER agrees to pay the entire cost and expense of construction of said sewer, in cash, including CITY engineering fees, and to hold the CITY harmless from any liability for claims connected therewith.

3. AREA OF DEVELOPER

Said sewer, when accepted by the CITY, will serve the following described real estate:

Part of the Northwest fractional quarter, Section 31, Township 30 North, Range 13 East, Allen County, Indiana more particularly described as follows:

Commencing at the center of Section 31, Township 30 North, Range 13 East, marked by a 48-inch diameter dead, burned-out tree; thence North on the North and South center line of said Section 31, Township 30 North, Range 13 East 443 feet for a POINT OF BEGINNING, marked by an iron pin; thence North 87 degrees 16 minutes West a distance of 561.7 feet to a nail located on the center line of Old Decatur Road; thence North 27 degrees, 29 minutes West a distance of 806.4 feet along the centerline of said Old Decatur Road to a nail; thence North 61 degrees, 36 minutes East along the Southeasterly line of the parcel of land owned by Trinity Evangelical Lutheran Church, as recorded in Deed Record "I" Page 107, a distance of 294.5 feet to an iron pipe; thence North 28 degrees, 24 minutes West along the Northeasterly line of said Trinity Evangelical Lutheran Church as recorded in Deed Record "I" Page 107, and Deed Record "T", page 550, a distance of 351.6 feet to an iron pipe; thence South 87 degrees, 09 minutes East a distance of 843.5 feet to a stone and post located on the North and South centerline of said Section 31; thence South on the North and South centerline of said Section 31 a distance of 1,150 feet to the point of beginning.

As the DEVELOPER will pay for the cost of construction of said sewer as it pertains to the above described area, no charge or assessment is made by this Agreement against the above described real estate for the construction of said sewer by the present or future owners of said real estate except only as to such standard monthly service charges, tap-in and inspection fees as are customarily charged by the CITY for connection to CITY sewer mains.

4. CHARGE AGAINST EXCESS AREA

Said sewer, when constructed, will also serve the additional or excess area adjacent to the above described real estate and more particularly described in Exhibit A attached hereto and made a part hereof.

In the event any present or future owner of said described excess area shall at any time within fifteen (15) years after the date of this contract, desire to use said sewer or any extension thereof, whether by direct tap or through the extension or connection of lateral or local lines to service such land; CITY through its duly constituted authorities, before permitting such use, shall require by contract or assessment, as may be appropriate, that such owner or owners of said excess area pay to CITY in addition to the cost of standard tap-in and inspection fees, the sum of \$0.0057 cents per square foot for the area served by each such connection and use, which represents the fair share of the cost of the extension of CITY sewer to said excess area. EXHIBIT "A", showing properties in excess area subject to charge for construction and use of sewer as of this date is attached.

The amount so collected by the CITY shall be paid by the CITY within sixty (60) days of the receipt thereof by CITY to DEVELOPER.

5. AREA CONNECTION CHARGE

Any party in said excess area connecting to the sanitary sewer described herein, shall also pay an area connection charge of Five Hundred (\$500.00) Dollars per acre served at the time of such connection. This charge is in addition to the local charge set forth in Article 4 herein, and represents the oversizing cost expended by the city in construction of the South Anthony Interceptor Sewer (Resolution #181), the Southtown Mall Lift Station (Resolution #176), and the Southtown Mall Sewer Extension (Resolution #192) which service the sewer described herein.

For the Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ of the first alley north of Hale Avenue from the west property line of Riedmiller Avenue to the east property line of the first alley west of Riedmiller Avenue.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the first alley north of Hale Avenue from the west property line of Riedmiller Avenue to the east property line of the first alley west of Riedmiller Avenue.

NOTE: Entire 7 foot wide vacated alley shall revert back to Lot One, Michael's Addition since it was originally appropriated from this addition.

All as shown by a plan of such proposed Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana

The cost of said Vacation - Opening - Condemnation of right of way for utility purposes shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ is described as follows: Lot One in Allen Sub and Lot One in Michaels Addition. Said additions are inclusive to the City of Fort Wayne, Indiana.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5)% per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

~~The vacation of the above described alley shall be subject to an easement for the use of the City of Fort Wayne, Indiana, and other public utilities for the construction and maintenance of sewers, water mains, gas mains, electric pole lines and conduits, telephone and telegraph pole lines and conduits.~~

All Streets, lots and lands affected by the above described are situated in the southeast quarter of Section Ten, Township 30 North, Range 12 East and lie wholly within the corporate limits of the City of Fort Wayne, Indiana.

ADOPTED THIS 2nd DAY OF October 19 73

Attest:

Secretary Board of Public Works.

DECLARATORY RESOLUTION No. **1351** 19 73

For the Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ of the first alley north of Creighton Avenue from the east property line of Bowser Avenue to the west property line of Holton Avenue.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate the first alley north of Creighton Avenue from the east property line of Bowser Avenue to the west property line of Holton Avenue.

All as shown by a plan of such proposed Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana

The cost of said Vacation - ~~Opening - Condemnation of right of way for utility purposes~~ shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Vacation - Opening - Condemnation of right of way for utility purposes is described as follows: Lots 3, 4 and 7 in J.T. Hannas Sub. and Lots 1 to 5 inclusive in Devilbiss Sub. Ext. Said additions are inclusive to the City of Fort Wayne, Indiana

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5)% per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

The vacation of the above described alley shall be subject to an easement for the use of the City of Fort Wayne, Indiana, and other public utilities for the construction and maintenance of sewers, water mains, gas mains, electric pole lines and conduits, telephone and telegraph pole lines and conduits.

All Streets, lots and lands affected by the above described vacation are situated in the southeast quarter Section Twelve, Township 30 North, Range 13 East and lie wholly within the corporate limits of the City of Fort Wayne, Indiana.

Improvement Resolution

FOR STREET OR ALLEY

No. 5646 -1973

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA,
That it is deemed necessary to improve Emma Avenue

from the east property line of Steup Avenue

to the west property line of Tyler Avenue

By draining, curbing, grading and paving the roadway to a uniform width of twenty seven (27) feet ^{including curbs}
~~with Street Asphalt Asphaltic Concrete upon a six (6) inch Concrete foundation, Six (6) inch Plain Concrete~~
~~or with 8" Macadam, 2" Binder and 1" Asphalt Top.~~

also includes ornamental lighting with underground wiring

all in accordance with the profile, detail-drawing and specifications on file in the office of the Department of
Public Works of said City; and such improvement is now ordered.

A maximum cost of \$11.00 per front foot

~~The total cost of said improvement, excepting the cost of street and alley intersections, shall be assessed~~
upon the real estate abutting on said Emma Avenue as above described and on
the balance of the total cost
property within 150 feet of the line of the street to be improved, and upon the City of Fort Wayne,
Indiana, to the extent of the street and alley intersections. All according to the method and manner provided
for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal
Corporation," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental
thereof.

Assessments if deferred, are to be paid in ten equal installments, with interest at the rate of ^{six (6%) per} ~~five (5%) per~~
cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the
property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall
the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or own-
ers for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or
certificates, issued to said contractor in payment for such work, except for such moneys as shall have been
actually received by the city from the assessments for such improvement, or such moneys as said city is by
said above entitled act required to pay. All proceedings had and work done in the making of said improve-
ment, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided
for in said above entitled act and all amendments thereto and supplements thereof.

Adopted, this 27 day of September, 1973

BOARD OF PUBLIC WORKS:

Ronald L. Bonar

RESOLUTION NO. 60-69-9, 1973.

BARR STREET CLOSING

For the closing of Barr Street & Market Place from the north curb line of Washington Boulevard to the south curb line of Wayne Street to through traffic.

Whereas, the Board of Public Works of the City of Fort Wayne, Indiana, has been requested to close Barr Street & Market Place from the north curb line of Washington Boulevard to the south curb line of Wayne Street to through traffic and

Whereas, the Common Council of the City of Fort Wayne has provided revenue sharing funds for such closure and improvement thereof, and

Whereas, the property which may be injuriously or beneficially affected by such street closing is described as follows:

Lots 1 to 7 inclusive in Bass Sub. and Lot 178 of the Original Plat and Space known as Hanna Place Market. Lots 45 to 50 inclusive Hannas' Addition. Said Additions and Space are inclusive to the City of Fort Wayne, Indiana.

Whereas, the cost of such streets closing to through traffic shall be borne by the City of Fort Wayne,

NOW, THEREFORE, be it resolved by the Board of Public Works that it is in the best interests of the City of Fort Wayne in terms of traffic flow and long-term development that Barr Street & Market Place be and is hereby declared closed to through traffic from the north curb line of Washington Boulevard to the south curb line of Wayne Street.

SIDEWALK IMPROVEMENT RESOLUTION NO. **5645** -1973

Prospect Avenue, Anderson Avenue,
Tennessee Avenue, Riverside Avenue,
and Lawton Place

WHEREAS, the Board of Public Works has adopted a program requiring property owners to repair sidewalks in specified areas, as provided in Burns Statutes 48-2709, and

WHEREAS, the City shall, at its expense, repair curbing as necessary and slurry seal pavement where needed, and

WHEREAS, this represents the continuing effort of the Board of Public Works to increase property values by maintaining basic improvements and reducing safety hazards to pedestrians, and

WHEREAS, representatives of the Board of Public Works have made detailed inspection of walks and curbs within the following geographical area:

Bounded by Lawton Place on the north,
Griswold Drive on the east, Prospect
Avenue on the south and Spy Run Avenue
on the west.

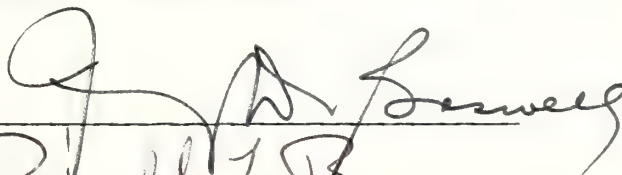

NOW THEREFORE, BE IT RESOLVED by the Board of Public Works of the City of Fort Wayne, Indiana, that arrangements for the repair of all defective sidewalks within the aforesaid area must be made by the property owner privately within ninety (90) days from date of confirmation of this resolution or by the City of Fort Wayne through this resolution, all in accordance with details, drawings, and specifications on file in the Office of the Board of Public Works of said City and such improvements are now ordered.

The cost of said improvement, if done by the City, shall be assessed upon the affected real estate abutting on streets within the above described area and upon the City of Fort Wayne, Indiana, for curbings, wingwalks, and alley intersections needing repair, all according to the method and manner provided for in the Acts of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten (10) equal installments, with interest at the rate of six (6) per cent per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such monies as shall have been actually received by the City from the assessments for such improvement, or such monies as said City is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplemental thereof.

STORM WATER
DETENTION POND
AGREEMENT

THIS AGREEMENT, made this 6th day of September, 1973 by and between Harold D. Palmer, Inc., an Indiana Corporation, hereinafter referred to as "Developer", and the CITY OF FORT WAYNE, INDIANA, an Indiana Municipal Corporation, hereinafter referred to as "City",

WITNESSETH:

WHEREAS, the Developer is the owner of the following described premises:

Lot Numbered 3 in Guy R. Bell's Subdivision, according to the Plat Record 13, Page 82, in the Office of the Recorder of Allen County, Indiana, together with the North one-half of vacated Dial Drive, as vacated by Miscellaneous Record 318, Pages 77-78, Allen County, State of Indiana, EXCEPT that portion thereof dedicated for street purposes, as set out in Document Number 72-25621.

WHEREAS, the Developer is to construct a condominium complex on the above described premises, and

WHEREAS, the Developer is required by the City to construct a storm water detention pond on the above described premises, and

WHEREAS, the Developer has agreed to construct said storm water detention pond and to provide perpetual maintenance for the said storm water detention pond.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements set forth, the parties hereto agree as follows:

1. The Developer will construct or cause to be constructed the storm water detention pond in accordance with the plans prepared by Gerald E. Rocke, Professional Engineer, dated March 20, 1973 and approved by the City. Construction of the storm water detention pond shall be upon the Southwest corner of the above described premises.
2. Inasmuch as a detention pond is an unusual element of a storm drainage system, the Developer agrees that they will provide perpetual maintenance of said pond at their cost.
3. The Developer assumes all responsibility for the maintenance and operation of said detention pond and hereby guarantees said maintenance and agrees to save the City harmless from any liability therefrom.

City Day

3.50

4. The City agrees that at such time as the pond is no longer necessary for the detention of storm water, that this agreement shall automatically terminate and the City will execute a recordable document evidencing such terminating at the request of the Developer.

This Agreement is accepted as a covenant which shall run with the above described premises and all rights hereto shall be binding upon the parties hereto their successors and assigns.

IN WITNESS WHEREOF, the parties have subscribed this Agreement this _____ day of _____, 1973.

RE: The East 1/2 of Lot 63 in Lasselleville's
Addition to Lasselleville, now in the City
of Fort Wayne, Allen County, Indiana

LeROY SMENNER, being duly sworn, deposes and says:

1. That he is President of Fort Wayne Investors Syndicate, Inc., the record titleholder of the above described real estate.
2. That the above described property was formerly sold on real estate contract to Alfred Campbell, Jr. and Louelle Campbell dated November 2, 1962.
3. That the Campbells defaulted in the purchase of said property in the year 1972 and on November 30, 1972, the record titleholder sent legal notice of default to the Campbells advising them of the termination of their contract at the end of 30 days if the defaults under said contract were not corrected.
4. That said defaults were not corrected and said contract was terminated and forfeited and possession of said property was retaken by the record titleholder.
5. That the Campbells attempted to assign part of their contract interest in the property to Associates Financial Services Company of Indiana, Inc. to secure a loan from said company, in violation of the terms of said contract against assignment thereof.
6. That notice of default and cancellation of said contract were also served on the Associates Company on November 30, 1972, and all interest of said company in said contract has now been terminated and forfeited.

LIGHT RESOLUTION NO. 101-1973

WHEREAS, the Board of Public Works is responsible for the installation and maintenance of street lighting in the City of Fort Wayne, and

WHEREAS, the Light Construction Department of the Fort Wayne Electric Utility normally constructs new street lighting, and

WHEREAS, City Council has made available \$400,000 in Revenue Sharing Funds for additional street lighting in addition to monies in the Civil City budget, and

WHEREAS, construction crews of the Light Construction Department are unable to keep pace with new construction required for street light installations, and

WHEREAS, it is deemed necessary to receive bids from private contractors to accomplish street light construction,

NOW, THEREFORE BE IT RESOLVED by the Board of Public Works that unit price bids shall be received for street light construction pursuant to specifications prepared by the Electrical Engineering Department and said unit price bids shall be valid for a period of one year. Actual work to be accomplished by private contractors shall be those projects approved by this Board.

Improvement Resolution

FOR STREET OR ALLEY

No. 5644 -1973

RESOLVED BY THE BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA,
That it is deemed necessary to improve the alley between Tennessee Avenue and Anderson Avenue

from the west property line of McAfee Street
to the property line of to its western terminus

By draining, curbing, grading and paving the roadway to a uniform width of ten (10) feet
with ~~Sheet Asphalt, Asphaltic Concrete upon a six (6) inch Concrete foundation~~, Six (6) inch Plain Concrete
~~or with 8" Macadam, 2" Binder and 1" Asphalt Top~~

all in accordance with the profile, detail-drawing and specifications on file in the office of the Department of Public Works of said City; and such improvement is now ordered.

A maximum cost of \$5.00 per front foot

~~The total cost of said improvement, excepting the cost of street and alley intersections,~~ shall be assessed upon the real estate abutting on said alley as above described and on property within 150 feet of the line of the alley to be improved, and ^{the balance of the total cost} upon the City of Fort Wayne, Indiana, ~~to the extent of the street and alley intersections.~~ All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporation," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments if deferred, are to be paid in ten equal installments, with interest at the rate of ^{six (6)} ~~five (5)~~ per cent, per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for the payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such moneys as shall have been actually received by the city from the assessments for such improvement, or such moneys as said city is by said above entitled act required to pay. All proceedings had and work done in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

Adopted, this 20 day of August, 1973

TEMPORARY EASEMENT

- (1) An easement 10 feet in uniform width being the West 10 feet of the East 25 feet of said vacated portion of Chandler Drive.

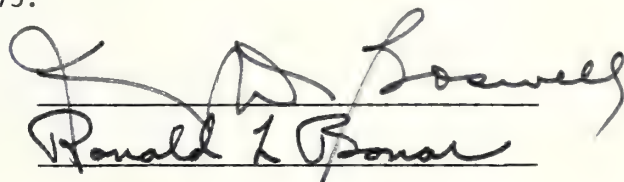

All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana, entitled, "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments, if deferred, are to be paid in ten equal installments, with interest at the rate of six (6) percent per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said above entitled act and all amendments thereto and supplemental thereof.

All land affected lies within part of the South half of Section 30, Township 30 North, Range 13 East and the North half of Section 31, Township 30 North, Range 13 East.

The temporary sewer easements shall expire one year from the date of adoption.

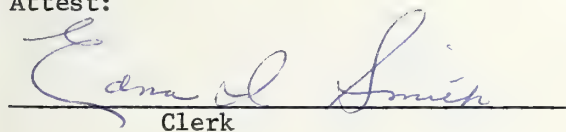

Adopted this 20 day of August, 1973.

SIDEWALK IMPROVEMENT RESOLUTION NO. 5640 - 1973

Lakeside Area

WHEREAS, it has been brought to the attention of the Board of Public Works that many sidewalks in the City are in need of repair, and

WHEREAS, as provided in Burns Statutes 48-2709, the Board of Public Works has the authority to require such repair, and

WHEREAS, the Board of Public Works has adopted a policy in that in specified areas scheduled for sidewalk repair, the City shall, at its expense, repair curbing as necessary and slurry seal pavement where needed, and

WHEREAS, this represents the continuing effort of the Board of Public Works to increase property values by maintaining basic improvements and reducing safety hazards to pedestrians, and

WHEREAS, representatives of the Board of Public Works have made detailed inspection of all walks and curbs within the following geographical area:

Bounded by State Boulevard on the north,
Anthony Boulevard on the east, Lake
Avenue on the south and Alabama Avenue
on the west.

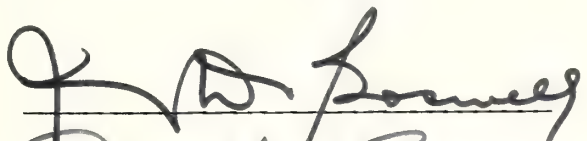

NOW THEREFORE, BE IT RESOLVED by the Board of Public Works of the City of Fort Wayne, Indiana, that arrangements for the repair of all defective sidewalks within the aforesaid area must be made by the property owner privately within ninety (90) days from date of confirmation of this resolution or by the City of Fort Wayne through this resolution, all in accordance with details, drawings, and specifications on file in the Office of the Board of Public Works of said City and such improvements are now ordered.

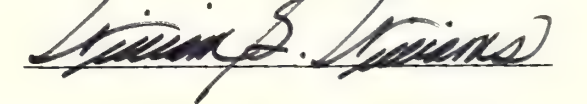

The cost of said improvement, if done by the City, shall be assessed upon the affected real estate abutting on streets within the above described area and upon the City of Fort Wayne, Indiana, for curbings, wingwalks, and alley intersections needing repair, all according to the method and manner provided for in the Acts of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof.

Assessments, if deferred, are to be paid in ten (10) equal installments, with interest at the rate of six (6) per cent per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be or held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for payment of any bond, bonds, certificate or certificates, issued to said contractor in payment for such work, except for such monies as shall have been actually received by the City from the assessments for such improvement, or such monies as said City is by said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplemental thereof.

Adopted this 6th day of August, 1973.

MEMORANDUM OF AGREEMENT

THIS AGREEMENT entered into this 6th day of August, 1973, by and between the COUNTY OF ALLEN, INDIANA, by the BOARD OF COMMISSIONERS OF ALLEN COUNTY, INDIANA, hereinafter referred to as "County", and the CITY OF FORT WAYNE, INDIANA, by the BOARD OF PUBLIC WORKS OF THE CITY OF FORT WAYNE, INDIANA, hereinafter referred to as "City",

WHEREAS, the parties above agree to reconstruct Hobson Road from S.R. #37 south to U.S. #30 (East Coliseum Boulevard), and

WHEREAS, it is the desire of the parties to enter into an agreement for the division of the construction costs and acquisition expenses of said project and right-of-way to be acquired; and

WHEREAS, it is the desire of said parties to reduce the said agreement into writing;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties herein agree as follows:

1. That the preliminary engineering and construction engineering for the project to be known as the Hobson Road Improvement from U.S. #30 to S.R. #37 which shall be improved at the same time within the existing City and County jurisdictional limits, shall be shared in cost in all respects, with the City of Fort Wayne and the County of Allen both participating on percentages based on the center line length as shown on the proposed plans, based on the jurisdictional limits at the time of the signing of this agreement.
2. That the parties hereto agree that the City of Fort Wayne and the County of Allen shall be responsible for the right-of-way needed for the improvement and extension of Hobson Road, which additional right-of-way shall be located in their respective jurisdictional limits at the time of acquisition.
3. The cost of construction for the City of Fort Wayne and Allen County for the proposed project will be divided based on the individual items used in each jurisdictional area times the bid unit prices of the Contract.
4. The parties further agree that the cost of construction for the improvement and extension of the Hobson Road Project shall be divided according to No. 3 above and as located within their respective jurisdictional limits existing at the time of bidding said construction project.
5. The City shall perform all engineering work on said project which said cost shall become a part of the total project cost and engineering costs shared as per No. 1 above

6. During the process of the preparation of the engineering plans and specifications, the County Highway Department shall have the right to review and reserves the right of final approval of the said engineering plans and specifications.

7. County Funds involved in this agreement are subject to Allen County Council approval.

DECLARATORY RESOLUTION No. 1348 19 73

For the Vacation _____ of Westview Avenue from the north right of way line of Carlton Avenue to its northern terminus, approximately 140 feet north.

Resolved by the Board of Public Works of the City of Fort Wayne, Indiana, that it is desired and deemed necessary to vacate Westview Avenue from the north right of way line of Carlton Avenue to its northern terminus, approximately 140 feet north.

All as shown by a plan of such proposed Vacation _____ as above described, now on file in the Office of the Department of Public Works of the City of Fort Wayne, Indiana

The cost of said Vacation _____ shall be assessed against the property beneficially affected thereby.

The property which may be injuriously or beneficially affected by such Vacation _____ is described as follows: Lots 25 and 26, Rietdorf Addition, said Addition is inclusive to the City of Fort Wayne, Indiana.

All according to the method and manner provided for in an act of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations", as approved March 6, 1905 and the provisions of all acts amendatory thereto and supplemental thereof, including the right to bond assessments as in said law ordered.

Assessments if deferred are to be paid in ten equal installments with interest at the rate of five (5)% per annum. Under no circumstances shall the City of Fort Wayne, Indiana be or be held responsible for any sum or sums due from the said property owner or owners, or for the payment of any bond or bonds, except for such moneys as shall have been actually received by the City from the assessments for such property damages as said City is by said above entitled act required to pay. All proceedings had in the making of said improvement, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplements thereof.

_____ of the above described _____ shall be subject to an easement for the _____ City of Fort Wayne, Indiana, and _____ and maintenance of sewers, _____, gas mains, electric pole lines and conduits, telephone and telegraph pole lines and _____

All Streets, lots and lands affected by the above described vacation are situated in the southwest quarter Section 10, Township 30 north, Range 12 east and lie wholly within the corporate limits of the City of Fort Wayne, Indiana.

ADOPTED THIS _____ DAY OF _____ 19 73

7. Received Memorandum of Agreement between Commissioners of Allen County and the City of Fort Wayne covering reconstruction of Hobson Road from State Road # 37 south to U. S. #30 (Coliseum Boulevard).
- Approved. A true copy of which Agreement is incorporated by reference herein and appears in Minutes herein, under Memorandum of Agreement.
8. Received invoices Nos. 3, 4 & 5 from Henry B. Steeg & Associates, Inc., in the amounts of \$736.81, \$923.48 and \$883.30 respectively, totaling \$2,543.59, for furnishing inspector on the Interim Phosphate Removal Project as per letter agreed upon October 2, 1972.
- Approved.
- Ordered the invoices #3, #4 & #5, totaling \$2,543.59, of Henry B. Steeg & Associates, Inc. paid by City Utilities from the Water Pollution Control Utility Fund.
9. Received Partial Payment Estimate NO. 2 (FINAL) in the amount of \$2,543.30 for Bercot, Inc. covering work performed on Water Contract 7303 - U. S. 30 By-pass
- Approved.
- Ordered City Utilities to pay Bercot, Inc. \$2,543.30 (FINAL) from the Water Utility Fund.
10. Received invoice of John Dehner, Inc. in the amount of \$2,572.57, covering emergency sewer repair at Baltes and Spy Run Avenues. Said repairs performed in July 5, 1973 could not be handled by the Water Pollution Control Maintenance Department.
- Approved.
- Ordered City Utilities to pay invoice of John Dehner, Inc. in the amount of \$2,572.57 from the Water Pollution Control Utility Fund.
11. Received Partial Payment Estimate No. 8 from Scheele Construction Company, Inc. in the amount of \$82,800.00 for Storm Water Overflow Demonstration - Resolution No. 260-1971.
- Approved and ordered invoice of Scheele Construction Company, Inc. in the amount of \$82,800.00 paid from the Sewer Relief Fund.

12. Received Water Contract NO. 7311 prepared and approved by the Water Engineer, between Fort Wayne Water Utility and AMFED SERVICE CORPORATION on Blum Drive, all in Tamarack Addition, Section "F".
Approved.
13. Received Partial Payment Estimate No. 13 of Henry B. Steeg and Associates, Inc. in the amount of \$159,960.15 for Professional Engineering Services to prepare plans and specifications for Water Pollution Control Facilities Improvement per agreement ratified May 25, 1971, Special Ordinance S-688-71.
Approved. Ordered City Utilities to pay invoice of Henry B. Steeg & Assoc., Inc. in the amount of \$159,960.15 from the Water Pollution Control Utility Fund.
14. Received Partial Payment Estimate NO. 8 in the amount of \$74,633.54 for Bowen Engineering Corporation covering work completed on site for period of June 1 to July 11, 1973 for Sewer Resolution No. 279-1972 - Storm Water Treatment Facility, Section V - E.P.A. No. 11020 GYU.
Approved.
Ordered City Utilities to pay \$74,633.54 to Bowen Engineering Corporation from the Water Pollution Control Utility Fund.

Also, pay to Bowen Engineering Corporation Escrow Account at Indiana Bank & Trust Company retainage in the amount of \$8,292.63 from the Water Pollution Control Utility Fund.
15. Request was received and permission granted to Northern Indiana Public Service Company, 1501 Hale Avenue, to barricade Willow Oak at Sandpoint Road beginning August 3, 1973 from 11:30 a.m. to 4:00 p. m.
PURPOSE: Install New Main.
Approved and permit was issued.
16. Request was received and permission granted to Fred Biggs, Electrical Engineering Department, to barricade the Landing between Calhoun and Harrison Streets beginning Thursday, August 2, 1973 from 7:30 p.m. to 10:30 p.m.
PURPOSE: Three Rivers Festival Party.
Approved and permit was issued.

17. Received a request from Anthony Wayne Bank Bldg., % Don Bess (Building Manager), 203 E. Berry, for permission to barricade the first lane on each side of the bank building on Berry and Clinton Streets and also the sidewalk on each side of the Building beginning Saturday, August 11, 1973 and Sunday, August 12, 1973 from 8:00 a.m. to 10 p.m.
PURPOSE: Clean Outside of Bank Building.
PERMIT NEEDED FROM STATE HIGHWAY. Approved and permit issued.
18. Received a request from Anthony Wayne Bank Building, % Don Bess, for permission to barricade the first lane on each side of the bank building on Berry and Clinton Streets and also the sidewalk on each side of the building beginning Saturday and Sunday, August 4 and 5, 1973 and Saturday and Sunday, August 11 and 12, 1973 from 8:00 a.m. to 10:00 p.m.
PURPOSE: Clean outside of bank building.
PERMIT NEEDED FROM STATE HIGHWAY. Approved and permit issued.
19. Received a request from Christa Hockensmith, 720 Kinnaird, for permission to barricade Kinnaird between South Wayne and Indiana Avenues beginning Monday, September 3, 1973 from 8:00 a.m. to 12:00 Midnight.
PURPOSE: Block Party. Approved and permit issued.
20. Received a request from Julie Rohleder, 4610 Beaver Avenue, for permission to close Beaver Avenue from Prange Avenue and Sherwood Terrace on Monday August 20, 1973 from 6:00 p.m. to 9:00 p.m.
PURPOSE: Block Party. Approved and permit issued.
21. Received Sidewalk Improvement Resolution No. 5640-1973, estimate, specifications and property ownership list, prepared by the Street Engineering Department for sidewalk repair in the Lakeside Area bounded by State Boulevard on the north, Anthony Boulevard on the east, Lake Avenue on the south and Alabama Avenue on the west. Approved and adopted. A true copy of which Resolution No. 5640-1973 is incorporated by reference herein and appears in Minutes herein, under Resolution NO. 5640-1973.
Advertise, Notice to Property Owners, August 10 & 17, 1973.
Hearing on Confirmation Thursday, August 30, 1973 at 3:30 p.m.
Notices to be mailed August 17, 1973.

22. Received a request from Midwest Caulking, Inc., Bill Franke, 5513 Illinois Road, for permission to barricade the first lane on each side of the City-County Annex Building (the Welfare Bldg.) on Calhoun and Columbia and also the sidewalk on each side of the building beginning Tuesday, August 7, 1973 through Monday, August 20, 1973 from 7:00 a.m. to 3:30 p.m.
PURPOSE: Sandblast Building.

Approved and permit issued.

23. Received Contract, Guaranty and Liability Bonds of Wayne Asphalt & Construction Company, Inc., in the amount of \$366,133.35, prepared by the Street Engineering Department, signed by United States Fidelity & Guaranty for Street Improvement Resolution No. 5638-1973 for resurfacing twenty streets within the City of Fort Wayne.

Approved.

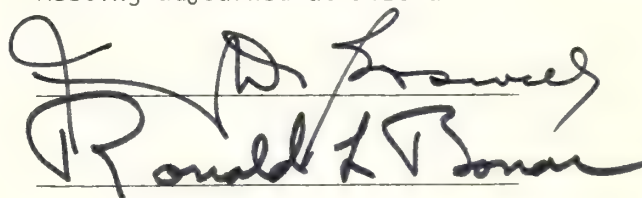

Ordered Contract, in the amount of \$366,133.35 sent to the Common Council Tuesday, August 14, 1973 at 8 p.m.

24. Received Contract, Guaranty and Liability Bonds of John Dehner, Inc., in the amount of \$93,976.44, prepared by the Street Engineering Department, signed by United States Fidelity & Guaranty for Street Improvement Resolution No. 5633-1973 for improving Clermont Avenue from the east property line of Hessen Cassel Road to the west property line of Wayne Trace.

Approved.

Ordered Contract, in the amount of \$93,976.44 sent to the Common Council, Tuesday, August 14, 1973 at 8 p.m.

Meeting adjourned at 9:25 a.m.

6. Received Sewer Resolution No. 862-1973, final plans, estimate, specifications and property ownership list, prepared by the Water Pollution Control Engineering Department for Main Sewer beginning at a proposed manhole set over an existing sanitary sewer located 115 + lineal feet North of and 30 + lineal feet West of the centerline intersection of Anthony Boulevard and Tillman Road; thence East 35 feet North of and parallel to the centerline of Tillman Road 2,000 + lineal feet to a proposed manhole located 33 + lineal feet West of and 40 + lineal feet North of the centerline intersection of Autumnview Drive and Tillman Road; thence North 33 + lineal feet West of and parallel to the centerline of said Autumn View Drive 2,539 + lineal feet to a proposed manhole located 7 feet West of and 4 feet South of the Northeast corner of Lot #247 of Eastland Gardens Addition, Section B; thence due East 4 feet South of and parallel to the North boundary line of said Eastland Gardens Addition, Section B 864 feet, terminating at a proposed cleanout located 10 feet East of and 4 feet South of the Northeast corner of Lot #237 of said Eastland Gardens Addition, Section B.

HELD IN ABEYANCE.

Lateral #1

beginning at a proposed sanitary manhole located 35 feet East of and 70 + lineal feet North of the centerline intersection of Tillman Road and Anthony Boulevard; thence South 45 feet East of and parallel

to the centerline of Anthony Boulevard 490 + lineal feet to a proposed manhole located 45 + lineal feet East of and 26 + lineal feet North of the centerline intersection of Anthony Boulevard and Old Decatur Road; thence Southeasterly 31 feet North of and parallel to the centerline of Old Decatur Road 160 + lineal feet, terminating at a proposed cleanout.

Lateral #2:

Beginning at a proposed manhole located 55 + lineal feet West of and 3 + lineal feet South of the Southwest corner of Lot #104 of Eastland Gardens Addition, Section B; thence due East along the existing easement 2,295 + lineal feet to a proposed manhole located 4 feet North of and 5 feet East of the Northeast corner of Lot #2 of Eastland Gardens Addition, Section A; thence due South 60 + lineal feet, terminating at a proposed cleanout located 5 feet East of and 5 + lineal feet South of the Northwest corner of Lot #1 of Eastland Gardens Addition, Section A.

Lateral #2-A:

Beginning at the proposed manhole located 5 feet East of and 4 feet North of the Northeast corner of Lot #2 of Eastland Gardens, Section A; thence North 55 + lineal feet, terminating at a proposed cleanout located 3 + feet East of and 5 + feet North of the Southwest corner of Lot #25 of said Eastland Gardens Addition, Sec. A.

Lateral #3:

Beginning at a proposed manhole located 55 + lineal feet West of and 1 + lineal feet North of the Southwest Corner of Lot #122 of Eastland Gardens Addition, Section B; thence due East along the existing easement 2,281 + lineal feet to a proposed manhole located 4 feet North of and 4 + feet East of the Northeast corner of Lot #27 of Eastland Gardens, Section A; thence due South 60 + lineal feet, terminating at a proposed cleanout located 5 + lineal feet South of and 5 + lineal feet East of the Northwest corner of Lot #26 of Eastland Gardens Addition, Section A.

Lateral #3-A:

Beginning at a proposed manhole located 4 lineal feet East of and 4 lineal feet North of Lot #27 of Eastland Gardens Addition, Section A; thence due North 80 + lineal feet, terminating at a proposed cleanout located 5 + lineal feet East of

and 35 ± lineal feet North of the Southwest corner of Lot #50 of Eastland Gardens, Section A.

Lateral #4:

Beginning at a proposed manhole located 52 ± lineal feet West of and 3 ± lineal feet North of the Southwest corner of Lot #140 of Eastland Gardens Addition, Section B; thence due East within the existing easement 2,282 ± lineal feet to a proposed manhole located 6 lineal feet East of and 2 ± lineal feet North of the Northeast corner of Lot #52 of Eastland Gardens, Section A; thence due South 55 ± lineal feet, terminating at a proposed cleanout located 5 lineal feet South of and 1 foot East of the Northwest corner of Lot #51 of Eastland Gardens Addition, and 1 foot East of the Northwest corner of Lot #51 of Eastland Gardens Addition, Section A.

Lateral #4-A:

Beginning at a proposed manhole located 6 feet East of and 2 feet North of Lot #52 of Eastland Gardens Addition, Section A; thence due North 55 ± lineal feet, terminating at a proposed cleanout located 1 foot East of and 5 ± feet North of the Southwest corner of Lot #75 of Eastland Gardens Addition, Section A.

Lateral #5:

Beginning at a proposed manhole located 53 ± lineal feet West of and 4 ± lineal feet North of the Southwest corner of Lot #158 of Eastland Gardens Addition, Section B; thence due East along the existing easement 2,291 lineal feet, terminating at a proposed manhole located 1 ± lineal ft. North of and 11 ± lineal feet East of the Northwest corner of Lot #76 of Eastland Gardens Addition, Section A.

Lateral #6:

Beginning at a proposed manhole located 60 ± lineal feet west of and 3 ± lineal feet Wouth of the Southwest corner of Lot #180 of Eastland Gardens Addition, Section B; thence due East within the existing easement 2,305 lineal feet to a proposed manhole located 9 lineal feet East of and 4 ± lineal feet South of the Northeast corner of Lot #29 of Stinson's First Sub-division; thence due South 40 ± lineal feet terminating at a proposed cleanout located 12 ± lineal feet East of and 5 ± lineal feet South of the northwest corner of Lot #2 of Stinson's First Sub-Division.

Lateral #6-A:

Beginning at a proposed manhole located 4 feet South of and 9 feet East of the Northeast corner of Lot #29 of Stinson's

First Sub-Division; thence due North 60 + lineal feet, terminating at a proposed cleanout located 12 feet East of and 5 lineal feet North of the Southwest corner of Lot #4 of Stinson's First Sub-Division.

Lateral #7:

Beginning at a proposed manhole located 58 feet East of and 10 feet North of the Southwest corner of Lot #202 of Eastland Gardens Addition, SEction B; thence due East along the existing easement 2,315 + lineal feet, terminating at a proposed cleanout located 10 lineal feet East of and 10 lineal feet South of the Southwest corner of Lot #4 of Woodland Acres Addition.

Lateral #8:

Beginning at a proposed manhole located 58 + lineal feet West of and 2 + lineal feet South of the Southwest corner of Lot #224 of Eastland Gardens Addition, Section B; thence due East along the existing easement 1,051 + lineal feet to a proposed manhole located 10 + lineal feet North of and 3 + lineal feet West of the Southeast corner of Lot #234 of Eastland Gardens Addition, SEction B; thence North 221 + lineal feet, terminating at a proposed manhole located 32 + lineal feet North of and 3 + lineal feet West of the Southeast corner of Lot #236 of Eastland Gardens Addition, Section B.

Lateral #9:

Beginning at a proposed manhole located 60 + lineal feet due North of the N. E. corner of Lot No. 7 of Neuenschwander Addition, thence due South 70 + lineal feet, terminating at a proposed cleanout located 10 + lineal feet South of and 1 + lineal feet West of the Northeast corner of said Lot NO. 7.

Lateral #10:

Beginning at a proposed sanitary sewer located 60 + lineal feet North of the Northwest corner of Lot No. 5 of J. O. Blacks Addition, thence due South 70 + lineal feet, terminating at a proposed cleanout located 10 + lineal feet South of and 1 + lineal foot east of the Northwest corner of said Lot No. 7.

Lateral #11:

Beginning at the proposed sanitary sewer located 60 + North of the NOrthwest corner of Lot NO. 8 of J. O. Black's Addition, thence due South 70 + lineal feet, terminating at a proposed cleanout located 10 + lineal feet South of and 5 + lineal feet East of the Northwest corner of said Lot NO. 8.

Lateral #12:

Beginning at a proposed manhole located 16 + lineal feet East of and 35 + lineal feet North of the centerline intersection of Bauer Ave. and Tillman Road, thence due South 80 + lineal feet, terminating at a proposed cleanout located 15 + lineal feet South of and 5 + lineal feet West of the Northwest corner of Lot No. 10 of J. O. Black's Addition.

Lateral #13:

Beginning at a proposed manhole located 60 + lineal feet due North of the Northwest corner of Lot No. 12 of J. O. Black's Addition, thence due South 70 + lineal feet, terminating at a proposed cleanout located 10 + lineal feet South of and 5 + lineal feet East of the Northwest corner of said Lot No. 12.

Lateral #14:

Beginning at a proposed manhole located 40 + lineal feet North of and 35 + lineal feet West of the centerline intersection of Autumn View Drive and Tillman Road, thence due South 75 + lineal feet, terminating at a proposed cleanout located 30 + lineal feet South of and 30 + lineal feet West of the centerline intersection of said Tillman Road and Autumn View Drive.

7. Received Sewer Easement Resolution NO. 118-1973 PERMANENT AND TEMPORARY - for the condemnation of a temporary and permanent sewer for the purposes to construct, operate control and maintain a sewer line along and across a portion of the South half of Section 30, Township 30 North, Range 13 East and North half of Section 31, Township 31 North, Range 13 East, bounded on the North by the Indiana and Michigan Company Right of Way, bounded on the East by Hessen Cassel Road, bounded on the South by a line 560 feet South of and parallel to the centerline of Tillman Road, bounded on the West by Anthony Boulevard.

HELD IN ABEYANCE.

And PERMANENT AND TEMPORARY EASEMENTS - in incorporated.

(Sewer Resolution NO. 862-1973)

8. Received a petition for the construction of curbs and sidewalks on both sides of the street, on curb and sidewalk program; and at option of property owner Barrett law payment. Petition: Kelly Drive - from Huffman to Spring Streets.

Ordered Street Engineering Department to check percentages of property owners petitioning; and if all new construction is warranted, prepare preliminary cost estimate for the Board's information.

9. Received a petition for construction of a Sanitary Sewer on Ridgelane Drive (formerly Hiawatha Drive) from Reckeweg Drive to end of Ridgelawn Drive.
10. Received Contract, Guaranty and Liability Bonds of Nobis-Westropp Construction Company, Inc., in the amount of \$28,408.50, prepared by the Water Engineering Department, signed by the Fidelity and Deposit Company of Maryland for Contract NO. 73-XP-3 for construction of Cook Road Feeder Main Phase II.
11. Received Special Sewer Permit for Earth, Inc., prepared by the Water Pollution Control Engineering Department for construction of Sanitary Sewer Extension, and Performance Bond of Earth Construction & Engineering, Inc., to serve Mini Mansions - Dunkelberg Road.
12. Received a request from Norfolk & Western, P.O. Box 1215, % E. Bradley, for permission to close South Anthony Boulevard at Wayne Trace and at Hayden Street for two weeks beginning Monday, August 13, 1973 at 9:00 a.m. and ending Tuesday, August 28, 1973 at 4:00 p.m. PURPOSE: To repair railroad crossing.
13. Received a request from Mr. Bender, % Stillmans Department Store, 901 S. Calhoun Street, for permission to set up tables in front of Stillmans under overhanging canopies. (Sidewalks will not be blocked) beginning Wednesday, August 15, 1973 from 12:00 Noon to 8:00 p.m. PURPOSE: To sell merchandise.

Ordered the Sewer Engineering Department to check percentage of resident property owners on petition and, if sufficient, prepare preliminary plans and property ownership list.

Approved.

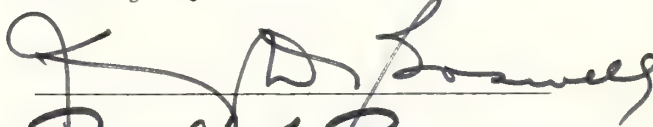

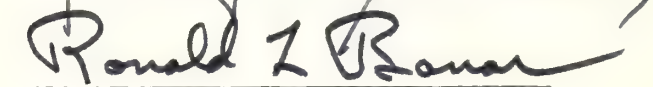

Ordered Contract, in the amount of \$28,408.50, sent to the Common Council Tuesday, August 28, 1973 at 8 p.m.

Approved and special sewer permit issued.

Approved and permit issued.

Approved and permit issued.

Meeting adjourned at 9:25 a.m.

HEARING ON CONFIRMATION Thursday, September 6, 1973 at 3:30 p.m.

Notices to be mailed August 24, 1973.

1. RESOLUTION NO. 101-1973

WHEREAS, the Board of Public Works is responsible for the installation and maintenance of street lighting in the City of Fort Wayne, and

WHEREAS, the Light Construction Department of the Fort Wayne Electric Utility normally constructs new street lighting, and

WHEREAS, City Council has made available \$400,000 in Revenue Sharing Funds for additional street lighting in addition to monies in the Civil City budget, and

WHEREAS, construction crews of the Light Construction Department are unable to keep pace with new construction required for street light installation, and

WHEREAS, it is deemed necessary to receive bids from private contractors to accomplish street light construction,

NOW, THEREFORE BE IT RESOLVED by the Board of Public Works that unit price bids shall be received for street light construction pursuant to specifications prepared by the Electrical Engineering Department and said unit price bids shall be valid for a period of one year. Actual work to be accomplished by private contractors shall be those projects approved by this Board.

Approved. Incorporated herein.

Advertise, Notice to Contractors, August 24, 1973 and August 31, 1973.

Receive Bids Tuesday, September 4, 1973 at 9 a.m.

Ordered Electrical Engineering Department to prepare Bid Documents.

12. Pursuant to Sewer Resolution NO. 862-1973, which was held in abeyance on August 13, 1973, the Board now deems it advisable to adopt said Resolution in Eastland Gardens Addition, SEction "B".

Approved and adopted.

Advertise, Notice to Property Owners, August 24 and 31, 1973.

Hearing on Confirmation Thursday, September 13, 1973 at 3:30 p.m.

Notices to be mailed August 31, 1973.

13. Pursuant to Sewer Easement Resolution No. 118-1973 for condemnation of a temporary and permanent sewer which was held in abeyance on August 13, 1973, the Board now deems it advisable to adopt said Easement Resolution in Eastland Gardens Addition, Section "B". (SEWER 862-1973)

Approved and adopted.

Advertise, Notice to Property Owners, August 24, 1973 and August 31, 1973.

Hearing on Confirmation Thursday, September 13, 1973 at 3:30 p.m.

Notices to be mailed August 31, 1973.
14. Received Change Order NO. 1 in the amount of \$683.00 from A. Grosjean & Son for Curb and Sidewalk Resolution No. 5635-1973 - Lafayette Street.

Approved.
15. Received inspection report from Water Pollution Control Engineering Department and Completion Affidavit of John Dehner, Inc., and Guaranty Bond in the amount of \$3,000 for Storm Sewer to serve Norton Motel Building (Maumee Avenue).

Approved.

Ordered acceptance letter written.
16. Received Change Order No. 1 in the amount of \$2,997.45 from John Dehner, Inc. for Street Resolution NO. 5621-1972 - Ley Road.

Approved.

Ordered sent to the Common Council Tuesday, September 11, 1973 at 8 p.m.
17. Received Partial Payment Estimate NO. 2 (FINAL) in the amount of \$683.00 for A. Grosjean & Son covering work performed on Lafayette Street-Sidewalk and Street Repair Resolution No. 5635-1973.

Approved.

Ordered invoice of A. Grosjean & Son in the amount of \$683.00 paid from the MVH Fund #88-261.
18. Received invoice No. 20 of Henry B. Steeg & Associates, Inc., for engineering services on Storm Water Demonstration Grant Project EPA No. 11020 GYU as per contract of June 2, 1971 for the amount of \$1,380.72.

Approved.

Ordered City Utilities to pay invoice No. 20 of Henry B. Steeg & Associates, Inc., for \$1,380.72 from the Water Pollution Control Utility Fund.

19. Received invoice of Turnbell, Green and Associates, Inc. in the amount of \$9,500.00 covering professional engineering services in connection with Study and Report on Improvements to Railroad-Street Grade Crossings and Signal protection (Phase I), covered by Agreement dated June 14, 1973.

Approved and ordered invoice of Turnbell, Green and Associates, Inc. paid from the MVH Fund.

20. Received a request from Northern Indiana Public Service, 1501 Hale Avenue, % Mel Stein, for permission to close Phenie Avenue from 500' North of Taylor Street beginning Wednesday, Thursday and Friday (August 22, 23 and 24, 1973) and Monday, Tuesday and Wednesday (August 27, 28 and 29, 1973) from 7:30 a.m. to 4:30 p.m.
PURPOSE: To retire a 20" main.

Approved and permit issued.

Right on Archwood Lane, 1/2 block to Northcrest School Building. Parade participants: 100 children, 10 animals and one Fire Truck and one Horse drawn wagon.
PURPOSE: Association Parade.
12. Pursuant to the proposed construction of a new Ewing - Wells Street bridge, the Board deems it advisable to purchase property of Allen Wood Products, Inc. located at 1013 Wells Street for the appraised value of \$23,310.00.
13. Received invoice No. 8 of Westenhoff & Novick, Inc., in the amount of \$4,592.60 for professional services (engineering) in connection with the Planning of the Proposed East-West Highway Phase I. (FINAL INVOICE).
14. Permission was granted to NIPSCO, 1501 Hale Avenue, to barricade the alley behind 4313 Arlington (portion of alley) beginning Wednesday, September 5, 1973 at 2:00 p.m. to Thursday, September 6, 1973 at 4:00 p.m.
PURPOSE: Emergency gas leak.
15. Permission was granted to Allan Girardot, 927 S. Harrison Street, to barricade Calhoun Street between Wayne and Berry Streets beginning Sunday, September 9, 1973 from 6:00 a.m. to 7:00 a.m.
PURPOSE: Photograph Clothing Layouts.

Approved and permit issued

Approved.

Ordered sent to the Common Council Tuesday, September 11, 1973 at 8:00 p.m.

Approved and ordered invoice of Westenhoff & Novick, Inc. in the amount of \$4,592.60 paid from the Motor Vehicle Highway Fund 88-261. (FINAL INVOICE).

Permit was approved.

Permit was approved.

16. Received a petition for the paving of Livingston from North Clinton to Swanson Boulevard (Spy Run Avenue extended).

Ordered Street Engineering Department to check percentage of resident property owners on petition and, if sufficient, prepare preliminary plans, estimate, property ownership list and all details necessary for the improvement.

17. Received a request from Hipskind Asphalt Corp., Inc., for permission to barricade Sherman Street between Louisedale and Franke Park Road beginning Monday, September 17, 1973 from 8:00 a.m. to 8:00 p.m.
PURPOSE: Install house taps for Trixholme Sewer.

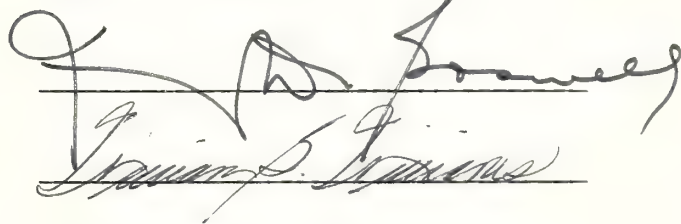

Approved and permit issued.

18. Pursuant to approval of E.P.A. and Fort Wayne City Council, the Board now makes the final awards of contracts for construction of the St. Joseph River Interceptor.

Award contracts as follows:

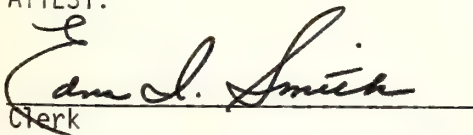

Res. 266-72 - John Dehner, Inc., \$837,575.23
Res. 267 MODIFIED - Nobis-Westropp Const. Co. -
\$189,825.00
Res. 271-72 - Earth Const. & Engr. Co. --
\$627,986.90
Res. 272-72 - Bercot, Inc. - - \$386,338.20
Res. 273 MODIFIED - HIPSKIND ASPHALT CORP. -
\$176,694.50
Res. 275-72 - Earth Const. & Engr. Co. ---
\$360,432.00
Res. 276-72 - Hipskind Asphalt Corp. ---
\$287,608.60
Res. 277 MODIFIED - Hipskind Asphalt Corp. ---
\$ 96,503.30

Meeting adjourned at 9:25 a.m.

12. Pursuant to Bids received in the Street Engineering Department from:

MOELLERING CONST. CO., INC. --- \$6,384.00

JOHN DEHNER, INC. ----- \$6,670.60

for emergency repairs to the Clinton-Fourth Street railroad crossing serving the Filtration Plant, the invoice of Moellering Construction Company is approved.

Approved.

Ordered invoice in amount of \$6,384.00 paid by City Utilities from the Water Utility Fund.

13. Received invoice No. 2 of Industrial Piping and Engineering Corporation (Partial Payment No. 2) for Water Contract No. 72-W-2 = Revision to Existing Filtration Plant in the amount of \$11,970.00.

Approved.

Ordered City Utilities to pay invoice No. 2 of Industrial Piping and Engineering Corporation in the amount of \$11,970.00 from the Water Utility Fund.

14. Received inspection report, from Water Pollution Control Engineering Department and Completion Affidavit of Nobis-Westropp Construction Company, Inc., for Storm and Sanitary Sewers to serve Blackhawk Farms Section "I".

Approved.

Ordered Acceptance Letter written.

15. Received the following Invitational Bids from the Purchasing Agent covering proposed purchase of two (2) 1/2 Ton Pick-up Trucks less trade-ins for the Street Department:

ALLEN COUNTY MOTORS ----- \$5,600.00
 HEFNER CHEVROLET CO. ----- \$4,739.20
 FORT WAYNE DODGE CO. ----- \$5,445.80

Through the recommendation of the Purchasing Agent, the bid of Hefner Chevrolet was accepted under Purchase Order NO. 19065, dated September 14, 1973, for the amount of \$4,739.20.

Ordered sent to the Common Council Tuesday, September 25, 1973 at 8:00 p.m.

16. RESOLUTION NO. 60-63-16

STREET LIGHTING POLICY

The following policy regarding installation of new, and rehabilitation of existing street lighting is hereby adopted by the Board of Public Works of the City of Fort Wayne, Indiana.

New Lighting - In areas where no lighting exists, the Board of Works shall provide Standard Lighting as herein defined at no cost to the property owners. If the property owners desire higher quality lighting than the standard specified, they shall be required to pay the cost differential.

Rehabilitation of Existing Lighting - In areas where street lighting exists, it shall be rehabilitated utilizing lighting standards existing at the time of rehabilitation -- e.g., if ornamental lights and underground wiring exists, then the rehabilitation shall include ornamental lights and underground wiring at no cost to the property owners. If overhead wiring and wooden poles exist, then these shall be utilized in any rehabilitation program at no cost to the property owners. In such an instance the Board of Works will endeavor to upgrade the poles to the standard lighting pole used, identified below. Exceptions to this policy may be made by the Board in areas where existing ornamental lighting is on an arterial.

Due to funding limitations and the Board's desire to improve neighborhoods, rehabilitation of existing ornamental street lighting with underground wiring shall be done first in those areas that are committed to a Curb and Sidewalk Improvement Program. This commitment may be by:

1. Inclusion in the Board of Works Resolution for curb and sidewalk repair, or
2. A commitment from the property owners to participate in a curb and sidewalk rehabilitation program.

Standard Lighting - Standard lighting to be provided by the Board of Works at no cost to the property owners shall consist of aerial wiring and concrete, aluminum or wood poles, 25 + feet in height. The type of pole used shall be compatible with the neighborhood, e.g., if no poles or wires exist on the street, concrete or aluminum poles shall be utilized. If wood poles exist, they can be utilized for hanging lights, however, any new installations shall be with concrete or aluminum. The luminaires used shall be mercury vapor throughout, except for arterials, where high pressure sodium vapor shall be utilized. The levels of illumination shall conform to the standards prescribed by the Illuminating Engineering Society for each respective neighborhood.

Property owners shall have the option to choose from those standards available for lighting to be used in their neighborhood. i.e., type of poles and luminaires. It is the desire of the Board to eliminate the use of wood poles in every possible instance.

17. NUNC PRO TUNC - RESOLUTION 123-1973
CORRECTING DESCRIPTION IN RESOLUTION

Comes now Phillip R. Boller, Chief Sewer Engineer, and shows the Board that through a scrivener's error a mistake was made on legal description in paragraphs one (1) and two (2) of the above resolution.

Now Therefore Be It Resolved that Resolution 123-1973 be amended NUNC PRO TUNC, as provided in attachment to original Resolution incorporated in Minute Record Book 59.

- | | |
|---|--|
| <p>18. Received a request from Crystal Coryell, WOWO and A. J. Overton, 3 Rivers Velo Sports Club, 128 W. Washington Blvd., for permission to have a parade on Sunday, September 30, 1973 from 1:00 p.m. to 5:00 p.m. approximately.</p> <p>Starting point: Calhoun Street to Columbia, to Harrison, right Berry, left Webster, left Wayne, left to Calhoun Street. Parade participants: approximately 200 persons and 200 bikes.</p> <p>PURPOSE: Professional bike race.</p> | <p>Approved and permit issued.</p> |
| <p>19. Received a petition for the paving of the first alley north of Sunset Lane and Korte Lane to its terminus, to a width of 10 feet.</p> | <p>Ordered Street Engineering Department to check percentage of resident property owners on petition, and if sufficient, prepare preliminary plans, estimate, property ownership list and all details necessary for the improvement.</p> |
| <p>20. Received a petition for the replacing of the first alley west of Stratford Road from Korte Lane to Crestwood Drive all in accordance with existing alley.</p> | <p>Ordered Street Engineering Department to check percentage of resident property owners on petition, and if sufficient, prepare preliminary plans, estimate, property ownership list and all details necessary for the improvement.</p> |
| <p>21. Pursuant to Resolution No. 5640-1973 for the curb and sidewalk repair of Lakeside area on which no bids were received on September 14, 1973, the Board now deems it necessary to re-advertise for bids.</p> | <p>Advertise Notice to Contractors, September 21 & 28, 1973.</p> <p>Receive Bids, October 2, 1973 at 9 a.m.</p> |
| <p>22. Received a petition for the paving of the first north-south alley east of Broadway from the north property line of Packard Avenue to the northern terminus, thence east to the east property line of Lot No. 110, W. J. & M.S. Veseys 2nd Addition, to a width of ten feet.</p> | <p>Ordered Street Engineering Department to check percentage of resident property owners on petition, and if sufficient, prepare preliminary plans, estimate, property ownership list and all details necessary for the improvement.</p> |

23. Received Invitational Bids from the Purchasing Agent covering the proposed delivery of 315,000 feet of underground wiring for light installations as follows:

WESCO CO.	- Black - 52.67/m'
	White - 57.46/m'
GRAYBAR CO.	- Black - 52.75/m'
	Yellow 52.75/m'
GRIFFIN CO.	- Blk. - 50.75/m'
	Yellow 53.30/m'
NATIONAL MILL CO.	- Blk. 57.50/m'
	Blk. 57.50/m'
MID - CONTROL CO.	- Blk. 55.90/m'
	Yellow 62.70/m'
GENERAL ELECTRIC CO.	- Blk. 51.25/m'
	White 62.60/m'
T.W. COMCORP. CO.	- NO BID

Approved.

The bid of Graybar Electric Company was accepted under Purchase Orders 1887 and 1888, dated September 18, 1973, in the amounts of \$33,074.25 and \$1,446.00 respectively.

Ordered sent to the Common Council Tuesday, September 25, 1973 at 8:00 p.m.

24. Received City Utilities Purchase Orders 1886, 1889 and 1890, dated September 18, 1973, for concrete poles covering the proposed project of light installations in the amounts of \$19,296.50, \$19,454.00 and \$32,548.00 respectively.

Approved.

Purchase Orders as follows:

#1886 - 80 poles - \$19,296.50
 #1889 - 90 poles - \$19,454.00
 #1890 - 150 poles - \$32,548.00

of American Concrete Company were accepted.

Ordered sent to the Common Council Tuesday, September 25, 1973 at 8 p.m.

Quotes were not requested from any companies other than American Concrete Company regarding concrete poles for the reason that the specifications could only be satisfied by that customer.

25. Received City Utilities Purchase Order No. 1838, dated September 18, 1973, for Hadco Lighting Company, for 400 Luminaires in the amount of \$26,000.00 for proposed project of light installations.

Approved.

The Board accepted bid of Hadco Lighting Company covered by Purchase Order 1838 in the amount of \$26,000.00.

Ordered sent to the Common Council Tuesday, September 25, 1973 at 8 p.m.

Quotes were not requested from companies other than Hadco Lighting Company due to the fact that Hadco Lighting Company was the only company able to meet the specifications. These are special items chosen by a certain residential area of the City for installation.

7. RECEIVE BIDS:

Street Improvement Resolution No. 5641-1973
 for improving Elmer Avenue from the east
 property line of Sherman Boulevard to the
 existing pavement west of Sherman Boulevard
 a distance of approximately 450 lineal feet.

JOHN DEHNER, INC. ----- \$19,798.90

MAUMEE CONST. CORP. ----- \$18,363.00

Referred to the Street Engineering
 Department for tabulation and report.

Award Contract
 Thursday, September 27, 1973 at
 9:00 a.m.

8. Received Special Sewer Permit for Sand-So1 Development Company prepared and approved by the Water Pollution Control Engineering Department and Performance and Guaranty Bond of Hipkind Asphalt Corporation to construct Storm Sewer known as Continental Restaurant Systems, Inc. Storm Extension Sewer.

Approved and Special Sewer
 Permit issued.

9. RESOLUTION NO. 60-69-9,

BARR STREET CLOSING -

For the closing of Barr Street & Market Place from the north curb line of Washington Boulevard to the south curb line of Wayne Street to through traffic.

Whereas, the Board of Public Works of the City of Fort Wayne, Indiana, has been requested to close Barr Street & Market Place from the north curb line of Washington Boulevard to the south curb line of Wayne Street to through traffic and

Whereas, the Common Council of the City of Fort Wayne has provided revenue sharing funds for such closure and improvement thereof, and

Whereas, the property which may be injuriously or beneficially affected by such street closing is described as follows:

Lots 1 to 7 inclusive in Bass Sub. and Lot 178 of the Original Plat and Space known as Hanna Place Market. Lots 45 to 50 inclusive Hannas' Addition. Said Additions and Space are inclusive to the City of Fort Wayne, Indiana.

Whereas, the cost of such streets closing to through traffic shall be borne by the City of Fort Wayne,

NOW, THEREFORE, be it resolved by the Board of Public Works that it is in the best interests of the City of Fort Wayne in terms of traffic flow and long-term development that Barr Street & Market Place be and is hereby declared closed to through traffic from the north curb line of Washington Boulevard to the south curb line of Wayne Street.

Approved and adopted. A true copy of which Resolution No. 60-69-9, 1973 is incorporated by reference herein and appears in Minutes herein, under Resolution

No. 60-69-9, 1973.

Advertise, Notice to Property Owners, October 1 & 8, 1973.

Hearing on Confirmation Thursday, October 25, 1973.

Notices to be mailed October 8, 1973.

10. Received Special Sewer Permit for Blackhawk Village Partnership prepared and approved by the Water Pollution Control Engineering Department and Performance and Guaranty Bond of Hipskind Asphalt Corporation to construct Blackhawk Center Sanitary Sewer Extension.

Approved and special sewer permit issued.

11. Received invoice No. 3 of Westenhoff & Novick, Inc., in the amount of \$4,594.48 for professional engineering services in connection with Wells Street Corridor Feasibility Study.
12. Received invoice No. 24 of Henry B. Steeg & Associates, Inc. for engineering services on Storm Water Demonstration Grant Project EPA No. 11020 as per contract dated June 2, 1971 for the amount of \$1,022.54.
13. Received a request from Irmscher & Sons, Inc., 1030 Osage, for permission to close Berry Street from Lafayette Street to Barr Street on Saturday, September 29, 1973 from 8:00 a.m. to 4:30 p.m.
PURPOSE: Demolition.

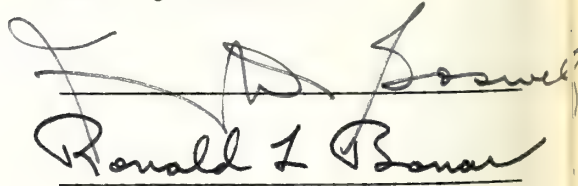

Approved and ordered invoice of Westenhoff & Novick, Inc., in the amount of \$4,594.48, paid from Engineering Consultant Account #66-2-267.

Approved.

Ordered City Utilities to pay invoice No. 24 of Henry B. Steeg & Associates, INC. for \$1,022.54 from the Water Pollution Control Utility Fund.

Approved and permit issued.

Meeting adjourned at 9:15 a.m.

11. Received Assessment Roll of Benefits and Damages, prepared by the Water Pollution Control Engineering Department for Sewer Easement No. 127-1973 - (St. Joseph River Interceptor Sewer No. 277 - MODIFIED).

Approved and Board finds that the amount of damages to each property listed on said Roll are equal in the amount of \$1.00 each and the assessment of said benefits and damages are so ordered.

Notices to be served October 12, 1973.

Hearing on Confirmation of Assessment Roll Thursday, October 25, 1973 at 3:30 p.m.

12. Re: Final Assessment Roll Sidewalk Improvement Resolution No. 5619-1972.

Final Assessment Roll - CONFIRMED and ordered sent to the Department of Finance.

Pursuant to the above Resolution for construction of sidewalk on the north side of Taylor Street from the easterly pavement edge of Portage Boulevard to the west curb line of Freeman Street, which Assessment Roll was taken under advisement September 13, 1973 because of remonstrances filed against assessments for Lots 8, 9, 10, 12 and 13 in Portage Place Addition, the Board has determined said properties are benefited in amounts shown on the Primary Assessment Roll.

13. Received Contract, Guaranty and Liability Bonds of Wayne Asphalt & Construction Company, in the amount of \$11,841.00, prepared by the Street Engineering Department signed by United States Fidelity & Guaranty for Street Improvement Resolution No. 5637-1973 - Fisher Street.

Approved.

Ordered Contract, in the amount of \$11,841.00, sent to the Common Council Tuesday, October 9, 1973 at 8:00 p.m.

14. Received Contract, Guaranty and Liability Bonds of Maumee Construction Corporation, in the amount of \$18,363.00, prepared by the Street Engineering Department signed by the American States Insurance Company for Street Improvement Resolution No. 5641-1973 - Elmer Avenue.

Approved.

Ordered Contract, in the amount of \$18,363.00, sent to the Common Council Tuesday, October 9, 1973 at 8:00 p.m.

15. Received Plat of Imperial Gardens Extended approved and submitted by City Plan Commission.

Approved.

16. Received Water Contract NO. 7318, prepared and approved by the Water Engineering Department, between Time Corners Shopping Center, Inc. and Fort Wayne Water Utility of the City of Fort Wayne, Indiana, on Wilkie Drive, from the east property line of Getz Road, eastwardly 500 ± feet.

Approved.

Ordered sent to the Water Engineer to be recorded.

17. Received the following Invitational Bids from the Purchasing Agent covering the proposed delivery of 75,000 ft. of Triplex Service Wire:

 GRIFFIN ELECTRIC COMPANY --- \$103.00 /M'

 GRAYBAR ELECTRIC COMPANY --- \$105.00 /M'

Through the recommendation of the Purchasing Agent, the bid of Griffin Electric Company was accepted under Purchase Order No. 1908, dated September 21, 1973, for the amount of \$17,725.00.

Ordered sent to the Common Council Tuesday, October 9, 1973 at 8:00 p.m.

18. Received City Utilities Purchase Order No. 1960 for John Dehner, Inc. in the amount of \$6,901.30 covering Emergency Repairs for water main break at Monroe and Wayne Streets.

Approved and ordered sent to the Common Council, Tuesday, October 9, 1973 at 8:00 p.m.

19. Received the following invitational bids from the Purchasing Agent covering the proposed delivery of 50 25KVA Transformers for pole mounting for Light Construction Department:

LEHIGH ELEC. CO. -----	\$225.00
ELECTRIC SERV. CO. -----	\$165.00
ELEC. EQUIPMENT CO. -----	\$125.00
ELEC. EQUIPMENT CO. -----	\$180.00
COHEN EQUIP. CO. -----	\$100.00
EMPIRE ELEC. CO. -----	\$175.00
WEAVER ELEC. CO. -----	\$185.00
T & R ELEC. CO. -----	\$120.00
NATIONAL MILL CO. -----	\$201.40

The Bid of T & R Electric Co., in the amount of \$6,000.00, was accepted under City Utilities Purchase Order 1961, dated September 26, 1973.

The lower bid of Cohen Equipment Co. was not accepted because:

1. did not include transportation.
2. trade-in allowance less.
3. transformers were unpainted.

20. Received invoice No. 25 of Henry B. Steeg & Associates, Inc. for engineering services on Storm Water Demonstration Grant Project EPA No. 11020 as per contract dated June 2, 1971 for the amount of \$1,431.99.

Approved.

Ordered City Utilities to pay invoice of Henry B. Steeg & Associates, Inc. (No. 25) for \$1,431.99 from the Water Pollution Control Utility Fund.

21. Received Partial Payment Estimate No. 2 from Beam, Longest & Neff, Inc., in the amount of \$2,760.00 in connection with Agreement for Engineering Services for Improvements to U. S. 27 from State Rd. #3 to U. S. #30, dated June 28, 1973.

Approved and ordered Partial Payment Estimate No. 2 of Beam, Longest & Neff, Inc. in the amount of \$2,760.00 paid from Arterial Road and Street Fund.

22. Received a request from Northern Indiana Public Service, 1501 Hale Ave., % Dave Stratton, for permission to close Pauline Street at Taylor Street on Wednesday, October 3, 1973 from 9 a.m. to 5 p.m.
PURPOSE: To dig up an Auger Head.

Approved and permit issued.

23. Received a request from Fort Wayne Storage Company, 806 Hayden Street, for permission to park a moving van in the 700 block of South Clinton Street on the east side of the Anthony Wayne Bank Building on Friday, October 28, 1973 from 12:30 p.m. to 5:00 p.m.
PURPOSE: move Snelling & Snelling Office out of building.

Approved and permit issued.

24. Received a request from Youth for Christ, P.O. Box 883, for permission to block the 1100 block of Webster Street at Jefferson and Lewis Streets as follows:

Friday, October 19, 1973; Saturday, October 20, 1973; Thursday, October 25, 1973; Friday October 26, 1973; Saturday, October 27, 1973; Monday, October 29, 1973; Tuesday, October 30, 1973; Wednesday, October 31, 1973 from 6:30 p.m. to 11:00 p.m.
PURPOSE: Halloween Tour of Haunted House.

Approved and permit issued.

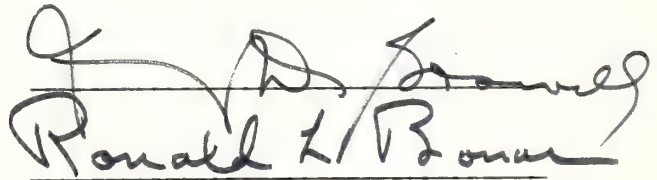

25. Received Quit Claim Deed from the Norfolk and Western Railway Company whereby the deed to the City of Fort Wayne, Indiana, for the sum of \$1,000.00 approximately 2363 square feet of property located adjacent to City's Old Fort property at Main and Clay Streets and known as part of Lots 38 and 39 in County Addition. Said Quit Claim Deed recorded September 20, 1973 under 73-23474, Instrument 7081.

Approved. A true copy of which Quit Claim Deed is incorporated by reference herein and appears in Minutes herein under Quit Claim Deed.

26. Received a request from the Salvation Army, % Jeffery Welch, 1725 S. Calhoun Street, for permission to place their booths and kettles at the following locations: G. C. Murphy (Calhoun Street), Sears-Roebuck (Clinton at Rudisill) and L. S. Ayres (Clinton Street) beginning November 22, 1973 to December 27, 1973 (Thanksgiving Appeal) and November 23, 1973 to December 24, 1973 (Christmas Appeal).
PURPOSE: Raise Funds for Services.

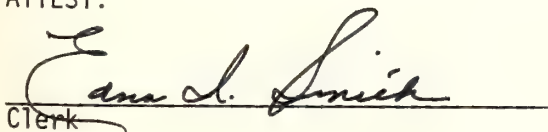

Approved and permit issued.

Meeting adjourned at 9:55 a.m.

Approved and ordered paid from the Sewer Relief Fund.

- 102
14. NUNC PRO TUNC ENTRY by Board of Public Works Correcting Addition in Declaratory Resolution No. 1351-1973:

Comes now Kenneth Traylor, Street Engineer, and shows to the Board of Public Works that through a scrivener's error, a mistake was made in the name of one of the Additions named in above Resolution adopted September 27, 1973. Therefore, Declaratory Resolution No. 1351-1973 should be amended to correct the name of the Addition.

Now, Be It Resolved that Declaratory Resolution No. 1351-1973 be amended NUNC PRO TUNC to provide the correct name of the Addition. Said change in no way affects the lot numbers or property ownership.

Amended Resolution is hereby adopted and incorporated in Minute Record Book No 60.

15. Re: DECLARATORY RESOLUTIONS Nos.
1310-1971, 1311-1971, 1312-1971
and 1313-1971:

ALL ACTION RESCINDED.

Pursuant to above Resolutions providing for the Vacation of Ralph Street, Lillian Avenue, Clifton Hills Drive and a utility easement, all in Win-free Manor Addition, requirements were not met for vacation due to cancellation of plans for a development in the area.

Ordered the Water Pollution Control Engineering Department to prepare Final Assessment Roll after amounts of damages are established. Time up for receiving claims for damages is Thursday, November 8, 1973. Remonstrance received from James D. and Margaret H. Irving.

10. HEARING ON CONFIRMATION OF ASSESSMENT ROLL:

Sewer Easement Resolution No. 126-1973 for condemnation of a permanent and temporary right of way for sewer easement purposes.
(Sewer Res. NO. 276-1972 Dupont Road to Pine Valley). St. Joseph River Interceptor.

Ordered the Water Pollution Control Engineering Department to prepare Final Assessment Roll after amounts of damages are established. Time up for receiving claims for damages is Thursday, November 8, 1973. Remonstrance received from Marie Wesley.

11. HEARING ON CONFIRMATION OF ASSESSMENT ROLL:

Sewer Easement Resolution No. 127-1973 for the condemnation of a permanent and temporary right of way for sewer easement purposes.
(Sewer Res. No. 277 MODIFIED) St. Joseph River Interceptor.

Ordered the Water Pollution Control Engineering Department to prepare Final Assessment Roll after consideration of amounts of damages are established. Time up for receiving claims for damages is Thursday, November 8, 1973.
Remonstrance received from James D. and Margaret H. Irving.

12. Received Partial Payment Estimate No. 2 (FINAL) of Jay Fox Construction, Inc. in the amount of \$3,232.25 covering work performed on Water Contract 73-XP-2, Cook Road Feeder Main - Phase I.

Approved.

Ordered City Utilities to pay invoice 3314 of Jay Fox Construction, Inc. in the amount of \$3,232.25 from the Water Utility Fund.

13. Received Partial Payment No. 11 in the amount of \$83,361.60 for Bowen Engineering Corporation covering work completed on site for period of September 1, 1973 to September 30, 1973 for Sewer Resolution No. 279-1972 - Storm Water Treatment Facility, Section V - EPA No. 11020 GYU.

Approved.

Ordered City Utilities to pay \$83,361.60 to Bowen Engineering Corporation from the Water Pollution Control Utility Fund.

Also, pay to Bowen Engineering Corporation Escrow Account at Indiana Bank & Trust Company retainage in the amount of \$9,262.40 from the Water Pollution Control Utility Fund.

14. Received Partial Payment Estimate No. 1 in the amount of \$28,440.87 for John Dehner, Inc. covering work on Sewer Resolution No. 266-1972 - St. Joseph Interceptor - Div. V for period from September 17, 1973 to September 30, 1973.

Approved.

Ordered City Utilities to pay \$28,440.87 to John Dehner, Inc. from the Water Pollution Control Utility Fund.

Also, pay to John Dehner, Inc. Escrow Account at Indiana Bank & Trust Company retainage in the amount of \$2,844.00 from the Water Pollution Control Utility Fund.

15. Received Invoice No. 1113, dated October 22, 1973, of Nobis-Westropp Construction Co., Inc. in the amount of \$28,408.50 covering work performed on Contract No. 73-XP-3, Cook Road Feeder Main - Phase II. (FINAL PAYMENT).

Approved.

Ordered City Utilities to pay \$28,408.50 to Nobis-Westropp Construction Company, Inc. from the Water Utility Fund. (FINAL).

16. Received Contract of T & F Corporation and Performance Bond in the amount of \$200,000.00 providing for installation of new street lighting. Approved and sent to Common Council Tuesday, November 13, 1973 at 8:00 p.m.
17. Received Special Sewer Permit for Hoosier Truck Equipment, Inc., prepared and approved by the Water Pollution Control Engineer, and Performance Bond of Hipkind Asphalt Corporation to construct sewer known as Hoosier Truck Equipment Sanitary Sewer Extension. Approved and Special Sewer Permit issued.
18. Received Special Sewer Permit for Village Builders, Inc., prepared and approved by the Water Pollution Control Engineer, and Performance Bond of Harold D. Palmer and Thomas J. Eckrich to construct sanitary sewer known as Canterbury Green Phase VI-A Sanitary Sewers. Don Vickery is to perform the construction work. Approved and Special Sewer Permit issued.
19. Received Special Sewer Permit for Village Builders, Inc., prepared and approved by the Water Pollution Control Engineer, and Performance Bond of Harold D. Palmer and Thomas J. Eckrich to construct sanitary sewer known as Canterbury Green Phase VI-B Sanitary Sewers. Don Vickery is to perform the construction work. Approved and Special Sewer Permit issued.
20. Permission was granted to Zumbrum Const. Co., Inc., 3110 Edward Street, to close the sidewalk on Fourth and Calhoun Streets with a temporary barrier wall of four foot high plywood to be placed in the middle of sidewalk running along Fourth and Calhoun Streets. The company is constructing a building for Superior Companies, Inc. located at the Northwest corner of Fourth and Calhoun Streets and feel the existing sidewalk should be closed to pedestrians because excavation of the footings could be hazardous. (sidewalk will not be closed completely)... Friday, October 26, 1973 until Friday, November 30, 1973 (depending on weather)... from 7:30 a.m. to 5:00 p.m. PURPOSE: Erecting new building. Approved and permit issued.

21. Received a request from Martin, Inc., P.O. 522, for permission to close the alley between Berry and Main Streets from Harrison back to the East (rear of Fort Wayne National Bank) starting Monday, October 29, 1973 until January 1, 1974 from 8:00 a.m. to 5:00 p.m. (time will vary - some days will work around clock).
PURPOSE: Tear down Van Orman Hotel.

Approved and permit issued.

22. Received a request from Bishop Luers High School, 333 Paulding Road, for permission to hold a parade on Saturday, October 27, 1973 from 6:30 p.m. to 7:30 p.m. Route to be followed: North on Lafayette to State Street, right to Anthony, left on St. Joe Center Road to Concordia's parking lot.
PURPOSE: Home coming parade.

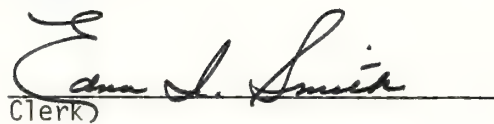

Approved and permit issued.

Meeting adjourned at 4:55 p.m.

5. Received inspection report and Primary Assessment Roll prepared by the Water Engineering Department for Water Contract No. 1003 - Woodland Acres Addition.

Primary Assessment Roll approved.

Advertise, Notice of Assessment, November 5, 1973.

Hearing on Confirmation of Assessment Roll Thursday, November 15, 1973 at 3:30 p.m.

Notices to be mailed November 2, 1973.

6. Received Assessment Roll of Benefits and Damages, prepared by the Street Engineering Department for Declaratory Resolution No. 1352-1973 for the vacation of the first alley north of Hale Avenue from the west property line of Riedmiller Avenue to the east property line of the first alley west of Riedmiller Avenue.

Approved and Board finds that amount of damages to each property listed on said Roll are equal in the amount of \$1.00 each and the assessment of said benefits and damages are so ordered.

Notices to be served November 2, 1973.

Hearing on Confirmation of Assessment Roll Thursday, November 15, 1973 at 3:30 p.m.

7. Received Partial Payment Nos. 1 & 2 of T & F Construction Corporation in amounts of \$2,092.20 and \$1,818.40 for work performed under Electric Contract No. 101-73 for street light installation.

Approved.

Ordered invoice in total amount of \$3,910.60 paid from Revenue Sharing Account Project A 3433,200.

8. Re: Sewer Easement Resolution No. 94-1971
for Blackhawk Sewer No. 253-1971

Pursuant to Assessment Roll of Benefits and Damages in which damages were awarded to Carl and Viola Bruick, George Bruick, et al and Melinda Bruick in total amount of \$394.00 and on which litigation followed because subjects rejected damages as insufficient, the Board now approves settlement by City Attorney establishing damages in amount of \$1,500.00.

Ordered City Utilities to pay damaged property owners \$1,500.00 from the Water Pollution Control Utility Fund.

9. Received a request for permission to hold a parade from Rev. William Caldwell, 2204 Covington Road, for congregation parading from present place of worship to new place of worship. Starting point 2032 Morris Street - Morris Street, Taylor Street, McKinley Ave., Culbertson St., - termination point 2204 Covington Road. Sunday, November 4, 1973 from 9:45 a.m. to 10:45 a.m.
PURPOSE: Parade to new church.

Approved and permit issued.

10. Received a request from Ft. Wayne Post NO. 47 American Legion, 315 W. Washington Blvd. for permission to hold a parade on Saturday, November 10, 1973 from 8:00 p.m. to 9:30 p.m. Starting point: Butler and Calhoun Streets and terminating at Superior and Calhoun Streets. Parade participants: Approximately 1200 people, 20 animals and 25 vehicles. PURPOSE: Veterans' Day Parade. Approved and permit issued.
11. Received a request from I & M Electric Company, 2101 Spy Run Avenue, for permission to barricade the alley north of Berry between Harrison and Harmony Court beginning Friday, November 2, 1973 and Monday, November 5, 1973 from 7:30 a.m. to 5:00 p.m. PURPOSE: Install underground electrical facilities. Approved and permit issued.
12. Due to need to expand facilities at Fire Station No. 11 on East Rudisill Boulevard, the Board of Public Works has accepted a proposition from Walter and Irene Imler to sell their property at 415 East Rudisill Boulevard for \$12,500.00. Said property description is:

The East 30 feet of North 7.83 feet of Lot Number 34, and East 30 feet of South 7 feet of Lot 37, and the East 30 feet of Lots 35 and 36, in the City of Fort Wayne, being known as 415 East Rudisill Boulevard. Approved and ordered sent to the Common Council Tuesday, November 13, 1973 at 8:00 p.m.
13. Received Special Sewer Permit for Jerry Doran prepared and approved by the Water Pollution Control Engineering Department and Performance Bond of Rearick Earth Moving to construct sanitary and storm sewer known as Jerry Doran Auto Parts Sanitary and Storm Sewer Extension. Approved and Special Sewer Permit issued.
14. Received a request from L. S. Ayres & Company, 201 E. Wayne Street, for permission to place ladders at various times in the street while decorating trees on Clinton and Wayne Streets beginning Tuesday, November 6, 1973 to Thursday, November 22, 1973. PURPOSE: Installation of lights, removal (weather permitting) during the months of January and February. Approved and permit issued.

15. Pursuant to Agreement to Purchase received from Bernard and Isabelle Romy, the Board deems it advisable to sell parcel of City property acquired during construction of Cedarville Dam. Said property which is of no further use to the City is described as follows:

Approved and ordered
sent to the Common Council
Tuesday, November 13, 1973
at 8:00 p.m.

Beginning at the southwest corner of DeRomes Reserve in the southeast one quarter of Section 18, Township 31 North, Range 13 East, Allen County, Indiana; thence east along the south line of DeRomes Reserve to a point where the public road now known as Upper St. Joe Center Road intersects the section line; thence northwesterly along the center line of said road 1013.0 feet for the point of beginning, said point also being the northwest corner of the Bernard and Isabell I. Romy property; thence continue northwesterly along the centerline of said road 155.5 feet to the east abutment of the former Paper Mill Bridge which is also the east water line of the St. Joseph River, thence southerly along the east water line of said river to a point on the west line of the aforesaid Romy property; thence northerly along the west property line to the point of beginning.
Containing 0.69 acres, more or less.

The offer of Bernard and Isabell I. Romy is \$1,000.00 and the appraisal by James E. Harding, James W. Roth and Richard Curdes is \$600.00.

16. Received Memorandum of Agreement, dated November 1, 1973, by and between Commissioners of Allen County, Board of Public Works and City Utilities setting forth their proportionate share of maintenance expense in connection with the operation of the City-County Building as follows:

Approved. A true copy of which Memorandum of Agreement is incorporated by reference herein and appears in Minutes herein, under Memorandum of Agreement.

Civil City of Fort Wayne -----	48.8%
City Utilities of Fort Wayne -	16.2%
Allen County -----	35.0%

Said agreement also stipulates that the above named shall share equally in profits realized by the cafeteria.

17. Received a request from the Anker Corporation, 4744 Industrial Road, for permission to barricade Leesburg Road between Main and Spring beginning Monday, November 5, 1973 from 9:00 a.m. to 3:00 p.m.
PURPOSE: Install Storm Sewer

Approved and permit issued.

18. Received a request from I & M, 2101 Spy Run Avenue, for permission to barricade Maiden Lane for one-half block south of Pearl Street beginning Monday, November 5, 1973 and Tuesday, November 6, 1973 from 7:30 a.m. to 5:00 p.m.
PURPOSE: Install electrical facilities.

Approved and permit issued.

19. Received Contract and Bond in the amount of \$200,000.00 of T & F Construction Company for street lighting installation project 101-1973.

Approved and ordered sent to the Common Council Tuesday, November 13, 1973 at 8:00 p.m.

20. Received a request from Zumbrum Construction Company, 3110 Edwards Street, for permission to close alley running North and South between Fourth and Fifth Streets behind the new warehouse being built for Superior Company beginning Tuesday, November 6, 1973 through December 31, 1973.
PURPOSE: The use of workers equipment from trucks parked in alley.

Approved and permit issued.

21. SEWER IMPROVEMENT RESOLUTION NO. 862-1973
EASTLAND GARDENS ADDITION PROJECT AMENDMENTS

The above captioned resolution was adopted by the Board of Works on August 20, 1973, and confirmed as modified on September 27, 1973, and

WHEREAS, it was demonstrated prior to and during the Public Hearings for said Resolution that a public health hazard exists in the area and further that a majority of the resident property owners are in favor of the project, and

WHEREAS, bids were solicited and received on October 30, 1973, which exceeded the engineer's estimate and therefore were rejected, and

WHEREAS, considering the desire for the project and the health problem in the neighborhood, the Board requested the Engineering Department to re-analyze the project in an effort to determine where economies could be affected, and

WHEREAS, the Engineering Department re-analyzed the project and met with contractors to determine areas where cost may be reduced, and

WHEREAS, the plans were revised including a general rerouting of the sewer, revision of project specifications and inclusion of alternate bid for installation of taps and risers only, and

WHEREAS, it shall be necessary to readvertise for bids, and

NOW, THEREFORE, be it resolved by the Board of Public Works of the City of Fort Wayne, Indiana:

1. That the description of sewer to be constructed under Sewer Improvement Resolution #862 is hereby amended as incorporated herein to conform to sewer rerouting. It is noted the properties affected by said improvement resolution are not changed.

2. Additional temporary construction easements to accommodate sewer rerouting shall be obtained through a new sewer easement condemnation resolution which is hereby ordered prepared by the Water Pollution Control Engineering Department.

Meeting adjourned at 9:35 a.m.

6. Received Final Assessment Roll prepared by the Street Engineering Department for Street Resolution No. 5621-1972 for improving Ley Road from the easterly pavement edge of State Road #3 to a point approximately 2,566 feet thereof.

CONFIRMED and ordered sent to the Department of Finance.

7. Received invoice dated October 31, 1973, of John Dehner, Inc. in the amount of \$552.22 covering emergency service repair at McClellan Street. Said repairs performed on October 19, 1973 could not be handled by the Water Pollution Control Maintenance Department.

Approved and ordered paid from the Sewer Relief Fund.

8. Pursuant to the Bids, received on October 30, 1973, on Sewer Improvement Resolution No. 862-1972 MODIFIED - Eastland Gardens Addition all being substantially over the engineers estimate, the Board rejects all bids and deems it advisable to readvertise for bids with some plan and specification alterations as shown in Amendment to modified resolution incorporated herein.

CONFIRMED.
 Advertise, Notice to Contractors,
 December 6 and
 December 13, 1973.

Receive Bids Tuesday,
 December 18, 1973 at
 9:00 a.m.

Ordered the Water Pollution Control Engineering Department to prepare Bid Documents.

9. Received a request from Brook Const., 1123 Barthold, for permission to barricade a portion of the street 100' east of Piqua on Wildwood beginning Wednesday, November 7, 1973 at 2:00 p.m. to Thursday, November 8, 1973 at 5:00 p.m.
PURPOSE: Install storm sewer.

Approved and permit issued.

10. Received a request from Hamilton Hunter, 915 S. Lafayette, for permission to park in front of 119 E. Berry (Dreibelbiss Abstract of Title Co.) using one parking meter on Wednesday, November 7, 1973 and Thursday, November 8, 1973.
PURPOSE: Remodeling of Dreibelbiss.

Approved and permit issued.

11. RESOLUTION
WPC PLANT EXPANSION PROJECT

WHEREAS, the Board of Public Works of the City of Fort Wayne has filed an application for State and Federal assistance to construct a project commonly known as "Improvement and Expansion of the Water Pollution Control (Sewer) Plant, and

WHEREAS, said application has been rated by the Indiana Stream Pollution Control Board and received a high priority for funding, and

WHEREAS, engineering plans and specifications have been completed for this project, and

WHEREAS, the Board of Public Works has obtained A-95 review and approval from the Three Rivers Coordinating Council and its Citizens Advisory Board, and

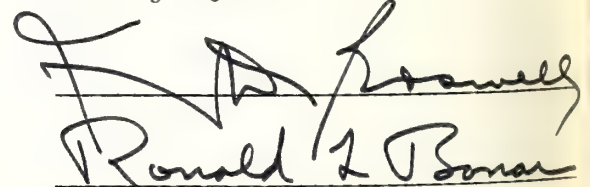

WHEREAS, it is deemed necessary to obtain the maximum citizen participation on this project through an advertised and widely publicized Public Hearing of the Board,

NOW, THEREFORE, BE IT RESOLVED that a joint Public Hearing with the Board of Public Works and the Three Rivers Coordinating Council be scheduled for Wednesday, December 13, 1973, at 7:30 p.m. in the Board of Works Conference Room. Said Public Hearing to be advertised on November 12 and 19, 1973, in both local newspapers describing the project and inviting citizen participation.

At said hearing a full explanation of the project with visual aids shall be given. Written invitations shall be extended to the following groups: Izaak Walton League, Coalition for the Environment, Citizens Advisory Board, Chamber of Commerce, Fort Wayne Futures, League of Women Voters, Fort Wayne Homebuilders, Three Rivers Environmental Control Board, Allen County Soil Conservation Service, County Plan Commission, County Commissioners, County Council, City-County Board of Health, City-County Building Department, Economic Development Council, City Plan Commission, City Park Department, County Park Department, Redevelopment Commission.

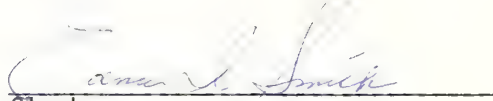

Approved this 8th day of November, 1973.

Meeting adjourned at 9:20 a.m.

8. STREET LIGHTING RESOLUTION NO. 104-1973
TOWER HEIGHTS ADDITION, SECTIONS C, D AND E

WHEREAS, Tower Heights Addition, Sections C, D and E, was developed without the benefit of street lighting, and

WHEREAS, over 55% of the property owners in Tower Heights, Sections C, D and E have petitioned the Board of Public Works for the installation of street lights with underground wiring, and

WHEREAS, engineering plans, specifications, estimates and primary assessment figures have been prepared by the Electrical Engineering Department and filed with the Board of Public Works,

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works of the City of Fort Wayne, that new street lighting with underground wiring shall be installed in Tower Heights Addition, Sections C, D and E.

A maximum cost of \$.01 per square foot of lot area shall be apportioned against and paid by the property owners benefited, (up to a maximum of \$150.00 per lot), with the City of Fort Wayne, Indiana, paying the balance of cost of said lighting improvement, all according to the method and manner provided for in an Act of the General Assembly of the State of Indiana entitled, "Public Improvements in Platted Additions, " Burns 48-3001, etc.

Assessments, if deferred, are to be paid in ten (10) equal installments, with interest at the rate of six (6) percent per annum. A bond or bonds shall be issued to the contractor in payment of such work, unless the property owners pay said assessments before said bond or bonds are issued. Under no circumstances shall the City of Fort Wayne be held responsible for any sum or sums due from said property owner or owners for said work, or for the collection of the same, or for payment of any bonds, bond, certificate or certificates, issued to said contractor in payment for such work, except for such monies as shall have been actually received by the City from the assessments for such improvement, or such monies as said City is by said above entitled act required to pay. All proceedings had and work done in the making of said improvements, assessment of property, collection of assessments and issuance of bonds therefor, shall be as provided for in said above entitled act and all amendments thereto and supplemental thereof.

Approved and adopted.

The North Eastern Construction Co., Inc. is to perform the construction work.
- Approved and Special Sewer Permit issued.
14. Received a request from Martin, Inc., P.O. Box 522, for permission to barricade the north-south alley between the 100 block of Berry and 100 block of Main Street beginning Tuesday, November 20, 1973 to Thursday, December 20, 1973 from 7:00 a.m. to 5:00 p.m.
PURPOSE: Demolishing building.
- Approved and permit issued.

15. Received a request from Martin, Inc., P.O. Box 522, for permission to close the sidewalk east on Harrison Street from Berry Street north to alley. -Also to block the parking lanes (6) parking meters to be covered beginning Monday, November 19, 1973 from 7:00 a.m. for 30 days. (parking meters to be covered only until December 3, 1973).
PURPOSE: Demolish Van Orman Hotel.

Approved and permit issued.

16. Permission was granted to Ronald N. Taylor, House of Pines, 3426 L. Huntington Road, to put up and remove Christmas decorations in the downtown area for the Downtown Fort Wayne Association beginning Thursday, November 8, 1973 with removal on Tuesday, January 1, 1974. Said permit is subject to:

 1. Filing of Liability Insurance Policy with the Board of Public Works. (On file and in force until 7/17/75).
 2. Downtown Fort Wayne Association must pay electrical charges.
 3. Permittee assumes all costs encountered during installation and removal.
 4. Lights are not to be turned on until the Wednesday before Thanksgiving.

Permit was approved and issued.

17. Pursuant to receipt of Escrow Agreement from Earth Const. & Engr., Inc. on Sewer Resolution No. 271-1972 on which partial payment No. 1 has been made, the Board now authorizes escrow payment to Indiana Bank and Trust Company.

Ordered Escrow Payment made to Indiana Bank and Trust Company in the amount of \$13,779.30.

18. Pursuant to receipt of Escrow Agreement from Earth Const. & Engr., Inc. on Sewer Resolution No. 275-1972 on which partial payment No. 1 has been made, the Board now authorizes escrow payment to Indiana Bank and Trust Company.

Ordered Escrow Payment made to Indiana Bank and Trust Company in the amount of \$6,808.82.

19. Received Warranty Deed from Allen Wood Products, Inc., whereby they convey to the City of Fort Wayne, Indiana, the following described real estate in Allen County, Indiana:

Commencing at the Southeast corner of Lot Numbered 1 in McCulloch's Subdivision of part of Hanna's Out Lots Numbered 15 and 16: thence East 22.5 feet to the West line of Wells Street; thence South 149.5 feet along the West line of Wells Street and this for a starting point; thence West parallel with the South line of McCulloch's Addition, 150 feet; thence South to a point 150 feet distant from the centre line of the main track of the Lake Shore Railway; thence East on a line 150 feet distant from the center line of said railway

The Warranty Deed from Allen Wood Products, Inc. (Louis Snow, President) was made a matter of record.

A true copy of which Deed is incorporated by reference herein and appears in Minutes herein under Warranty Deed.

track on the West line of Wells Street;
thence North along the West line of Wells
street to the place of beginning, being
a part of Block "A", P.A. Randall's
Addition to the City of Fort Wayne,
Allen County, Indiana.

Grantor certifies under oath that no
Indiana gross income tax is due or payable
in respect to the transfer made by
this deed.

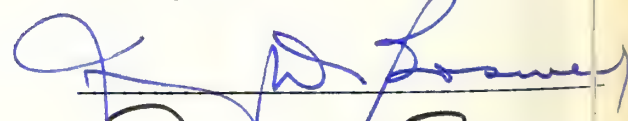

Said Warranty Deed recorded
October 31, 1973 - Item 73-27105
Instrument -G8550

20. Received Change Order No. 1
in the amount of \$ 1,000.00, for
T & F Construction Corp., prepared
by the Electrical Engineering Depart-
ment, covering work performed under
Resolution No. 101-1973, City of
Fort Wayne Street Lighting.
21. Received Special Sewer Permit,
prepared and approved by the Water
Pollution Control Engineering Department
for Ben Bunt to construct a storm sewer
known as Casselwood Apartments Storm
Sewer Extension East of Bunt Drive on
Paulding Road. Ben Bunt is to perform
the construction work.

Approved.

Approved and special sewer
permit issued.

Meeting adjourned at 9:40 a.m.

AWARD CONTRACT to John Dehner, Inc., at and for their Bid in the amount of \$9,630.10 subject to Councilmanic approval.

Ordered Water Engineering Department to prepare contract and necessary documents.

6. Received Tabulation and Recommendation prepared by the Street Engineering Department for Street Improvement Resolution No. 5646-1973 to improve Emma Avenue from the east property line of Steup Avenue to the west property line of Tyler Avenue.

AWARD CONTRACT to Maumee Construction Co., at and for their Bid in the amount of \$26,457.85 subject to Councilmanic approval.

Bid was for 6" plain concrete only.

7. Received Lease Agreement between the City of Fort Wayne and the Fort Wayne Railroad Historical Society, Inc. whereby the City leases to the Railroad Historical Society a plot of property on the southeast corner of Clinton and Fourth Streets and the steam locomotive located thereon.

Approved. A true copy of which Lease Agreement is incorporated herein and appears in Minutes herein under Lease Agreement.

Said lease is to run from December 1, 1973 through November 30, 1998.

8. Received Invoice No. 4 of Westenhoff & Novick, Inc., in the amount of \$4,326.20 for professional engineering services in connection with Wells Street Corridor Feasibility Study.

Approved and ordered invoice of Westenhoff & Novick, Inc., in the amount of \$4,326.20, paid from the Engineering Consultants Account 66-2-267.

9. Received pole line application.
1300 Stophlet ----- City Light

Approved and permit issued.

10. Received driveway application.
617 Ley Road ----- Zimmerman Const.

Approved and permit issued.

11. SEWER TAP AGREEMENT REIMBURSEMENT

Permission is hereby granted to Northill Corporation to tap a sewer to serve Canterbury Green Apartments, Phase 6-C. Said permission is conditioned upon the payment of the sum of \$9,850.53, to the City of Fort Wayne as reimbursement under a certain Sewer Agreement No. SC-72-4, dated the 27 day of January, 1972, who are parties of said contract by the City of Fort ayne; it is further conditioned upon a sewer tap permit being taken out with the Water Pollution Control Engineer, the Permit Room.

Approved.

Ordered the City Utilities to remit the sum of \$9,850.53 to Riviera Plaza, Inc. which sum was deposited with the City by the applicant, to be distributed as set out in the Special Sewer Tap Agreement.

12. Received Letter of Agreement (Proposal for Engineering Services) from Butler, Fairman and Seufert, Inc. for engineering services for a design study of the Baer Field area highway network. Cost of said study not to exceed \$15,000.00.

Approved.

13. Received Letter of Agreement from the Allen County Commissioners and Allen County Highway Department whereby they agree to pay 50% of engineering costs of Butler, Fairman and Seufert, Inc. for a design study of the Baer Field area highway network. Said cost to them not to exceed \$7,500.00.

Approved.

14. Received DEED OF GIFT from Robert Tremmel and Mary Inez Tremmel whereby they convey to the City of Fort Wayne, Indiana the following described real estate in Allen County, Indiana:

Lot numbered 10 in Tremmel's Subdivision of the West 150 feet of Hanna's Out Lot 16 in the east half southwest quarter, Section 12 Township 30 North, Range 12 East, to the City of Fort Wayne, Allen County, Indiana Recorded November 14, 1973 - #73-28003 Instrument G-8898.

Approved. A true copy of which deed is incorporated by reference herein and appears in Minutes herein under Deeds.

15. Pursuant to receipt of Escrow Agreement from Nobis-Westropp Construction Company, Inc. on Sewer Resolution No. 267-1972 MODIFIED on which partial payment No. 1 has been made, the Board now authorizes escrow payment to Indiana Bank and Trust Company.

Ordered Escrow Payment made to Indiana Bank and Trust Company in the amount of \$8,399.16.

16. Received a request from Willie Hassell, 725 E. Jefferson St., for permission to move an office building (on trailer) from Scotts, on Decatur Road to 5125 New Haven Avenue on Sunday, December 2, 1973.

Approved and permit issued.

Route to be traveled: Paulding Road to Anthony Blvd., right off Anthony Blvd. onto Oxford to Myer Road to New Haven Avenue.

Sunday, December 2, 1973 from 8:00 a.m. to 12:00 Noon.

Building is not high enough to interfere with wiring.

PURPOSE: Move building.

17. Received a request from Central Electric, 5420 Distribution Drive, for permission to park an electrical truck on Columbia Street beginning Monday, December 3, 1973 to Thursday, January 31, 1973 from 7:30 a.m. to 4:30 p.m. Monday through Friday.
PURPOSE: Working at old Sigrist Building.

Approved and permit issued.

18. Received a request from Northern Indiana Public Service, 1501 Hale Avenue, for permission to close the alley between Columbia and Main Streets from Calhoun and Harrison Streets beginning Thursday, November 29, 1973 to Friday, November 30, 1973 from 8:30 a.m. to 4:30 p.m.
PURPOSE: Repair gas main.

Approved and permit issued.

19. Received Invitational Bids from the Purchasing Agent for Substation Equipment as follows:

2 KVA Transformers (P.O. 2468)

ALLIS CHALMERS	-	\$66,472.00
GENERAL ELECTRIC CO.	-	66,808.00
ITE IMPERIAL CORP.	-	NO BID
WESTINGHOUSE ELECTRIC	-	65,260.00

The bid of General Electric Company was accepted in amount of \$66,808.00. Ordered Purchase Order No. 2468 sent to the Common Council Tuesday, December 11, 1973 at 8:00 p.m.

Other bids were not accepted because they did not include lighting arrestors nor bushing valued at \$1,950.00.

20. Received Invitational Bids from the Purchasing Agent for Substation Equipment as follows:

7 - 2,500,000 KVA 120 amp Oil Circuit Breakers and tank lifter (P.O. 2469)

ALLIS CHALMERS	NO BID
GENERAL ELECTRIC COMPANY	\$99,600.00
ITE IMPERIAL CORP.	\$85,050.00 (Transformers only)
WESTINGHOUSE ELEC. CO.	\$94,230.00

The bid of Westinghouse Electric Company was accepted in amount of \$94,230.00.

Ordered Purchase Order No. 2469 sent to the Common Council Tuesday, December 11, 1973 at 8 p.m.

The bid of ITE did not meet specifications.

21. Received Invitational Bids from the Purchasing Agent for Substation Equipment as follows:

10 - 4/15 KV Circuit Breakers -
1200 amp (P.O. 2470)

ALLIS CHALMERS	-	NO BID
GENERAL ELECTRIC COMPANY	-	\$48,500.00
ITE IMPERIAL CORP.	-	\$44,820.00
WESTINGHOUSE ELEC. CO.	-	\$49,500.00

The bid of ITE was accepted in amount of \$44,820.00.

Ordered Purchase Order No. 2470 sent to the Common Council Tuesday, December 11, 1973 at 8:00 p.m.

22. Received a request from Quick Action Sewer Service for permission to close the alley on the side of 1013 Stophlet Street beginning November 30, 1973 from 3:00 p.m. to 5:00 p.m.
PURPOSE: Find out problem in sewer.

Approved and permit issued.

23. Received Partial Payment No. 12 in the amount of \$82,445.93 for Bowen Engineering Corporation covering period of work performed on site October 1, 1973 to October 31, 1973 for Sewer Improvement Resolution NO. 279-1972 - Storm Water Treatment Facility, Section V - EPA No. 11020 GYU.

Approved.

Ordered City Utilities to pay \$82,445.93 to Bowen Engineering Corporation from the Water Pollution Control Utility Fund.

Also, pay Bowen Engineering Corporation Escrow Account at Indiana Bank & Trust Company retainage in the amount of \$9,160.65 from the Water Pollution Control Utility Fund.

24. Received Invitational Bids from the Purchasing Agent for Light Construction as follows:

15,000 ft. 1/2" - 7 x #6, 40% conductivity, high strength Copperweld messenger for aerial cable.

The bid of All-Phase Electric Company was accepted in the amount of \$6,227.12.

Ordered Purchase Order No. 2605 sent to the Common Council Tuesday, December 11, 1973 at 8:00 p.m.

GRAYBAR ELECTRIC -----	\$6,383.00
ALL-PHASE ELECTRIC ----- 80.61/c wt.	6,227.12
GRIFFIN ELECTRIC -----81.74/c wt.	6,314.42

25. Received invoice No. 26 of Henry B. Steeg & Associates, Inc. for engineering services on Storm Water Demonstration Grant Project EPA No. 11020 as per contract dated June 2, 1971 for the amount of \$3,067.45.

Approved.

Ordered City Utilities to pay invoice of Henry B. Steeg & Associates, Inc. (No. 26) for \$3,067.45 from the Water Pollution Control Utility Fund.

26. Received Special Sewer Permit for Yost Companies, Inc., prepared and approved by the Water Pollution Control Engineering Department, and Performance Bond of Yost Companies, Inc. to construct a sanitary sewer known as Lincoln Industrial Park Sanitary Sewer ONLY. Yost Companies, Inc. is to perform the construction work.

Approved and Special Sewer Permit issued.

27. Received Invitational Bids from the Purchasing Agent for Water Construction Department as follows:

2,682 ft. 12" Ductile Iron-Bell-Tite Pipe, etc. (P.O. 2405)

TREATY CO. ----- \$17,908.35

CLOW CORP. ----- \$17,097.80

Above is for use on By-pass 30 State Highway Project U-724 (20).

The Bid of Clow Corporation was accepted in the amount of \$17,097.80.

Ordered Purchase Order No. 2405, dated November 21, 1973, sent to the Common Council Tuesday, December 11, 1973 at 8:00 p.m.

Meeting adjourned at 10:05 a.m.

6. Received inspection report and Primary Assessment Roll prepared by the Street Engineering Department for Improvement Street Resolution No. 5633-1972 for improving Clermont Avenue from the east property line of Hessen Cassel Road to the west property line of Wayne Trace.

Approved and Completion Affidavit filed.

Primary Assessment Roll approved.

Advertise Notice of Assessment December 13 & 14, 1973.

Hearing on Confirmation of Assessment Roll Thursday, December 27, 1973 at 3:30 p.m.

Notices to be mailed December 14, 1973.

7. Received Grant of Easement for Sewer from Theodore F. Hagerman and Dorothy M. Hagerman and William O. Hagerman and Joan I. Hagerman for temporary and permanent easement in connection with Mini-Mansions Sanitary Sewer. Recording No. 73-28475, dated November 19, 1973. Instrument G-9067.

Approved and on file in the Board of Public Works.

RELEASED 12/13/1974

SEE BOOK 61-77

8. Received a request from Jerry Wrightsman, 2117 Pauline, for permission to barricade Gaywood between Oxford and Woodview beginning Wednesday, December 5, 1973 from 8:00 a.m. to 4:00 p.m.
PURPOSE: Cutting down tree. Approved and permit issued.
9. Received Plat of Imperial Village, Section II submitted and approved by the City Plan Commission. Approved.
10. Received Plat of Edgewood Industrial Park, Block "C", Lots 18, 19 and 20 submitted and approved by the City Plan Commission. Approved.
11. Received Partial Payment Estimate No. 1 of Wayne Asphalt and Construction, Inc. in the amount of \$37,773.10 for resurfacing Project, Resolution No. 5638-1973. Approved and ordered invoice of Wayne Asphalt and Construction, Inc. paid from the Revenue Sharing Account 3436,200 Project B - Street Resurfacing.
12. Received Water Contract No. 7326, prepared and approved by the Water Engineer between the Fort Wayne Water Utility and Jehl Real Estate. (East State Street) Approved.
13. Received invoice NO. 27 of Henry B. Steeg & Associates, Inc. for engineering services on Storm Water Demonstration Grant Project EPA No. 11020 as per contract dated June 2, 1971 for the amount of \$1,662.04. Approved.
Ordered City Utilities to pay invoice of Henry B. Steeg & Associates, Inc. (No. 27) for \$1,662.04 from the Water Pollution Control Utility Fund.
14. Received invoice No. 6 of Shambaugh & Son, Inc. for construction work on Interim Phosphorus Removal System for Services up to June 30, 1973 for the amount of \$5,095.20. (FINAL) Approved.
Ordered City Utilities to pay invoice No. 6 of Shambaugh & Son, Inc. in the amount of \$5,095.20 from the Water Pollution Control Utility Fund.

15.

SEWER EASEMENT RESOLUTION
NO. 101-1972 AMENDED

NUNC PRO TUNC ENTRY BY BOARD OF PUBLIC WORKS
CORRECTING DESCRIPTION IN RESOLUTION

Comes now Philip R. Boller, Chief Water Pollution Control Engineer and shows the Board that mistakes were made in the description of the permanent right of way in the above Resolution, which was adopted by this Board January 12, 1972 and confirmed as modified May 18, 1972. Corrections to be made on permanent easement as follows:

Item 1 should read:

An easement 14' in uniform width lying 7' either side of the following described centerline: Beginning at a point 168 + feet South of and 41 + feet West of the East line of said SW 1/4 of the Southwest corner of North-east 1/4 of Southwest 1/4 Section 27, being on the West property line of Franke Park; thence, turning an angle from said West line of Franke Park to the West 63°52' and projecting a distance of 220 + L.F. to the West line of a space now or formerly owned by Thomas G. and Selma Ember as described in Deed Record Book 385, Page 508.

Item 3 should read:

An easement 7' in uniform width lying immediately East, adjacent and parallel to the West line of the 2 acre tract now or formerly owned by Thomas G. and Selma Ember as described in Deed Record Book 621, Pages 575-6, except the North 148' and South 562.5'.

Item 5: should be deleted.

Item 6: Should be deleted.

Item 7 should read:

An easement 14' in uniform width lying 7' either side of the following described centerline: Beginning at a point 27' North of the Southwest corner of Lot #1 in Crestwood Addition Amended as recorded in Plat Book 17, Page 74: thence, turning an angle of clockwise of 50° 37' from the West property line and projecting a distance of 339 + feet to the East line of said lot being 50' South of the Northeast corner of said lot.

The Board being duly advised finds that such corrections should be made, and the Board now corrects and amends by interlineation and/or deletion Items 1, 3, 5, 6 and 7 of the description for the permanent right of way NUNC PRO TUNC as of the date of the adoption of said Resolution on January 12, 1972 and the Confirmation on May 18, 1972, accordingly.

Approved and adopted. A true copy of which Resolution No. 101-1972 (Sewer Easement Resolution Amended) is incorporated herein by reference and appears in Minutes herein under Resolution No. 101-1972.

Meeting adjourned at 10:15 a.m.

4. Received Contract, Guaranty Bond and Liability Bond of A. Grosjean & Son in the amount of \$12,691.00, prepared by Street Engineering Department, signed by The Cincinnati Insurance Company, for Alley Improvement Resolution NO. 5644-1973 for improving the alley between Tennessee Avenue and Anderson Avenue from the west property line of McAfee Street to its western terminus.

Approved.

Ordered Contract, in the amount of \$12,691.00, sent to the Common Council Wednesday, December 26, 1973 at 8:00 p.m.

5. Received Street Lighting Resolution No. 105-1973 final plans, estimate, specifications and property ownership list, prepared by the Electrical Engineering Department for Fleming Avenue & Maple Grove Avenue in McKinnieville Addition:

WHEREAS, Fleming Avenue and Maple Grove Avenue, from Fairfield Avenue to Calhoun Street, in McKinnieville Addition, were developed without street lighting, and

WHEREAS, over 55% of the property owners in said McKinnieville Addition have petitioned the Board of Public Works for the installation of street lighting with underground wiring, and

WHEREAS, on August 16, 1973, the Board of Works wrote a letter to said property owners requesting their preference on the type of lighting to be installed, and

WHEREAS, response received indicated the majority of the property owners desired underground wiring and ornamental lighting, and

WHEREAS, engineering plans, specifications, estimates and primary assessment figures have been prepared by the Electrical Engineering Department and filed with the Board of Public Works,

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works of the City of Fort Wayne, Indiana, that new ornamental street lighting with underground wiring shall be installed in McKinnieville Addition, on Fleming and Maple Grove Avenues, from Fairfield Avenue to Calhoun Street. A maximum cost of \$.008 per square foot of lot area shall be apportioned against and paid by the property owners benefitted up to a maximum of \$62.00 per lot with the City of Fort Wayne, Indiana, paying the balance of cost of said lighting improvement. All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana entitled, "Public Improvements in Platted Additions", Burns 48-3001, etc.

6. Received Final Assessment Roll prepared by the Water Pollution Control Engineering Department for Sewer Easement Resolution No. 120-1973 (Sewer Res. #266 - St. Joseph River Interceptor) Robinson Park to Martin Ditch.

Approved and adopted. A true copy of which Resolution No. 105-1973 is incorporated by reference herein and appears in Minutes herein, under Resolution No. 105-1973.

Advertise Notice to Property Owners, December 14, 1973.

Hearing on Confirmation Thursday, December 27, 1973 at 3:30 p.m.

Notices to be mailed December 14, 1973.

CONFIRMED and ordered sent to the Department of Finance.

7. Received Final Assessment Roll prepared by the Water Pollution Control Engineering Department for Sewer Easement Resolution No. 121-1973 (Sewer Res. # 267 MODIFIED - St. Joseph River Interceptor) Martin Ditch to Lake River.

CONFIRMED and ordered sent to the Department of Finance.
8. Received Final Assessment Roll prepared by the Water Pollution Control Engineering Department for Sewer Easement Resolution No. 122-1973 (Sewer Res. # 271 - St. Joseph River Interceptor) Robinson Park to S. R. 327.

CONFIRMED and ordered sent to the Department of Finance.
9. Received Final Assessment Roll prepared by the Water Pollution Control Engineering Department for Sewer Easement Resolution No. 123-1973 (Sewer Res. #272 - St. Joseph River Interceptor) State Road #3.

CONFIRMED and ordered sent to the Department of Finance.
10. Received Final Assessment Roll prepared by the Water Pollution Control Engineering Department for Sewer Easement Resolution No. 124-1973 (Sewer Res. # 273 MODIFIED - St. Joseph River Interceptor) S. R. #3 to County Home Area.

CONFIRMED and ordered sent to the Department of Finance.
11. Received Final Assessment Roll prepared by the Water Pollution Control Engineering Department for Sewer Easement Resolution No. 125-1973 (Sewer Res. #275 - St. Joseph River Interceptor) Robinson Park to Dupont Road.

CONFIRMED and ordered sent to the Department of Finance.
12. Received Final Assessment Roll prepared by the Water Pollution Control Engineering Department for Sewer Easement Resolution No. 126-1973 (Sewer # 276 - St. Joseph River Interceptor) Dupont Road to Pine Valley.

CONFIRMED and ordered sent to the Department of Finance.
13. Received Final Assessment Roll prepared by the Water Pollution Control Engineering Department for Sewer Easement Resolution No. 127-1973 (Sewer #277 MODIFIED - St. Joseph River Interceptor) St. Joe River to Leo Road.

CONFIRMED and ordered sent to the Department of Finance.

14. Received Invoices Nos. 3 and 4 of Industrial Piping and Engineering Corporation, totaling \$36,090.00, (Partial Payment No. 3 for \$7,200.00 and Partial Payment No. 4 for \$28,890.00) for Water Contract No. 72-W-2, Revision to Existing Filtration Plant.
- Approved.
- Ordered City Utilities to pay invoices Nos. 3 & 4 of Industrial Piping and Engineering Corporation in the amount of \$36,090.00 from the Water Utility Fund.
15. Received Change Order No. 1 in the amount of \$1,379.85 for Maumee Construction Corporation prepared by the Street Engineering Department covering work performed under Street Improvement Resolution No. 5641-1973 - Elmer Avenue.
- Approved.
16. Received Invitational Bids from the Purchasing Agent for Light Construction as follows:
- 3 - 250 KVA Transformers (P.O. 2668)
- TRUITT ELEC. SALES AGENCY ---- \$1,283.00 ea.
- CENTRAL MALONEY ----- \$1,392.00 ea.
- WESTINGHOUSE ELEC. SUPPLY CO.- \$1,230.88 ea.
- H. K. PORTER CO. ----- \$1,392.00 ea.
- CENTRAL SUPPLY COMPANY ----- \$1,450.00 ea.
- NATIONAL MILL SUPPLY ----- \$1,229.00 ea.
- The Bid of National Mill Supply Company in the amount of \$3,687.00 was accepted.
- Ordered Purchase Order NO. 2668, dated December 6, 1973, sent to Common Council Wednesday, December 26, 1973 at 8:00 p.m.
17. Received inspection report from the Water Pollution Control Engineering Department and Completion Affidavit of Earth Construction & Engineering, Inc. with Guaranty Bond in the amount of \$9,000.00 signed by Great American Insurance Company for sanitary sewer known as Parkview Church of Christ - Colony Heights Sewer Extension.
- Approved.
- Ordered acceptance letter written.
18. Received Invoice No. 1 of Butler, Fairman and Seufert, Inc. in the amount of \$1,500.00 covering preliminary engineering service on Improvements to Tillman Road from Anthony Boulevard to Hessen Cassel Road, in accordance with Agreement adopted April 24, 1973.
- Approved and ordered invoice of Butler, Fairman and Seufert, Inc. in the amount of \$1,500.00 paid from the L. R. & S. Fund.

19. Received a request from Jerry Wrightsman, 2117 Pauline Street, for permission to barricade Gaywood between Woodview and Hamilton and to barricade Oxford between South Park Drive and Smith Street beginning on Friday, December 7, 1973 from 8:00 a.m. to 6:00 p.m.
PURPOSE: Remove electrical wires.
- Approved and permit issued.
20. Received a request from Ft. Wayne Storage, 806 Hayden Street, for permission to park a truck on the Northeast corner of the 800 block of South Clinton and in front of 803 South Calhoun Street beginning on Monday, December 10, 1973 from 8:30 a.m. to 12:00 noon 800 block S. Clinton and 10:30 a.m. to 3:00 p.m. - 803 S. Calhoun Street.
PURPOSE: Moving Law Office of Fred Schoppman.
- Approved and permit issued.
21. Received Invoices Nos. 2, 3 and 4 of McNamee, Porter and Seeley in respective amounts of \$1,082.40, \$319.60 and \$192.24 covering construction work performed on Expansion of Three Rivers Filtration Plant in accordance with Agreement of December 7, 1970.
- Approved.
- Ordered City Utilities to pay invoices 2, 3 and 4 in total amount of \$1,594.24 paid from the Water Utility Fund.
22. Received a request from NIPSCO, 1501 Hale Avenue, for permission to barricade the alley behind 1905 Lawndale beginning - Monday, December 10, 1973 at 1:30 p.m. to Friday, December 14, 1973 at 4:30 p.m.
PURPOSE: Gas Leak.
- Approved and permit issued.

Meeting adjourned at 10:15 a.m.

Office of the Board
Room 910, City-County Building
Regular meeting held at 9 a.m.

J. D. Boswell, R. L. Bonar, W. G. Williams
Edna I. Smith, Clerk

J. D. Boswell, R. L. Bonar,
W. G. Williams
Edna I. Smith

Received Minutes of Meetings held
Thursday, December 27, 1973 at
3:30 p.m. and Wednesday, January 2, 1974
at 9 a.m.

1. Received purchase orders from the Purchasing Agent of City Utilities.

Approved.

2. Received payment vouchers from the Auditor of City Utilities.

Approved and ordered sent to the Department of Finance.

3. Received street cut applications:

Approved and permits issued.

4. Received pole line application.

Approved and permit issued.

South side of Warfield Street, E/o Hanna St.
 and west side of Hanna St., S/o Warfield
 St. ----- Ind. & Mich. Elec. Co.

5. Received tabulation and recommendation
 prepared by the Electrical Engineering Department
 for Street Lighting Resolution No. 104-1973,
 Tower Heights Addition, Sections C, D and
 E.

AWARD CONTRACT to Schmidt
 Electric, Inc., at and for their
 bid in the amount of \$12,082.50.

Ordered the Electrical
 Engineering Department to
 prepare Contract and necessary
 documents.

6. Pursuant to Storm Sewer Resolution No. 247-1971,
 which was held in abeyance February 4, 1971,
 the Board now deems it advisable to RESCIND
 ALL ACTION.

ALL ACTION RESCINDED.

7. Received Assessment Roll of Benefits and Damages,
 prepared by the Street Engineering Department,
 for Declaratory Resolution No. 1353-1973 for
 the vacation of Jefferds Avenue from the west
 property line of Fairview Avenue to the northwest
 property line of Washington Boulevard.

Approved and Board finds
 that the amount of damages to each
 property listed on said Roll are
 equal in the amount of \$1.00 each
 and the assessment of said
 benefits and damages are so
 ordered.

Notices to be served
 January 11, 1974.

Hearing on Confirmation of
 Assessment Roll Thursday,
 January 24, 1974 at 3:30 p.m.

8. Received Assessment Roll of Benefits and Damages,
 prepared by the Street Engineering Department,
 for Declaratory Resolution No. 1354-1973 for
 the vacation of the first alley north of Burgess
 Street from the west property line of Oakland
 Street to the east property line of the first
 alley west of Oakland Street.

Approved and Board finds that
 the amount of damages to each
 property listed on said Roll
 are equal in the amount of
 \$1.00 each and the assessment
 of said benefits and damages
 are so ordered.

Notices to be served
 January 11, 1974.

Hearing on Confirmation of
 Assessment Roll Thursday,
 January 24, 1974 at 3:30 p.m.

9. Received Final Assessment Roll, prepared by the Street Engineering Department, for Street Improvement Resolution NO. 5633-1973 for improving Clermont Avenue from the east property line of Hessen Cassel Road to the west property line of Wayne Trace.

CONFIRMED and ordered sent to the Department of Finance.

10. Received inspection report and Primary Assessment Roll prepared by the Water Pollution Control Engineering Department for Sanitary Sewer Resolution No. 857-1972 for Trixholme Addition Area.

Approved and Completion Affidavit filed.

Primary Assessment Roll approved.

Advertise, Notice of Assessment January 11 & 18, 1974.

Hearing on Confirmation of Assessment Roll Thursday, January 31, 1974 at 3:30 p.m.

Notices to be mailed January 18, 1974.

11. Received Invoice No. 29 of Henry B. Steeg & Associates, Inc. for engineering services on Storm Water Demonstration Grant Project EPA No. 11020 as per contract dated June 2, 1971 for the amount of \$1,393.11.

Approved and ordered City Utilities to pay invoice of Henry B. Steeg & Assoc., Inc. (No. 29) for \$1,393.11 from the Water Pollution Control Utility Fund.

12. Received Special Sewer Permit for Ben Bunt, Inc., prepared and approved by the Water Pollution Control Engineer, and Performance Bond of Ben Bunt to construct sanitary sewer known as Crown Colony Section "E", Block "B".

Approved and Special Sewer Permit issued.

13. Received Partial Payment No. 13 in the amount of \$75,303.10 for Bowen Engineering Corporation covering work period on site November 1 to December 7, 1973 for Sewer Improvement Resolution No. 279-1972 - Storm Water Treatment Facility, Section V - EPA No. 11020 GYU.

Approved.

Ordered City Utilities to pay \$75,303.10 to Bowen Engineering Corporation from Water Pollution Control Utility Fund.

Also, pay Bowen Engineering Corporation Escrow Account at Indiana Bank & Trust Company retainage in the amount of \$8,367.02 from the Water Pollution Control Utility Fund.

Meeting adjourned at 9:40 a.m.

Ronald L. Bonar

5. Received inspection report and Primary Assessment Roll prepared by the Street Engineering Department for Street Improvement Resolution No. 5636-1973 for improving Dalewood Drive from the east property line of Chancellor Drive to the west property line of Elwood Drive, including sidewalks and street lighting.

Approved and Completion Affidavit filed.

Primary Assessment Roll approved.

Advertise, Notice of Assessment January 11 and 12, 1974.

Hearing on Confirmation of Assessment Roll Thursday, January 24, 1974 at 3:30 p.m.

Notices to be mailed January 11, 1974.

6. Received Street, Sewer, Lighting Improvement Resolution No. 5652-1974, final plans, estimate, specifications and property ownership list, prepared by the Street Engineering Department for Colonial Park Addition, Sections A and B, and abutting areas:

WHEREAS, the street pavements, storm drainage and street lighting in Colonial Park, Sections A and B, are non-existent or in need of improvement, and

WHEREAS, over 55% of the resident property owners in said addition butting on the interior streets have petitioned the Board of Works requesting installation of street pavements, storm sewers and street lighting, and

WHEREAS, the Board of Works has ordered engineering plans, specifications, cost estimates and property ownership list necessary for the accomplishment of said improvement,

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works that it is deemed necessary to improve Colonial Park Addition, Sections A and B and abutting areas, with the following improvements:

1. Draining, curbing, grading and paving the streets as herein described to a uniform width of 27 feet, with 6-inch plain concrete.
2. A storm sewer system adequate to provide drainage to said streets and abutting properties.
3. Ornamental street lighting with underground wiring.

Streets included in said improvements are:

Wendmere Lane and Colony Drive from Clinton Street to Campus Court.

Concordia Drive and Campus Court from St. Joe Center Road to Wendmere Lane.

Approved and adopted. A true copy of which Resolution No. 5652-1974 is incorporated by reference herein and appears in Minutes herein, under Resolution No. 5652-1974.

Advertise, Notice to Property Owners, January 11 and 18, 1974.

Hearing on Confirmation Thursday, January 31, 1974 at 3:30 p.m.

Notices to be mailed January 18, 1974.

Improvements shall be in accordance with the plans, profiles, detailed drawings and specifications now on file in the office of the Department of Public Works of said City and such improvement is hereby ordered.

This improvement resolution is ordered pursuant to the enabling legislation as follows:

1. Street Pavements - Burns Statute 48-2717 et seq.
2. Storm Sewers - Burns Statute 48-3950 et seq.
3. Street Lighting - Burns Statute 48-3301 et seq.

A maximum cost of \$14.00 per front foot shall be assessed upon the real estate abutting Wendmere Lane and Colony Drive, as above described and where applicable within the prevailing State Statutes controlling this Board on properties within 150 feet of the line of the street to be improved.

A maximum cost of \$6.00 per foot shall be assessed for those properties abutting Concordia Drive and the west side of Campus Court. The east side of Campus Court shall be assessed at the rate of \$14.00 per front foot.

The balance of the project cost shall be assessed upon the City of Fort Wayne, Indiana, and paid from Revenue Sharing and/or other appropriated funds.

7. Received the following bids from the Purchasing Agent for Light Construction Department:

102,000 ft. Duplex Service Wire

GRAYBAR ELECTRIC CO.	- \$5,824.20
ALL PHASE ELEC. CO.	- \$5,885.40
GRIFFIN ELEC. CO.	- \$4,998.00
CENTRAL SUPPLY CO.	- \$5,742.60

Through the recommendation of the Purchasing Agent the bid of Griffin Electric Co. was accepted under Purchase Order No. 2814, dated January 7, 1974, for the amount of \$4,998.00.

Ordered sent to the Common Council Tuesday, January 22, 1974 at 8 p.m.

8. Received the following bids from the Purchasing Agent for Light Construction Department:

300 Hadco Series 6000 Luminaire and
300 Hadco Series 1500 Luminaire:

GRAYBAR ELEC. CO.	- NO BID
ALL PHASE ELEC. CO.	- \$63,555.00
HADCO COMPANY	- \$54,000.00

Through the recommendation of the Purchasing Agent the bid of Hadco Company was accepted under Purchase Order No. 2860, dated January 3, 1974, for the amount of \$54,000.00.

Ordered sent to the Common Council Tuesday, January 22, 1974 at 8 p.m.

9. Received the following bids from the Purchasing Agent for Light Construction Department:

1000 16' Embedded Hapco Aluminum Pedestal poles

GRAYBAR ELEC. CO.	- \$61,700.00
WESTINGHOUSE ELEC. CO.	- \$62,349.00
PREFERRED PRODUCTS SALES CO.	- \$59,960.00
CENTRAL SUPPLY CO.	- \$62,350.00
ALL-PHASE ELEC. CO.	- \$61,799.00
GRIFFIN ELEC. CO.	- \$61,880.00

Through the recommendation of the Purchasing Agent the bid of Preferred Products Sales Co. was accepted under Purchase Order No. 2864, dated January 2, 1974, for the amount of \$59,960.00

Ordered sent to the Common Council Tuesday, January 22, 1974 at 8 p.m.

10. Received the following bids from the Purchasing Agent for Light Construction Department:

500 175 Watt all light peck.(Security Light)

CENTRAL SUPPLY CO.	- \$12,500.00
NATIONAL MILL CO.	- \$13,075.00
GRAYBAR ELEC. CO.	- NO BID
ALL-PHASE ELEC. CO.	- \$21,400.00
WESTINGHOUSE ELEC. CO.	- \$12,705.00
GENERAL ELEC. COMPANY	- \$12,450.00

Through the recommendation of the Purchasing Agent the bid of General Electric Company was accepted under Purchase Order No. 2866, dated January 2, 1974, for the amount of \$12,450.00.

Ordered sent to the Common Council Tuesday, January 22, 1974 at 8 p.m.

11. Received the following bids from the Purchasing Agent for Light Construction Department:

2400 Luminaires

GENERAL ELECTRIC CO.	- \$100,764.00
GRAYBAR ELEC. CO.	- NO BID
ALL-PHASE ELEC. CO.	- \$163,407.00
WESTINGHOUSE ELEC. CO.	- \$105,500.00

Through the recommendation of the Purchasing Agent the bid of General Electric Company was accepted under Purchase Order No. 2867, dated January 3, 1974, for the amount of \$100,764.00.

Ordered sent to the Common Council Tuesday, January 22, 1974 at 8 p.m.

12. Received the following bids from the Purchasing Agent for Light Construction Department:

1000 mast arms:

CENTRAL SUPPLY CO.	- \$6,139.00
NATIONAL MILL CO.	- \$7,183.00
WESTINGHOUSE ELEC. CO.	- \$6,109.00
GRAYBAR ELEC. CO.	- \$6,050.00
ALL-PHASE ELEC. CO.	- \$6,050.00
GRIFFIN ELEC. CO.	- \$6,980.00

Through the recommendation of the Purchasing Agent the bid of All-Phase Electric Company was accepted under Purchase Order No. 2861, dated January 2, 1974, for the amount of \$6,050.00.

Ordered sent to the Common Council Tuesday, January 22, 1974 at 8 p.m.

13. Received the following bids from the Purchasing Agent for Light Construction Department:

30,000 ft. cable duct 3-1/C #2 aluminum AWG type 600 Volt

CENTRAL SUPPLY CO.	- \$14,400.00
NATIONAL MILL CO.	- NO BID
GRIFFIN ELEC. CO.	- \$14,570.40
GRAYBAR ELEC. CO.	- \$14,730.00
ALL-PHASE ELEC. CO.	- \$14,640.00
WESTINGHOUSE ELEC. CO.	- NO BID
ANACONDA WIRE CO.	- NO BID

Through the recommendation of the Purchasing Agent the bid of Central Supply Company was accepted under purchase order No. 2906, dated January 2, 1974, for the amount of \$14,400.00.

Ordered sent to the Common Council Tuesday, January 22, 1974 at 8 p.m.

14. Received the following bids from the Purchasing Agent for Light Construction Department:

40 Widelite BL 250-CWB-Lx 250 watt floodlights:

CENTRAL SUPPLY CO.	-	NO BID
NATIONAL MILL CO.	-	\$5,530.00
GRAYBAR ELEC. CO.	-	\$5,360.00
ALL-PHASE ELEC. CO.	-	\$5,200.00

Through the recommendation of the Purchasing Agent the bid of ALL-PHASE ELEC. CO. was accepted under Purchase Order No. 2909, dated January 3, 1974, for the amount of \$5,200.00.

Ordered sent to the Common Council Tuesday, January 22, 1974 at 8 p.m.

15. Received the following bids from the Purchasing Agent for Light Construction Department:

2400 ft. 2" plastic conduit

ALL PHASE ELEC. CO.	-	\$ 790.80
CENTRAL SUPPLY CO.	-	\$ 973.20
GRIFFIN ELEC. CO.	-	\$1080.00
GRAYBAR ELEC. CO.	-	\$ 821.76
WESTINGHOUSE ELEC. CO.	-	\$ 720.00

Through the recommendation of the Purchasing Agent the bid of Westinghouse Elec. Company was accepted under Purchase Order NO. 2910, dated January 3, 1974, for the amount of \$720.00.

Ordered sent to the Common Council Tuesday, January 22, 1974 at 8 p.m.

ENTRY UNNECESSARY - No councilmanic approval necessary.

16. Received the following bids from the Purchasing Agent for Light Construction Department:

20,000 ft. #12-1/C stranded copper
600 volt insulation Type TW

CENTRAL SUPPLY CO.	-	\$662.60
GRIFFIN ELEC. CO.	-	\$729.60
GRAYBAR ELEC. CO.	-	\$839.20
ALL PHASE ELEC. CO.	-	\$1240.00
WESTINGHOUSE ELEC. CO.	-	NO BID

Through the recommendation of the Purchasing Agent the bid of Central Supply Company was accepted under Purchase Order No. 2911, dated January 3, 1974, for the amount of \$662.60.

Ordered sent to the Common Council Tuesday, January 22, 1974 at 8 p.m.

ENTRY UNNECESSARY - No councilmanic approval necessary.

17. Received the following bids from the Purchasing Agent for Light Construction Department:

8000 ft. 2" galvanized rigid steel conduit

GRIFFIN ELEC. CO.	-	\$5,792.00
GRAYBAR ELEC. CO.	-	\$5,348.00
ALL-PHASE ELEC. CO.	-	NO BID
CENTRAL SUPPLY CO.	-	\$5,049.60
WESTINGHOUSE ELEC. CO.	-	NO BID

Through the recommendation of the Purchasing Agent the bid of Central Supply Company was accepted under Purchase Order No. 2912, dated January 3, 1974, for the amount of \$5,049.60.

Ordered sent to the Common Council Tuesday, January 22, 1974 at 8 p.m.

18. Received the following bids from the Purchasing Agent for Light Construction Department:

550 aluminum lighting poles - Hapco shaft
500 brackets

PREFERRED PRODUCTS SALES	-	\$103,971.50
ALL-PHASE ELEC. CO.	-	NO BID

Through the recommendation of the Purchasing Agent the bid of Preferred Products Sales was accepted under Purchase Order No. 2914, dated December 31, 1973, for the amount of \$103,971.50.

Ordered sent to the Common Council Tuesday, January 22, 1974 at 8 p.m.

19. A permit was issued to NIPSCO, 1501 Hale Avenue, to barricade the alley between Indiana and So. Wayne and Packard and Kinsmoor beginning Friday, January 4, 1974 from 8 a.m. to 4:30 p.m.
PURPOSE: repair gas leak.
- Approved and permit was issued.
20. Permission was granted to Strahm, Inc., 515 E. Paulding Road, to park two trucks on the "Landing" beginning Monday, January 7, 1974 to Friday, February 8, 1974 from 7:30 a.m. to 4:00 p.m.
PURPOSE: Working on County Annex Building.
- Approved and permit was issued.
21. Received Change Order No. 1 in the amount of \$446.10 for Schmidt Electric, Inc. prepared by the Electrical Engineering Department covering material for Street Lighting Resolution No. 104-1973 - Tower Heights Addition, Sections C, D and E.
- Approved.
22. Received the following bids from the Purchasing Agent for Light Construction Department:
- 750 Great Lakes Concrete Poles
- | | | |
|--|----|--------------|
| ALL-PHASE ELEC. CO. | -- | \$159,900.00 |
| UNION METAL MFG. CO. | -- | \$163,548.00 |
| NATIONAL MILL CO. | -- | \$161,992.50 |
| GRAYBAR ELEC. CO. | -- | \$162,150.00 |
| ALL-PHASE ELEC. CO. (alternate) - \$128,838.00 | | |
- Through the recommendation of the Purchasing Agent the bid of ALL-PHASE ELECTRIC COMPANY was accepted under Purchase Order No. 2904, dated January 7, 1974, for alternate bid of Natural Finish Concrete Poles for the amount of \$128,838.00.
- Ordered sent to the Common Council Tuesday, January 22, 1974 at 8 p.m.
23. Received the following bids from the Purchasing Agent for Light Construction Department:
- 2100 Mercury Deluxe White Lamps
- | | | |
|---------------------|---|------------|
| GRAYBAR ELEC. CO. | - | \$7,938.00 |
| NATIONAL MILL CO. | - | \$8,943.00 |

| CENTRAL SUPPLY CO. | - | \$13,421.56* |
- Through the recommendation of the Purchasing Agent the bid of All-Phase Electric Co. was accepted under Purchase Order No. 2930, dated January 9, 1974 for the bid in the amount of \$13,973.10.
- Ordered sent to the Common Council Tuesday, January 22, 1974 at 8 p.m.
- * not bidding LUCALUX - G.E.

25. Received a request from TB Association, 802 W. Wayne Street, to park their Mobile X-Ray Cruiser on the east side of Court Street in the first two spaces north of Berry Street from 10:00 a.m. to 4:00 p.m. on the following Fridays:

January 11, 18 and 25, 1974.

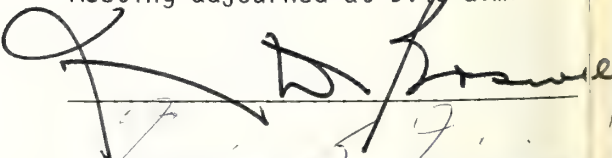

February 1, 8, 15 and 22, 1974

March 1, 8, 15, 22 and 29, 1974

PURPOSE: Park Mobile X-Ray Cruiser.

Approved and permit issued.

Meeting adjourned at 9:40 a.m.

BOARD OF PUBLIC WORKS

ATTEST:

Clerk

Thursday, January 10, 1974

Department of Public Works
Office of the Board
Room 910, City-County Building
Regular meeting held at 3:30 p.m.

J. D. Boswell, R. L. Bonar, W. G. Williams
Edna I. Smith, Clerk

J. D. Boswell, R. L. Bonar,
W. G. Williams
Edna I. Smith

1. HEARING ON CONFIRMATION OF ASSESSMENT ROLL

Street Improvement Resolution No. 5641-1973
for improving Elmer Avenue from the east
property line of Sherman Boulevard to the
existing pavement west of Sherman Boulevard,
a distance of approximately 450 lineal feet.

The Board determined the
benefits as indicated.

Ordered the Street
Engineering Department
to prepare the Final
Assessment Roll.
\$600 will be retained until
seeding is completed.

2. HEARING ON CONFIRMATION

Declaratory Resolution No. 1355-1973 for the
vacation of Lombard Street from the north
property line of Jefferds Avenue to the
southerly property line of Washington
Boulevard.

CONFIRMED.

Ordered the Street
Engineering Department
to prepare Assessment Roll
of Benefits and Damages.

3. HEARING ON CONFIRMATION

Declaratory Resolution No. 1356-1973 for the
vacation of the first alley east of
Lombard Street from the north property
line of Jefferds Avenue to the southerly
property line of Washington Boulevard.

CONFIRMED.

Ordered the Street
Engineering Department
to prepare Assessment Roll
of Benefits and Damages.

4. HEARING ON CONFIRMATION

Declaratory Resolution No. 1357-1973 for the
vacation of Sidney Street from the north
property line of Jefferds Avenue to the
southerly property line of Washington
Boulevard.

CONFIRMED.

Ordered the Street
Engineering Department
to prepare Assessment Roll
of Benefits and Damages.

5.

SNOW EMERGENCY RESOLUTION

Pursuant to the Mayor's declaration of a "Snow Emergency" Thursday, January 10, 1974, the Board of Public Works summoned all departments of the City, as well as various contractors, to furnish equipment for removal of snow to provide for parking in the downtown area and to facilitate the flow of traffic on established snow routes.

6. SEWER TAP AGREEMENT REIMBURSEMENT

Permission is hereby granted to Acme Heat Treating, Inc., to tap a sewer to serve 5803 Industrial Road. Said permission is conditioned upon the payment of \$,348.47 to the City of Fort Wayne as reimbursement under a certain Sewer Agreement No. SC72-6, dated the 9th of November, 1972, who are parties of said contract, by the City of Fort Wayne; it is further conditioned upon a sewer tap permit being taken out with the Water Pollution Control Engineer, the Permit Room.

Approved.

Ordered the City Utilities to remit the sum of \$1,348.47 to P. & D. Realty Corp, which sum was deposited with the City by the applicant, to be distributed as set out in the Special Sewer Tap Agreement.

7. SEWER TAP AGREEMENT REIMBURSEMENT

Permission is hereby granted to Dale McClain to tap a sewer to serve 130 East Hoover Drive. Said permission is conditioned upon the payment of \$1,010.49 to the City of Fort Wayne as reimbursement under a certain Sewer Agreement No. SC-71-1, dated the 3rd of January, 1971, who are parties of said contract, by the City of Fort Wayne; it is further conditioned upon a sewer tap permit being taken out with the Water Pollution Control Engineer.

Approved.

Ordered the City Utilities to remit the sum of \$1,010.49 to Fairview Lands, Inc., which sum was deposited with the City by the applicant, to be distributed as set out in the Special Sewer Tap Agreement.

8. SEWER TAP AGREEMENT REIMBURSEMENT

Permission is hereby granted to Dale McClain to tap a sewer to serve 130 East Hoover Drive. Said permission is conditioned upon the payment of \$216.30 to the City of Fort Wayne as reimbursement under a certain Sewer Agreement No. SC-66-1, dated the 21th day of March, 1966, who are parties of said contract, by the City of Fort Wayne; it is further conditioned upon a sewer tap permit being taken out with the Water Pollution Control Engineer.

Approved.

Ordered the City Utilities to remit the sum of \$216.30 to Fred E. Greiner, which sum was deposited with the City by the applicant, to be distributed as set out in the Special Sewer Tap Agreement.

9. SEWER TAP AGREEMENT REIMBURSEMENT

Permission is hereby granted to Gordon Ludwig to tap a sewer to serve 7103 South Calhoun Street. Said permission is conditioned upon the payment of \$1,393.43 to the City of Fort Wayne as reimbursement under a certain Sewer Agreement No. SC-66-1, dated the 21st day of March, 1966, who are parties of said contract, by the City of Fort Wayne; it is further conditioned upon a sewer tap permit being taken out with the Water Pollution Control Engineer.

Approved.

Ordered the City Utilities to remit the sum of \$1,393.43 to Fred Greiner, which sum was deposited with the City by the applicant, to be distributed as set out in the Special Sewer Tap Agreement.

10. Received Contract, Guaranty and Liability Bonds of Maumee Construction Corporation, in the amount of \$26,457.85, prepared by the Street Engineering Department, signed by the Lupke Insurance Company for Street Improvement Resolution No. 5646-1973 - Emma Avenue from the east property line of Steup Avenue to the west property line of Tyler Street.

Approved.

Ordered Contract, in the amount of \$26,457.85, sent to the Common Council Tuesday, January 22, 1974 at 8:00 p.m.

Meeting adjourned at 4:20 p.m.

23. Received proposition from Orkin Exterminating Company, Inc. of South Bend, Indiana, dated November 26, 1973 in the amount of \$2,887 together with performance and liability bond for bird proofing underpasses on Calhoun, Clinton, Clay, Columbia and Lafayette Streets, which work will be done in March, 1974.

Approved and ordered Purchase Order No. 21873 issued.

23-A. Received Sewer Easement Resolution No. 131-1974 - Temporary and Permanent - for the condemnation of a temporary and permanent sewer easement to construct, operate, control, maintain, reconstruct, and remove a sewer line under, along and across a portion of lots numbered 8 and 55 in Hoevelwood Court Addition; and a space in the Southwest 1/4 of the Southeast 1/4 of Section 19, Township 30 North, Range 13 East. All streets, lots and land affected by the above described condemnation lie fully within the corporate limits of the City of Fort Wayne, Indiana. (HOEVELWOOD COURT ADDITION area.)

Approved and adopted. A true copy of which Resolution No. 131-1974 is incorporated by reference herein and appears in Minutes herein, under Sewer Easement Resolution No. 131-1974.

Advertise, Notice to Property Owners, February 1 and February 8, 1974.

Hearing on Confirmation Thursday, February 21, 1974 at 3:30 p.m.

Notices to be mailed February 8, 1974.

23-B. RESOLUTION NO. 60-204A-23-B

WHEREAS, the City of Fort Wayne on July 12, 1973 did pass Resolution No. 59-309-12 authorizing the preparation of a Memorandum of Understanding for submission to the Indiana State Highway Commission, which Resolution concerned proposed improvements to U. S. Highway #27, and

WHEREAS, said Resolution is now considered incomplete and inadequate,

NOW, THEREFORE BE IT RESOLVED that Resolution No. 59-309-12 be rescinded.

24. Received Street, Sidewalk, Sewer and Lighting Improvement Resolution No. 5655-1974, final plans, estimate, specifications and property ownership list, prepared by the Street Engineering Department for Hoevelwood Additions and General Areas Neighborhood Package Improvement

WHEREAS, the street pavements, sidewalks, storm drainage and street lighting in Hoevelwood Addition, Sections A, B, C, D and E and Hoevelwood Court Addition, Sections A and B and general area are non-existent or in need of improvement, and

WHEREAS, over 55% of the resident property owners in said additions and general area have petitioned the Board of Public Works of the City of Fort Wayne, Indiana, requesting installation of street pavements, sidewalks, storm sewers and street lighting, and

WHEREAS, the Board of Public Works of said City has ordered engineering plans, specifications, cost estimates and property ownership list necessary for the accomplishment of said improvement.

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works that it is deemed necessary to improve Hoevelwood Addition, Sections A, B, C, D and Hoevelwood Court Addition, Sections A and B and general area, with the following improvements:

1. Draining, curbing, grading, and paving the streets described as follows to a uniform width of 27 feet, with 6 inch plain concrete:

Hoevelwood Drive from the east property line of Werling Drive to the west pavement line of ST. Henry's Lane,

Shady Oak Drive from the east property line of Radcliffe Court to the east property line of Churchill Drive,

Radcliffe Court from the north property line of Hoevelwood Drive to a point eleven (11) feet north of the north property line of Shady Oak Drive,

Fruehauf Drive from the north line of Paulding Road to a point approximately 157 feet north of the north property line of Shady Oak Drive.

Churchill Drive from the north property line of Paulding Road to the south property line of Shady Oak Drive.

Approved and adopted. A true copy of which Resolution No. 5655-1974 is incorporated by reference herein and appears in Minutes herein, under Resolution No. 5655-1974.

Advertise, Notice to Property Owners, February 1 and February 8, 1974.

Hearing on Confirmation Thursday, February 21, 1974 at 3:30 p.m.

Notices to be mailed February 8, 1974.

2. Draining, curbing and re-surfacing the street to a uniform width of 27 feet:

St. Henry's Lane from Paulding Road to the north property line of Hoevelwood Drive.

3. Concrete sidewalks, 5 feet wide, on both sides of the streets described in #1 above and where they presently do not exist in #2 above and on the following streets:

Fairfax Avenue from Werling Drive to Fruehauf Drive,

Fruehauf Drive from a point 157 feet south of the south property line of Palisade Drive to the north property line of Fairfax Avenue,

Cascade Drive from Palisade Drive to Fairfax Avenue,

Palisade Drive from Radcliffe Court to Salem Lane,

Shady Oak Drive from Churchill Drive to St. Henry's Lane,

St. Henry's Lane from Hoevelwood Drive to Shady Oak Drive,

Salem Lane from Shady Oak Drive to Ashcroft Drive,

South of Paulding Road from the east curb line of Abbott Street to the west curb line of Arlene Avenue,

North side of Paulding Road from Werling Drive to St. Henry's Lane.

4. A storm sewer system adequate to provide drainage to said streets and abutting properties.

5. Ornamental street lighting with underground wiring.

6. Tree planting by City of Fort Wayne Park Department.

Improvements shall be in accordance with the plans, profiles, detailed drawings and specifications now on file in the office of the Board of Public Works of said City and such improvements are hereby ordered.

This improvement resolution is ordered pursuant to enabling legislation as follows:

1. Street Pavements - Burns Statute 48-2717 et. seq.

2. Sidewalks - Burns Statute
48-2703 et. seq.

3. Storm Sewers - Burns Statute
48-3950 et seq.

4. Street Lighting - Burns
Statute 48-3301 et. seq.

Preliminary determination
for benefits of this improvement
pursuant to attached Exhibit A.

The balance of the project cost
shall be assessed upon the City of
Fort Wayne, Indiana, and paid from
Revenue Sharing and/or other appropri-
ate funds.

25. Received a request from Mrs. L. F.
Huber, 1001 N. Anthony Blvd., for
permission to use the following
property:

Plot of ground directly behind 1001 North
Anthony, which consists of 49.17 ft.
width of ground running to the riverbank,
all in Anthony Blvd. Place Addition.
Said ground crosses the unopened
Garfield Street.

For the period beginning on the 1st
day of March, 1974 and ending on the
31st day of October 1974 for gardening
purposes only.

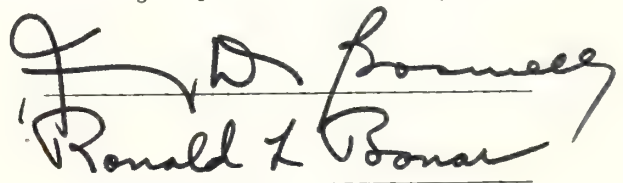

Approved and permit issued.

26. Received a request from Bishop Luers
High School, 333 Paulding Road, for
permission to barricade Knoll Road
between Paulding and Doan Drive making
it a one way going north; and to
barricade Doan Drive between Knoll
and Calhoun making it a one way going
west beginning Saturday, January 26, 1974
from 6:00 a.m. to 5:00 p.m.

PURPOSE: NISBOVA Contest

Approved and permit issued.

Meeting adjourned at 4:55 p.m.

1. HEARING ON CONFIRMATION OF ASSESSMENT ROLL:

Sewer Easement Resolution No. 118-1973 for
the condemnation of a temporary and permanent
sewer easement - Eastland Gardens Addition.
(MODIFIED).

CONFIRMED and ordered
sent to the Department
of Finance.

2. RESOLUTION NO. 60-220-2

WHEREAS, the Water Pollution Control Utility purchased at the Sheriff's Sale
on February 28, 1973, the sewer system commonly referred to as the ISS
system, and

WHEREAS, since purchase, the Utility has billed customers in the area on a
bi-monthly basis, which was consistent with previous billings, and

WHEREAS, all other Utility customers are billed on a monthly basis, and

WHEREAS, the Board now desires to place these customers on a monthly basis,

NOW THEREFORE, BE IT RESOLVED THAT:

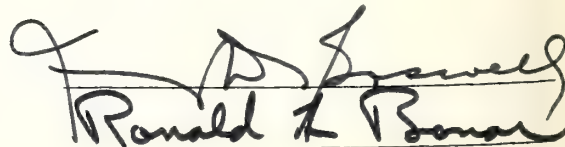

1. All customers on the system purchased and within the
area bounded generally on the north by the Maumee River,
on the east by the City of New Haven, on the south by the
Penn Central Railroad, and on the west by the City of
Fort Wayne, shall be placed on a monthly charge pursuant
to Chapter 26, Article 7, Section 702 of the Fort Wayne
Municipal Code.

2. Any customer who is not a City Utility metered water
customer or is a metered water customer of sources other
than City Utilities shall be charged as follows:

- a. Single Family Residential - \$5.45 per month.
- b. Commercial, Industrial or Multi-family - A
minimum equal to the residential rate. The volume
rate shall be calculated at \$.60 per 100 cubic feet
and shall be based upon the usage categories of
Bulletin S.E. #13 published by the Indiana State
Board of Health. If the commercial user desires
to avail itself of a decreasing schedule of rates with
increased volume usage, it shall at its expense install
a volumetric meter acceptable to the Utility and the
charges shown in Section 701 shall be applicable.

ADOPTED this 7th day of February, 1974.

Meeting adjourned at 4:20 p.m.

Receive bids Tuesday, March 5, 1974 at 9 a.m.

Ordered the Street Engineering Department to prepare bid documents.

7. Received Curb and Sidewalk Repair Improvement Resolution No. 5647-1973, final plans, estimate, specifications and property ownership list, prepared by the Street Engineering Department for Fourth Councilmanic District:

WHEREAS, the Board of Public Works has adopted a program requiring property owners to repair sidewalks in specified areas, as provided in Burns Statutes 48-2709, and

WHEREAS, the City shall, at its expense, repair curbing as necessary and slurry seal pavement where needed, and

Approved and adopted. A true copy of which Resolution No. 5647-1973 is incorporated by reference herein and appears in Minutes herein, under Resolution No. 5647-1973.

Advertise Notice to Property Owners, February 22 and March 1, 1974

Hearing on Confirmation Thursday, March 14, 1974 at 3:30 p.m.

Notices to be mailed on March 1, 1974

WHEREAS, this represents the continuing effort of the Board of Public Works to increase property values by maintaining basic improvements and reducing safety hazards to pedestrians, and

WHEREAS, representatives of the Board of Public Works have made detailed inspection of walks and curbs within the following geographic area:

Bounded by Main Street on the North, Broadway on the east, Penn Central Railroad on the south and Rockhill Street on the west.

NOW THEREFORE, BE IT RESOLVED by the Board of Public Works of the City of Fort Wayne, Indiana, that arrangements for the repair of all defective side-walks within the aforesaid area must be made by the property owner privately within ninety (90) days from the date of confirmation of this resolution or by the City of Fort Wayne through this resolution, all in accordance with details, drawings, and specifications on file in this Office of the Board of Public Works of said City and such improvements are now ordered.

The cost of said improvement, if done by the City, shall be assessed upon the affected real estate abutting on streets within the above described area and upon the City of Fort Wayne, Indiana, for curbing, wingwalks, and alley intersections needing repair, all according to the method and manner provided for in the Acts of the General Assembly of the State of Indiana, entitled "An Act Concerning Municipal Corporations," approved March 6, 1905, and the provisions of all Acts amendatory thereto and supplemental thereof. The assessment for side-walk repair shall be \$.50 per square foot, with a maximum of \$200.00 per single family residential unit.

8. Received Partial Payment Estimate No. 3 in the amount of \$56,139.26 for John Dehner, Inc. covering work on Sewer Resolution No. 266-1972 - St. Joe River Interceptor - Div. V for a period from October 27, 1973 to November 23, 1973.

Approved.

Ordered City Utilities to pay \$56,139.26 to John Dehner, Inc. from the Water Pollution Control Utility Fund.

Also, pay to John Dehner, Inc. Escrow Account at Indiana Bank & Trust Company retainage in the amount of \$6,237.70 from the Water Pollution Control Utility Fund.

9. Received Partial Payment Estimate No. 2 in the amount of \$88,995.10 for Nobis-Westropp Const. Co., Inc. covering work on Sewer Resolution No. 267-1972 - St. Joe Interceptor for the period from October 26, 1973 to November 30, 1973.

10. Received Partial Payment Estimate No. 2 in the amount of \$130,394.10 for Earth Construction & Engineering, Inc. covering work on Sewer Resolution No. 271-1972 - St. Joe Interceptor for the period from October 29, 1973 to November 30, 1973.

11. Received Partial Payment Estimate No. 2 in the amount of \$77,899.90 for Earth Construction & Engineering, Inc. covering work on Sewer Resolution No. 275-1972 - St. Joe Interceptor for the period from October 29, 1973 to November 30, 1973.

12. Received Partial Payment Estimate No. 4 in the amount of \$41,860.76 for John Dehner, Inc. covering work on Sewer Resolution No. 266-1972 - St. Joe Interceptor for the period from November 23, 1973 to December 26, 1973.

Approved.

Ordered City Utilities to pay \$88,995.10 to Nobis-Westropp Const. Co., Inc. from the Water Pollution Control Utility Fund.

Also, pay to Nobis-Westropp Const. Co., Inc. Escrow account at Indiana Bank & Trust Company retainage in the amount of \$1092.09 from the Water Pollution Control Utility Fund.

Approved.

Ordered City Utilities to pay \$130,394.10 to Earth Construction & Engineering, Inc. from the Water Pollution Control Utility Fund.

Also, pay to Earth Construction & Engineering, Inc. Escrow Account at Indiana Bank & Trust Company retainage in the amount of \$14,488.24 from the Water Pollution Control Utility Fund.

Approved.

Ordered City Utilities to pay \$77,899.90 to Earth Construction & Engineering, Inc. from the Water Pollution Control Utility Fund.

Also, pay to Earth Construction & Engineering, Inc. Escrow Account at Indiana Bank & Trust Company retainage in the amount of \$8,635.54 from the Water Pollution Control Utility Fund.

Approved.

Ordered City Utilities to pay \$41,860.76 to John Dehner, Inc. from the Water Pollution Control Utility Fund.

Also, pay to John Dehner, Inc. Escrow Account at Indiana Bank & Trust Company retainage in the amount of \$4,651.20 from the Water Pollution Control Utility Fund.

13. Received Partial Payment Estimate No. 3 in the amount of \$36,751.83 for Earth Construction & Engineering, Inc. covering work on Sewer Resolution No. 275-1972 - St. Joe Interceptor for the period from December 1, 1973 to December 31, 1973.
14. Received City Utilities Purchase Order 3426 to N. D. Gresley in the amount of \$8,190.00 covering the proposed delivery of one (1) Excell Hillside Hustler Mower and Tilt Deck Trailer to be used for cutting weeds and grass on Hurshtown dikes.
15. Approved and adopted. A true copy of which Resolution No. 5658-1974 is incorporated by reference herein and appears in Minutes herein, under Resolution No. 5658-1974.

Advertise Notice to Property Owners March 8 and March 15, 1974.

Hearing on Confirmation
Thursday, March 28, 1974
at 4:00 p.m.

Notices to be mailed
March 15, 1974.

6. Received Sidewalk Improvement Resolution No. 5651-1973, final plans, estimate, specifications and property ownership list, prepared by the Street Engineering Department, for Lafayette Place Project - bounded on the north by McKinnie Avenue, on the east by Lafayette Street, on the south by Pettit Avenue and on the west by Calhoun Street.

Approved and adopted. A true copy of which Resolution NO. 5651-1973 is incorporated by reference herein and appears in Minutes herein, under Resolution NO. 5651-1973.

Advertise Notice to Property Owners March 8 and March 15, 1974.

Hearing on Confirmation Thursday,
March 28, 1974 at 4:30 p.m.

Notices to be mailed
March 15, 1974.

7. Received Invoices Nos. 30, 31 and 32 in the amounts of \$307.62, \$1,742.36 and \$1,296.92 for engineering services on Storm Water Demonstration Grant Project EPA No. 11020 as per contract dated June 2, 1971. (total amount \$3,346.90).

Approved and ordered
City Utilities to pay Invoices Nos. 30, 31 and 32, totalling \$3,346.90, of Henry B. Steeg & Associates, Inc. from the Water Pollution Control Utility Fund.

8. Received Agreements to Purchase Real Estate procured through N. B. Knapke Company, Inc., whereby the City agrees to purchase, for the proposed locating of a new substation, the following described properties in the area of the 4800 block of Avondale Drive:

Approved and ordered sent to the Common Council Tuesday, February 26, 1974 at 8:00 p.m.

1. The South 39 feet of Lot Number 7 Edgewood Addition, an Addition to the City of Fort Wayne, Allen County, Indiana.
Owner: Helen C. Foltz - Purchase Price - \$12,000.

2. 38 feet North of the South 39 feet of Lot Number 7 Edgewood Addition, an Addition to the City of Fort Wayne, Allen County, Indiana.
Owner: Danford M. McComb - Purchase Price \$8,000.

3. The North 38 feet of Lot Number 7 Edgewood Addition, an Addition to the City of Fort Wayne, Allen County, Indiana.
Owner: Ernie V. Harmeyer and Caroline R. Harmeyer - Purchase Price - \$6,500.

4. The west half of Lots 87 and 88 of South Walton Avenue Acres Addition, an Addition to the City of Fort Wayne, Allen County, Indiana.
Owner: First Assembly of God of Fort Wayne, Ind., Inc.
Purchase Price: \$25,000.

9. Received Partial Payment No. 15 in the amount of \$70,103.64 for Bowen Engineering Corporation covering work period on site of January 1 to January 31, 1974 for Sewer Improvement Resolution No. 279-1972 - Storm Water Treatment Facility, Section V - EPA No. 11020 GYU.
10. Received Partial Payment Estimate No. 5 in the amount of \$59,923.59 for John Dehner, Inc. covering work on Sewer Resolution No. 266-1972 - St. Joe Interceptor for period of December 26, 1973 to January 31, 1974.
11. Received Partial Payment Estimate No. 3 in the amount of \$36,714.33 for Earth Construction & Engineering, Inc. covering work on Sewer Resolution No. 271-1972 - St. Joe Interceptor for period from December 1, 1973 to January 31, 1974.
12. Received Partial Payment Estimate No. 1 in the amount of \$9,584.55 for Bercot, Inc. covering work on Sewer Resolution NO. 272-1972 - St. Joe Interceptor for period from January 7, 1974 to January 26, 1974.
13. Received Partial Payment Estimate No. 4 in the amount of \$37,990.08 for Earth Construction & Engineering, Inc. covering work on Sewer Resolution NO. 275-1972 - St. Joe Interceptor for the period from January 1, 1974 to January 31, 1974.

Approved.

Ordered City Utilities to pay \$70,103.64 to Bowen Engineering Corporation from Water Pollution Control Utility Fund.

Also, pay Bowen Engineering Corporation Escrow Account at Indiana Bank & Trust Company retainage in the amount of \$7,789.30 from the Water Pollution Control Utility Fund.

Approved.

Ordered City Utilities to pay \$59,923.59 to John Dehner, Inc. from the Water Pollution Control Utility Fund.

Also, pay to John Dehner, Inc. Escrow Account at Indiana Bank & Trust Company retainage in the amount of \$6,658.17 from the Water Pollution Control Utility Fund.

Approved.

Ordered City Utilities to pay \$36,714.33 to Earth Construction & Engineering, Inc. from the Water Pollution Control Utility Fund.

Also, pay to Earth Construction & Engineering, Inc. Escrow Account at Indiana Bank & Trust Company retainage in the amount of \$4,079.37 from the Water Pollution Control Utility Fund.

Approved.

Ordered City Utilities to pay \$9,584.55 to Bercot, Inc. from Water Pollution Control Utility Fund.

Approved.

Ordered City Utilities to pay \$37,990.08 to Earth Construction & Engineering, Inc. from the Water Pollution Control Utility Fund.

Also, pay to Earth Construction & Engineering, Inc. Escrow Account at Indiana Bank & Trust Company retainage in the amount of \$4,221.12 from the Water Pollution Control Utility Fund.

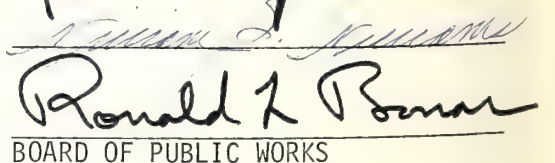

14. Received the Partial Payment Estimate No. 1 in the amount of \$48,663.00 for Hipskind Asphalt Corporation covering work on Sewer Resolution No. 277-1972 - St. Joe Interceptor for the period from January 1, 1974 to January 31, 1974.

Approved.

Ordered City Utilities to pay to Hipskind Asphalt Corporation \$48,663.00 from the Water Pollution Control Utility Fund.

Meeting adjourned at 10:35 a.m.

EXIDE POWER SYSTEMS DIVISION ---- \$6,772.22

GOULD, INC. ----- \$9,645.32

The bid of Exide Power Systems Division was accepted under Purchase Order No. 3714, dated March 11, 1974, in the amount of \$6,772.22.

Ordered sent to the Common Council Tuesday, March 26, 1974 at 8:00 p.m.

17. Received Purchase Order No. 3720, dated March 11, 1974, to R. G. Haley & Company, Inc. in the amount of \$20,325.00 covering the proposed delivery of Red Cedar Poles for use in transmission lines for new sub-stations.

The bid of R. G. Haley & Company, Inc. was accepted under Purchase Order No. 3720 in the amount of \$20,325.00.

Ordered sent to the Common Council Tuesday, March 26, 1974 at 8:00 p.m.

18. Received invoice of John Dehner, Inc. in the amount of \$1,549.98 covering Emergency Repair to sewer at 2322 Juliette Street. Said Emergency Repair was authorized by the Board of Public Works on January 28, 1974.

Approved. W.O. 82517.

Ordered City Utilities to pay invoice of John Dehner, Inc. in the amount of \$1,549.98 from the Water Pollution Control Utility Fund.

19. Received Invoice No. 14 of T & F Construction Corporation in the amount of \$8,309.45 for services performed under Light Resolution No. 101-1973.

Approved and ordered invoice of T & F Construction Corporation paid from the Revenue Sharing Account Project 930-200. *- VOIDED -
DUPLICATION
OF INVOICE #9*

20. Received Invoice No. 15 of T & F Construction Corporation in the amount of \$4,271.80 for services performed under Light Resolution No. 101-1973.

Approved and ordered invoice of T & F Construction Corporation paid from the Revenue Sharing Account Project 930-200.

21. RESOLUTION NO. 60-255-21:

Received copy of a proposed Lease Agreement between Indiana & Michigan Electric Company and the City of Fort Wayne, by and through the Mayor and City Clerk, whereby the City would lease the Municipal Electric Utility to Indiana and Michigan Electric Company for a lease term of thirty-five (35) years.

Said proposal to be submitted to the Common Council March 12, 1974 for approval by Declaratory Resolution calling for submission of said proposal to a referendum vote at the May 7, 1974 Primary Election.

Execution of the Lease Agreement is contingent upon:

1. Approval of the voters.
2. Approval of Common Council, and
3. Approval of the Public Service Commission of Indiana.

Approved and on file in the Board of Public Works.

Meeting adjourned at 9:45 a.m.

1. HEARING ON CONFIRMATION OF ASSESSMENT ROLL:

Sewer Easement Resolution No. 129-1973 for the condemnation of a temporary sewer easement for the purpose to construct a sewer line along and across a portion of the southeast one quarter of Section 30, Township 30 North, Range 13 East bounded on the North by Oakwood Drive, bounded on the East by Hessen Cassel Road, bounded on the South by Tillman Road, bounded on the West by a line 240 + lineal feet west of the west right of way line of Hessen Cassel Road. (Eastland Gardens Section A and Stinson's First Subdivision).

CONFIRMED and ordered sent to the Department of Finance.

2. HEARING ON CONFIRMATION:

Curb and Sidewalk Repair Improvement Resolution No. 5647-1974 - for Fourth District - West Central Neighborhood - Main St., Broadway Ave., Penn-Central and Rockhill area.

CONFIRMED.

Advertise, Notice to Contractors, April 5 and April 12, 1974.

Receive Bids Tuesday, April 16, 1974 at 9:00 a.m.

Ordered the Street Engineering Department to prepare the bid documents.

3. Received Partial Payment Estimate No. 17 (FINAL) in the amount of \$93,181.50 of the S & M Constructors, Inc., approved by the Project Engineer for work performed on Inner City Storm Relief Sewer, Section I, Resolution No. 248-1970.

Approved and ordered invoice of S & M Constructors, Inc., in the amount of \$93,181.50, (FINAL), paid from the WS-IND-78 FUND.

4. Received City Utilities Purchase Order No. 3541 to Westinghouse Electric Supply Company in the amount of \$21,900.00 covering the proposed delivery of 3,000 feet of cable for the Light Construction Department.

Approved and ordered Purchase Order No. 3541 to Westinghouse Electric Supply Company in the amount of \$21,900.00 sent to the Common Council on Tuesday, March 26, 1974 at 8:00 p.m.

5. Received the following quotes from the Purchasing Agent covering the proposed delivery of 9,300 feet of copper network cable for the Light Construction Department:

THE OKONITE COMPANY -----	\$27,168.00
GENERAL CABLE CORP. -----	\$30,010.00
UNITED STATES STEEL CO. -----	\$31,608.00
GRIFFIN ELEC. CO. -----	\$28,243.04*
GRAYBAR ELEC. CO. -----	\$28,660.00

Through the recommendation of the Purchasing Agent the quote of Griffin Electric Company, in the amount of \$28,803.04 was accepted under Purchase Order NO. 3681.

Ordered sent to the Common Council, Tuesday, March 26, 1974 at 8:00 p.m.

* The Griffin Elec. Co. price of \$28,243.04 is the actual cost of the wire. The purchase order difference in price of \$560.00 is a reel deposit charge which will be refunded upon return of the reels to the manufacturer.

6. The following bids were received by the Purchasing Agent covering the proposed delivery of one (1) Control House for planned south-east substation:

HARLEY GRAHAM CO. -----	\$10,337.00
HUGUENARD CORP. -----	\$ 8,987.00

Through the recommendation of the Purchasing Agent, the bid of Huguenard Corporation was accepted in the amount of \$8,987.00 under City Utilities Purchase Order No. 3715, dated March 11, 1974.

Ordered sent to the Common Council, Tuesday, March 26, 1974 at 8:00 p.m.

7. Received the following quotes from the Purchasing Agent, covering the proposed delivery of 9,300 feet compact single conductor neoprene or PVC Jacket, with splicing units, paper insulated, lead covered cable for 34.5 KV/20 KV grounded neutral system.

Through the recommendation of the Purchasing Agent, the bid of United States Steel Company, in the amount of \$41,552.40, was accepted under Purchase Order No. 3737.

Ordered sent to the Common Council, Tuesday, March 26, 1974 at 8:00 p.m.

8. Received the following quotations from the Purchasing Agent, covering the proposed delivery of 15,000' Fiber Duct, in 8' lengths, and related items:

ALL-PHASE ELECTRIC CO. -----	\$4,456.12
NATIONAL MILL CO. -----	\$5,473.20
GRIFFIN ELEC. CO. -----	\$4,390.72
UNIVERSAL ELECTRIC CO. -----	\$4,647.97
GRAYBAR ELEC. CO. -----	\$4,451.44

Through the recommendation of the Purchasing Agent, the quote of Griffin Electric Company, in the amount of \$4,390.72 was accepted under Purchase Order No. 3738.

Ordered sent to the Common Council, Tuesday, March 26, 1974 at 8:00 p.m.

9. Received Letter of Agreement from Butler, Fairman and Seufert, Inc. covering services to be rendered in preparation of Environmental Impact Statement for Tillman Road from Hessen Cassel Road to Anthony Boulevard.

Approved and filed in Butler, Fairman and Seufert Engineering file on Tillman Road Project.
10. Due to the deteriorated condition of the Washington Center Road from U.S. #27 to the west City Limits, the Board has ordered it posted for a maximum 5-ton load limit until such time as permanent repairs will allow for heavier loads.

Approved.
11. Received Lease Agreement between Mandel E. and Judith C. Himelstein and the City of Fort Wayne, whereby the City agrees to lease for a period of ten (10) years at a cost of \$350.00 per month plus taxes and expense of any kind beginning April 1, 1974, the Himelstein property located at the southwest corner of Pontiac and Calhoun Streets, being Lots 1, 2 and 3 in Lime Colley's Addition. Said property to be used for metered parking lot.

Approved and filed in the Board of Public Works.

Ordered sent to the Common Council, Tuesday, March 26, 1974 at 8:00 p.m.
12. Received the following Invitational Bids taken by the Street Engineering Department for paving of the unimproved portion of Ley Road at the Penn-Central Railroad crossing:

MOELLERING CONST., INC. ----- \$11,774.00
JOHN DEHNER, INC. ----- \$11,399.55

The bid of John Dehner, Inc. was accepted in the amount of \$11,399.55.

Ordered Purchase Order issued from the Local Road and Street Account 380.

Purchase Order No. 23553 - subject to Councilmanic approval.
13. Received a petition for the paving, etc. of Emma Avenue, for the construction of curbs and sidewalks, installation of street lights from Steup Street to its western terminus.

Ordered the Street Engineering Department to check percentages of property owners on petition and, if sufficient, prepare final plans, estimate, resolution and all details necessary for this improvement.

14. Received Change Order No. 2 for reducing the contract price in the amount of \$1,500.00 for Bowen Engineering Corporation, prepared by the Water Pollution Control Engineering Department, covering work - Large Scale Demonstration of Treatment of Storm-Caused Overflow by the Screening Method - Sewer Resolution No. 279-1972. (EPA - 11020 GYU)

Approved.

15. Received a request from NIPSCO, 1501 Hale Avenue, for permission to barricade a portion of the alley behind 1914 Curdes Avenue Thursday and Friday, March 14 and 15, 1974 at 10:30 a.m. to 4:30 p.m.
PURPOSE: Gas Leak.

Approved and permit issued.

16. Received a request from General Telephone Company, Bob Tack, 140 Jacobs Street, for permission to barricade a portion of the alley between Main and Columbia and Harrison and Calhoun and also to barricade a portion of the East lane of Calhoun on side of the City-County Building beginning Sunday, March 17, 1974 at Midnight to Monday, March 18, 1974 at 11:00 p.m.
PURPOSE: Fix a hole in cable.

Approved and permit was issued.

Meeting adjourned at 4:20 p.m.

Approved and permits issued.

5. Received Contract, Guaranty and Liability Bonds of A. Grosjean & Son, in the amount of \$4,834.75, prepared by the Street Engineering Department signed by The Cincinnati Insurance Company, for Sidewalk Improvement Resolution No. 5654-1974 for constructing cement sidewalk, curbs, driveway approaches and steps, stoop and bus stand in area along Farmers' Market on the east side of Warsaw Street from Dalman Avenue south approximately 419 feet.

6. Received Water Contract 7401, prepared and approved by the Water Engineering Department, between Gallmeyer Realty and Fort Wayne Water Utility, on Lincoln Parkway, from the existing water main on Hadley Road eastward 920 ± feet.

7. Received invoice of John Dehner, Inc. in amount of \$4,619.27 covering emergency repair to sewer on Lower Huntington Road.

8. Received Invitational Bids from the Purchasing Agent covering the proposed purchase of one (1) new 1974 Truck one ton chassis and cab for Municipal Garage as follows:

ALLEN COUNTY MOTORS -----	\$3,460.38
INTERNATIONAL HARVESTER ---	\$3,391.92

9. Received letters from Blackhawk Village Partnership requesting that the Board Rescind a Sanitary Sewer Agreement issued to them for Blackhawk Center.

10. Received Grant of Easement from Essex International, Inc. as follows:

Beginning at the intersection of the east line of Phenie Street (prior to its vacation in 1973) with the north line of Swinney Avenue, thence North 162 feet along the east line of Phenie Street (prior to its vacation in 1973) to a point, which point is also the Southwest corner of Lot No. 150 in Swinney's Addition to the City of Fort Wayne; thence west on a line, which line is a projection of the North line of the east-west alley between Swinney Avenue and Wall Street (prior to its vacation in 1973) a distance of 45.65 feet; thence south on the west line of Phenie Street (prior to its vacation in 1973) a distance of 162 feet to the westerly projection of the North line of Swinney Avenue; thence east along said projected North line 45.65 feet to the place of beginning.

Said Easement recorded Feb. 22, 1974 - No. 74-03717

Approved.

Approved.

Approved and ordered paid from the Lower Huntington Road Revenue Sharing Account 948-111.

Through the recommendation of the Purchasing Agent, the bid of Allen County Motors was accepted under Purchase Order No. 3768, dated March 20, 1974, in the amount of \$3,460.38 because of the immediate delivery date.

Ordered sent to the Common Council, Tuesday, April 9, 1974 at 8:00 p.m.

The Board of Works hereby rescinds Sewer Permit for Blackhawk Center, which was approved September 25, 1973.

The Grant of Easement from Essex International, Inc. is incorporated by reference herein and appears in Minutes herein, under Grant of Easement. (SEE ALSO - DECLARATORY RESOLUTION No. 1328)

11. Received recorded Grant of Limited Easement from Essex International, Inc. as follows:

The limited easement herein granted shall only be in effect and exist during the hours between 7:30 a.m. and 5:30 p.m. on Monday through Friday of each calendar week. During the periods of time described in this paragraph, the Grantor shall have the right to exclude from the above described real estate any persons who, Grantor or its agents may reasonably believe, are only entering upon or crossing said real estate to engage in conduct which may be injurious to the Grantor, its agents, employees or property.

Said limited easement and right-of-way herein granted shall not exist nor be of any force and effect during the times of any civil disorder or labor dispute involving the Grantor and its employees.

Said limited easement and right-of-way herein granted shall not exist nor be of any force and effect during any national emergency nor on any legal holiday as defined by the Congress of the United States of America or on a holiday as defined by any labor agreement between Grantor and its employees.

The Grantor reserves the right to control, secure and maintain the above described real estate as the owner thereof at all times.

Grantor agrees that the Grantee, its authorized agents or employees, may enter upon the above described real estate at all times to perform construction, repair or maintenance activities on public utility services operated by the Grantee on said real estate.

The Grantor and the Grantee recognize that the circumstances surrounding this "grant of limited easement" may hereafter change. If the Grantor and the Grantee (acting through a majority of the members of the Board of Public Works) so find, they shall execute an instrument terminating this grant of limited easement, which instrument shall be recorded in the office of the Recorder of Allen County, State of Indiana and when said instrument has been so recorded, this grant of limited easement shall be terminated and no longer of any force and effect.

Grantor certifies under oath that no Indiana Gross Income Tax is due or payable in respect to this Grant of Limited Easement.

Said Easement recorded February 22, 1974 under 74-03716.

Legal discription is as follows:

The Grant of Limited Easement is incorporated by reference herein and appears in Minutes herein under Grant of Limited Easement.

(SEE ALSO - DECLARATORY RESOLUTION NO. 1328).

EXHIBIT "A"

LIMITED EASEMENT AGREEMENT

An easement across a strip of real estate thirty (30) feet wide, more or less, as described by the following centerline description, to wit:

Beginning at a point on the centerline of Wall Street and west of the centerline of Riedmiller Avenue, a distance of sixty (60) feet in the Swinney's Addition as recorded in Book 2, page 84 in Allen County Recorder's Office, thence continuing west along the centerline of vacated Wall Street, by Declaratory Resolution No. 1328-1972 of the Board of Public Works of the City of Fort Wayne, Indiana, a distance of 336.65 feet, thence by deflection angle left of $91^{\circ} 03'$ a distance of 312.17 feet, thence by a deflection angle left of $21^{\circ} 30'$ a distance of 55.79 feet, more or less, to Swinney Avenue, a public street.

Recorded said easement February 22, 1974 under 74-03716.

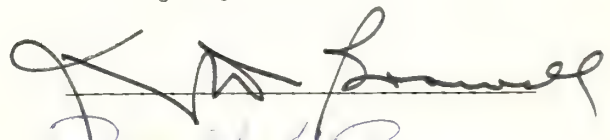

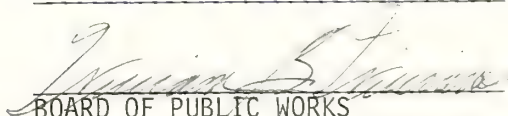

12. Received recorded Agreement between Essex International, Inc. and the City of Fort Wayne which sets forth certain requirements in connection with Declaratory Resolution NO. 1328 known as Wall Street - Phenie Street Vacation. Said Resolution was Confirmed on March 15, 1973.

This Agreement with Essex International, Inc. is incorporated by reference herein and appears in Minutes herein under Agreement.

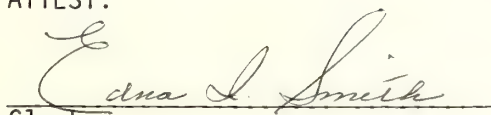

(SEE ALSO - Declaratory No. Res. 1328)

Said Agreement recorded on February 22, 1974 under #74-03718.

Meeting adjourned at 9:20 a.m.

Ronald L. Bonar

6. Received Street Lighting Resolution No. 106-1974 for Continental Park Addition, final plans, estimate, specifications and property ownership list, prepared by the Electrical Engineering Department as follows:

WHEREAS, Continental Park Addition was developed without street lighting, and

WHEREAS, over 55 % of the property owners in Continental Park Addition have petitioned the Board of Public Works for the installation of street lighting, and

WHEREAS, on February 18, 1974, the Board of Works wrote a letter to said property owners requesting their preference on the type of lighting to be installed, and

WHEREAS, response received indicated the majority of the property owners desired underground wiring and ornamental lighting, and

WHEREAS, engineering plans, specifications, estimates and primary assessment figures have been prepared by the Electrical Engineering Department and filed with the Board of Public Works,

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works of the City of Fort Wayne, Indiana, that new ornamental street lighting with underground wiring shall be installed in Continental Park Addition. A maximum cost of \$.0085 per square foot of lot area shall be apportioned against and paid by the property owners benefitted, with the City of Fort Wayne, Indiana, paying the balance of cost of said lighting improvement. All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana entitled, "Public Improvements in Platted Additions", Burns 48-3001, etc.

Approved and adopted. A true copy of which Resolution No. 106-1974 is incorporated by reference herein and appears in Minutes herein, under Street Lighting Resolution No. 106-1974.

Advertise, Notice to Property Owners, April 26 and May 3, 1974.

Hearing on Confirmation Thursday, May 16, 1974 at 3:30 p.m.

Notices to be mailed May 3, 1974.

7. Received Waynedale Area Neighborhood Package Improvement Resolution No. 5662-1974 as follows:

WHEREAS, the street pavements, sidewalks, storm drainage and street lighting on the streets herein described in the Waynedale Area are non-existent and in need of improvement, and

WHEREAS, over 50% of the resident property owners on the herein described streets have petitioned the Board of Public Works of the City of Fort Wayne, Indiana, requesting installation of street pavements, sidewalks, storm sewers and street lighting, and

WHEREAS, the Board of Public Works of said City has ordered engineering plans, specifications, cost estimates and property ownership list necessary for the accomplishment of said improvement, and

WHEREAS, the City Council appropriated Revenue Sharing monies for the specific purpose of this improvement commonly referred to as Waynedale Neighborhood Package Improvement - Phase 1.

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works that it is deemed necessary to improve the Waynedale Area, Phase I, more specifically the following described streets:

Prairie Grove Drive from the West Property Line of Bradbury Avenue to the West Property Line of Old Trail Road.

Orchard Lane from the North Property Line of Fair Oak Drive to the North Property Line of Broadripple Drive.

Waynedale Boulevard from the West Property Line of Orchard Lane to the West Property Line of Old Trail Road.

Fairoak Drive from the West Property Line of Orchard Lane to the West Property Line of Old Trail Road.

Liberty Drive from the East Property Line of Old Trail Road to the West Property Line of Bluffton Road.

Gardenview Drive from the North Property Line of Fair Oak Drive to the South Property Line of Liberty Drive.

Fairoak Drive from the East Property Line of Old Trail Road to the West Property Line of Bluffton Road.

Waynewood Drive from the East Property Line of Old Trail Road to the West Property Line of Bluffton Road.

Old Trail Road from the South Property Line of McArthur Drive to the North Property Line of Liberty Drive.

Approved and adopted. A true copy of which Resolution No. 5662-1974 is incorporated by reference herein and appears in Minutes herein, under Improvement Resolution No. 5662-1974.

Advertise, Notice to Property Owners, April 26 and May 3, 1974.

Hearing on Confirmation Thursday, May 16, 1974 at 3:30 p.m.

Notices to be mailed May 3, 1974.

Church Street from the East Property Line of Old Trail Road to the West Property Line of Bluffton Road.

McArthur Drive from the West Property Line of Elzey Street to the West Property Line of Old Trail Road.

Elzey Street from the North Property Line of McArthur Drive to the South Property Line of Lower Huntington Road.

Improvements proposed for the above streets include:

1. Draining, curbing, grading and paving the streets to a uniform width of 27 feet, with 6-inch plain concrete, and/or equivalent asphaltic concrete.
2. Concrete sidewalks, 5 feet wide, on both sides of the streets described, except where they presently exist.
3. A storm sewer system adequate to provide drainage to said streets and abutting properties.
4. Street lighting with underground wiring.

Improvements shall be in accordance with the plans, profiles, detailed drawings and specifications now on file in the office of the Board of Public Works of said City and such improvements are hereby ordered.

This improvement resolution is ordered pursuant to enabling legislation as follows:

1. Street Pavements - Burns Statute 48-2717 et. seq.
2. Sidewalks - Burns Statute 48-2703 et. seq.
3. Storm Sewers - Burns Statute 48-3950 et. seq.
4. Street Lighting - Burns Statute 48-3301 et. seq.

Preliminary determination for benefits of this improvement pursuant to the above statutes is based upon assessment to property owners for 40% of project cost and 60% to be assessed upon the City of Fort Wayne and paid from Revenue Sharing and/or other appropriated funds. Maximum assessments for residential corner lots of \$3,000.00 and commercial corner lots of \$4,000.00 is hereby established.

8. Received Agreement between Philip L. Schnelker, Inc. and the City of Fort Wayne covering the engineering services in connection with the improvement of the intersection of U.S. Highway #24 West and Freeman Street.

Approved. A true copy of which Agreement is incorporated by reference herein and appears in Minutes herein, under Agreement.

9. Received the Plat of Crown Colony, Section "E" - Block "C" submitted and approved by the City Plan Commission.

Approved.

10. Received inspection report from the Water Pollution Control Engineering Department and Completion Affidavit of R. & A. Plumbing, Inc. with Guaranty Bond in the amount of \$1500.00 signed by the American States Insurance Company. (Ft. Wayne Porsche-Audi)

Approved and acceptance letter written.

11. Received the following bids received by the Purchasing Agent covering the 1974 Street Department requirements for Hot Asphalt Base Oil and Liquid Calcium Magnesium Chloride Liquor:

	<u>HOT ASPHALT</u>	<u>LIQUID CALCIUM</u>
HIPSKIND ASPHALT CORP. ---	.39	.22 gal. .24 gal. .26 gal.
GLADIEUX REFINERY -----	.265 gal.	.219 gal. .226 gal. .233 gal.

The bid of Gladieux Refinery was accepted under Civil City Blanket Purchase Order No. 23811 for the year of 1974.

Ordered sent to the Common Council Tuesday, May 14, 1974 at 8:00 p.m.

12. Received the following bids from the Purchasing Agent covering materials to be used by Light Construction for street lighting:

CENTRAL SUPPLY CO. -----	\$16,767.45
GRIFFIN ELECTRIC CO. -----	\$18,240.00
GRAYBAR ELECTRIC CO. -----	\$15,377.00
ALL PAHSE ELEC. CO. -----	\$15,965.00
NATIONAL MILL SUPPLY CO. ---	\$15,380.00

The bid of Graybar Electric Company was accepted under City Utilities Purchase Order No. 4110, dated April 2, 1974 in the amount of \$15,377.00.

Ordered sent to the Common Council Tuesday, May 14, 1974 at 8:00 p.m.

13. Received the following bids from the Purchasing Agent covering the purchase of (1) one 1974 Four Door Sedan with trade-in:

ALLEN COUNTY MOTORS -----	\$2,336.65
DELAGRANGE FORD -----	\$2,518.00
POINSATTE MOTORS-----	\$2,681.83

The bid of Allen County Motors, Inc. was accepted under Civil City Purchase Order No. 24246 for the amount of \$2,336.65.

Ordered sent to the Common Council Tuesday, May 14, 1974 at 8:00 p.m.

14. Received invoice No. 34, in the amount of \$720.43, of Henry B. Steeg & Associates for engineering services for Large Scale Demonstration of Treatment of Storm Caused Overflow by the Screening Method - EPA No. 11020 GYU, as per contract dated June 2, 1971.

Approved and ordered City Utilities to pay invoice No. 34 of Henry B. Steeg & Associates, in the amount of \$720.43.

15. Received invoice No. 9 of McNamee, Porter and Seeley in the amount of \$293.17 covering construction portion of Agreement on Expansion of Three Rivers Filtration Plant in accordance with Agreement of December 7, 1970. (Contract 72-W-2).

Approved.

Ordered City Utilities to pay invoice No. 9 of McNamee, Porter and Seeley, Consulting Engineers, from the Water Utility Fund.

16. Received Partial Payment Estimate No. 17 in the amount of \$38,942.49 for Bowen Engineering Corporation covering work period on site of March 1 to March 31, 1974 for Sewer Improvement Resolution NO. 279-1972 - Storm Water Treatment Facility, Section V - EPA No. 11020 GYU.

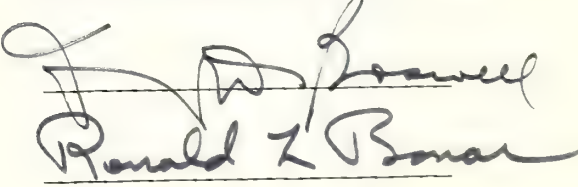

Approved and ordered City Utilities to pay \$38,942.49 to Bowen Engineering Corporation from the Water Pollution Control Utility Fund.

Also, pay Bowen Engineering Corporation Escrow Account at Indiana Bank & Trust Company retainage in the amount of \$4,326.95 from the Water Pollution Control Utility Fund.

17. Received a request from Mrs. Reynolds, 935 N. Anthony Boulevard, for the following permit: Permission to use the following property: A portion of ground behind 929 and 935 North Anthony Boulevard along the Maumee River - for the period beginning on the 15th of April, 1974 and ending on the 31st day of October 1974 for gardening purposes only.
PURPOSE: Gardening Purposes ONLY.

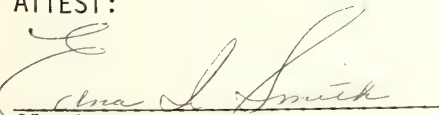

Approved and permit issued.

Meeting adjourned at 9:20 a.m.

Approved and permit issued.

13.

RESOLUTION No. 60-317-13

(Formerly Res. No. 60-219-9)

WHEREAS, the City of Fort Wayne and the Indiana State Highway Commission recognize the need for the improvement of U. S. Highway #27 to Interstate Highway #69 due to heavy congestion, and

WHEREAS, the City and State are desirous of working together toward the improvement of the section between U.S. #30 Bypass (Coliseum Boulevard) and Interstate Highway #69, and

WHEREAS, it shall be necessary for the City and State to make application for funding through a Federal Project Grant, and

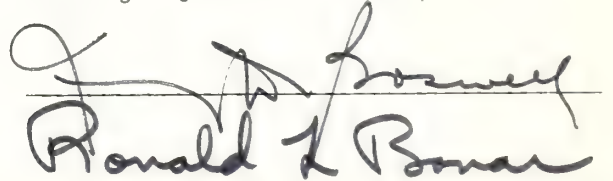

WHEREAS, the City shall be required to provide rights of way, plans and specifications for said improvement project, and

WHEREAS, the State shall require the City to accept the abandonment of U. S. #27 from its intersection with I-69 south to the junction of S. R. #1 and #3 in Fort Wayne, Indiana, and the City shall accept the same,

NOW THEREFORE BE IT RESOLVED that the City of Fort Wayne through the Board of Public Works, agrees to, and hereby does enter into that certain "Memorandum of Understanding" with the Indiana State Highway Commission and this Resolution shall become a part of that Memorandum and, furthermore, the City agrees that upon acceptance by the State of the proposed highway construction work, as described in the said Memorandum, the State will abandon to the City that portion of U. S. #27 as described in the Memorandum and the City will accept the abandonment of U. S. #27 from its intersection with I-69 south to the junction of S. R. #1 and #3 in Fort Wayne, Indiana.

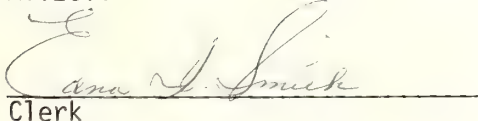

ADOPTED the 2nd day of May, 1974.

Meeting adjourned at 4:55 p.m.

for Casselwood Terrace Addition, final plans,
estimate, specifications and property owner-
ship list, prepared by the Electrical Engineer-
ing Department as follows:

WHEREAS, Casselwood Terrace Addition was de-
 veloped without street lighting, and

WHEREAS, over 55% of the property owners in
 Casselwood Terrace Addition, in addition to the
 Casselwood Terrace Civic Association, have re-
 quested the Board of Public Works to install
 street lighting, and

Approved and adopted. A true
 copy of which Resolution No.
 107-1974 is incorporated by
 reference herein and appears in
 Minutes herein, under Street
 Lighting Resolution No.
 107-1974.

Advertise, Notice to Property
 Owners, May 31 and June 7, 1974.

Hearing on Confirmation Thursday,
 June 20, 1974 at 3:30 p.m.

Notices to be mailed June 7, 1974.

WHEREAS, on March 29, 1974, the Board of Public Works wrote a letter to said property owners requesting their preference on the type of lighting to be installed, and

WHEREAS, response received indicated the majority of the property owners desired underground wiring and ornamental lighting, and

WHEREAS, engineering plans, specifications, estimates and primary assessment figures have been prepared by the Electrical Engineering Department and filed with the Board of Public Works.

NOW, THEREFORE, BE IT RESOLVED by the Board of Public Works of the City of Fort Wayne, Indiana, that new ornamental street lighting with underground wiring shall be installed in Casselwood Terrace Addition. A maximum cost of \$.013 per square foot of lot area shall be apportioned against and paid by the property owners benefitted, with the City of Fort Wayne, Indiana, paying the balance of cost of said lighting improvement. All according to the method and manner provided for in an Act of the General Assembly of the State of Indiana entitled, "Public Improvements in Platted Additions", Burns 48-3001, etc.

10. Received tabulation of quotations received by the Purchasing Agent for 100,000 ft. Cable Duct 3 for Light Construction Department as follows:

CENTRAL SUPPLY COMPANY -----	\$59,900.00
GRAYBAR ELECTRIC CO. -----	\$76,200.00
WESCO -----	\$59,115.00
GRIFFIN ELECTRIC COMPANY -----	\$43,155.00

The quotation of Central Supply Company was accepted in the amount of \$59,000.00 under City Utilities Purchase Order No. 4438, dated May 24, 1974.

Ordered sent to the Common Council, Tuesday, June 11, 1974 at 8:00 p.m.

11. Received warranty Deed dated April 30, 1974 from Willard Knop and Danford M. McComb, whereby they convey and warrant to the City of Fort Wayne, Indiana the following described property:

lot Number 7, excepting the North 38 feet thereof and excepting the South 39 feet thereof in Edgewood Addition to the City of Fort Wayne, Indiana.

This conveyance is made subject to all taxes and assessments; and subject to existing highways, easements, rights of way and restrictions of record.

Grantor, Danford M. McComb joins in the execution and delivery of this Deed to transfer to Grantee all of his interest in the above described real estate existing by virtue of that Contract for Conditional Sale of real estate, dated May 16, 1966 wherein Willard Knop is the seller and Danford M. McComb and his former wife Vellamay McComb are purchasers.

Recorded May 13, 1974 under No. 74-10251
Instrument H-2293.

Quit-Claim Deed from Vellamay McComb to Danford McComb Recorded May 13, 1974 under No. 74-10250
Instrument H-2292.

Approved. A true copy of which Warranty Deed and Quit Claim Deed are incorporated by reference herein and appears in Minutes herein, under Warranty Deed.

12. Received Warranty Deed dated April 30, 1974 from Ernie V. Harmeyer and Caroline R. Harmeyer, whereby they convey and warrant to the City of Fort Wayne, Indiana the following described property:

The north 38 feet of Lot No. 7 in Edgewood Addition to the City of Fort Wayne.

Subject to that certain real estate mortgage in favor of Peoples Savings and Loan Association of DeKalb County, Indiana, dated June 7, 1962, and recorded June 8, 1962, in Mortgage & Assignment Record 766, page 158-9, under which there is a remaining principal balance due and owing of \$6,170.59, which sum the grantee herein agrees to assume and pay.

Subject to the real estate taxes due and payable the first Monday in May, 1974 and assessments. Also subject to all future taxes and assessments.

Subject to all conditions, limitations, restrictions, easements, and rights of way of record.

Recorded May 13, 1974 under No. 74-10252.
Instrument H-2294.

Approved. A true copy of which Warranty Deed are incorporated by reference herein and appears in Minutes herein under Warranty Deed.

13. Received Warranty Deed dated April 30, 1974 from Helen C. Foltz, unremarried widow of Clarence V. Foltz, whereby she conveys and warrants to the City of Fort Wayne, Indiana the following described property:

The South 39 feet of Lot 7 in Edgewood Addition to the City of Fort Wayne, Allen County, Indiana, according to the recorded plat thereof.

Subject to all easements and restrictions of record.

Subject to the real estate taxes payable in May, 1974 and to all subsequent taxes and assessments.

Grantor represents and warrants that she and her now deceased husband, Clarence V. Foltz, took title to the above described real estate, as husband and wife, by warranty deed dated February 27, 1950, and that she and the said Clarence V. Foltz were continuously married thereafter until the date of his death.

Grantor by this instrument fully releases any rights of reverter which she may possess by reason of the terms of prior deeds to this real estate.

Recorded May 13, 1974 under No. 74-10253
Instrument H-2295.

Approved. A true copy of which Warranty Deed are incorporated by reference herein and appears in Minutes herein under Warranty Deed.

14. Received tabulation of quotations received by the Purchasing Agent for One (1) Cab and Chassis for Street Department as follows:

ALLEN COUNTY MOTORS ----- \$8,265.00

INTERNATIONAL HARVESTER CO. ---\$10,775.00

The quotation of International Harvester Company was accepted in the amount of \$10,775.00 under Civil City Purchase Order No. 24983, dated May 13, 1974

Ordered sent to the Common Council, Tuesday, June 11, 1974 at 8:00 p.m.

15. Received tabulation of quotations received by the Purchasing Agent for One (1) Dump Body for Street Department as follows:

MACK's Truck Equipment Co. ----- \$1,675.00

ERNST TRUCK EQUIP., INC. ----- \$1,501.00

The quotation of Ernst Truck Equipment, Inc. was accepted in the amount of \$1,501.00 under Civil City Purchase Order No. 24984, dated May 13, 1974

Ordered sent to the Common Council, Tuesday, June 11, 1974 at 8:00 p.m.

16. Received Invoice No. 8 of Industrial Piping and Engineering Corporation in the amount of \$25,722.90 for Water Contract No. 72-W-2, Revision to the Existing Filtration Plant.

Approved.

Ordered City Utilities to pay Invoice No. 8 of Industrial Piping and Engineering Corporation in the amount of \$25,722.90 from the Water Utility Fund.

17. Received Partial Payment Estimate No. 18 in the amount of \$26,809.89 for Bowen Engineering Corporation covering the period of April 1 to April 30, 1974 for Sewer Improvement Resolution NO. 279-1972 - Storm Water Treatment Facility, Section V - EPA No. 11020 GYU.

Approved and ordered City Utilities to pay \$26,809.89 to Bowen Engineering Corporation from Water Pollution Control Utility Fund. Also, Escrow Account is to be paid \$2,978.87 retainage to Indiana Bank & Trust Co. from Water Pollution Control Utility Fund
